Dear Mr. Blauer:

I am writing in response to your letter, dated December 12, regarding naturalization records. I have searched our naturalization holdings for the Superior Court of Los Angeles, and was only able to locate a certificate of citizenship for Pius Gutzweiler. This record is the original record of the copy you sent me for reference purposes. There are no other naturalization records in our holdings for Pius Gutzweiler. There is a short time period for which declarations of intent and petitions for naturalization do not exist. Unfortunately, the naturalization records you seek fall within this time period.

Naturalization records created in the state of South Dakota are not in the custody of this branch of the National Archives. For assistance in locating the naturalization records of Julius Claus, I suggest you contact the following National Archives regional facility:

NARA's Rocky Mountain Region
Building 46
Denver Federal Center
Fifth Street and Center Avenue
Denver, CO 80255
303-236-0806
denver.archives@nara.gov

Since the records you seek are not available at this facility, a fee will not be charged. Therefore, we will be returning your check to you via regular mail.

If I can be of further assistance, please feel free to contact me at randy.thompson@nara.gov or via telephone at 949-360-3427.
