

THE GULLICK FAMILY TREE

Christian Gullick was born on October 3, 1813 in Dreichausen, Prussia. He died on June 9, 1880 in Jefferson Township, Lee County, Iowa.

Henrietta, his wife was born on November 24, 1814 and died on November 3, 1897.

They had the following children:

FREDERICK.....	APRIL 30, 1840.....	July 28, 1905
CAROLINE.....	1848.....	1928
HENRY.....	June 17, 1855.....	Aug. 26, 1880

There is clear evidence that the name Gullick was spelled Gullich until about 1900. There is no "K" in the old German Language. Tombstones in Everheart Cemetary (East of Donnelson, Iowa) bear this out. Francis Gullick, son of Cleo and Martha Gullick was in Germany for several Years. He could find the name Gullich in old church records, but no Gullick's.

There was a Frederick Gullick born in Prussia about 1785. He was conscripted into the army at the age of Eleven and remained in the service until he was thirty-five. By that time he was married and the father of two sons, one of which was Christian. They lived in what is today known as Saxony, Germany. The Gullick family along with the Millmeir family (they intermarried) left Prussia, traveled to England and then came to America by way of New Orleans. They traveled up the Mississippi River to Keokuk, Iowa and then bought a farm along Sugar Creek.

It was on this farm that Frederick, the first child of Christian and Henrietta Gullick was born. On January 16, 1870 Frederick Gullick married Mary Musich (Musick). To this union ten children were born. Fred died in 1905 and Mary in 1924.

Caroline was married to William Kuddebeh on February 9, 1870 in the Kuddebeh home in Lee County, Iowa. To this union two children were born. Caroline died in 1928. Since it is not known where William Kuddebeh is buried or died at this time there is no record of his birth or death for these records. When this information is found it will then be properly included for the family record of the Gullick's.

Henry married Eliza Eigel on October 14, 1879 at Fort Madison, Iowa. They had taken out a license on June 10, 1879, but due to unknown circumstances they were required to get a new license in October. It was probably due to the fact that Miss Eigel was only seventeen and had to obtain written permission from her mother, since her father had died. This written permission is on file with the marriage licenses in Lee County Court House. Henry died less than ten months after he and Eliza had been wed. At this point it is not known what happened to Eliza or whether she had a child by Henry. Hopefully with the help of relatives we may find out where she died and is buried. From her age at the time of marriage we can ascertain that she was born in the fall of 1862, but that is all.

Since coming to America the Gullick family has grown with time which is a living monument to those pioneers who came to settle in America.
