JANUARY 1994

**THE HAPPY COUPLE WILL BE MARRIED IN THE RIVIERA HOTEL CHAPEL AT 1400, 15 JUNE 1994. IF YOU ARE IN THE AREA, PLEASE JOIN US FOR THE SHORT CEREMONY.**

NANCY, A LTCOL IN THE MARINE CORPS IS STATIONED AT CAMP PENDLETON, CA. SHE IS A 5' 6'', 120 lbs., RED HAired BEAUTY, AS YOU CAN SEE FROM THE PICTURE ON THE LEFT. HER RETIREMENT PLANS ARE UNCERTAIN AT THIS TIME; BUT SHE IS LOOKING AT RETIRING DURING THE LATTER PART OF 1994.

## AS SOON AS THE CEREMONY IS OVER NANCY & I WILL JOIN YOU AT THE POOL!

THAT WAY WE WON'T BE TOO NERVOUS AND YOU WON'T HAVE TO SIT THERE, JUST WAIT BY THE POOL WE HOPE WE'RE NOT LONG. BY THE WAY THAT HASN'T BEEN CLEARED BY NANCY YET, BUT SHE REASONABLE!

That said, what have I been doing? Preparing to go to the desert for another little camping trip. As we speak it is 8 April, and in 2 hours from now we convoy to our little camp site and begin playing war. It is noon now and it is only 100 degrees, but it will be some what cooler in our tents when we get them up. I like living in a tent in the desert and I like walking on broken glass and I like jumping off cliffs, etc. Glad we're having this now, it gets hot in the summer. I've spent the last six week getting the Unit ready for this little outing and I'm glad it is here, it's now their turn to perform. They hate paper work and if I had not done it for them it would not have gotten done, but then that's what I get paid for. Not really, I'm suppose

***IF YOUR BUSY THAT'S OK!  
REGARDLESS, NO GIFTS***

to tell them how to do it and they are suppose to do it. Just doesn't work that way thou.

This Command Post Exercise (CPX) is coming too soon after Ramadan. The month of Ramadan, which is the ninth month of the Islamic calendar, is one of the most important times of the year to faithful Muslims. As the Islamic, or Hegira, calendar is lunar, the observance of Ramadan is also connected to the moon. The month of fasting officially starts at the first appearance of the crescent moon during the calendar month of Ramadan, and ends on the night when the moon is new and no longer visible. The start of Ramadan with the first sighting of the moon is a joyful occasion for Muslims, and is announced by the firing of can-

nons—a sound that can be heard throughout Saudi Arabia. Because the month of Ramadan is determined by these sightings of the moon, predicting in advance precisely when the month of fasting will start and end is not possible. Since the Saudis fast between sunup and sundown during the month, they work very few hours a day, if at all. Therefore, the planning and preparation for the CPX was done primarily by the advisors. Oh! after their month of fasting, they take two weeks off to celebrate the end of fasting, etc. That means for approximately six week they aren't around to do their work. So we do it for them.

That is not the only effect Ramadan has on us infidels. By Law in Saudi Arabia it is prohibited to eat, drink (anything), or smoke in public during daylight hours for Muslims and non-Muslims alike, and is punishable by imprisonment, public flogging and/or deportation. Restaurants and other stores are not even open until after sunset/last prayer. It is hard enough to shop anytime because of stores closing during the five prayer calls a day but it is impossible during Ramadan.

## WELL, WASN'T THAT FUN!

I'm back from the field and we won again. I knew we would, I helped write the script! Another miserable sandy affair! The wind started blowing the afternoon of the second day and kept blowing during the whole exercise. Teased my sinus for five days, glad it was a short exercise. We had a wood inclosure this time for a toilet, door blew off the second day. This one, only had a hole in the floor, so there was no sitting just squat like the Arabs do. My knees are to old and batter to take that kind of exercise. I need a rope or bar to get up and down. Ed Bishop took is three burner gas stove, so we ate well, even thou a little gritty with sand. Col Bin Talib had "Capsa's" for us two days and that like the toilet was a challenge, as you sit on the ground on your feet or just knell. At a Capsa there is one common platter that everyone eat from with their "right" hand. It always consist of a rice mixture and usually lamb but can be another kind of meat, chicken, etc. The lambs head is left on the platter with the rest of the lamb, everyone just pulls a piece of meat off, mixes it with some rice (right hand only) sticks it in their mouth and eats while sitting in a big circle on the ground. Had a lamb Capsa on Sat. and chicken Capsa on Sunday. The Saudis eat all their meals this way. A grand time was had by all on the exercise. It was nice returning to Dammam and

getting a nice shower and getting into clean clothes.

In February Al Zamil Compound held its 3rd Annual Chilli Cookoff, and my team took second place. We had great fun cooking the chilli, the night before and fun at the contest. There was a prize for the best decorated table but we didn't win that. It could have been the camels skull on the table or one of the other decorations that made us non-competitive in that part of the contest. A picture of my team will be included on the next page, what a motley crew.

*Second place in the 3rd Annual Al-Zamil Chilli Cookoff. Not bad for helpless males.*

In August it looks like I will be moving to Jeddah and become the Chief Advisor to the Western Region Log Base. It is the same grade level as I am now, so I want get paid any more, but family status goes with the position. Nancy and I are discussing our options and what she wants to do about her retirement. Probably won't be any decision made until we our together in June. If I take the job and Nancy and Kerry come over, I will recontract until June 1995. Nancy is very high on the Daphne area and thinks we should go there when I/we leave here. My only problem with that area is the lack of jobs. In any case we will be making a decision in June.

Because of a variety circumstances I am going to be able to come back on leave a week earlier than planned. That means I will be getting into Calif. the weekend of 4 June. This will give me a chance, I hope, to see Scott and Shelley sometime during the following week and take care of some business with my house. I might even be a wake for the wedding on the 15 th. I hope, time permitting, to send everyone a calendar showing our expected itinerary during June and through 6 July, when I will have to fly back to Saudi Arabia from Pensacola. As of now Nancy and I will drive across country with stops in Arkansas City, Kn., Oak Grove, Mo., St. Louis, Mo., Jacksonville, Mi., and Daphne, Ala.,. Unfortunately, we will not be able to stay any place very long, because we want to see as many of the family as we can and she can only take so much leave and of course I have to fly back here.

I know I owe everyone letters but it has been a busy couple of months preparing for the CPX and taking care of the rest of my work, but please don't stop writing I enjoy/need your letters and like this letter I will eventually respond.

Dear Conrad + Eileen

I enjoyed your letter very much - sorry for taking  
thats long in responding. Sounds like you have a  
very active family Eileen. Hope everyone in both  
families are well and happy.

You can see by my Dispatch part of what I have  
been up to. This Sunday I will process 25 light  
Armor Vehicles <sup>(LAVs)</sup> through the Fort of Demerons. One  
of the more fun things I get to do as I get to  
drive them. Wish I had one for my private vehicle  
over here - it would be ~~safe~~ driving.

Do keep me informed on whats happening with  
you and the family.

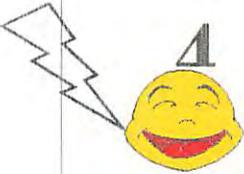

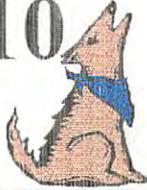

I will see you pool side at the Riviera in
