-- HISTORY NOTES -----

Followed the Mogle families in the following Counties in Indiana

	Henry	Madison	Delaware	Fulton
1840	Solomon Jacob			
1850	Solomon	Jacob Samuel		
1860	Susanna (dau of Jacob)	Jacobs fam	Samuels fam	Solomons family

In 1830 there are no Mogle, Mokel or similar names in Ind according to the index.

In 1840 there are two Mogle families in Ind. it is highly probable that they are brothers or closely related.

Jacob and Solomon Mogle, both in Henry Co, Liberty twp, both on page 86 Roll 87, Henry Co, Liberty twp

Jacob Mogle, 1 male under 5 (Wm age 3), 2 male 5-10 (Benjamin age 7, Andrew age 9), 1 male 15-20 (Samuel age 17), 1 male 20-30, 1 male 50-60 ,
Females; 1 under 5 (Susannah age 4), 1 between 5-10, 2 between 10-15, 1 15-20.
***All the children of Jacob and Mariah who are on the 1850 census are accounted for on this 1840 census plus a few more. The only puzzle is with Jacob and Mariah themselves. Both should be 44 yrs old.

Solomon Mogle,

males; 1 under 5 (Wm H, age 5), 1 between 5-10 (Thomas age 8), 1 male 40-50 (Solomon age 44).

females; 1 between 5-10 (Sarah age 9-10), 2 age 10-15 (Anna age 13), 1 between 15-20, 1 between 40-50 (Barbara age 43)

***There are two extra female children that I can not tie to the 1850 census who have probably married by 1850. These are probably daughter Mary who marries John Zook 1-30-1845 and daughter Catherine who married Henry Bailey 1-26-1845

On the 1850 Census in all of Indiana there are only three Mogle families. It seems highly likely that all are related. Samuel is probably a grown son of Jacob and Jacob and Solomon are probably brothers. They are located in Madison and Henry which are adjoining counties.

1860

In Indiana in all of Indiana in 1860 there are the following 6 Mogle families. All are tied to the above families. All of Samuels family that is mentioned in 1850 is accounted for in 1860. All of Solomons family is accounted for. Daughter Anna md Wm Tharp (Thorp) in 1853. Daughter Sarah md John Odum in 1851. In Jacobs family all are accounted for except Jacob who is apparently deceased and son Wm who is either deceased or not in Indiana. Since all the females are accounted for, the mystery mother of our William who is born in 1855 is still living in 1860. Seems quite possible that our Mogle may be Susanna who is a

servant living in the Chrisher home. She has a son Wm Prigg age 5. In 1870 Wm mother is deceased and he is living with Mary and Bill Rants.

Peter Crisher, 30, farm laborer, POB Ohio, person over 20 unable to read and write.

It is interesting that Susanna was 15 in the 1850 census and is neighbors to the Prigg family. The Prigg family has a 15 yr old son William. Here in 1860 it appears Susanna has had a little Prigg. Wouldn't it be interesting if this turns out to be our missing link?. Prigg vs Pierce.

***Check for death records of Mogles 1855 - 1870 and see if Susanna dies young. Probate/Guardianship papers for Wm to be raised by Mary and William Rants.

1870 is going to be harder to follow these families. There is no index for Indiana in 1870 in the Archives. (We have the census with Wm H. Mogle, age 15 living with William and Mary Rants in Fulton county, Wayne twp)

1880 the soundex will only be for those families with children under 10. Others would have to be located directly on the census. (Have the census with William Mogle age 25 and his newly married wife Mary, in Fulton county, Wayne twp)

1900: I checked the soundex for William Mogle with wife Lucy. The only William Mogle was our William with wife Mary, and children Cora and James. Should probably page through the entire M 240's looking for Mogles and their location.

1910: There is no index for 1910 in Indiana. I checked on the actual census all of Liberty and Rochester townships in Fulton County. I found only one Mogle in

These records are too early to be of much help. Jacob and Solomaon are both living in Henry Co in 1840 so they could be the daughters of either one.

The Pierce Connection

The following were those persons in Anderson or Pendelton twps in Madison County. The census records can be found in the Mogle census folder

1850 Pierce spelling only. Did not look up Pearse or Peirce

M.R. Pierce. Madison Co, Pendelton, page 106

Mary A Pierce, Madison Co, Pendelton, Page 106

1860 Northern Ind. Checked Pearce, Pearse and Pierce, not Peirce

Wm Pearce, Madison Co, Anderson, page 234

NO Pierce that are in Anderson or Pendelton

Looked up the above three references. M.R. Pierce age 26 in 1850 is Wm Pearce a 36 yr old lawyer in 1860. Mary A Pierce in 1850 is his 20 yr old wife and they are living with her family, the Bell's. In 1860 two of her siblings are living with her.

Both the Pearce and Bell families are very wealthy. However there is no hired help in either census and I can make no connection to the Mogle family. Still seems more likely that there is a Prigg connection

-Nancy wrote that she found a Pierce or possibly Pence on the Fulton Co, Rochester twp Ind census 1870. Dwelling #94, family #94. No other data. I have not checked further on this census.

Thorp and Rants connections

1860 Census Wm or Bill Thorp(e) or Tharp

Copied the census for Wm Tharp a single school teacher in Henry County (can be found in Mogle census folder) and the census for Wm Tharp and wife Anna in Fulton Co, Wayne twp, which follows:

1860 Census Fulton Co, Wayne twp. date June 20, 1860

-Written page 558, printed page 50, dwelling 336, family 336

William Thorp age 34, farmer, value of real estate \$400, POB Ind

Anna, age 33, POB Ind

Benjamin L, age 7, POB Ind

Joseph R., age 5, POB Ind

William, age 3 POB Ind

James? W?, age 1, POB Ind

***This is interesting since family history was that the mother of William had a sister who married Bill Thorpe.

Also note the LDS Reference to Ann Mogle md William Tharp July 3, 1853. This would be Ann daughter of Solomon. The ages in this census match perfectly with those of 1850. They have moved from Henry county to Fulton Co.

Very close by in dwelling 326 and 330 There are two Rans families. Joseph Rans has a son William age 16. Isaac Rans has a son William age 20.

In 1870 we find our orphaned William Mogle living with what family tradition said was his mothers sister and husband.

William Rants, age 30, Wife Mary A, age 25, children Francis age 3, James age 2, and William Mogle age 15.

William is probably the son of Isaac Rans in the 1860 census. Mary is Mary Ann Bailey daughter of Catherine Mogle and Henry Bailey. Catherine is a daughter of Solomon Mogle.

10-13-1992-- Sent \$15 to Compugen System, Box 15604, fort Wayne Ind 46885, for a listing of Ind Newspaper accounts of the Mogle family 1840-present. Looking for all early Mogle accounts plus burning of James Mogle Shoe store in South Bend 1920's-30's. I think this will be our best chance to get many vital dates that weren't kept by the counties until 1882 or later.

Received the results of this search on October 24, 1992. It was rather disappointing. The earliest account was 1902 (the 11-1902 birth announcement of James and Sadie's son Dean). So it gave me none of the early 1840-1900 vital records references I was hoping to find. It gave only vitals like births, deaths, marriages, and divorces. It gave no references to the burning of the Mogle store or the Mogle court battles. It also seemed to miss some very probable references. The births of 3 of the 4 children of James and Sadie were listed but the reference to their fourth child James Addison in 1919, was not listed. Both Nancy and Dick were born in South Bend Indiana in 1928 and 1929 and there were no references. There are 16 Mogle references. Five have immediate ties.

Dear Camilla,

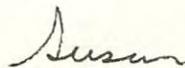

It was such a nice surprise to receive your phone call on Saturday. It is so nice to talk with someone who enjoys the genealogy hobby and even more fun when you are working on the same lines.

I feel I am so close, and yet so far, from unraveling who the parents of my William might be. Susanna daughter of Jacob seems like a likely candidate. On the other hand there are so many clues that tie to Solomons line. (Sister who married Bill Rants, sister who married Bill Thorpe, and a brother who married Lucy.) I have the Henry Co Genealogical society doing some research. They are suppose to have quite a bit on Jacobs line as well as some info on Solomon and Nicholas. I hope my missing clues might be there.

I've copied my Mogle files for you. (Computerizing your files makes this so easy.) When adding information from the Mogle Genealogy by Harry T Mogle I discovered another interesting coincidence. My Wm Mogle married Elizabeth Witters. Her sister is Margaret Witters who married Tom Bailey son of Catherine and Henry. Harry Mogle has it written as Winters. I knew they were the same because of info I had on the Witters line included Tom and Margarets daughter and her children who are Keasey's.

I hope I've been able to provide you something you didn't know but it sounds like you probably have most if not all of what I have. I look forward to hearing from you soon

Sincerely,

Susan Bradley

 grandfathe William H Mogle.

William Mogles father was a Pierce who lived in Pendelton Ind (which is near Anderson Ind)

William Mogles mother was a Mogle(unmarried) and lived near Warshtown or Warshtoron (handwritting not clear). This is near Grass Creek 5 miles south of Rochester.

William Mogle was raised by Bill Rantz whose wife was a sister of Williams mother.

His mother had a brother Charles Mogle, another brother whose wife was named Lucy, a sister who married Bill Thorpe, and a sister who married Bill Rantz. William was born near Kewanee (There is a Kewana in Fulton Cnty but not a Kewanee)

Note: Names of Mogle children Mary A (Rants) born ca1845, William's mother ca 1830's, Sister married to Bill Thorpe, Brother Charles, brother with a wife named Lucy.

At this point it seems Mary A Rants born c 1845 (MaryAnn Bailey Rants is the daughter of Catherine Mogle Bailey and the granddaughter of Solomon and Barbara Mogle), Williams mother born c 1830's (very possibly Susanna daughter of Jacob), a sister who married Bill Thorpe (Anna Mogle born c 1827 daughter of Solomon Mogle married Wm Thorp (Tharp) 7-1853), Charles (don't find any possiblities), brother who had a wife Lucy (William H Mogle son of Solomon md 2) Lucy).

It seems probable that these are "Aunts and Uncles" of Williams rather than all being siblings of Williams mother.

 Information in letter from Lorene Mogle Cameron daughter of James A Mogle and granddaughter of William Mogle

"Williams mother worked as a young girl in the rich household of the Pearce family. His father Pierce refused to marry her when his child was carried by her. She died of a broken heart. Mogle was her maiden name. William was raised by a farm family nearby named Criets (? spelling). He did mention the town of Lick Skillet. Mary and William are burried in the cemetery at the end of Portage Ave in South Bend."

 1870 Census, Fulton cnty Ind, Wayne twp, date 8-25-1870 dwelling #174 Family #174.(No reel information on Nancy's sheet)

Rants, William age 30, occupation farmer

 Mary A age 25, POB Ind

 Francis, age 3, POB Ind

 James , age 2, POB Ind

Mogle, W., age 15, POB Ind

This is our William Mogle living with his Aunt Mary and her husband Bill Rants.

Note: Mary A is MaryAnn (Bailey) daughter of Catherine "Katie" Mogle and Henry W Bailey who were married in Henry Co Ind 1-26-1845. Mary is the Granddaughter of Solomon and Barbara Mogle.

Mary was probably referred to as Williams Aunt but his mother who is a Mogle could not be the sister of Mary Ann Bailey Mogle.

1900 Census Fulton Cnty Ind, Rochester twp, Vol 21/42, sheet 20, reel 372, line 17, date June 14, 1900, dwelling # 493, family #504. Address 493 Madison St

Mogle, William, head, DOB 1/1855, age 45, married for 20 yrs, POB Ind, Fathers POB Ind, mothers POB Ind, occupation day laborer

Mary E, wife, DOB 7/1853, age 46, married 20 yrs, mother of 2 children both living, POB Ind, Fathers POB Ohio, Mothers POB Fenn. OH. (not sure what Fenn. means)

Cora A, daughter, Dob 1/1881, age 19, single, POB Ind, Occupation Burnunster shoe factory

James A, son, DOB 8/1882, age 17, single, POB Ind

1910 Census is a bit of a problem because there is no index for Indiana. I went page by page through the 1910 Rochester Twp, Fulton County census but did not find William and family. After checking the entire twp I then rechecked by stree address hoping to find him on Madison Street. He has probably moved to South Bend and South Bend is too big to go page by page to look for him.

1920 Census St Joseph County, Portage twp, South Bend City, 4th Ward, Jan 13, 1920. ED 249, Sheet 12 A, Line 40. Address 529 Clifford Court. Dwelling 265, family 273.

William H. Mogle, head, owns his home which has a mortgage. Age 64, married, able to read and write, POB Ind, both parents POB Ind, speaks English, occupation deliverer for Bakery Shop, self employed.

Mary E., wife, age 66, married, able to read and write, POB Ind, fathers POB Ind, mothers POB America, speaks English, occupation none.

In son James A Mogles write up in the History of St Joseph Cnty he states his father was a native of Fulton cnty and had been a farmer for many years, but now (1922) is the propieter of a bakery.

-- HISTORY NOTES --

Birth of Solomon Mogle.

--Jennie Danells letter of June 1, 1978 gives the birth of Solomon as Feb 3, 1798. Her source is listed as Rochester Weekly Sentinel Newspaper. No date given

--Fulton county Cemetery Inscriptions states Solomon Mogles died Nov 17, 1862. Aged 62 years, 8 months, 14 days. This would give a date of birth of March 3, 1860.

--Sept 7, 1850 census gives Solomons age as 54. This would mean a year of birth of 1796.

-- June 26, 1860 census gives Solomons age as 62. this would mean a year of birth of 1798.

In 1840 there are two families in Ind.

Jacob and Solomon Mogle, both in Henry Co, Liberty twp, both on page 86 Roll 87, Henry Co, Liberty twp

Jacob Mogle, 1 male under 5 (Wm age 3), 2 male 5-10 (Benjamin age 7, Andrew age 9), 1 male 15-20 (Samuel age 17), 1 male 20-30, 1 male 50-60 ,
 Females; 1 under 5 (Susannah age 4), 1 between 5-10, 2 between 10-15, 1 15-20.
 ***All the children of Jacob and Mariah who are on the 1850 census are accounted for on this 1840 census plus a few more. The only puzzle is with Jacob and Mariah themselves. Both should be 44 yrs old.

Solomon Mogle,

males; 1 under 5 (Wm H age 5), 1 between 5-10 (Thomas age 8), 1 male 40-50 (Solomon age 44).

females; 1 between 5-10 (Sarah age 9-10), 2 age 10-15 (Anna age 13), 1 between 15-20, 1 between 40-50 (Barbara age 43)

***There are two extra female children that I can not tie to the 1850 census who have probably married by 1850. These would be daughter Mary who married John Zook 1-30-1845, and daughter Catherine who marries Henry Bailey 1-26-1845

On the 1850 Census in all of Indiana there are only three Mogle families. It seems highly likely that Samuel is a grown son of Jacob and that Jacob and Solomon are brothers. Madison and Henry are adjoining counties.

LDS- an IGI reference.
 July 30, 1853. Henry Co Ind. William Tharp md Ann Mogle

I added the census information of the Tharp family because one of my clues is
 that one of Williams mothers sisters md Bill Thorpe. In addition we have the
 above LDS marriage reference for William Tharp and Ann Mogle. In addition the
 1860 census for William Thorp and wife Anna fits perfectly with this 1850
 census with Anna Mogle daughter of Solomon and Wm Tharp son of Nancy Tharp.

In all of Indiana in 1860 there are 6 Mogle families. The following three are
 connected to the family of Solomon Mogle. The other three are tied to the
 families of Jacob and Samuel

 ***Looking at the 1850 and 1860 Census we see that children Anna, Sarah, Thomas
 and William are born in Ohio, Susanna in Ind. The family must have been in Ohio
 at least between 1827-1835. They come to Indiana sometime between 1835 and 1840

=====

Note that this genealogy does not list Anna Mogle. It does list Mary, Katie, and Betsy which were not placed in this family in the Danell letter. The marriage records for Mary who married John Zook 1-30-1845, Catherine who married Henry Bailey 1-26-1845 would tie nicely into this family including the 1840 census. I am uncertain if Betsy is Elizabeth who is listed as marrying Alexander Baughan 12-2-1845 or Eliz. who marries Daniel Craig 10-24-1849. I would assume all three of these children are older than those first 6 but I have no clues as to their order so I will add them to the end of the list for the time being.

LDS- an IGI reference.
 July 30, 1853. Henry Co Ind. William Tharp md Ann Mogle

I added the census information of the Tharp family because one of my clues is that one of Williams mothers sisters md Bill Thorpe. In addition we have the above LDS marriage reference for William Tharp and Ann Mogle. In addition the 1860 census for William Thorp and wife Anna fits perfectly with this 1850 census with Anna Mogle daughter of Solomon and Wm Tharp son of Nancy Tharp.

 1860 Census Fulton Co, Wayne twp. date June 20, 1860
 -Written page 558, printed page 50, dwelling 336, family 336

William Thorp age 34, farmer, value of real estate \$400, POB Ind
 Anna, age 33, POB Ind
 Benjamin L, age 7, POB Ind
 Joseph R., age 5, POB Ind

William, age 3 POB Ind
James? W?, age 1, POB Ind

***This is interesting since family history was that the mother of William had a sister who married Bill Thorpe.

Jennie Danell letter of 6-1-1978 lists her as a possible daughter of Solomon based on the 1850 census. But she questions why she is listed out of order of the other children and if Samuel Wood might be a son of hers.

Anna is not listed as a child of Solomons on the Mogle Genealogy by Harry T Mogle.

Anna is a Mogle whether she is a child of Solomon is not certain. For the time being I will list her as such until evidence proves otherwise.

The section of land (southwest corner of 400S and 500W) on which Tom and Jane
 Mogle lived was considered safe for hiding runaway slaves prior to and during
 the Civil War. There was so much wilderness and so many isolated
 sections. One of the main routes of the Underground Railroad crossed the
 southeastern part of this area. Tom and Jane Mogle kept many a slave hidden in
 their attic by day, fed them and started them on by night. When they reached
 Michigan they were safe. Calvin Michigan was the end of the line.

~~Note--I am adding the above children of William and Lucy to the database.~~
~~However I have some reservations. Wm and Lucy marry in 182 yet they have no~~
 children of their own on the 1880 census. Roy shows up on the 1896 school
 enumeration at age 13 so he is born c 1883. Seems that we should have at least
 found Harry on the 1880 census or they waited an awful long time to have
 children together.

Betsy Mogle is probably married and has left home before we are able to tie her to the family of Solomon Mogle on the 1850 census.
The Mogle Genealogy by Harry T Mogle gives the following information;

Betsy Mogle daughter of Solomon and Barbara Mogle
Betsy married a man named Bond, moved to Nebraska and further info is unknown.

LDS Film 874489 Henry Co Marriages
gives the following info that may or may not be tied.

--- HISTORY NOTES ---

On the 1830 Indiana Census there are no Mogles

In 1840 there are two families in Ind.

Jacob and Solomon Mogle, both in Henry Co, Liberty twp, both on page 86
 Roll 87, Henry Co, Liberty twp

Jacob Mogle, 1 male under 5 (Wm age 3), 2 male 5-10 (Benjamin age 7, Andrew age 9), 1 male 15-20 (Samuel age 17), 1 male 20-30, 1 male 50-60 ,
 Females: 1 under 5 (Susannah age 4), 1 between 5-10, 2 between 10-15, 1 15-20.
 ***All the children of Jacob and Mariah who are on the 1850 census are accounted for on this 1840 census plus a few more. The only puzzle is with Jacob and Mariah themselves. Both should be 44 yrs old.

Solomon Mogle,

males; 1 under 5 (Wm H age 5), 1 between 5-10 (Thomas age 8), 1 male 40-50 (Solomon age 44).

females; 1 between 5-10 (Sarah age 9-10), 2 age 10-15 (Anna age 13), 1 between 15-20, 1 between 40-50 (Barbara age 43)

***There are two extra female children that I can not tie to the 1850 census who have probably married by 1850.

On the 1850 Census in all of Indiana there are only three Mogle families.

It seems highly likely that Samuel is a grown son of Jacob and that Jacob and Solomon are brothers. I am not including Samuel as a son until I have further evidence. Madison and Henry counties are adjoining counties.

1860

In Indiana in all of Indiana in 1860 there are the following 6 Mogle families. All are tied to the above families. All of Samuels family that is mentioned in 1850 is accounted for in 1860. All of Solomons family is accounted for. Daughter Anna md Wm Tharp (Thorp) in 1853. Daughter Sarah md John Odum in 1851. In Jacobs family all are accounted for except Jacob who is apparently deceased and son Wm who is either deceased or not in Indiana. Since all the females are accounted for, the mystery mother of our William who is born in 1855 is still living in 1860. Seems quite possible that our Mogle may be Susanna who is a servant living in the Chrisher home. She has a son Wm Prigg age 5. In 1870 Wm mother is deceased and he is living with Mary and Bill Rants.

Susanna Mogle daughter of Jacob and Mariah Mogle

Henry Co Ind, Harrison twp. July 26, 1860. Roll 266. Written page 165, Printed page 377. Dwelling 1177. family 37

Jacob Chrisher, age 67, farmer, real estate value \$1800, personal property \$100, POB Penn.

Elnora Chrisher, age 68, POB Penn

Henry Chrisher, age 37, farmer, real estate value \$200, personal property \$150, POB Ohio, Person over 20 unable to read and write

Susanna Mogle, age 24, servant, POB Ohio

Wm Prigg, age 5, POB Indiana

Peter Crisher, 30, farm laborer, POB Ohio, person over 20 unable to read and write.

It is interesting that Susanna was 15 in the 1850 census and is neighbors to the Prigg family. The Prigg family has a 15 yr old son William. Here in 1860 it appears Susanna has had a little Prigg. Wouldn't it be interesting if this turns out to be our missing link?. Prigg vs Pierce.

Residences

It appears by the birth of the children that Jacobs family was in Penn until at least 1833 with the birth of Benjamin. In 1835 with the birth of Susanna and probably 1837 with the birth of William they are in Ohio. By 1840 they are in Indiana.

Information from Camilla Berger 11-14-92

Father of Jacob Mogle is Casper Mogle.

Jacob married 1) Elizabeth Kuntz ? 2) Mariah Pendelton

She said she has a note that there was a Jacob Mogle in Richmond county, 1830 Ohio census.

**By the birth of the children it doesn't appear to be the correct Jacob.

The fact that Mariah is a second wife explains the Pendelton boys found on the census in 1850 and 1860.

Dear Mrs. Barger:

Sometime ago you signed a register at Rochester, Indiana, Genealogy Society searching for 'Mogle' family history.

I too, am working on "Mogle" family history. I don't know if we are on the same line or not. The family I am interested in is: Oliver David and Carrie Williams Mogle along with his parents, David Oliver and Sarah Stahl Mogle. They all came from Perrysburg, Wood County, Ohio to Fulton County, Indiana. In the early 1900's they all moved to Peru, Miami County, Indiana, where they died.

Oliver and Carrie were supposed to have had 17 children. Ten grew to adulthood. I have some information on the 10 children and 3 infants. Oliver had 5 sisters and 2 brothers. Believe David's father was Michael Mogle.

If you think this family information is of any benefit to you will be glad to exchange information with you.

Very truly yours,

Mrs. Edna Ellen Richardson
10377 E County Road 600 N
Peru, Indiana 46970

P.S. My mother was one of Oliver and Carrie's children.
