

MEMORIAL
RECORD 

A decorative border in a light purple or lavender color frames the page. It features a repeating pattern of stylized flowers, leaves, and swirling vines, creating a classic, elegant frame around the text.

Crossing the Bar

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar
When I put out to sea.

But such a tide as moving seems asleep,
Too full for sound or foam,
When that which drew out from the
boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell
When I embark.

For though from out our bourne of
time and place
The flood may bear me far,
I hope to see my pilot face to face
When I have crossed the bar.
