BANDINI FAMILY TREE

This represents the results of the first computer run of the Bandini family tree starting with the wheel* and expanded with information provided by many family members. This latest compilation results from the efforts of Arcadia Mel de Fontenay, Nancy Mel, Charles Mel and Peter Mel. We know that there are gaps in information, probably spelling errors, incorrect dates etc. which may be corrected in the future after the distribution of this document. Corrections etc. should be addressed to Peter Mel.
