### The Federal reporter

Excerpt from 242 Federal Report, Pickens et. Al. vs Merriam et. Al.— Court Case against Jeannette Fensky involving the handling of the estate of Ferdinand Fensky. Case started shortly after Ferdinand's death and continued on for several years before being settled.

**Suit for an accounting on the part of the defendants for certain property belonging to the estates of Ferdinand Fensky and Jeannette Fensky, deceased, alleged to have been acquired by the defendants through various fraudulent acts perpetrated by them and by Jeannette Fensky and to be wrongfully withheld from the complainants, who claim to be the lawful heirs of Ferdinand and Jeannette Fensky, and for the cancellation of certain deeds. The complaint alleges, in part, as follows:**

**That the complainants are sisters of Ferdinand Fensky, who died intestate in Los Angeles county, Cal., on August 7, 1903, leaving property in California and Kansas, consisting of real and personal property; the latter being in the form of notes and contracts for the sale of real property located in Topeka, Kan., and cash amounting to \$10,000, aggregating \$100,000 in value.**
