Dear Mr. Blauer,

I am researching my ancestors, have been off & on for year. You gave Jean Brock a lot of info and I got what copies you sent her, or rather copies of your copies. I don't know how far back you have gone, but I'm trying to go farther than what you showed at that time.

I'm looking for info on Lucy Goodnough b. 1805 Roxbury Mass., d. 10/9/1886, ^{New Haven, Conn.} m. Beger Ames Jr. b. 10/15/1792 Bridgewater, Mass., d. 9/10/1861 New Haven, Conn. Anything on her and her family would be appreciated. Also am looking for info on Mary Willis's side, she was b. 6/30/1725 Bridgewater, Mass., d. 10/27/1799, m. Isaac Johnson b. 8/9/1721. Anything on them & names of any children the families had would be appreciated. Any Kinsley's on Mary's side?

If you want any info on Arthur Lincoln Brocks daughter, Imez Diana Brock Ybarrondo and her family + dates let me know as I have them. She was my grandmother, her son Paul was my father.

Would appreciate hearing soon, as I'm anxious to finish this tree. Thanks.

Sincerely

Dear Cousin James,

Thanks so much for your info, have been pouring over it & you have so much more than I had.

How on earth did you find all that history on Josselyn (Jocelyn) side, so far back? Lots of Lords & etc.

My grandmother, Inez, always said there was a knight in the family, but don't know if she meant her side or the Ybarrondo side.

Some I had that you didn't - Thomas Ames chart 2 married 6/20/1731.

I find another Diana Crehore Ames & figure she's the daughter of Beza Ames & Rebecca Josselyn, would be our Diana's great Aunt, am I right?

Did you find anything

on Lucy Goodenough yet? I found this info in our library in Spokane Wash. - "Goodenough's Ghost" #6.50 yr., Carol Goodenough, 3756 Knox St., St. Joseph, MI 49085, name research #2. I haven't written yet, but thought you might like to file her address. I also found a Thomas Goodenow, Puritan, brothers John & Edmund, sailed from Eng. on ship Confidence 1638, parents Thomas & Ursula. I think that may be anything? So many changed the spelling after coming to this country, it makes it hard find. Don't think I will get the "Goodenough's Ghost" as we live in our motor home & move around too much, but it may lead to something if you want to send for it. I'll send the #2 for name research & will let you know what I find out.

Hope you can understand the chart on Arthur Lincoln Brooks family tree. I am a poor typist tho - many mistakes but think you can make them out. I goofed + put my Dad (Paul) first when he should have been second. I numbered Inez's children + their families under each name. Any questions, please ask. Didn't know if you wanted anything on Inez's husband so didn't list it. Joe's father was Thoms + mother Semona Blanca, think they were born in Caranza, Spain, she died there or Madrid. He died in Los Angeles, had lots of property around L.A., was a doctor + remarried someone by the name Brown, had second family, + most all ybarro's outside San Diego county are from his second family. Have tried

getting info from those Ybarondos
 & they don't answer my letters.

Do you have anything on
 Luvinia Cassandra Edwards, Arthur
 Lincoln Brooks wife, died in L.A.
 1896-97, brother Clement Morris
 Edwards, 1/2 sister Dmez McCann &
 brother John McCann (McCann). Her
 mother Dmez Morris? b. 1800-20's in
 Virginia. This is where the
 signers of the "Declaration of Ind."
 come in, a Middleton & Morris
 married I think. Need to find
 a DAR or SAR tree to research
 back on both names. The area
 I'm in now has a small library
 & haven't checked it yet. We are
 near Bullhead City, Az. & Laughlin,
 (our play area) W. Enclosed is
 copy of writing on inside cover of
 book.

Boy, I get going on all this
 I can't quit is so interesting.

Please let me know how much
it cost for all the copies, want
to reimburse you for them
& postage to send them, nearly
appreciate it very much. Can
are you have put a lot of them
in this.

Where did you get the charts
you need, office supply or where?
I have several like some, I have
been using what the LDS have
& they are pink & don't copy well.
Did you break and you
anything on the Bank or Education
side?

Where do I write to get copies
of B. + D. certificate in Calif?
Also where in mass. ? do you
need money to get them or do
they like you ?
This is such a time

e commission got a Jim Anderson
to get it done, but guess you

never really finish these things.

We are in Arizona now,
so write me at below address.

Thanks again!

Dear Cousin James,

Was so thrilled to get the Washburn line, what a lot of work you have done. Boy what a lot of Royalty in that line.

Was so sorry to hear about your mother's death. It was nice you both had that last trip together.

Maybe I could have that Salt Lake City research done. Our ex-daughter-in-law is a Mormon & lives in Pleasant Grove. If you will let me know what you want looked up, I can write her & see if she'll do it.

The Ybarrondo line would be awful hard to do as a person has to look in Spain, as my great-grandfather is from Spain & came to this country when my grandfather was a boy. Still have

concern over in Spain, but don't know the Bague language in order to correspond.

What Sam's trying to research now is also the Bague side,

Epim Bague on ^{Virginia} back. Also the Edwards side, Virginia, Caandria

Edwards. The little info I have is she may have been born in

Texas & died 1896-97 in Los Angeles, Calif. Her brother was

Clement Maria Edwards & half sister & brother Sney McLean &

John McLean (or McCann) McLean who her mother's second marriage;

her mother was Sney Morria? She born in Virginia 1800's (200). The

line is supposed to go back to a group of Iberian. Sney Morria

and middle. Possibly Sney Morria's parents were the Morria &

Middleton. Any help would be great.

Had a letter from a Donald
Goodenough who sent below info -
"On Lucy Goodenough Ames"

Marriage records of 2nd Bapt. Church
of Boston show Beza Ames m. Miss Lucy
Goodenough - 7 or 9 / 14 / 1823 (v. 128, p. 175).

Published VR of Roxbury, MA. show an
Ephrim & Elizabeth Goodenough with
a daughter, Lucy (1797-1799) & four
other children bp. in 1813. He
couldn't find a birth record for a
Lucy in Roxbury during 1805, but a
5 yr. old daughter fits well in the
1810 Roxbury census record of
Ephrim. A Warren was one of the
children bp. in Rox. during 1813. He
believes that this is same Warren
Goodnow of Boston who m. Esther E.
Hopkins of New Haven on 5/25/1834, as
recorded in New Haven VR & who
appears in the 1850 New Haven census,
born c. 1810 in MA.

The marriage of Ephrim to Eliz. Herring on 3/6/1796 appears in Rox. VR. He believes it is the same Elizabeth who appears in the 1850 New Haven census records, born c. 1777. in Conn. & living with Lucy Ames.

This info could originally come from you as he mentioned your name.

Yes your numbering system is a little confusing, but I'm sure I'll get the drift of it in studying it.

Hav'n't got all the family charts back, a few & still have some to send out ~~or~~ see them myself & try to hurry it along.

Met some people from your area & asked if they knew you. Said they knew of a James Bauer auto agency, Buick I think. Is that you? Maybe someday will meet.

We are in Spokane right now, plan on leaving here after Labor Day & head south. But keep using our Ft. Mojave address as they forward to us. Our daughter is having a house built & we are kind of overseeing it to make sure they don't take advantage of a woman.

We spent some time in Washington & dug clams, got a freezer full of ground ones plus some canned. We love them. Didn't fish this year tho, still have over a case of canned salmon ~~yet~~.

I've been busy doing some song bird pictures for an art gallery in Idaho. They wanted several for a grouping.

Please excuse my writing, its gotten worse with R.h. arthritis, hand gets tired easily.

Thanks again so much
for your info, I really appreciate
all of it.

If you can find out anything
on the Brock + Edward side I'd
appreciate it. If you think you
want to try on the Ybarrondo side
let me know + I'll send that info.

As ever,

your cousin

Hi James,
How was your trip
you won, have a nice time?

Sure was cold here +
windy, but looks like its going
to warm up (I hope).

Sending back what forms
have been returned to me. Some
are still out and still am looking
for ones address to send to, thought
I had it. My sis still hasn't re-
turned ~~the~~ her batch + Joe II's
daughter hasn't sent their families
back yet. Had sent her all of them
for Joe's family as she lived in
area + I didn't have everyones
address. If they come back, I'll
send them on, will have to
write to them again.

I'm going to a genealogy
meeting this afternoon, found out
there was a club.

The College here is going to have a geneology course & I may try & go to it.

Did you ever find out anything at your Gen. Club group about the ybarrondo name & info I sent you? Does anyone in your group know the Basque (Spanish) language? I understand Basque is a little different. I have a cousin's address in Spain, but may have to write in the Basque language, but will try, english once I think.

I've been busy on animal portraits for Xmas. Now I'm trying to do a series of paintings in water color of "The Ladies" of late 1800's & early 1900's. Their dress & big huge hats make an interesting subject.

Hope you had nice holidays as we did.

Your cuz,
Pauline

Feb. 18, 1992

Dear James,

Hav'nt heard from you in ages. How are you doing? I have been trying to get the birth and death certificates together on the family. Otherwise we hav'nt been doing too much.

We are trying to get a chapter of the D.A.R. started in Bullhead City. We had the head honcho here for the first meeting, the Az. state leader. She looked at what I have, and I can use the death certificates on some for their birth as they show the birth date. She said if I could get copies of your references it would speed things up so I can get in on the organizing chapter, we need twelve members to make a chapter. So if you would please copy and send me everything you have from Ephrim Brock and Diana C. Ames on back to your S.A.R. ancestor. It Looks like you go back to Major Isaac Johnson or did you use Silvanus Ames? I have a copy of Diana C. Ames will you sent before. I will reimburse you for the copies and postage. Did you get copies of any vital records or census records, I need those if you have them. I am going to have to get Arthur Lincoln Brocks birth record, as whoever filled out his death certifice they used nick names of his mother and his wife. So I am going to have to prove the connection to Ephrim and Diana as parents. If you don't have copies of V.R. and census, if your library or source has the books where you got you info could you re-look them up and copy them for me? We don't have a very big library, the Morman library may or may not have them and if not would have to send for them. Did you happen to see Arthur's birth record when you found Ellen's? I wouldn't have any problem with finding those books in Spokane, Wash. as they have a good genealogical section, I used to go there.

Am looking forward to hearing from you and hope you can supply what I need. Thanks for doing it and your time.

As Ever Your Cuz,

Pauline Fallett

Feb. 28, 1992

Dear James,

Was sure glad to get all the copies and info, thanks alot. I figured what I might owe, \$3.00. If it isn't right let me know. I know how expensive this genealogy is so I want to keep things right so you will keep me informed.

Sorry to hear that you hav'nt been feeling too well and the expense of medical care. Doctors have no mercy on people or they would'nt charge their high prices and keep raising them every time you turn around. The un-necessary tests they take is another thing I don't like. I'm getting so I will question the tests and not take them if I feel its not needed. Hope you are feeling better by now.

All the copies you sent me were great, it gave me the proof of the 7th, 8th and 9th generations. But you didn't send anything on the 6th one, Bezer ames and Lucy Goodnough. What proof did you use on them? Would you please send me a copy of what you used. What is the real birth and death dates of Sylvanus Ames? Ethelyn Ames Hefty (DAR) has them as b.1744 and d.1777, you have 1743 and 1778. Gladys Ames Prendergast has Sylvanus d. 1777-78. She also has Lucy Goodnough b. 1803 and d. 1866, you have b. 1805 and d. 1886. Which dates should I go by, the DAR ones?

My g.g.grandfather Arthur Lincoln Brock was born Nov. 6, 1861. Being Ellen Francis was born in Mass. I presume he was born in Mass. also as he was younger than Ellen F.

I see by one of the obits that Ephrim Brock lived in Albuquerque. Is that New Mexico?

Could I have copies of any letters you have from Ephrim and Diana? I'm fascinated by the past of family members.

They sure are getting to know me at the coping shop, I am running down there all the time. They only charge me 4¢ a copy, best price in town.

I have been looking at the death certificates and with some of the Ybarrondo uncles medical history I find that heart problems and hardening of the arteries is prominent, plus my grandmother and an uncle have arthritus and she also had rheumatoid arthritus. I got my rheum. arth. from her I guess. Will Have to watch my cholesterol.

The weather is starting to get nice here, but could do without the wind. That's the only problem with this area, wind and lots of it!

We are going to be great-grandparents in July sometime, our oldest grand-daughter is pregnant. She lives in Spokane so we won't get to see it till we go up there again. Might go up in the summer.

Thanks for everything and hope you can fill my requests again. Look forward to your next letter.

As Ever, your Cuz,

Pauline

March 13, 1992

Dear Cousin James,

Thanks for your prompt reply. Appreciate all that info. But need your help if you can do it. Our Morman library is in Needles or Kingman and they are open only a couple days a week and a few hours. Plus I just about have to order everything. So if you have a better source than me maybe you could get some copies of what I need. That is when you are going to the library.

Our new DAR group wants me to go back to another ancestor to join with as I have always been told that we are ancestors of Robert Morris and Arthur Middleton SDI. Thats on the Edwards side. I wrote Jean Brock for anything she has, but havn't heard from her as yet. I know a Helen Nelson Sands in Potosi had family info on Edwards, but think she is dead now, her daughter is a Mrs. Don Wilson. If you know of them or whereabouts I'd like the address, unless you have any of that info, which I doubt as it's not your lineage. If you can get any DAR lineage books maybe you could look up those two names to see if they have already been done down to Middleton & Morris. I am trying to locate Luvinia (LULU) Cassandra Edwards Brock birth, marriage & death certificates. They may give me her parents names so I have some place to go from for that lineage.

I got these listings from the college library micro-film, if you can get a hold of these DAR references I'd like copies of pages listed.

DAR VR from family bibles, Morris Family, E.202.5 C15 V5
Vol. 10 pg. 49, Vol. 39 pg. 34, Vol. 40 pg. 208.
Also "History of the Middleton Family" Caldwell and
Livingston COS, MO pg. 1127. Also Genealogies of
Penn. Families: from the Penn Magazine of History
and Bio. (F148 G46) pg. 844, 867, 882 & 883. If
your source or library has these references it will
be great as I just don't know if I can locate them.
Don't make any special trips, just when you are
going over yourself. I know I will have to do a lot
of digging to prove this lineage. But the group
tells me that those kind of stories that are passed
down are usually true. So anything you can do to
help me will be greatly appreciated. Sure wish I
was up at Spokane, Wash. to do my research as the
down town library has a terrific genealogy section.

Those letters you sent helped me to put
Lulu in Perris in 1891-92, so am trying Riverside
County for her death certificate, also am asking if
there is a marriage certificate for her and A.L.
Brock. If the M. isn't there then I am going to
try New Mexico. But may try and get the census for
1890 for New Mexico and Calif. to see if they were
together then. Also asked them if they had birth
records of Inez Brock and Paul E. de Ybarrondo as
it could well be those records are in Riverside Co.

Would you send me the address of the May-
flower Descendants.

Thanks again for any of this you can do
for me. Wish I had good resources close here. Maybe
I can get up to the Morman library in Vegas one day.

As Ever, Your Cuz,

Pauline

Aug. 27, 1992

Dear James,

Finally got a copy of what Paralee sent me but don't know if it will do us any good. But being there is an Edwards mentioned I thought it might help, give us locations anyhow on where some family might of traveled and areas lived in.

Yes, Paralee Gray was married to Clement Morris Edwards, the brother of my Luvina Cassandra Edwards, my gr.grandmother. I guess that we are not ancestors of any Gray's tho, at least not blood related, in-law I guess. But that name may help us in locating the Edwards side maybe. I know Clement Edwards is buried in Campo, Calif., and I think that Inez Morris Edwards McCann was in Delzura not too many miles from Campo. A lot of the family may have been in that area, as my grandfather Ybarrondo died at Boulevard near Campo also, as they used to go there for the dry air as he had TB. Paralee thinks that Clement also died of TB.

The 1890 census is the most important one and there isn't any. Wonder if San Diego had any kind of census for 1890? Boy do I wish I lived near a good genealogy library, this ordering books and having to wait for them is for the birds, very slow going. That is why I end up sending for records as it can be quicker but costs me more money and I have more time than money, but I get so impatient trying to find this info. I really can't afford to hire someone to do the research. Half the fun of doing

this genealogy is the hunting, like putting a puzzle together. I'll leave the hiring of a researcher to Mary Tull as she can well afford it. She said she had a little old lady that'll do it for \$10 an hour.

You had Luvinia Cassandra Edwards born in Texas, I think that came from you, but in talking to Mary and her mother Mayme and my cousin Darrell, they said that grandpa Brock always refered to his wife as 'my Virginny gal' so maybe she was born in Virginia instead of Texas. So that might tie in with the Litton's being they were from Vir. and moved to Texas, could have been the the group of them on a wagon train possibly,

Think I will write this Versie Tuttle and see if she has any more info on the Edwards side. That is if she is still at that address as its been 15 years since she wrote that letter.

I'm sure Paralee Goss may have more info, but she's been sick and just hasn't got to digging around in her stuff yet. If I lived closer to Escondido I would go over to her place and help her look. I have even talked to her on the phone, and that letter is all she sent me, will keep trying with her tho. If she only could give us Clement's father's name that would sure help.

I figure that Cassandra R. Middleton was the signers grand-daughter, or gr.grand-daughter. I know that Arthur Jr. was married to a Alica Russell and was wondering ^{if} Cassandra's middle initial R. could mean Russell. I need to find a list of all the children of Arthur Jr. & Alica. Could be that the above name is Henry's son and the signers grandson. I know that Arthur and

Alica had a son born in 1810, a Nathaniel R. (Russell) Middleton, so their children were born at the times that Cassandra would have been born. Also Nathaniel is the gr.grandson of ^{Arthur}~~Henry~~, so that would be the ones. Rev. Nathaniel Middleton m. 1. Margaret Emma Izard 1832; m.2. Anna Elizabeth de Wolf 1842. All this is from marriage records in S. Carolina, but didn't find Cassandra. So you can see I need to find all families of the Middleton's. I am trying to go back and see ^{if I} can make a connection some where, but maybe that she isn't related to the SDI Middleton. I have a bunch of Middleton names, could be a cousin or somewhere down the line, as I imagine that there are numerous Arthur Middleton's being they named their kids the same name so much, it could branch off of the SDI Arthur's like a brother or something. It will take a lot of research.

So if you run across anything that might be of value copy it and send it to me.

I'm hoping to go to Salt Lake in Jan. with some of the gals in our club. But want to narrow things down a lot first.

Take care and write soon,

As Ever Your Cuz,

Sept. 8, 1992

Dear James,

Here is a section of a Calif. map showing San Diego county, which also shows the areas you were asking about. I have circled all three places and they are all on highway 94. Campo and Boulevard are more in a dryer desert like climate. Thats why my grandfather used to go out to Boulevard.

Did Paralee tell you that Clem Edwards also died of T.B.? She told me she thought he had and that he is buried on a little mound in a pasture in Campo next to his father-in-laws large birch monument. Also that Paralee Edwards father was James Alfred Gray and was murdered in the Cuyamaca Mtns. by two men who took his gold coins from the sale of good horses in L.A., his gun and his horse, around 1873. The men were caught and put into prison. You probably have heard all that tho. I save any little info anybody gives as you never know it may give you a clue to something else.

I just wish I knew what year Inez Morris Edwards McCann died. I will have to get the 1900, 1910, 1920 and 1930 census, and see if I can locate her and then when I can't to even get an idea of what 10 year period she died in. I wonder if there are any books on cemeteries for San Diego county areas, do you know if any have been done? Maybe I could write to some of the areas genealogy clubs and get some help.

Being I have so many relatives in that area I should join one of those groups.

If I get to go to the Salt Lake library, what do you think I should concentrate my time on, books mostly? I probably can send for film at the library here easier than I can get books. I guess it would be better to copy everything then research it after I am home instead of getting too detailed in my research. I need a genealogy library right next door to me I think.

You sent me the Washburn lines that you had, if you have up-dated them or added anything let me know what and I will add to my charts you sent me.

The next time I get over to Hesperia to see my Mom and sister I am going to try and get over to the Perris cemetery and see if I can locate Luivia Brock and Ephrim Brock, it will give more info I think and I am also going to take pictures of the gravestones. If I do I will send you a copy of Ephrims. It is about sixty miles from my sisters, 120 round trip. If I ever get back to San Diego again I think I will hit the cemeteries there and get pictures of all family members gravestones. Have a lot buried on both sides at Glenn Abby and a lot in the Holy Cross Catholic cemetery.

Guess I rattled on long enough, hope that map clarifies the areas for you.

Your Cuz,

Pauline Hallett

Sept. 14, 1992

Dear James,

Thank you for the information, I will have to check into the film, and is the other out of a book, I think that ^{they} are the ones in print. Hope I can get a copy to look at. Some of the census books that the sutro library have they won't lend out. I will try and get them or have them copy the pages you outlined with the sur names. I did get copies of the 1800 S.Carolina census, for Morris and Middleton, even a Russell. I know that a Middleton (Arthur a son) I believe married an Alica Russell and that their son Nathaniel fits the time frame of Cassandra R. Middleton and am thinking that the R in her name could be Russell. This Arthur would be Henry's son I think, but have'nt found it so. As Henry's son Arthur was married to 1. Ann Elbertina Van Ness 2. Countess Paulina Bentivoglio. Also find no Wm. J. Morris under the Robt. Morris families, but do find a William White Morris, M.D., do you suppose he could be the one I am looking for? He is the younger brother of Thomas, sons of Robt. Morris. Think I will have to go down to them as I sure can't find anything starting with them at the bottom and trying to go upwards.

Anyhow as far as I can figure out where they traveled are Cassandra R. Middleton was supposed to be born in S.C., then her daughter Inez Morris was born in Miss. or Virg., then she married an Edwards where I don't know, they had Luvinia Cassandra in Virg. or Texas (My g.grandfather used to call her his Virginny girl, so she may have been born there), her father --- Edwards is supposed to have died in Texas, and Inez re-married a McCann, probably in Texas, then came out to Calif., the Dulzura area I think, she had a Inez and John in that marriage. According to my uncle that ^(younger one) Inez married a Mexican cattle rancher by the name of Marone, something like that, they had a cattle ranch that ran to the Mexican border. Gives me something to check on tho. Also in the last letter I got from Paralee Goss she gave me a name, address and phone number of an old timer in Campo that was to have known some of the family. He is 84 so was hard of hearing when I called him yesterday. But he did give

me the name of a writer who is doing a book on the old timers in that area. So I have written to a friend in Alpine to try and locate her phone and address for me, as this woman writes for the Alpine Sun newspaper. So as soon as I get that info I may be able to get in touch with her and exchange information. Paralee also wrote that she thought that we were related to Daniel Boone, as she gave me the name of a Daniel Boone Morris. She also said to check Edwards and Morris counties in Texas as she wondered if they could be named after the family. I tell you this is getting more puzzeling by the minute. Do you suppose Paralee is remembering more things as she gets older. If I could get over to Paralee's I would go thru her papers and see what I could find. She also said that Inez wanted her to come to Vegas to take care of her she thought around 1964, so if my Inez's daughter lived in Vegas I may be able to check there on census records I suppose under the name Marone, even death records. But will have to find out the correct spelling of the name first.

Boy if I were single I would be able to really dig into all this history and records as its fascinating to me, but my husband thinks I'm nuts and has no interest in it and thinks I am wasting my time with it. But once you start delving into your ancestors there is no stopping. I do it mainly for the fun of it, I haven't joined anything yet.

I think our last letters crossed, you probably have gotten that portion of a map and can see the areas I am talking about.

Guess I have rattled on long enough so will close for now until the next info. At least I feel I can write to you with my info and such as you are into genealogy and can understand my feelings and frustrations. Take care.

Your Cuz,

Pauline

Sept. 28, 1992

Dear Jim,

I sure appreciate your taking the time to get that info you sent me. You know after so many times trying to find the McCann family it is now starting to come forth. I am so excited at the last find I got the other day. Paralee Goss called me with some info and a name and phone number to call, which I did right away and lo and behold it is the McCann branch I'm looking for I think. Anyhow they have done a lot of research on the family and have traced it back to Ohio and Tenn. and where ever, he couldn't remember how far. He is going to copy everything he has and send it to me in about three weeks. Hope they were able to locate Inez McCann's first husband and his first name as thats where I need some info. Don't know if they have traced clear back to the Middletons, but sure hope so will save me lots of work, only hope they have the proof of their finds. I know that that branch isn't your side, but know you will be curious on it to. Do you want a copy when I get it? It is actually on my gr. grandmothers side. If I can get a chance to find some DAR books I think I might find something under the McCann name. What do you think? Never thought of looking on that line. I know that the ones I have copies of now on the Middleton's there are many reference numbers I haven't checked on yet. It may be that we are related to a Middleton, but am wondering if it isn't someone other than the signer, time will tell.

I am anxious to hear from my friend^N in Alpine to

see if she found out the name of that writer who is undertaking the old timers in that area, may get something from her I hope.

Paralee said that a Ella McCain has written about the pioneers in that area. Also the author of that book "Delzura Days" is Dorothy Schmidt. I tried to get the book thru sutro, but they haven't got it. When you go to your library next time check to see if they may have a copy. Also check and see if there is anything by the McCain woman.

I guess Paralee has been feeling better and I have got her re-interested in the family research with all my questions I have asked her. She said she even has her husband interested in it now.

Boy I never thought about city directories for finding people. What libraries keep all those old directories, genealogy libraries? I should of realized the abundance of info in those as I was a city directory census taker for a couple of years in Spokane.

That Vicente B. de Ybarrondo was my gr.grandpa's second wife and the names of George, Martin, Vincent, Esperanza, John, Ray and possiably Susie E. were the second family, the others were born in Spain and came over here with Thomas Y. I knew that Jesus (Joseph) was a butcher when my grdmother met him.

What store do you work at, what time is your shift? One of these days when I go over to Hesperia to see my Mom and sister, maybe I could take a run over your way and meet you and look in some of your libraries. What days do you usually have off? I checked the map and you are about 80 miles from Hesperia.

Dear Jim,

Well we sold our place and will be moving to Sequim, Washington in a week or so. I will give you the following address until I get something permanent. c/o Rickey Shetler, 111-75 Dryke Rd., Sequim, WA 98382.

Thanks for the info out of the Delzura Days book. You are right about the Edwards having no connection as I think he died in Texas. Also thanks for the info on the Ybarrondo's, I didn't know that Thomas committed suicide and so young. My grandparents were married after his death so no ever spoke about him. I understand that his second wife was half Indian and that the B. could be Brown as I heard that was her last name, unless she re-married.

Still haven't heard from the McCann's on the family tree they have, think I will call him and tell him my new address to use and see if I can give him a boost to send that stuff.

Luvinia C. Brock (Lulu) died 2/10/1898 at 1277 West 24th, Los Angeles, CA., says birth as Texas. The dc gives no spouse name or parents name, used her nick name of Lulu on it tho. I am sure it is the right person as I know she died young. Maybe if you are looking sometime you could find an obit on her, it says she was interred in Rosedale, which I don't know if that means the town or the name of the cemetary. I always thought that she was buried at the Perris, CA. cemetary as was Ephriam Brock. Speaking of E.

Brock, do you have a death certificate for him? If so I would like a copy.

I have yet to find any record of my grandmothers birth record, Inez Diana Brock. I have her dc and marr., and also my grandfather Y.'s dc. Being my family and yours were around the L.A. county area you can probably find things easier over there. I am sure she was born in the L.A. county or maybe San Bern. county. Her sister told me she was born in Psadena. I checked a history of Flagstaff, Ariz. and found no mention of any Brocks. But that doesn't mean they were not there sometime tho. Still have to do the census records. Just hope there is a good genealogy library up north. I hear it is pretty good but will have to wait and see.

Have you heard from Mary Tull yet? I haven't heard from her in ages, sent her some info and a form to get her dads bc. She was going to hire her research done, she can well afford it too, but she hasn't let me know of anything that might have been discovered. If she isn't going to share with the rest of us, then I say to heck with her.

Paralee's leads are on the Edwards side, she doesn't know too much about the Ybarrondo's. I had gotten all of my grandprents dc's and marriage c. a long time ago. It so happened that my cousin had all her father's stuff and he had my grandmothers papers I guess, she had found my grdfthr. dc and their mar.c in a box. She had it stored in a shed, thank goodness they were stored in a metal box as mice got into the rest of the stuff, so don't know what I missed.

A guy never realizes how precious old records are until he himself digs into genealogy. I have never had anything like that to keep, but the ones who have a little something could care less and then you know what happens.

Enclosed are a couple pedigree charts showing what I do have, so that will give you an idea of the family line. I have no solid proof connecting Luvinia as the daughter of Inez McCann yet, its all been passed down the family, I am sure that when passed on that it is true, but I like proof. Also is a copy of Luvinia's dc. You will see on the pedigree chart that Thomas Y.,s first wife was a Semona Blanca, no proof on paper, but it is supposed to be on a family tree (in Spain). If I could write spanish I would write a shirt tale cousin in Spain and see if she has the Ybarrondo family tree. I guess I could write the U.of Nevada and see if they would translate for me as they have a basque studies program. I was suprised to see that article say that Thomas was castillian descent as I think it is really basque. Be curious to find out which. I will have to send a copy of that article up to Idaho to the Ybarrondo's there as I bet they never knew about his death, thats the family from the side of the son who was left in Spain when he was a baby. In fact I wrote to her a while back and haven't heard from her yet, she is supposed to have the family tree or a copy. She is getting pretty old now so she may not be able to write. I may try and call her if her phone is still in service.

Enclosing a check for \$5 for copies and what not you sent me, hope its the right amount. When you send me copies let me know what the cost is and I'll keep a running tally and pay you later again.

Guess this is long enough for now, hope to hear from you soon. Don't forget to use the address in this letter.

As ever, your cuz,

Pauline

Dear Jim,

Thought it about time to drop you a line to ask how you are doing and how things are going.

Gene hurt this back the 3rd of Dec. and has been in constant pain since. He has had two CT scans, bone scan and ultra sound at the local hospital and they couldn't find out why. So he went to Seattle and saw a neurologist and had an MRI. His pain is right where his fusion is from his back surgery in 1987. Altho they did find a aneurysm on the aorta behind his stomach right about the area he is getting the pain but are positive it isn't causing the pain. Anyhow he wanted him to try some cortisone shots in the back and see if that helped. It has helped some and he is trying to get off the pain pills, but he is still having pain. They don't want to do the aneurysm surgery till his back is okay and he is off the pain pills. Poor guy is between a rock and a hard place. He has lost 25 lbs., and that alone should tell the doctors something. He may have to go over to Seattle again and have a consolation with a neuro-surgeon, or maybe they could do it by looking at the MRI xrays. We should have an inkling on how he is by next week as it will be two weeks since that last shot. If he is still in pain enough for pain pills he will cancel the surgery for the aneurysm scheduled for March 23rd. Just have to wait and see.

I have joined the Clallam County Genealogical & Historical Soc. here, meet ~~at~~ ~~in~~ Port Angeles, where they have their own genealogy library.

Its in the basement of the museum. We also have a Morman library in Port Angeles. I have'nt had the time to make the rounds with Gene, but sure hope to after next week. I am now taking a class in genealogy, our teacher used to work in the National Archives in D.C., vollunteer work for two years so really knows a lot.

I heard one of the gals in class yesterday say her husband was going to start on research of his mother who was a Middleton, my ears perk-ed up so will keep in touch with them.

The next time you are where the city directories are would you see if you can find anything on Inez (Lillian?) McCann or Inez & Dan Marron if they did anything in the back country, they usually just did cities. If they happen to have any on Las Vegas check there as she was still alive in 1965, Inez Marron that is. If I can find when she died I may be able to see when she was born and find her mothers name. I am going to start on the census records soon, to try and locate every body, I think that is my best bet. I got in touch with the McCann's I think I told you about, but they are the wrong ones, tho they had an Inez. I will keep the info they gave & their address and phone numbers just in case there is a connection somehow. Their family was in southern CA but in Poway or further up, the ones I was in touch with are in Imperial Valley and Yuma. They are the leads I got from Paralee Goss. I think I will see if I can find some info on Paralee's grandfather Clement Morris Edwards as he died young & is buried in Campo.

I am doing some sur name cards to put in our library as they would like every one in the club to do it. I am about done with them, thanks to you I have all the names from the charts.

Did you have anything else on the Brock side Ephriam's line mainly, his father and etc.? I found a Ephriam and a Ephriam K. both in the New Hampshire 1850 Census in Strafford. Is that our Ephriam and his fater? Not the census actually in the census index. I would like to try and fill in the empty places on our charts, if you find and add anything let me know, just send the info and what chart number & ect., I'll do the same if I find something.

I would get more involved with genealogy if I could get Gene interested in it to, he thinks its a waste of time. I am doing a little on his side in hopes to get him interested in helping me by doing his won side. Even if I could get him to help me look thru census films would be a great help. Guess I like puzzels better than him. I guess I have rattled on long enough, write and let me know how you are doing and feeling these days.

Your Cuz,

Pauline

March 29, 1993

Dear James,

Was nice to hear from you. I know you are busy with other correspondence being you are so involved in your genealogy and all, glad to hear from you any time you can write.

When Gene had all those CT scans they found an aneurysm on his aorta behind the stomach, so he just had surgery on it on March 23rd and is doing great, he may come home today or tomorrow. It has been a hectic week here. Our daughter flew over from Spokane to be with me for his surgery and she went home the day after.

I typed up the names of our ancestor's that lived in the U.S. alphabetically with the last generation first, that way it is easier for me to look up names that way instead of the pedigree charts. Only thing is I forgot to put Ephraim Brock's name in it so I am going to add another page after where it should be and just number it 3 A and add a note on the page it should be on. I have 17 pages of names. Would you like a copy or do you already have it that way in your computer? Let me know if you want a copy.

I found some things in the pedigree charts that I have questions on so will list them and would you give me the corrections.

1. Richard Brackett born where? chart 19
2. Experience Mitchell #14 chart 2, you have Mary ? as his wife, it should be Jane Cooke shouldn't it? See charts 11 & 12 and Families of the Pilgrims.
3. Elizabeth Mitchell #13 chart 6, b 1629, do you mean 1639 as Jane's other children

were born 1641 to 1656.

4. Abial (Abigail) Leavitt born in Hingham,
was that England or Mass., I see her mother
was born in Mass. so presume it is Mass.

That is all the questions I found while typing
my list up. Maybe some day I will add the over-
seas names, but for now the ones who lived and/or
died in the states is enough.

I bet you are busy at work now with all the
plants and gardening coming in. I guess you are
still in the garden shop. Speaking of gardening
and being you have been into it a long time and
should know about plants. Could you tell me if
I can plant the small azaleas I bought in the
store outside, I have been keeping them in the
house and was wondering if I could plant them
outside if I climatize them first or will they
freeze out in the winter?

Haven't done much on my genealogy with
Gene in the hospital, seems time has gotten
away from me, and I have been so tired lately.
Think I am going to have to go see a doctor and
find out why I am getting so tired among other
things. Boy it is h___ to get old!

Drop a line when you find the time and don't
forget to answer my questions too. Hope all is
okay on your end.

Your Cuz,

Pauline Hallett

June 3, 1993

Hi Jim -

Sorry to take so long in answering your letter. Had to make some corrections in my booklet with the info you sent me. Would appreciate copies of all new info you find so I can keep up to date with you & I'll do the same. Altho I don't have the resources available like you do. Then being single & not having to do for another person lets you have your time to yourself when you want it. Being married is another ball of wax.

How about going thru the booklet & letting me know any corrections in it before I start sending out copies. Want to send copies to genealogy groups or libraries in areas I'm looking for info.

Got bad news last week, my mom is dying of lung cancer, has 1 to 2 mos. to live. I am flying down to Hesperia CA June 21st.

I want to see mom before she passes on and also help take care of her in her last days. Yes, she was a smoker since she was 16. Hadn't had an lung pray for five years at which time they told her she had a little emphysema. She said she brought it on herself but sure hate to see anyone die of cancer as it can be so painful. She would have been 84 Sept. 6th. I plan on staying about a month, less or longer, depends on how fast she goes. Gene is going to stay home & take care of the dog & homefront.

We bought a used boat & we are going out fishing next week up near Neah Bay for a week before I fly south.

I'll write again later on & let you know how things went. Write, Gene will forward my mail to me down there. Or after the 21st for a month use 13023 Mesquite 1604 Hesperia, CA 92345. Take care -

July 1, 1993

Dear Jim,

Thought I would write and let you know that I am home now. My Mom died within two weeks of her diagnosis, lung cancer. So I didn't make it down there in time to see her when she was alive. I flew down on the 14th and she was buried on the 15th, But I am glad that she didn't suffer any more than she did.

You can put her death date down in that little booklet I sent you, June 11, 1993, Hesperia (Oak Hills), CA, San Bern. Co.

What did you think of my booklet? Did you find a bunch of mistakes? Let me know if you did as I want to send it out to several places.

Did you get a computer? If so what kind? I am thinking of getting one for my genealogy. What kind of disc did you get or are you programming one yourself? I haven't decided on what kind of computer to get, IBM or Apple (McIntosh). Got any ideas?

Have you heard from Mary Tull? The last I heard was she had applied to DAR, don't know if she got in or not. She got all the info she wanted from me but hasn't shared any of hers if she got anything new. Think all she wanted was to get enough info for DAR. Have been waiting to hear from Paralee Goss but haven't for a long time. Wonder if she is okay, will have to call her.

We are going fishing tomorrow for a few days in the Neah Bay area. Its only a couple hours from where we live. Going to take the camper & boat, leave the 2nd and come back on the 5th or 6th.

Seems like I am so busy doing nothing, I just don't seem to have the time to do what I would like on my genealogy and painting. I am supposed to have a show at a local art gallery in Nov., but if I don't get on the ball and do some paintings I will have to cancel it. I am just getting lazy in my old age.

There isn't much to write about so will close for now. Write soon and let me know how you are doing on your project and what comments you have on my booklet. Take care.

Your Cuz,

Pauline

Aug. 11, 1993

Dear James,

Thought I would write just to keep in touch, not much new on the genealogy end. Have you started on your computer program yet? What kind or computer did you get? From what I have found out a IBM compatible computer is what I should buy. For repairing in this area IBM is preferable. Don't know where my time goes as I just haven't found the time to delve into my genealogy. Had gotten some paintings ready for a juried show we had here locally last weekend. Now I have to try and get all my paintings ready for "my" show the month of Nov., as I won't be here we are going to go down south for a month or so in Oct. and part of Nov. May end up canceling it.

Hope to get around to all the family plots in the cemeteries and take a picture of all head stones for genealogy records. Hope to get up to the Perris one and check it out for Ephrim Brock. Will check some books first to be sure where everyone is buried. Would like to find my g.grand-mother brock's too.

I have wrote to Mary Tull and asked what she got into DAR with and her number as I can go in on her's as her dad was my uncle. But have'nt heard a thing. If you hear would you please send me copies of whatever she sends you?

My cousin had some lazer copies made of some old photos of g.grandfater Thomas Ybarrondo and His wife Semona. Was hoping she would get copies at a regular photo studio as they are more permanent and they are deteriorating now with age. My Uncle Norman has the originals.

Boy it has been crazy weather here, have only had a few days of a hot summer. We sleep under a couple blankets and turn the heat on in the mornings to take the chill off the house. Hope it isn't going to be a cold, cold winter here or I will wish I had stayed in the desert.

Are you going to try and put a family book together with all fo the relatives or just your side? Have you done any research on past Ephriam Brock's side and where they came from originally? I always pick the one that has the least records and hard to find. I am determined to see if we are ancestors of Middleton/Morris.

I now am getting several magazines. The Heritage, Everton's Gen. Helper, Southern Queries and National Queries Forum. Sent some queries in but have'nt heard anything on them. Going to send some to the Helper I think next time.

Well I guess I have rattled on long enough, but do want to keep in touch with you. Take care and drop a line when you find the time.

Did I tell you last time I wrote theat I found a woman I have known for years and she knew my dad and some of his brother's and lived across the street from their aunt and uncle. So have been writing her for info and she sent me a cassette tape of her ramblings. Only there is a lot of nothing. She also sent me some snap shots of my dad when he was a lad and his brothers.

As Ever, your Cuz,

Pauline

Nov. 20, 1993

Dear James,

Finally getting around to answering your letter, sorry to take so long in doing so. Please forgive any mistakes as I am writing this on my new computer. Yes I got one when I was down south, my nephew sells them and also makes them, he is pretty smart when it comes to computers. I am also trying different fonts to see what I like best for letters and ect. Also the size of the lettering, which I won't know for sure about until I print it.

While we were down south and in San Diego I went to a couple cemeteries and took pictures of all the family headstones. But think I missed one at Glen Abby of my g.g.grandfather Wheeler. But got the rest. On the way back up to Hesperia to my sister's I stopped at Perris to see if I could find Ephriam Brock's grave site. I found that the old cemetery now has a shopping mall on it, but some graves have been moved to the new one. There was a Brock moved, no first name or dates and no head stone. If there is a way I could prove that it is our Brock then I would like some of us to go together on a head stone. Have you any suggestions on how we could prove it? If there were other Brock's living in the town at the same time we may have a hard time proving it. There evidently are no records of the old cemetery according to the woman I talked to at the new cemetery office. Please help me if you can with all suggestions you may have. Hope to next time I go south to see if I can locate Lulu's grave, it's in the Rosedale Cemetery. In L.A. I presume as her death certificate says Los Angeles. *marion*

I checked in Vegas on Inez ~~Marion~~ and found nothing. So I guess all things I need to do are to look up census records. Darn it too on the missing 1890 records as they are so crucial to the time and areas I need to check out. But am hopeful to maybe find state, city or county records for that time span.

Have you done anymore correctiong on my booklet? Have you put all your stuff into your computer? Who's soft ware are you using for your family tree? I have to send for one yet, thought I would maybe ask for some demo dics to see if it's what I want. My computer is IBM compatible also.

Well I guess this is about all for now, write soon. Oh yes, did Mary Tull ever write you and send you any info?

As ever, your cuz,

Pauline

Jan 21, 1994,

Dear James,

Thought I would answer your letter of the third. I also had heard from Mary and believe I wrote you about it too. Guess our letters crossed. I have her new address. It's like pulling teeth to get Mary to copy and send that stuff will probably have to keep reminding her.

Do you keep my letters till you answer them? You aren't returning answers to what I have asked you. I always save yours till I have answered you.

Was Fischer Alvin Ames born on 12 Feb or 2 Dec 1845? Do you have proof of his birth? Did he die 1923? Is this the Ames Ellen Frances Brock married?

What is date 1383 on Ralph Josselyn? You have it across from where after born, don't know if that is supposed to be birth or marriage year as you have his wife born abt 1340. (*Chart 23 #8*)

I have entered all of the names and dates that are on the charts you first sent me into my PAF program. Have you entered all yours yet? It's neat to be able to print out RIN and MRIN lists and also the ahnentafel chart. Sure wish I knew what new things you have found on any of those people, guess I will have to wait till you send it to the Mormons. Maybe you could make a copy and send it to me so I can check it against what I have and put in what I don't have. I am sure we won't be having the same RIN numbers as we probably entered them different. I started with Gene and I first and our kids then my the rest of the family, then I entered what you sent almost page for page. It worked out fine as the generation chart puts them where they belong no matter what their RIN number is. Are you putting in everyone that you have an individual chart on, the whole family line? I have only listed the children of everyone, like my uncles and etc. I have not listed their families except for my sister and her kids and their families. There seems no way to show a father of a child of an un-wed mother except by showing them as a spouse and then putting un-married on them. Have you found any other way to enter ones like that?

I am starting my search on my mother's side, the Wheelers, Haines, Yates and Knight, all from PA I think. Sent for the death certificates on my grandparents as that is always a start, but the info on those are no better than the one who gave it as they are wrong or don't know. I do know that they were born in PA, so am going to order up census records I guess. Our library only has the 1850 printed index and I need *1860 census* 1860, 70 & 80. These are the ones I am looking for if you run into those books on the census maybe you could copy the pages for me, Thomas Irving Wheeler b 21 Oct 1852, Elizabeth (Yates) Haines 28 June 1857, they married 27 Sep 1877, I think all this was in PA. Then their son Frank Irving Wheeler b 13/18 April 1885, his wife Agnes Margaret Knight b 1 Aug 1888, both PA. him in Lackawana *1900 census* Co., she Luzerne Co. Boy I envy you the resources you have at your finger tips. *1900 census*

How did you fare the earthquake? You probably felt it pretty good. They are saying that we are over due for one up here in the Pudget Sound area, 1965 was the last one. After the San Francisco one and now this one it sure makes you think. I think we will put at least a 3-5 day supply into our camper as an emergency precaution. I think our mobile home would probably slide of its piers as there are no tie downs on it. Hope you didn't have any damage.

In my last letter I asked you for any copies of birth and death records you have and any corrections on that booklet. If you are through entering all your files into the computer you could run generation charts starting with Ephriam Brock and Diana Ames, they are my 5th generation, don't know which they are for you. It is the ahnentsfel chart that has the generations. I can check it with my info and see if I have it all. *Use his RIN to start out.*

Still trying to find that Middleton connection. Did notice in the Tx 1880 census index that there was a Edwards, Middleton. Do you suppose that could be the conection? I will have to look at the actual census of that person to see who is listed in his family. The Edwards I am looking for would of had a wife by the name of Inez or Lillian and children Cassandra Luvinia and Clement Morris. It seems I always pick the people with the least records, guess I like hard puzzles!

Well I guess I have rattled on long enough so will close for now. Write when you get a chance. Do I owe you any money for copying? I think we are even but want to make sure.

As ever cousin

Dear James,

I just had to write you again to ask what you think of my deductions in figuring up who was where and what not on the Brock's and Edwards. I am really excited about my find, had the stuff here all the time but today I really studied them. It started with the 1870 TX census ~~record~~ index.

I found these listings, being same town, county and same page number on microfilm--

EDWARDS, Clement Fayette Co. TX 407 Lyonsville P.O.

EDWARDS, L. Z. Fayette Co. TX 407 Lyonsville P.O.

EDWARDS, Lula Fayette Co. TX 407 Lyonsville P.O.

Ninie Thompson said they called her grandmother Lula, so she could of been called Lula and Lulu also. With the Lula on the census it could be Luvinia Edwards I think. Now all I need to do is get the microfilm and check it out. Being there is no other Edwards for the same place then I am presuming he had died before the census was taken. So if Luvinia was 2 years old at census time, or 3, then her father could have died in 1866/67 which would make it Civil War era. Luvinia was born June 1868 according to when she died at age 30. The 1860 TX index shows a Mary 354 and a J. V. 334 Edwards both in same county but different towns. So don't think they were there in 1860.

In one letter from you, you said that the Brock's lived in NM where your grandmother and her sisters were born in 1890, '91 & '92. But in Ephriam's obit in the Perris paper it says he had lived with Arthur for the past 4 years, which I presume they are referring to Perris. So if that was the case they would have lived in Perris since 1888 as Ephriam died May 1892. At that time my grandmother Inez was between one and two years old when they moved to Perris so I figure she was born in NM Sept. 1886 which would of made her father 24 or 25 years of age when she was born so he probably married Luvinia in the later part of 1885. I am presuming that the name Edwards probably was McCann by now and were living in NM. They could have lived together in NM for part of the 4 years also. The L.A. directory has Arthur listed in it in 1894.

The initials L. Z. could be the Lillian or Inez I am looking for as the San Diego directory lists for 1913 Inez Z. McCann - widow of J.V., the the 1914 lists her as Inez L. McCann widow of J.V., so who knows what her real name is and what nick names she had. Anyhow I think that they are the ones I am looking for.

What do you think of my deductions, do they sound logical? My only problem is that I may not get to the Mormon library till next week to order that film, then it takes two weeks or longer to get here. This genealogy is like a puzzel and I think I may have finally found a piece that fits, what do you think?

Maybe you could help me while I wait for the census film, the next time you go to your library. Our library has only the 1850 indexes and I need some copies of some if you would get them for me. I need these indexes: 1870 and 1880 TX, McCann; 1880 NM Edwards and McCann.

Do you have any pictures of Ephriam or Luvinia or Diana Ames? Would like a copy if you do, copy machine or lazer copy is okay.

Whose nick names were Ed and Nellie?

Let me hear what you think and hope you can get those indexes for me too. Thanks.

Your cousin,

Pauline

Feb. 21, 1994

Dear James,

Thought I would get a letter off to you before you left for Utah. I haven't figured out what census indexes I need yet, as I am going to the Archives in Seattle and they have quite a few books of indexes. I think I can get a list of what they have and then I can figure out what I would like you to get for me and shoot the results to you just before you leave if you don't mind doing this for me.

Finally after about three letters my second cousin on the Wheeler side sent me a list of my g.grandfather's parents and siblings with their birth, marriage, death and spouses of them. No states or places born, wrote again to see if she can find anything on that in her mother's papers. But think probably NY or PA. On my grandparents marriage certificate it lists the parents of them both, Wheeler I knew but finally learned my grandmother's parents names which her own daughter didn't know as she never talked about them. My grandfather's death certificate has his father's birthplace as NY, which I presume his wife gave that information, so now have another state to check out. Think I will have to rent a lot of census films just to check it out to see if it's my Wheelers. Oh well!!

Enclosing a couple group sheets you might be interested in, on the Brock name. I find it curious as I found this all in the LDS IGI's, have you ever checked them? Anyhow the one Ephriam Brock has almost the same birth date as ours, 10 days apart. The town he was born in, Barrington also Strafford Co., is only 8 miles from Rochester. I am sure thinking they are the one and same. Only I find these names in the 1850 census and find no Diana C. as they were married in 1846. But I do think this info needs checking into, what do you think? Can you suggest any routes to go to prove any of this? The day of birth could of been transposed accidentally, I know that a lot of the Mormons don't prove their lines so you can't take them as positive proof. Will have to try and find out who submitted the names to see what proof they have. The NM 1893 Bus. Directory lists a E. A. Brock as a builder & contractor and Arthur Brock as a carpenter. That's the first time I have seen the initial of A., suppose it might be Arthur?

*(Ephriam
Ephriam K.)*

We have a LDS Church library here, but they don't have much in the way of books, they have the soundex for the census, but I can send for micro-fiche on any census. It just takes so long to get them after I order them, about three weeks. I get so impatient to find what I am looking for I can hardly wait for them to come. Specially when I think I have a good lead.

If we decide to move over to Spokane I will have a better LDS library than here and a real good genealogy library supported by the gen. soc. there.

Who is the 5 yr. old listed under Emma's name, Lewis Morton b. MA and parents in MA, in that 1880 NM census?

Do you know where and if there are mid-wife records for Los Angeles? Inez D. Brock was born 3 Sep 1886, Los Angeles or Pasadena. Nothing in L.A. Co. records.

Write before you leave if you have time and tell me what you think of what I have found. Also how much are you paying for copies you send me as I am keeping track so I can send you a check when it gets high enough to send a check, if you don't mind. Or just tell me the cost each time you send something and I'll keep a tally of it.

Dear James;

Haven't heard from you in a long time so thought I would write to ask how you are and how was your trip to Salt Lake. Hope you found lots of information.

Have you heard from Mary Tull yet on that information we both wanted? I have decided that I am not giving her anymore information until she comes across with the stuff we want from her. I am on the track of Morris and Edwards and I will not give her any of it till she shares. I may be ornery by doing it this way, but it may get results.

Did I tell you that I found that Wm. J. Morris was a teacher not a doctor like we thought. Am still trying to locate them in 1860. They could of been in Mississippi, Louisiana or Texas. Morris had two children in Louisiana, 1864 and 1866. They were in Texas in the 1870 census. I need to get a copy of Morris and Edwards census index pages for Louisiana and Miss. I am going to library today and order about 10 microfilm on them and Wheeler. I heard that my g.g.grandfather was in the civil war, being he was in PA I guess I would research him for that state. Does your library have a book listing the civil war soldiers? If so could you look up Samuel Tobias Wheeler, living in Springbrook or Scranton, PA during the war. A member in the Wheeler family has his original discharge, but I am getting no results to my letters in trying to find it for a copy or get family information as the tree has been done before I believe, I am probably re-doing what has been done before. I get angry at people who won't share when they have information, it took me three or four letters to one cousin before she sent me anything and it was a windfall of information. Seems that they think that all you want is a direct line of your own family and a guy has that at hand, they just don't seem to understand that you want all the descendants of that line. This genealogy can be exasperating!!!!!!

Boy do I need some lessons on this computer. There is so much that I don't know and need to learn. Need a class in DOS and Windows. How are you doing with yours?

Did I tell you that I have a share ware program that goes with PAF? It prints out a nice group with the notes. I will enclose a sample and if you want a copy I will fix you up with one.

Take care and write when you have the time. Oh yes, we have moved to Spokane to be nearer the family. Being that they have cut the salmom back to nothing and have just about ruined fishing there is no reason to stay in the area so we moved. The address that I am using is our daughter's as we are living with her while we are waiting for our new manufactured home to be delivered and set up. Then I will give you another address when we move into it, sometime in June I hope.

We have a very good genealogy section in the downtown library here in Spokane and I can go to a closer library to send for microfilm and etc. Have you ever heard of Donna Potter Phillips? She does a lot of writing on genealogy and gives seminars and etc. and she is local here and in the Gen. Soc. here, which I will join after we are settled.

GUIDE TO GENEALOGY

July 21, 1994

Dear Jim;

Hi and how are you and what have you been up to? Haven't heard from you in ages, did you get my last letter telling you of our move to Spokane? Can't remember what I wrote to you then so forgive me if I repeat myself.

Did you ever get that info we both wanted from Mary Tull? I have got to get busy and write her, she said she was going to write after she got settled and that's been seven months. She isn't a great one for answering letters.

I have gotten the death certificate of Inez Morris Edwards McCann. She is buried in San Diego Co. at Greenwood Mem. Park in an un-marked grave. I am going to find out what it would cost to get a simple marker and see if any of our family wants to donate on it. The only problem is that she was buried in an upright monument section. But it would be nice to mark it I think. Want to do the same on Ephriam Brock if I can prove he is ours.

I am on the track of William J. Morris, Inez's father. Am waiting to hear back from Texas. I think I found him in a Texas history index, I only had vol. 2 and he is in vol. 1, so wrote for copies of those pages and am hoping it is my Wm. J. Morris. I found the Morris family and Inez and two children in the 1870 Fed. census, Inez and children were in the same household, nothing on Edwards. It sure would be nice if I knew his first name. I saw that Luvinia (Lulu) and Clement were born in Texas according to that census. Also that Morris had two children in Louisiana, so they evidently came to Texas from Mississippi via Louisiana. What I need is a copy of the Louisiana census index on Morris and Edwards for 1860. The two children born there were in 1864 and 1866. Morris's last child was born in TX in 1869 when he was 50.

Got my info back from the Morman IGI source and this is what I found, see what you make of it. I had Ephriam born on 21 Mar., but ~~that~~ ^{his} obit says 31 Mar. All this info is out of The Tuttle Expedition Project and there is no other info on Ephriam Brock other than the same birth date as our. The town of Barrington is only 8 miles from Rochester.

Stephen	b 28 Feb. 1814	"
Elijah	b 8 June 1816	"
John	b 20 Nov. 1819	"
James	b 20 June 1822	"
Ephriam	b 31 Mar. 1825	"

I do not see any of those names carried on in Ephriam's children, but that may not mean anything though. Being they lived near the Ames side they may have used names from that side. But I do not know any of the middle names of the above either.

Would you please look up in your Calif. cemetery listings and see if you can locate these two cemeteries in Los Angeles Co. and if they still exist their addresses. Rosedale Cemetery and Calvery Central.

I am getting on track with the Wheeler's and I think the Knight's. I understand that my g.g.grandfather Samuel Tobias Wheeler was in the Civil War, PA probably or maybe NY. Need to check it out. One of my shirt tale cousins has the original discharge, but I can't get him to answer my letter to know for sure. Some people!!!

It has been hot here lately, more so than in Sequim. But Sequim was to damp for me and WA ruined the salmon fishing also. How is your weather there? It has been in the high eighties and in the ninties. Whew!!!!

~~Are you and your Dad okay? Being I haven't heard from you I~~ am thinking one of you may be sick or something. Maybe on vacation? Write soon and let me know what you think.

Love, your cuz,

Pauline

Dear James;

Think our last letters crossed, your of July 23 & 24 and mine of July 21. So you are the one who really owes me a letter, haha. With your job, and all the other organizations you belong to you are probably one busy man.

Did you get a chance to look up that information I asked for? At one time I asked if you could find the addresses for Rosedale Cemetery and Calvary Central, both in L.A. county, that is if they both exist anymore which I doubt. Thomas Ybarrondo is in the Calvary Central and Lulu Brock in Rosedale. Maybe your library has a book on old cemeteries that you could check in. Did I tell you that I got Thomas Y.'s death certificate and just recently I got Inez (L.Z.) Morris Edwards McCann's d.c.

I am still trying to locate Edwards and also working on Morris. I told you in my last letter I was waiting for some info on Morris, well the Texas State library said that info wasn't in the book or index that I requested. We have only vol. II of this book in our library so I had to go get a copy of the title page and the index showing Wm. J. Morris on page 287 and resent it to them and asked what the heck was going on or did they really check the book. Maybe it is in your library, it is "The Historical Encyclopedia of Texas" published by the TX Historical Soc., Ellis Arthur Davis-Editor. Should be in vol. I page 287 according to index of vol. II. Just in case they don't answer me I would appreciate if you could check.

Do you know how far back they were doing city directories? Do you suppose Texas had them as early as 1885 or 1890? I would like to find Inez Morris Edwards between the 1880 Census when she was in Refugio TX. and the 1900 Census in San Diego Co. CA. She must of married John V. McCann after the 1880 census as she had children by him around 1885. Also trying to locate where the Morris's went after the 1870 census, find three Wm. J. Morris's in the 1880 TX census, also six W. J., so will have to get a soundex to see just where they were. It's a possibility that they could of went west too. I am going to try and check city directories in New Mexico and Arizona and see if I can find Inez Edwards then maybe I can find where Brock and Lulu were and got married. Have heard one cousin say my grandmother was born in Arizona, but her sister says Pasadena.

No you didn't send me a copy of Diana C. Ames obit, I would like a copy please.

On the PAF you will find notes at the bottom of the individual person, when you leave that portion of the program it asks is you want to make notes and you usually key Y or N, if Y it will bring up the note part and you add what you want. Then when you print it up it asks if you want notes and you key Y or N. I don't remember if it was PAF I sent you or that new compatible one to it PAF Ability. I am still trying to learn how to use the computer so am still messing around with some of these programs. I had a modem put in my computer so now I have to learn how to use it and see if there are any genealogy bulletin boards locally.

I sure wish I could get Gene into this genealogy, he could do his side. Then when we went south this winter we could go via Salt Lake and stop at the library a few days. But he isn't interested at all. He may let me go south by myself this winter and I just might do it although I don't relish traveling alone. If I did I think I would go to Salt Lake. Also would manage to come and meet you.

Well I guess I will close for now and get this in the mail. Write when you can. Oh, I haven't heard from Mary either, wrote her July 21 so she's had ample time to write back. She has wrote other family members and sent news clips about John's appt.

Love your shirt tail cuz,

Pauline

Sept. 16, 1994

Dear James;

Thought I would write while I had the chance. Sending you a copy I got from New Mexico, this is where I got the A. middle initial for Ephriam Brock. Also sending the hand copied info I got on the Brock from Barrington so you know what I have researched and don't have to do it again. I think it would be interesting to look at the soundex or census of some of those Brock's in Barrington.

In another letter from N.M. they found the marriage record of Eva L. Ames and Daniel A. Moss, 19 August 1891, Bernalillo Co., they couldn't figure out the Ames name for that time period. Was she the daughter of Ellen Frances Brock and Fischer Alvin Ames? Both of the things I got from NM were from the NM Geneal. Soc.

I am going to send for soundexes and census films to try and find more on the Morris and Edwards lines. I copied a soundex on Inez McCann for 1900 but be darned if I can find it so have to send for it again. She was in San Diego Co. then with John and showed the two children and they were born in the later 1800's and I figured she was there as early as 1885 as both children were born in CA. So far I think she was born in Mississippi which I haven't proved or found yet. The 1880 census says she was born in MI, also her parents were born there, Middleton and Morris, in those days they must have abbreviated the state with the first two letters, what do you think? So her trail as I have it so far is born in Mississippi c.1846, was in Fayette Co. TX 1870 census, in Refugio Co. TX 1880 census and in San Diego Co. CA census 1900, and there till she died in 1914. She was probably in Louisiana in 1864 -1866 where two of her siblings were born before the family moved to TX. She married Edwards in Louisiana or TX as the Edwards children were born in TX in c.1866 and c.1869. The next time ^{you} go to the library would you get me a copy of the census index for Louisiana on Edwards and Morris for 1850 & 1860, if they have them. Do they have the city directories for San Diego County in 1885,6,7,&8? Would like to know if McCann is in there then and also if there was Luvinia (Lula/Lulu) C. Edwards listed in 1885 & 86, also Brock's in 1885 & 86 in San Diego co. Is there a directory for San Bernidino Co. in 1885 thru 1892, Perris.?

I have Luvinia Edwards b. in TX 1866/67, in Fayette Co. Tx 1870 census, Refugio Co. TX 1880 census, then married to Arthur Brock and in Perris, CA in 1890 when Ronald was born, through 1892 when Ephriam died. Then in L.A area 1894 till she died in 1898, according to the city directory. Where Inez Diana my grandmother was born is a mystery. On my grandmother's marriage cert. it says born in CA and she was age 16 years, on my father's birth cert. it says her birthplace was CA, on my father's death cert. it says mother's birthplace was Pasadena. In order to find Brock and Edwards marriage records (if possible) c. 1885/86 and my grandmothers birth record I need to find out where both Edwards and Brock were during the period of 1880 to 1885/86. According to the N.M. city directory Arthur Brock was still in N.M. in 1883, they found no records of Edwards or a marriage record for them there. Is there anywhere I can find my grandmother's school records, she was in school in 1891/92, probably started in Perris and changed to L.A. schools in 1894. Boy do I need 1885 and 1890 census records, me and everybody else!!

Will close for now, write when you have the time. Never have heard from Mary Tull!

Your shirt-tail cuz,

Pauline

Hi Jim —

Look what I found! I thought I had mailed these to you ages ago. Guess I had them packed away & just forgot about them. Sorry!

Have you had a chance to get any of the info I asked for in my last letter?

Finally had a letter from Mary Tull. She promises to send copies of her DAR stuff — but will wait & see. Won't share another thing with her till she does share it! She is working in the White House — East Wing — working on photos & things for Presidential Library (Clinton's I presume).

Drop a line. Please forgive my scribbling as I am in a hurry.

Your cuz
Pauline

Dec. 8, 1994

Dear James;

How are feeling now days, better I hope. Are you back to work yet?

Yes you did send me those copies out of the Ency. of TX on Wm. J. Morris, but it was not my Morris. But I had to see it and read it to make sure. You also sent me the news articles on Diana's obit. I wrote to both cemeteries after you sent me their addresses and only Rosedale answered. I wanted a picture of headstone, but there was no marker. I never heard anything from the Calvery Cemetery on Thomas Ybarrondo, I also wanted a picture of his headstone if there was one and copies of their records. May try writing them again some day. Speaking of Thomas Y., how would I go about writing to the CA medical board and seeing if I could get a copy of his license application as it may tell me more?

If you hire a researcher on finding Ephriam Brock's birth and his parents etc. I can donate towards it, so let me know.

Do you have access to the Federal census indexes, all states and state census indexes? I will enclose what I need, may have asked for them in my last letter, can't remember. If you can get me some of them that would be great, then I can write each state and maybe get the rest. Also are your copies still 6 cents? I am keeping track of what I owe you, taking off what I send you copies of, like to wait till it is over \$5 then write a check, is that okay with you?

I have started doing more research on Gene's side, the Hallett's and McElroy's. Have done pretty good so far. I try to get the death certificates as they give me more information to go on. It's more expensive to go that route, but if you want those records to join a group then you have to have certified copies which I always ask for. I am going to write to Janet Hallett Smith, genealogical writer, and see if any of our Hallett's are related to her's, as most of her's came from MN and I found that Gene's grandfather was born in MN, so her's could be siblings of ours, or cousins.

Boy am I stuck on finding records on the Edwards, if only I knew Edwards first name. There was nothing on birth records in Fayette County, TX for Lulvinia and Clement Edwards, and no marriage record yet, don't know if Edwards and Morris were married in TX or LA. Think what I am going to have to do is send for soundex's of Morris's to trace them back. Edwards is between the census years of 1860 & 1870 for their marriage and family. I may soon have to resort to hiring a researcher and I never have so don't know who to pick, hate to get one who is a professional. Libraries have sent me lists of researchers so do you suppose the are okay? Going to try all the Genealogy Soc.'s first.

Hope you and your Dad have a nice Xmas and New Year. We had hoped to be down south before this, but we are snowed in now and can only hope for a Jan. thaw and then make a run for it. Decided we would stay for Xmas with family being we can't leave yet. We were waiting for the garage to be built then had to wait for the garage door, so by the time all that got done we were getting snow, so here we sit.

Write when you get a chance and do take care of yourself.

Your shirt-tail cuz,

Pauline Hallett

How to read the Record System Report
Created by PAFAbility

The Record System, sometimes called the Modified Register System, is a numbering system used in compiled genealogies. It is a modified version of the "Register" or "New England System" used by the "New England Historical and Genealogical Register". Its use was pioneered by the "New York Genealogical and Biographical Record". It is also used in the "National Genealogical Society Quarterly". The report created by PAFAbility differs from the standard in that no distinction is made between male and female descendant lines (both are carried to their conclusion) and only the name of a child is shown if the child's line is continued.

In the list of children of an individual, each child is assigned a small case Roman numeral (i, ii, etc.) to indicate birth order. Each individual is also assigned a unique Arabic numeral (1, 2, etc) which precedes the birth-order number. If a child has descendants, then just the name is shown and a plus sign (+) is placed next to the Arabic number to indicate that the line is continued later in the report.

To illustrate:

- First Generation
- 1 Common ancestor
Children by 1st wife
+2i First child
Children by 2nd wife
3ii Second child
- Second Generation
- 2 First child of #1
+4i First child of #2
- Third Generation
- 4 First child of #2
5i First child of #4

The index to the report lists the unique Arabic number assigned to the individual. If the number is followed by an "S", then the individual is the spouse of the person with that number (spouses are not given unique numbers). Then the individual's name is listed and the page(s) where he can be found. In this version of the report, women are listed by their maiden names only.

This modified Register System report was prepared using the PAFAbility program written by Barbara Bennett from the Personal Ancestral File data of Pauline Walleth, 19029 E. Boone #15, Greenacres, WA 99016-9421.

Dear Jim,

Thought I would write you and let you know that I got the info on the Hallett line. Of course I don't know that it could be our line, I have about three generations to trace back from what I have to even know if we are connected. When I get over to the LDS library I will look up some of the Hallett names that were "removed" from Barnstable in the IGI. I now have census indexes on Hallett and Lynch in Minnesota for 1850, 1860 & 1870, so you don't need to get those, cross them off your list. But if you have an MN 1880 index I would like it of Lynch and Hallett. I think I have found the Hallett's in the MN 1870 index so am going to send for the census record and see if I can get anymore info. If I can verify they were born in NY then I might be able to trace to Barnstable maybe. On John and Lizzie's marriage record it says he was from Hennepin Co. MN and she from Wabasha Co. MN, they married in Wabasha Co. and I find them (I think) in Willmar, Kandiyohi Co., with one child it looks like. I am going to write that County and see if Frank T. was born there as he was born in 1877 in MN according to his death certificate. Being Frank T. married in SD and died in ND, shows that the family was going westward. Getting anxious to find these connections being I am closer now.

I am still working on the Edwards and Morris line, but am stuck. I have some film coming at the library on them (soundex) and McCann. I want to trace up the McCann line hoping to find some of that family still living and hopefully that they kept family records. I am having Carol Ybarrondo look up on microfilm in San Diego Co. for Clement Morris Edwards death record to find out if they possibly had his father's name on it, first name. If I could ever find out what it is I may be able to find out more. Also getting an 1885 NM census film or index, which ever it is, trying to find Edwards, Morris and McCann. I have Morris and Edwards in TX in 1870 & 1880 and then she is an McCann with two children in 1900 CA Soundex, and according to it she was there around 1885 maybe, so I have a lost five or six years. Need to find those years to find out where Arthur Brock met and married Lulu.

Speaking of Brock's have you found out anymore on Ephraim's birth place? I picked up some census indexes for NH 1776, 1800, 1810, 1820, 1830, 1840 & 1850. All the Brock's (most) were all born in Strafford Co., the first one in the 1776 census was a Nicholas Brock, Barrington, Strafford Co., he is also in the 1800 through 1840 I figure about 70 years old in 1840, in 1810 there is a John in 1830, must be his son, then there is a Nathaniel 1840, all Barrington. Then there is shift to Strafford town, Strafford Co. in 1840 and 1850 with the names of John, Elhanan, Stephen, Ezra & James in 1840; John Ephraim K., P.(Paul Or Polly?), Stephen, Ephraim, all were #284 Ephraim was #285, then there were three Broch (h instead of k) #287 and #288 in the 1850, then in Barrington also 1850 we find Isaac #257, Nancy # 264 & Nathaniel #261. So all these Brock's must be related being it started with one. What do you think? The only one I find in Rochester is a Lydia in the 1850, there are no others in all those years in Rochester, so Ephraim must not of been born in Rochester, it has to be Barrington or Strafford town. I have also wrote to the counties of San Diego, Riverside, San Bernardino and S.B Archives and there is no record of Ephraim's death records, so now I am going to try Perris direct, the courthouse and the historical soc.

How are you feeling now days, specially since you have returned to work? You better slow down a little so you won't have another heart attack. But it seems once you get a by pass you are a lot better. How did the rains treat you there? Did you get any flood damage where you live? Anyhow take care of yourself and write when you can.

Your Cuz,

Pauline

Dear James,

I am home now, we went south for a couple months. Don't know why they didn't send your mail to me as they had forwarded the other stuff you sent, all the census on all those names I gave you. Anyhow I am here so send what you have, thanks.

Enclosing check for the last stuff and what I have been keeping track of here at home, so the slate is clean till the next stuff you send. Let me know if the amount is correct.

I have a copy of Wm. J. Morris and Cassandra R. Middleton's marriage record. Along with that they sent me three Wm. J. Morris confed. papers, but I know two aren't mine as they died in the early sixties and there isn't much on the third one to go by. Not even sure it could of been my Morris as they were in a 1860 census in MS, he was then 41 and had 5 kids. In that census he was a farmer, in the 1870 TX census he was a teacher, evidently teachers could be anybody in those days. Also in that MS 1860 census the family listed above Wm. J. Morris had a farm laborer listed by the name of James Morris age 24 b. in S. Carolina, my Morris was born in MS. Do you suppose they could of been related? Enclosing a copy of their marriage record, ~~send it back to me.~~ Want you to look at the Cassandra spelling, looks like it could be Capandra, but some of that old writing is not legible. Let me Know what you think.

Thanks for all those census copies, don't know if the names I am looking for are on them but gives me a place to look. I did find Gene's grandfather's dc and his grandparents marriage records. On the dc the info was given by a Chet Hallett, I am thinking it was a brother. But it did have the state he was born in and the name of his parent's, who I also found the marriage record in the Mormon library records. Doing better on his side at the moment than mine. Being I have just got back I haven't had a chance to go over all the stuff you sent, I will check them out and if I need more info I will let you know. Thanks. Also enclosing a pedigree chart so you can see what I have on his side.

Did you get those family group sheets I sent you, had them packed away and thought I had sent them a long time ago. Are you putting all the families in your PAF program I sent you? So far I have only put my direct lines in, only going as far back as living or died in the USA. Someday I will put more in. Did you put in the Washburn line?

Hoping to hear from you soon.

Your Cuz,

Pauline

P.S.

Is there anyway to look at a dc without paying & getting one? Thought maybe Clement Morris Edwards, who died 8 Feb 1897 in Campo, San Diego Co., CA., just might have his fathers full name & state born on it.

Don't share the m. record w/ Mary Tall until she sends us those copies she promised

Dear James,

Thought I had better write and give you my up-dates, which are zero!!! Boy am I having a hard time locating people. Seems that they are on the move and do it between census years, so I have no trace of where they went.

You need not send me any more of census records that I requested as what you sent has doubled me up on most as I have been writing directly with the states and getting them that way. It had been so long since I heard from you so I went ahead and got them myself as I know how busy you are.

Thanks for the information you sent me on census years. Also the Newsletter on British Genealogy, the main info was on Canada, but on the front page it had an article on Wales. Could I talk you into copying the Wales article for me as I have some ancestors from Wales, that was the July-Sept. 1991, Vol. 13, #3. Thanks.

Enclosed is check for what I owe you, I deducted my copy and postage costs on stuff I sent you. Hope that is satisfactory with you.

I found San Bernardino records at their Archives, they have nothing on what I was looking for. Their address - San Bernardino County Archives, 777 East Rialto Ave., San Bernardino, CA 92405 phone (909)387-2030. Don't know if you knew of it or not, but one of their county recorders gave me their address. Hours: Monday - Friday, 9 A.M. - 5 P.M.

I need to get another file cabinet. The one I have is getting full. I keep all the census indexes and all state information on research. I can imagine the file cabinets you have with your long going on research for years. Think I will get another one and put Gene's side in one drawer then I will have more room for my side.

What in the heck do you do when you have lost people? I have Wm. J. Morris in TX in the 1870 census, but can't find them in TX census records from then on. Sent for 1880 soundex and found nothing. I do have Inez Edwards in Refugio Co. Tx., but not her parents, she married McCann between 1880 and 1885, as she had two children by him born around 1885. Boy do us genealogists need those 1890 census records!!!! I am going to have to write to libraries on state census records, specially if they are in the 1885 era and 1890 eras. I did find what looked like a Cassandra R. Morris that died in NM c.1885, wrote for a death record, haven't heard back yet. But the census takers hand writing has a lot to be desired, you have to second guess a lot of what they wrote. My research is widely scattered now as I can't find info and then will skip to another, hoping I will pick up something. Think I will check the 1880 census for Morris in MS and LA and see if they went back to either state. It could be possible that they went back to MS if either of their parents died and left them an estate. What or how is the best way to research Morris and Middleton when they married in 1844, as only head of household shows on census before 1850? Guess I could send for the 1840 and 1830 census records of all Morris and Middleton's in MS during those years. Don't think there were too many.

Whenever you send me census indexes you don't have to copy title page on them as I just use them for reference, just write the state and year on top of page, that's all I do. Do you keep them as proof and that is why you keep title page? I just use them to find the name and county and then send for soundex and/or census film.

Glad to hear you are doing so well and back to work also. Just take it easy this first year. Gene had a quad by-pass in 1989 and is doing great, ~~and~~ except for his smoking and weight. He has been getting short of breath and needs to see his heart doctor and get a check up, he hasn't seen a heart specialist since 1990. They say that the arteries will clog up again in five years or so and he has gone over five years now.

I sure would like to get over your way and hit some of your good resources you have in your area. If I ever get over to my sisters in Hesperia again I am going to try and go over to Perris and see if I can do some digging around and find some records. The city clerk nor the library has answered my letters and I enclosed SASE's. Some people have no common courtesy, they could have at least sent my letter back and wrote a note on it if they wanted a fee, which I asked in the letters. Well I have rattled on long enough so will close for now. Write soon.

Love, your cuz

Pauline

Nov. 27, 1995

Dear Jim;

Been a long time since we exchanged letters, so I thought I would get busy and write so you would know that I was still alive and kicking. I am fine, but don't like this cold weather. How are you doing since you have been back to work? Hope everything has been going okay.

I am going to Salt Lake City with a group, headed by Donna Potter Phillips. We are leaving here Jan. 7th and returning here on Jan. 14th. I plan on going up to the Mormon Family History Center a few times before hand to check out sur names, state/town histories and anything in general that will help me. If you have any hints that will also help me let me know. I am real excited about going as I am at a stand still in my searching. I want to try and get all the computer searching done here so I don't have to waste my time doing it in Salt Lake. I will also go through what I have found and got here at home so I don't duplicate it. But any ideas you can give to really do a good search will be appreciated. Donna will be giving all the group one on one help, and she has hired two genealogists that will be helping us also. So hopefully I can accomplish a lot.

Did you do anything more with that Brock info I sent you a while back? Would like to trace some of the other Brock's in that county and see if their were any more children with Ephriam's name and birth date. Maybe that is one thing I can check at Salt Lake.

I have lost my Morris's, last found them in the TX census in 1870, Wm. J. was 52 at that time so do you think he could still be alive in the 1880's? Thought I would check surrounding states and also MS again as they could have went back if they inherited one of their families farms or something. I sent for the 1880 TX soundex, but did not find Wm. J. in it, maybe I should send for the soundex on Cassandra R. Morris his wife and see if she was there. I looked in the TX 1880 index and didn't find her name or initials, so thought it would be a waste of money to send for the soundex. I need the 1880 indexes for them for Oklahoma, Mississippi, Louisiana and Arkansas. If you happen to get to your library would you see if you have the census indexes for those state, For William J. Morris and Cassandra R./C.R., they probably would still have these children with them in 1880 -Christine, Ada and Eugene. I have written to all the cemeteries in San Diego and no Morris's. They weren't with Inez Morris Edwards in 1880 Refugio TX census, so I don't know where they went.

I am wondering if the Brock's were in San Diego Co. prior to when Ephriam died in 1892. Could Arthur have met and married Lula Edwards in San Diego Co., as her mother was there and her brother Clement died in the Campo area which is San Diego Co. Does Salt Lake library have micro film on San Diego County way back to the 1880's and also maybe city directories. Does your library have city directories for San Diego County in the 1880's? You sent me what was in them in the 1900's on McCann, but did you check for any of them prior to 1900, name of Edwards, Brock and McCann?

I think sometime I will try and trace Inez's son's family down, John McCann, know that the daughter had no children that I know of unless they had some when they were in Las Vegas area ranching. Should be able to find Inez's great or great-great grandchildren and hopefully they kept the family treasures like photos and records or letters. I believe the son John was in San Diego but do not know his children's names.

Do you remember the copies of letters you sent me? One was to Nellie from Emma, dated Action, May 23, 1892 telling about Ephriam's death. On the bottom of the letter it looks like photos of Ephriam and maybe Diana Ames Brock. Do you have those photos in your possession? If so could I have copies of them, laser or regular photo copies? I will pay whatever it costs.

Sometime when you get a chance, look through the things I have sent you and make a list and send it to me so I will know what you have from me. I should of kept track in the first place but didn't.

Well take care and write when you have time, I know that this is your busy season at K-Mart, but if you can get me a letter back before I go to Salt Lake that will be great.

Dec. 12, 1995

Dear Jim,

Thanks for all the info you sent me, but I already had all the Mississippi census indexes you had sent to me at previous times. But I appreciate your thought. I was delighted with the copies out of that San Diego Leaves & Saplings. I sent a check to them for a subscription of it and asked for the fee of joining their society. I think it may offer me a lot being so much of my family and Gene's were in San Diego. I am sure that the A. L. Brock with 3 children under 5 in the 1891 school census is my A. L. Brock, as the 3 children fit their first three. So judging from that, they were probably in San Diego when they married and had the first three children. I called my cousin, Carol, Paul Ybarrondo's wife and asked if she would go down to the records dept. and search for Brock & Edwards marriage record c.1885/86 and birth of Inez in 1886. That school record is the closest to where they may have been to the marriage and birth. It is the clue I have been looking for, being they weren't in CA in 1880 and records gone for 1890. So maybe joining the San Diego group will be an answer to a lot of queries I have. I sent it to the address on the latest issue, on Kalmia St., hope it gets to them.

On the copy of that Leaves & Saplings Jan. - Mar. 1990, Vol 18 No. 1, in the Great Register of Voters 1880 - 1887 you sent copy of McCann's, the John Vallely McCann looks like he may have been the one Inez Edwards married. Looking at the names it looks like no women voted in those days, can't remember what year the women got the right to vote. Any chance of your checking that volume or the one before it to see if Arthur L. Brock or even Ephriam Brock are one that voting list? Also check for Wm. J. Morris on those entries.

When I get to Salt Lake I guess I will look at a lot of soundexes and census film. I also want to look at some family sur name books, and town & county histories. I am going to figure what i need and take a list of reference and film numbers with me so I can go to that without the research first.

I wrote to the person listed on the "Tuttle Line" and she said that Ephriam was listed as a child of the marriage of Lydia Tuttle Brock and there was no more about him in their research and nothing on the spouses of the Tuttle's. The person I wrote to for that info was a Kathy Kimball. So don't know where of what you can do on them as I already did it. The only thing we can research probably is the Brock line in New Hampshire. The John Brock was shown as the grand-son if Stephen Brock from the Isle of Jersey according to Kathy Kimball, you might want to do some research on that end. Being there were several Brock families in the Strafford Co., both in Barrington and Rochester areas, might do us good to check their families for an Ephriam born on the 31st of Mar. Know that they used the same names for children back then.

I am going to take all my lines down with me and Gene's lines too. Of course mine come first. So if I get stuck on one I can go to the other. If I can find any research on San Diego Co. history I may find several of the people I am looking for. My main interest is finding the Wm. J. Morris family and also Cassandra R Middleton families. There should only be two or three at the most generations between them and the SDI, if I can find them I will know for sure if it is true or just family tale. Aunt Ninie said that grandmother Inez told her that Arthur Middleton and Robert Morris were our ancestors. Inez was the daughter of Wm. and Cassandra. Also I am trying to find Edwards first name and his and Inez's marriage record and birth records of both children.

Yes I have all that info in Nashville and Albuquerque. It is probably best not to send census indexes unless I ask for them, then you won't be duplicating any. I have written to many states and have gotten quite a few that way too. You have given me so much I don't know which is yours for sure. Think I might write your name at top of everything you sent that way I can keep better track. I will check out those early town records of NH. The census of Edwards in TX 1870 I already have a copy, that is where Inez is listed with her parents household. Also have census of the 1880 Refugio TX of Inez and her two children. I can't find my copy of the 1900 soundex showing McCann's in San Diego County, so will find and copy that again.

Did I tell you I joined the National Genealogical Soc.? I did a few month ago, don't know if I will get much use out of a membership, but was thinking of taking their genealogy course. Do you think it would be beneficial?

The group I am going with to Salt Lake is headed by Donna Potter Phillips, you may have read her articles as she writes them for the Genealogical Helper and Heritage Quest magazines, writes a column for newspaper here and teaches genealogy classes for the school district. She is well learned on genealogy and goes to Salt Lake a few times a year. She has also hired two genealogists there in Salt Lake to also help, so I should do okay, all I will have to do is holler help!

I called our library to see if they had that book "How To Research in Salt Lake City" by Nancy Ellen Carlberg, they don't have it. A book store here in town has it and wants \$20, I think that is steep for a soft back. With the help we will have from Donna and her two cronies I should do okay. I imagine they have maps of the library don't they?

Anything else you look up on Edwards/McCann, remember they were in TX in the 1880 census, so 1880 CA does me no good, but thanks anyhow for looking.

Hope you and yours have *a MERRY CHRISTMAS & a HAPPY NEW YEAR!*

Enclosed is check that should be all I owe you as far as I have caculated up to this date. Have you kept record of it, hope I am right. Let me know if I owe you more than this.

Love Your Shirt-tail Cuz,

Pauline Gallett

Hi Jim,

How are things going? I was going to send your check earlier, but my husband had heart problems Sept. 3. and we were in Las Vegas Hospitals till the 20th. He started out with fast heart rhythm, 187-90 which they finally lowered, flew him to Vegas where he had an angiogram, then transferred to another hospital where he had another type test, elec.phys?, had a defibulator/pacemaker put in. Thought I was going to take him home on the 15th or 16th, but lung surgeon talked about the black spot on his lung and asked Gene if he wanted to go home a while then come back for the lung surgery, he said I am here now so do it now. They removed his R. lung on the 17th. He was still out of it that day so came back on 18th 7:30 am and he spoke to me and said "I'm sore", I then went to get something to eat and planned to come in later. While I was gone Gene had some problems and couldn't breathe well so they asked him if he wanted a breathing machine to help him and he said yes. After that he was never conscious again. They took a C-scan and EEG on Sat. and the doctor didn't give me the results till 7 pm Sat., he had a massive heart attack, wouldn't be able to walk and be on feeding tubes etc., I told the doctor that was no quality of life and he agreed. So I went to hospital early Sun. morning and told them to take all life support off him, I had to wait for 2 doctors to sign for it, they all agreed. His blood pressure was dropping anyhow when I came in the morning. After they took all life support off him he only lasted less than 10 min. I held his hand to the end and kissed him goodbye. He wanted to be cremated with no services, and I did what he wanted.

So I am now by myself and it is lonely with no one to talk to when you want. So now I talk with my pup, he is loving and it helps me.

DEAR COUSIN JAMES

ENCLOSED IS THAT WHICH WAS LOST!!!! DURING ALL THE FUSS WITH MY BACK OPERATION PLUS HAVING MY OFFICE MOVED, I LOST NEARLY EVERYTHING INCLUDING MY MIND... THEN JUST AS I FELT BETTER THE EYE DOC. CAUGHT UP WITH ME AND PUT A NEW LENS IN MY EYE... TOOK HIM 45 MIN. AND 7 WEEKS LATER I STILL HAVE DROPS TO PUT IN EYE AND PUPIL WIDE OPEN AND CAN'T SEE TO WRITE OR TYPE TILL THE STITCHES ARE OUT. GURRRRRR.

I PUT ALL INFO I COULD FIND ON THE PAPER YOU SENT AND IT IS RATHER MESSY AND CROWDED. MALCOLM BROCK DIED AS AN INFANT, SO DID LESLIE'S BABY SISTER JANICE EILEEN. AS FAR AS WE KNOW EPHRAM DIED AND IS BURIED AT PERRIS, CALIF. SAN DIEGO CO. WHERE HE WAS LIVING WITH HIS SON & GRANDSON. AUNT IRENE BROCK THOMPSON DIED HERE IN A REST HOME IN SAN DIEGO. THE FAMILY DID NOT EVEN TELL US WHEN IT HAPPENED! I HAD BEEN GOING TO SEE HER BUT WAS INVOLVED WITH MY FAMILY AND WHEN I CALLED REST HOME THEY TOLD ME. ALBERT THOMPSON (HUSBAND BORN WE THINK IN LOUISIANA- DIED BEFORE IRENE), ONLY DAUGHTER MARY LOU THOMPSON, (THINK SHE WAS BORN BETWEEN LESLIE & AUDREY BROCK) MARRIED 3 TIMES, RICHARD POST - 1 BOY - RICK POST, L. NIEL 1 BOY - ALBERT, ? KEEFER - 1 GIRL MARY IRENE RAISED BY AUNT IRENE AFTER MARY LOU MIXED BOOZE & PILLS. SHE AND BROTHERS MUST BE GROWN & MARRIED BUT I HAVE NOT HEARD OF THEM SINCE AUNT IRENE DIED.

I WRITE TO MARY ELIZABETH YBARRONDO TULL FROM TIME TO TIME & SENT HER COPIES OF THE PAPERS YOU SENT ME. SHE WAS GOING SEND COPIES TO HER SISTER BONNIE Y. TWEED (BOTH HAVE KIDS?) MRS. JOHN E. TULL
518 PARK ST.

LONOKE, ARK 72086 BONNIE LIVES IN SAN DIEGO BUT CAN'T FIND HER PHONE #. MARY E. SHOULD BE ABLE TO FILL YOU IN ON THOSE BRANCHES SINCE I THINK SHE IS THE BRAIN OF THAT FAMILY AND WAS ALWAYS MY FAVORITE WHEN WE WERE KIDS. SHE WOULD LOVE TO HEAR FROM YOU AS SHE HAS BEEN TRYING TO DO A LITTLE RESEARCH ON HER OWN. JOHN TULL TRACED HIS FAMILY TO ENGLAND & WENT THERE. WE RECENTLY GOT A BOOK FOR OUR LAURIE ON THE HISTORY OF BROCKS (LISTS & ADDRESSES OF ALL FAMILIES THEY COULD TRACE (LOTS IN AUSTRALIA & NEW ZEELAND ---NOT TRANSPORTED I HOPE!!!

MY EYE IS GOING GOING GONE SO WILL STOP. HOPE THIS HELPS A BIT.

PS - DID I ADD DANIEL COLIN - BORN OCT. 10 1989 TO JOAN & LANCE JONES ... GIVES US 5 GRAND KIDS.

Keep in touch

Jean
