For additional explanation of symbols on index cards see the Genealogical Society's Research Paper, Series F, No. 2, "A BRIEF GUIDE TO THE TEMPLE RECORDS INDEX BUREAU OF THE GENEALOGICAL SOCIETY."

A Temple Index Card search will be made for a probable matching card only. A more exhaustive search can be made by an accredited researcher.

SEALING DATES do not usually appear on index cards, but may appear on archive records. Or they may be obtained from microfilm copies of the original temple records at the Genealogical Society by search in person or through accredited researchers.

BAPTISM & ENDOWMENT DATES may not be present on index cards or archive records because of the following conditions:

1. The individual was born less than 110 years ago and no death date is available, therefore the ordinances have not been completed.
2. The ordinances are in process of being performed.
3. The individual was born in England or Wales and the card relates to the program outlined in The Genealogical Society's Research Paper Series F, No. 3, "THE GENEALOGICAL SOCIETY'S NAME EXTRACTION PROGRAMS" available from the Genealogical Society.

Dear Mr. Blauer:

Thank you very much for your letter expressing your interest in having part of the proposed sports arena be named in honor of your grandfather. From the articles you have sent us, he seems to have been a dynamic force in the community.

We will be taking your suggestion and placing it with our Planning Commission secretary. When new streets or public facilities are built, such as the sports arena, our Planning Commission has the responsibility to name these new areas. By having your letter with its attachments on file your grandfather's name will be used in considering the naming of any new street, or more appropriately in this case, a park or sports facility.

Thanks again for your letter of interest. We will keep you informed as to when a facility may be named after your grandfather.

Very truly yours,

Analysis of Ephraim Brock's Handwriting
by Betty Gilliland
July 7, 1990

On the above date, Betty Gilliland analyzed the character of my Great Great Grandfather Ephraim Brock. The letters used were dated in 1891 - within a year of his death - May 16, 1892.

Analysis

Due to certain aspects of his writing she says he had trouble in his stomach around the naval area.

In spite of his age (66+) and health he had a zest for life and an enthusiasm for life. He was not a negative man and was a very good team player.

He was not a strong, forceful or overbearing man. Would not say "you will do this"!! Very tolerant of others and could gauge how much space people needed - not the smothering-overbearing type.

If he was irritable or upset he would take it out on himself not others.

He didn't play games about who he was. Didn't give a false front to others. His was a world of feelings and doing - not ideas. If given something to do he would see it through to completion. He made a commitment to do a job - it got done. He would analyze the best way to do a job.

Though not tactless, he was very straight

forward. If there was a job to do he would tell you how it could be done, what it would take and how much it would cost. And he would get it done. His word was his bond. It was not necessary to have a contract with him as you knew his word was good and the job would be done right!!

People liked him. He didn't overwhelm them with his personality. He was not poorly educated and used whatever he had to do the best job he could.

He was not a fearful man, but very confident. Not pushy, but self-assured.

The above analysis was done at the Huntington Beach library during the meeting of the Orange County Calif. Genealogical Society Meeting. Though no one can be sure how accurate this is, many members of the Society will attest to Betty Gilliland's accuracy on persons she analyzed and the submitter knew. I hope you enjoy this little, but interesting insight into our ancestor - Ephraim Brock.

Obituary.

The following obituary notice on the death of one of Albuquerque's pioneer citizens is contained in the Perris, California, New Era of May 19:

Died—On Monday, May 16, at 5 p. m., after a brief illness, Ephriam Brock, aged 68 years.

Mr. Brock was born near Rochester, N. H., on the 31st day of March, 1825. In April, 1846, he was married to Diana C. Ames. Seven children blessed the union, four of whom are still living, the only surviving son being Mr. A. L. Brock, of Perris, with whom the deceased has resided for four years past, during which time he endeared himself to all who knew and admired him for his uprightness and manly traits of character. His occupation was that of carpentry, at which trade he labored until a few days before his death, and he was known to be a skillful, conscientious craftsman. In 1875 his beloved helpmate passed to the other life.

Mr. Ephriam Brock was one of the earliest of Albuquerque's pioneers and enjoyed the distinction of having built the first house ever erected in the new town. Among his surviving relatives are two well-known residents of the Duke city, they being his daughter, Mrs. J. F. Gutswaler, and granddaughter, Mrs. D. A. Moss, wife of the popular superintendent of the Albuquerque steam laundry. During his residence here the deceased enjoyed the reputation of a good citizen and an honorable gentleman and THE CITIZEN takes pleasure in adding its tribute of respect to that which the New Era has voiced so feelingly.

Death of Mr. Brock.

DIED—On Monday, May 16th, at 5:00 p. m., after a brief illness—Ephriam Brock, aged 68 years.

Mr. Brock was born near Rochester, New Hampshire, on the 31st day of March, 1825. In April 1846, he was married to Miss Diana C. Ames. Seven children blessed the union, four of whom are still living, the only surviving son being Mr. A. L. Brock of Perris with whom the deceased has resided for four years past, during which time he has endeared himself to all who knew and admired him for his uprightness and manly traits of character. His occupation was that of carpentry, at which trade he labored until a few days before his death, and he was known to be a skillful, conscientious craftsman. In 1875 his beloved helpmate passed to the other life.

Funeral services were held at the M. E. Church on Tuesday afternoon at 5 o'clock. Rev. Rogers made a short address, taking for his text the beautiful words in the 14th chapter of St. John: "Let not your heart be troubled; neither let it be afraid;" etc. At the close of the address the remains were taken to the Perris cemetery, being followed by a large number of personal friends of the deceased.

Dear Jim,

It's my pleasure to send you this copy of our family tree. My mom, Florence, sent this to me and I always thought I would do something with it but have procrastinated and so haven't pursued it. So happy you are --- I have always wanted to know my dad's background Harold Leroy Quell --- His/our last name is so unusual I have never found a Quell in a directory.

If you do get some background on him sure would appreciate a copy

Remarks

Mail Employee Finds Missing Link

Jim Blauer, recurring Clerk for Store 4047 in Costa Mesa, Calif. has, after two & a half years found his missing link. Jim, a genealogist has worked on his families trees for over 10 yrs. About 2 1/2 yrs ago, Nov. 1978 Jim, Applied to become a member of the California Society of Mayflower descendants. He did so listing his line back to Francis Cooke. Unfortunately the society refused to accept his application as he had no documented proof showing that Piona C. Ames his great ^{grand} mother was the daughter of Bezar Ames & Lucy Goodrough. Jim contacted his Cousin Ellen Frances Merrow of Santa Barbara for help since she was of the Bezar/Lucy line, but hers was traced through Diana's Brother Fisher Alvin Ames. After about two years of writing to different State govt's and Historical Societies. Ellen Frances met

with a Mr. Lamb, the Executive Sec. of the
Sons of the American Revolution of the
State of Calif. Her husband was President ^{at the time} of the
As Jim had also earlier applied to
this organization ^{for membership}, Ellen asked Mr.
Lamb to check into it for Jim. He
found in the S. A. R. records a
C. Gilbert Ames who was a descendant
of Bezar & Lucy thru their son
William. Mr. Lamb wrote to ~~the~~ Mr.
Ames and received a work sheet of
Mr. Ames traced ancestry which
Mr. Lamb sent to Jim. Jim upon
receiving this wrote to Mr. Ames
about any other info Mr. Ames might
have of Bezar & Lucy's family. After
about a month ^{on Jan. 23, 1981} Jim received a
cardboard tube in the mail ^{from Mr. Ames.} Upon
opening it Jim found the tube contained
a genealogical chart of Bezar & Lucy
Ames, listing their 10 children &
their descendants. The second of the

ggg-Mother

ten children listed was Jim's Diana.
It traced Jim's line down to his
grandmother Marie Diana (Putzweiler)
Blauer giving information he thought
only he had as the genealogist of his
family. But before submitting anything
to the Society he had to write to
Mr. Ames again to find out from
where the information on the
chart came! Societies like to have
documented proof & unless they can't
go to the source or have some^{one} else
check it to verify all facts, odds are
they (the Society) won't accept
his application. On Jan 24th Jim
made a couple copies of the chart
sending one to his Cousin in Santa
Barbara & his genealogist in Mass.
On Jan 29th I received a letter from
my cousin in which she told how
when she got the copy of the chart
she called Mr. Ames and he

was in the process of reading the letter Jim had sent him. He told Jim's cousin (Ellen Frances Merrow) that the chart was made by his grandfather, Clarence Gilbert Ames, 1st cousin to Jim's great grandmother Ellen Frances Brock daughter of Dr. C. (Ames) Brock. He told her also that he would do all he could to help.

On Feb 14th Jim received another chart & letter. The chart was of the Ames descendants of William Ames & traced his line up to the family of Bezu Sr. which included Bezu, Jr. The letter explained that this chart was done by a professional genealogist many years ago & that the earlier chart sent to Jim was done by Mr. Ames Grandfather, C. Gilbert Ames. Copies of the charts were made & sent to both societies as proof of Parentage on 4 March 9, 1981.

On May 12, 1981 Jim received notice from the National Society of the Sons of the American Revolution that he had been accepted as a member and given both a national and state membership number -

On July 4, 1981 Jim was presented his official certificate of membership by Mr. D. Morrow ^{Outgoing Pres.} of the Parker Park S.A.R. Chapter.

On July 2nd the Mayflower people called, but I wasn't home. So I returned it the next day. As she had stated in a recent letter they had one proof by the Chart sent that Diana was Bague & Lucy Ames' daughter. She told me to write to my Cousin back East & have him contact her. She told me they were sending back all money & Charts I had sent them until I can get proof they will accept. In Aug. I received a copy of a letter sent by my Cousin

Clarence Gilbert Ames to the Secretary
of the Mayflower Society. It was in
essence a sworn statement by him
of his billings as to who the charts were
made by. On Sept 8, 1981 I received
a letter from the Society, saying as yet
they had no proof & were returning my
fess paid several years ago minus
some expenses. So now I have to
find further proof on Dean's Bill.

Dear

I have a problem that I will explain to you, then you can decide if you can help me.

I am a genealogist for my family and am trying to find proof of birth for my great great grandmother. A genealogist who is helping in Massachusetts has hit several dead ends and a chart a cousin sent to me that was made by our ancestors is not acceptable to the Mayflower Society which I am trying to join.

My great great grandmother is Diana Crehore Ames, born Aug. 15, 1825. Somewhere in Eastern Massachusetts. Her brother William was born in Middleboro, but she was not. Much of the family lived in Bridgewater, W. Bridgewater, Dedham, and Milton.

She married Ephraim Brock on April 14, 1846 in New Haven, Conn. where the family had moved to. He was from Stroughton, Mass. (Born in Rochester N. H.).

Her parents are Beyer Ames
b - Oct. 15, 1792 - d. - Sept. 10, 1861
(Bridgewater) - (New Haven, Conn.)
Lucy Goodnough b - c - 1805 - Roxbury, Mass.
d - Oct 9, 1886 - New Haven

Blair's children
in order they are 1) Guy Reeves Ames (1824-1853)

- 2) Marie 3) Dr. Warren Ames (1827-1915) 4)
- William Beys Ames (1829-1876) 5) Lydia Frances Ames
- (1831-1866) 6) Abigail Adeline Ames (1833-1886)
- 7) Abigail Adeline Ames (1836-1914) 8) John Willard Ames
- (1839-1841) 9) John Willard Ames (1843-1843)
- 10) Fisher Alvord Ames (1845-1923) and George Brock
- Ames (1887-1889).

Ames died on June 21, 1873 in Nashville,
Tenn. during a cholera epidemic and
records are available.

Because I don't know in what city the
was born + state records don't begin until
1841 I would like to ask if any of your readers
could check local city and county records
for her birth.

This is not listed in any will or probate
court records of his estate.
I hope you can help as I have been
researching for over 4 years with no success.
I needed to have documented proof from
