In the matter of claim No. 829262, for Orig Pension, Act of June, 27th 1890, of Jeremiah Ornduff, late Privt Co. D, 1st Regt of C. H. B. Maryland, Cav, Vols. Personally appeared before me a Justice of the Peace within and for the county and state afore said, Jeremiah Ornduff, aged 61 years; a resident of vicinity of Red Cloud, County of Webster, and State of Nebraska, well known to me to be reputable and entitled to credit, and

who being duly sworn according to law, states in relation to the above named claim as follows:

That he is the claimant in the above case, and further states in relation thereto, that his Declaration in said case was filed, as he now best remembers, in the month of December, 1890, but respectfully request that reference be made in the records in Pension Office for correct date of filing. That he furnished, and through his attorney J. Porter Jr. of Red Cloud, Nebraska; filed ample testimony to favorably have had his claims allowed, but that in the month of June, 1891, he received notice of his claims being rejected, on the ground "that he was not disabled in a physical degree for manual labor." That his claimant believes that his claims was so rejected upon the Medical Report of Board of Examiners, at Red Cloud, who gave his case little or no attention & that the principal Surgeon on said Board's reports, has been very unfriendly toward claimant and was so at the time of said examination. That at the time, and long prior to said examination, claimant was, & now is, a continuous sufferer from one or the other of the disabilities alleged in his declaration, and all being chronic & permanent, viz: Rheumatism of his whole Muscular system; Heart, Stomach, & Kidney disease, Piles, partial paralysis of arms & legs, & Nervous debility, which disabilities combined, totally disable him from manual labor whereby he can earn a support. That claimant believing that great injustice had been done him by said rejection, he, by his said Attorney, on or about the 23rd day of July, 1891, filed with Comr of Pensions, a Motion, supported by the Affidavit of Dr Robt. Dammell, M.D., to Reinstake & Reconsider said Claim: that from time to time, viz: Oct. 15, 1891 - March 26, 92 - June 15, 92 - & July 29, 92 - Claimant, by his said attorney, requested of Comr of Pensions & urged him to issue an Order for further examination of claimant by another Board of examining Surgeons, but could not prevail in obtaining such Order. That notwithstanding such request, & without having any medical examination by a Board of Surgeons, subsequent to said rejection, Claimant received a "Notice of Issue of Pension" dated March 13, 1892, Cert. No. 849907, rate \$6 per month from Oct. 12, 1892, & of peptic disease of Rectum only two of his alleged disabilities, the other being of a very severe nature. Claimant believes that there was manifest error & oversight in the adjudication of his case, by not allowing him full pension from the date of the filing of his declaration for pension, as the Law directs: that there is no date for his pension to Commence on Oct. 12, 1892. -

He, therefore, respectfully requests, that a Review and further Consideration of his case be had, & that he be allowed an Order for an examination before a competent Board of Surgeons, than that of Red Cloud, & that upon the further consideration he may receive a proper rating from the date of the filing of his said declaration, & he will ever pay &c -

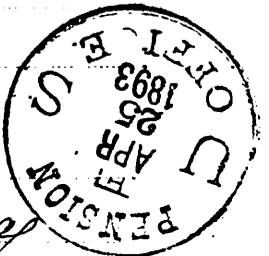

Affiant further states that he has no interest in said case, and is not concerned in its prosecution. And Claimant respectfully requests reference be had to the evidence of Dr Robt Dammell & Dr J D Denny, now on file in the case.

~~GENERAL~~ AFFIDAVIT of Claimant
for Review and Reconsideration of Rejected Claim for Pension

State of Nebraska, County of Webster, ss:

In the matter of Claim No. 129-262 of Jeremiah Ornduff of Co. "D", of the 1st Regt. P. H. B. Maryland 90th. for Pension, under Act of June 27, 1890.

ON THIS 18th day of July, A. D. 1891, personally appeared before me a Justice of the Peace in and for the aforesaid County, duly authorized to administer oaths Jeremiah Ornduff aged 59 years, a resident of Nearby of Red Cloud, in the County of Webster, and State of Nebraska, whose Post Office address is Red Cloud, Nebraska, aged _____ years, a resident of _____, in the County of _____ and State of _____, whose Post Office address is _____

well known to be reputable and entitled to credit, and who, being duly sworn, declared in relation to aforesaid case, as follows: That he is the claimant in the above entitled case, that he the said claimant and affiant, made his application for

(NOTE.—Affiants should state how they gain a knowledge of the facts to which they testify.)

Original pension, under said Act, in the latter part of July, 1890, for the following disabilities, viz. Heart disease, Stomach disease, Disease of Rectum, Kidney disease, Rheumatism affecting his whole muscular system, Partial Paralysis of both arms & legs, and Nervous debility, by reason of which disabilities, he is totally disabled to earn a support by manual labor and afterwards, December 21, 1890, mailed the affidavit of Dr. L. Denney, M.D. in support of said claim. Also, that on the 11th day of March 1891, had an examination as to said disabilities, by Board of Surgeons, at Red Cloud, Nebraska. That as appears by notice sent to his attorney, J. Porter, of Red Cloud, his said claimant's claim was rejected for the reason that "Claimant is not disabled in a pensionable degree."

That claimant believes that there was some manifest error or oversight in the adjudication of his case according to the evidence. That the extent of his disability is such as to totally deprive him from all manual labor to earn a support by reason of said combined diseases. And herewith, in corroboration of the facts stated forwards for filing, the further testimony of Dr. Robert Damerell M.D. who has known him, the claimant for 9 years past, and has lately made a thorough, personal & professional examination of his, claimant's physical condition.

The Claimant, therefore, respectfully, requests, that a Review and Re-consideration of his said claim be made for the reasons above stated, and that if a further examination by a Board of Surgeons is required, respectfully requests that he be ordered before the same Board at Red Cloud, Nebraska, as he is confident it did do justice in its former Report and will do so again.

He further declare that he has an no interest in said case and is not concerned in its prosecution as claimant.
