For WA Prairie Church records from 1904 and later, they may be found in the church records, or, most likely, the information may be found at the Winneshiek County Court House. Records were to be recorded, by law, after 1880. If you are seeking a particular marriage, write to the Decorah Genealogy Association, 202 Winnebago, Decorah, IA 52101 for help.

All WA Prairie Lutheran Church marriage records from 1852 through 1903 may be purchased in a booklet from the Decorah Genealogy Association Library for $5.50 if picked up at the library, or $7.00 by mail.

A sincere thank you to the Washington Prairie Church for allowing the records to be copied. Many family researchers have found long sought records in these as well as the burial records copied earlier.
