My great-grandmother Margaret FOLEY was buried at Mt. Olivet after her death in Chicago March 29, 1903. She was buried March 31, 1903.

Do you have any copies of the tombstone inscriptions for her or other records? Her first husband's name was HENNEBERRY and her maiden name was WILDER. Are there any other persons by these names buried near her grave?

If your records have been published, I would appreciate knowing where I might obtain a copy.

Thank you very much for any help you can give me. Will be happy to compensate for your time to make this search.

Sincerely,

Camilla A. Berger
