Last Will and Testament

Allen Christian, Sr.

1834- 1837 Will Book 7 Page 531

Judge of Probate Madison County, Alabama

The Last Will and Testament of Allen Christian Made 18 July 1836. In the name of God amen I Allen Christian, Senior of Madison County, Alabama being of sound mind but feeble in body - conscious of the uncertainty of life and not wishing to die intestate, do make and publish this as my last will and testament to wit. I first give my body to the dust whence it came and commend my soul to God who gave me existence and as to my worldly effects it is my will that my debts be paid by my Executor herein after named.

1st I will and devise to my beloved wife Margaret the plantation on which I now live containing two hundred and forty acres, more or less to hold, possess and enjoy the same during her lifetime if she shall remain single after my death. Should she marry however then her interest in said land to cease, and said land disposed of as herein after directed. In the same manner I give to my said wife all the farming utensils on this farm with all household and kitchen furniture and stock of every description and it is my will and desire that this farm shall be cultivated and my family remain together on it heretofore for their comfortable support and maintainance (sic), this provision however to cease as to any of my daughters as they may marry.

2nd I give and bequeath to my said wife Margaret the seven bales of cotton now on hand and also the crop of corn, cotton, oats now on hand and growing to be by her applied in her discretion to the support of herself and family remaining with her.

3rd I give and bequeath unto my said wife during her widowhood or lifetime as the case may be the following negroes to wit: Parnes, Arch, Peter, Lige, Alfred, Westley, Judy, Hannah, Josiah and Lucy the younger. Said negroes to remain with my said wife for her own use and benefit as above mentioned.

4th I give to my son Allen one negroe man named Henry.

5. I give and bequeath to my daughter Elizabeth a negro girl named Mary about fifteen years old and a negro child named Jane.

6. I give and bequeath to my daughter Sarah a negro girl Eliza about sixteen years old and a negro child named Ermine about a year old.

7. I give and bequeath to my daughter Martha a negro girl named Harriet about sixteen years old and an infant boy named Elishia.

8. I give and bequeath to my daughter Myoma a negro girl named Martha about sixteen years old and a negro child named Ellen about two years old.

9. Whereas myself and my son Allen have heretofore cultivated a farm in Jackson County together now it is my wish that my son Allen continue to manage said farm as heretofore, and for this purpose I place under his care the following negroes to wit: Sarah, Lucy the elder, Matilda and Jemina, and also all my share of horses, farming utensils and stock of every description on said farm and I wish the proceeds of my interest in the produce of said farm to be applied to the clothing and comfortable support of my single daughters and the balance if any to be invested by by my said Executor as he may think proper for the ultimate advantage of my estate

10. Should my wife die or marry leaving any of my daughters single who are now unmarried, then I wish and will that such daughter or daughters shall have until they marry or die the use of

and benefit of the plantation on which I now live using and enjoying all the farming utensils, furniture and crops which may be grown thereon.

11. To each of my daughters now single I give a bed and furniture

12. It is my will and desire that my son Allen employ some suitable person to manage our farming interest in Jackson County, and that he come and reside with my family here, and superintend and manage this farm for the purposes above mentioned - and I wish it understood that in speaking of the support of my single daughters I wish them to live in the family with their mother and at the plantation, but their clothing and other expenses to be furnished out of my farming interest in Jackson County

13. Whenever my said wife shall marry or die then it is my will that the negroes above bequeathed to her and their increase shall be equally divided among all my children, or if any of them should be dead leaving children, their children, with the exception- no part of my estate is given to my son Jesse, but the share to which he should be entitled is to go to his children James and William - and it is further to be understood that the legacies above given to my children, and property heretofore given to any of them is in a general division to be taken into consideration with the exception of the negro girl Liz or Lizzy given this day to my daughter Martha is not to be by her accounted for on division.

14. Whenever my said wife shall die or marry, then my lands and other property to be equally divided among my children as above, that is to say the said children of my son Jesse to receive an equal share of my estate in his stead - and with the further understanding that ther is to be no division of the home plantation while any of my daughters remain single-

In testimony whereof I have hereto set my hand and seal the day and year above written I hereby appoint my son Allen Christian my Executor.

In the name of God - Amen -

I John Christian of the County of Montgomery and State of Illinois, being of sound and disposing mind, considering the uncertainty of life, and the certainty of death, in order to be the better prepared to meet, and pass that solemn scene, do make this my last Will and Testament - namely: In full confidence in the mercy and in the promises of God, and relying on the merits of Christ, I resign my Spirit into the hands of ^{God}, who gave it, and leave my body in the hands of my surviving friends, to be decently buried without any tentation or show and my funeral expenses to be discharged out of my property.

And further. Such property as God in his providence has committed to my care I dispose of in the following manner - I give unto my beloved wife Reziak Christian all my property during her natural life - (except what shall be herein after named) or as long as she shall see fit to keep house - and if she shall see fit to break up house keeping,

she shall sell off the personally or
perishable property and use the same
to the support of herself during life.
And if she shall see fit to keep
house, she shall at her discretion at
any time, dispose of any perishable
property for her own use, benefit or sup-
port. The property I give unto her consists
of Land, farm, buildings &c. together with
horses, cattle, hogs, sheep &c. with house hold
old & kitchen furniture. Farming utensils
&c. together with all person^{al} & perishable prop-
erty not herein, ^{after} disposed of in another way.
And her bedding & furniture she shall at
any time and at all times have an entire
right to dispose of as she may think fit.

I give unto my youngest son, Matthew
Logan Christian, as follows. I give unto him
my large iron-grey horse and a yearling
colt, the only colt I own at present. It is
my desire that said gray horse shall
be kept on the farm, until Matthew Log-
an Christian shall arrive at the age
of twenty one years. provided my wife
Megiah should not see fit to break up
housekeeping, and should she, said gray
horse shall be given up to my son

Matthew Logan Christian when he arrives at the age of twenty one years. And said yearling colt is now given unto him, and he from this time has an entire and exclusive right to said colt, and may dispose of it as he shall see fit.

Also at the death of my wife Regiah the following tracts or parcels of land shall belong to Matthew Logan Christian Viz - a tract of land, on which I live, including the house, which tract of land contains eighty acres - together with all the improvement which may then be on said land - Also a tract of land in the timber containing forty acres - and which I shall designate as my "West Forty acre tract" in the timber -

And the remainder of the land I have, which is eighty acres, forty of which is timber and forty prairie, I give unto my son Robert Robertson Christian which land shall become his at the death of my wife, Regiah - I have also a town lot in the Town of Stillborn, Montgomery County Illinois, which I desire should

to be sold at any convenient time by my wife
Regina or my heirs after ~~her~~ her death
at their own discretion, the proceeds of which
shall be equally divided among my heirs -

For the final settlement of ~~my~~ ^{the} affairs of my
Estate, I hereby appoint my wife Regina and
two of my sons, viz - William R. & Patrike
C. Christian, Executors - and in case that death
on any other circumstance, should prevent either or
all of them from acting, the vacancy ~~therein~~
to be filled by the proper Court -

By this last Will & Testament I do hereby make

E. Combs, as this affiant is informed, and that the said William Davis immediately took charge of said property and placed Perry Davis, his son, as his tenant thereon, and that Perry Davis entered into the possession of said property and lived and resided

ALETHIA DAVIS, being first duly sworn, says that she is a daughter of Booker Bailey, and the widow of William Davis, deceased; that she is now 72 years of age and has lived and resided in the neighborhood of the Rachel Beckett 100 1/4 acre tract of land situated on Big White Stick Creek, in Raleigh County, West Virginia, practically all her life, during all of which time she has been familiar with said tract of land and the occupation and cultivation thereof; that Rachel Beckett and John H. Beckett, her husband, lived and resided upon the said 100 1/4 acre tract of land when this affiant first knew them and from the time she has been old enough to recollect parties living in the community where she resided; that during all of the time she has known said tract of land, a portion of same has been cleared and fenced and a dwelling house and out-houses were located thereon, and that John H. Beckett and Rachel Beckett lived and resided upon said tract of land from the time she first knew them until the death of the said John H. The exact length of time the said Huff and Clay lived thereon this affiant does not recollect,

but said tract of land was in possession of said tenants for a number of years; that after William Davis acquired said tract of land, or at least a part of it, his son, Perry Davis, moved thereon and farmed and cultivated said land for a number of years and that William Davis had the 44 3/4 acre parcel of said 100 1/4 acres in his possession and control and farmed and cultivated the same either himself or through his tenant, Perry Davis, until the year 1901, when William Christian moved upon said tract of land, and said William Christian has, since the year 1901, lived and resided upon said 44 3/4 acre tract of land and farmed and cultivated the same and now resides upon said tract of land; that the said William Christian lives on the Alethia Davis 5 7/8 acre part and parcel of the 44 3/4 acre tract, but since he has resided on that part of said land he has farmed and cultivated portions of said 44 3/4 acre tract and has been the tenant on said land for the several owners thereof during the period of time aforesaid.

Continental Line was less than two years, this was
a Decision that he did serve as claimed by
him in the State Line, and this being again so

serve in the State Line as Aid de Camp as

Sir:

If I rightly understand the act of congress, of the 7th of June, 1832; "Supplementary to the Act for the relief of certain surviving officers of the and soldiers of the revolution" — and also, the regulations adopted by the Department of War, on the 27th day of June last, I am entitled to the benefit of said act, on relinquishing any further claim I may have on the enclosed certificate of pension.

I served as a Lieutenant, in Captain John Lynn's company, in the 10th Virginia Regiment, commanded by Colonel Edward Stephens; and have drawn my pension, at the rate of twenty dollars per month, from the 7th day of November, 1821, up to the 4th day of March last.

In conformity with the regulations of the War Department, I was on the 21st day of May, 1831, transferred from the Roll of Virginia, to that of Ohio.

I am now ancient and infirm, and consequently, I feel desirous of availing myself of all the bounty, which the government I assisted to establish, will extend to me, that my few remaining days may pass off smoothly —

If the law above referred to, should extend greater advantages to me, than the one I have hitherto drawn under, I want it extended to me — if not, I would thank you to return my certificate, which is enclosed.

With full confidence, in the brave soldiers who preside over the Department of War, to do me strict justice,

I subscribe myself,

Yours W^{ch} Respectfully,

Sir, Your letter informing me, that my name has been ^{sent} transferred from the Virginia, to the Ohio Agency for paying pensions, has come to hand. I thank ^{you} for your friendly attention towards me, in this business. But, my dear sir, either by an oversight on your part, or for the want of a proper explanation on my part, in the first instance, I am likely to be thrown out of six months pension, to wit: from the 4th day of September 1830, to the 4th day of March, 1831, inclusive. Your letter informing me, that my enrollment on the Ohio Agency is to take effect only from the 4th of March 1831; when, in justice to me, it should have taken effect on the 4th day of September, 1830. My affidavit, on another part of this paper, will, I hope, satisfy you on this point.

From the kindness manifested in your attention to me, therefore, I flatter myself, that it is unnecessary for me to press my claim upon you any further than to satisfy ^{you} of its justice, to meet your most prompt attention at this time. I, therefore, hope you will see the necessity in doing ^{me} justice, to have my enrollment to take effect Sept. 4, 1830, instead of March 4, 1831.

I am, respectfully, yours

I have recently removed from the State of Virginia

On this Ninth day of May, A. D. 1831, before me, the subscriber, a Justice of the Peace, for the said county of Ross, personally appeared William Christian, late a Lieutenant in the Army of the Revolution, who, on his oath, declares that he is the same person who formerly belonged to the company commanded by Captain John Lynn, in the Regiment commanded by Colonel Edward Stephens, in the service of the United States; that his name was placed on the pension Roll of the State of Virginia, from whence he has lately removed; that he now resides in the State of Ohio, where he intends to remain, and wishes his pension to be there payable, in future. Dear Sir,

Your letter of the 18th instant has been received. I have taken some trouble to endeavor to find out some evidence to sustain the statements of W^m Christian in the papers forwarded to you some time since, but have been unable to do so.

In hunting for such evidence I find that in Augt. 1776 W^m Christian was commissioned a Colonel & Commander in Chief of all the forces against the Cherokee Indians. His instructions are on record.

One of the Battalions in this expedition was commanded by Col Charles Lewis. Whether this is the same W^m Christian or not I of course cannot say.

In 1777 I find that Col Christian was appointed one of three commissioners to make a treaty with the Cherokee Indians & in May 1777 he reported that he had made a treaty & it was approved.

I regret that I could find no information such as you desired.

Very respectfully,
George W. Mumford

early in the fall of 1776 he was commissioned a Lieutenant in the
army of the Revolution, of the United States. he then resided in Augusta
County Va. where he qualified to said Commission. & enlisted his

return home to Augusta County, where under an appointment of field
officer, of the militia of said county, he marched the militia for about two
years, and he further states that about the 1st of March preceding the battle of
Guilford he took seven or eight men, which he found in said county of Augusta,
who belonged to the army & marched with them, & joined Gen. Green in North Carolina
the men were raised under Capt. Thomas Smith, & he was appointed an aid to
Gen. Gen Campbell, in which he officiated he remained, and acted in the battle
of Guilford, after which Gen. Campbell was appointed General. he was
then appointed a quarter master to provide provisions for all the light
troops, under the command of Gen. Campbell, in which station he
remained & acted until the death of said Campbell, after which
he was appointed an adjutant, to a regiment of Rifle men
commanded by Gen. Samuel Lewis, in which he remained &

he was present. He was then directed to return home, which
he did. His commissions & other papers containing evidence
of his service are lost. J. S.
