Amigo on Myrtle Rd. this fall.

According to Homer Stack, who now lives on Laguna Ave., his parents bought four lots, each 50 by 150 feet, on Myrtle in 1904 at a cost of \$400 each. The following year, his uncle, Edward M. Stack, started construction of what was meant to be a one-story summer cottage.

Stack recalls that the 1906 San Francisco Earthquake and fire changed the family's plans for the house. Instead of the one-story summer cottage that had been planned, the Stack's virtually lifted the one-story frame and put a basement under it to make a permanent home, to replace the one in San Francisco that had been wrecked in 1906.

It took two years to complete construction of the "big house" according to Stack but it was the seventh one to be built in Burlingame.

Stack's uncle, in addition to building the house himself, was creative in other regards. He also created Burlingame's first street light. According to Homer Stack, his uncle "stuck a two by four on the corner and ran a couple of wires out to it an attached an old carbon lamp."

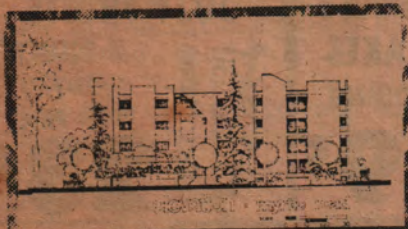

Stack recalls, too, other Burlingame residents fighting the "pitch black" darkness of the town. As an example he cites residents' trips to the movie house on California Dr. at night. He said when there was a

31 of the work, or should any dispute arise between the parties hereto respecting the valuation of extra work,
32 work done, or work omitted, the disputed matter shall be referred to, and decided by two competent
33 persons who are experts in the business of building — one to be selected by the Owner, and the other by
34 the Contractor; and in case they cannot agree, these two shall select an umpire, and the decision of any
35 two of them shall be binding on all parties. Provided, however, that the work shall not be interrupted
36 or delayed pending such decision
37
38

39 ELEVENTH.—Should the Contractor fail to complete this contract, and the work provided for
40 therein, within the time fixed for such completion, due allowance being made for the contingencies
41 provided for herein, he shall become liable to the Owner for all loss and damages which the latter may
42 suffer on account thereof, but not to exceed the sum of \$..... per day for each day said
43 work shall remain uncompleted beyond such time for completion.

44 TWELFTH.—In case said work herein provided for should, before completion, be wholly or
45 partially destroyed by fire, defective soil, earthquake or act of God which the Contractor could not have
46 reasonably foreseen and provided against, then the loss occasioned thereby shall be sustained by the
47 Owner, and the Owner agrees to carry Insurance for the full amount of the labor and material as the
48 work progresses, in the joint name of the Owner and Contractor. All moneys received under such policies
49 are to be divided between the Owner and Contractor as their interest may appear.

50 THIRTEENTH.—The payment of the progress payments by the Owner shall not be construed as
51 an absolute acceptance of the work done up to the time of such payments, except as to such matters
52 as are open and obvious, but the entire work is to be subject to inspection and approval of the Owner
53as to defects not obvious upon inspection during the progress of the
54 work, at the time when it shall be claimed by the Contractor that the contract and work is completed.

55 The Owner, however,.....shall exercise all reasonable diligence in dis-
56 covering and reporting to the Contractor, as the work progresses, all materials and labor which are not
57 satisfactory to the Owner....., so as to avoid unnecessary trouble and cost
58 to the Contractor in making good defective parts; otherwise, any objection thereto shall be deemed to
59 have been waived.

60 FOURTEENTH.—Should the Contractor, at any time during the progress of the work, refuse or
61 neglect, without the fault of the Owner....., to supply a sufficiency of
62 materials or workmen to complete the Contract within the time limited herein (due allowance being made
63 for the contingencies provided for herein), for a period of more than five days after having been notified
64 by the Owner in writing to furnish the same, the Owner shall have the power to furnish and provide said
65 materials or workmen to finish the said work, and the reasonable expense thereof shall be deducted from
66 the amount of the contract price.

67 IN WITNESS WHEREOF, the said parties have duly executed this Contract,
68 the day and year first above written.

ATTEST: 
Assistant Manager of Farm and Home Purchases

Michael was diagnosed with a cancer of the adrenal gland. A slow-moving deadly cancer, it comes with no symptoms until the end stage... stage IV. "Stage IV adrenal cortical carcinoma." The oncologist rolled the words off his tongue as smoothly as a marble rolls off satin. It took me six months to be able to say the name, and I usually choked on each word.

Michael was doomed the moment the diagnosis was made, and because of this cancer's rarity, he was "one in a million." There was no known cure.

My own diagnosis came two years before Michael's. The name was easier to say, but just as likely to stick in the throat. Strep A necrotizing fasciitis, more commonly known as "the flesh-eating bacteria," had waged microscopic war on my body. I fought hard and eventually won, but my legs below the knees, my right hand, and the left side of my chest were collateral damage. I ended up with a new identity in my victory—"triple amputee." But I held onto my life.

From the beginning of my illness, Michael was with me fighting as hard as I was to keep me alive. And it was he, my loving, devoted husband, who had to make the heart-wrenching decision to keep me alive by sacrificing my limbs. He was at the hospital every day and night. He kept me company, made me laugh, and dried my tears. He became my courage, my cheerleader, my caregiver. Now, it was my turn to fill that role.

I placed my fake feet on the floor and rose from our bed. I walked to the threshold of my bedroom door, when I heard his words, raspy and weak, in the immortal wisdom of Jed Clampett of *The Beverly Hillbillies* fame, "Y'all come back now, y' hear?" Chuckling, I turned and looked at my husband. He looked small and wasted; his skin, once a beautiful dark olive color, was now waxy and pale. His hair had taken a beating from the brutal chemotherapy. The dark, thick curls that had adorned his head for 44 years had been replaced by white baby-fine wisps. Only his beautiful crystal blue eyes remained unscathed by the ruthless, heartless hands of cancer. I gave him my assurance that I would return after our two little boys were tucked

Subject: YOUR FATHER.

ELEANOR,
WHEN YOU STATED THAT YOUR FATHER WORKED FOR THE SANTA FE RAILROAD, IT REALLY STRUCK A NERVE.
THIS SOUNDS BORING, BUT I GREW UP IN TOPEKA KANSAS WHICH WERE THE GENERAL OFFICES OF THE A.T. & S.F.
TOPEKA WAS A TOWN OF ABOUT 60,000 WHOSE ECONOMY WAS BASED ON THE RAILROAD AND STATE EMPLOYEES AS IT WAS THE CAPITOL.
WHEN WE WERE IN HIGH SCHOOL, THE NUNS (SISTERS OF CHARITY) GAVE YOU A LETTER OF RECOMMENDATION TO GET A JOB IN THE GENERAL OFFICES. OUR HIGH SCHOOL CURRICULUM WAS BASED ON TYPING AND SHOTHAND AND MINOR MATH. I TOOK ALGEBRA-BUT NEVER TOOK MUCH INTEREST IN IT. ACTUALLY IT HURT ME LATER ON IN LIFE THROUGH THE SERVICE AND COLLEGE. I WORKED AT THE SANTA FE IN 1942 AND 1943 UNTIL I WENT INTO THE SERVICE. IT WAS THE FIRST TIME I HAD ANY MONEY AND COULD NOT BE HAPPIER. IT WAS ALSO QUITE A SOCIAL DEAL FOR THE KIDS OUR AGE AND MANY MARRIAGES RESULTED.
TOPEKA WAS A MASON TOWN AND ALL THE GOOD JOBS WERE TAKEN BY THEIR SONS AT THAT TIME. CATHOLICS WERE ASSIGNED TO THE CAR ACCOUNTING DEPT WHICH WAS LARGELY A MANUAL OPERATION. THE CAR ACCOUNTING DEPT OCCUPIED THE 6TH FLOOR WHICH WAS A MASS OF LEDGERS AND WORK SHEETS. I BELIEVE THERE WERE APPROXIMATELY ONE HUNDRED LEDGERS WHICH WERE MAINLY KEPT BY WOMEN WITH GOOD PENMANSHIP. THE 6TH FLOOR WAS KNOWN AS "THE FISH EATER'S FLOOR."
TODAY, IT IS ALL COMPUTERS AND THE A.T. & S.F. WAS PURCHASED BY THE BURLINGTON NORTHERN.
THE SALARIES WERE REASONABLE. FOR ANY MARRIED COUPLE WITH A SMALL FAMILY AND A SOBER LIFE STYLE. SOME OF THE CATHOLICS HAD A PROBLEM WITH THIS WHICH CAUSED FRICTION. SANTA FE EVEN HAD IT'S OWN HOSPITAL WITH A HIGH FATALITY RATE.
BY THE TIME THE EMPLOYEES EARNED RETIREMENT, THEY DIDN'T LAST LONG AFTER THAT. TOPEKA WAS A GREAT TOWN FOR CHILDREN TO GROW UP WITH NO MINORITY OR GANG PROBLEMS. BROWN VS BOARD OF EDUCATION ORIGINATED THERE AS KANSAS WAS A BORDER STATE IN THE CIVIL WAR.
REALLY, THERE WERE NO BLACK PROBLEMS AS IN THE SOUTH BUT THERE WAS A CLEAR LINE OF DEMARCATION.
AFTER THE WAR, I WORKED IN THE SUMMER FOR THE SANTA FE AND USED THEIR FREE PASSES TO GO BACK FROM L.A. WHEN I WAS ATTENDING LOYOLA. ALL IN ALL, I HAVE NO REGRETS WITH THE SANTA FE BUT THIOSE EASY DAYS ARE GONE FOREVER, I'M AFRAID. NOBODY WAS FIRED EXCEPT FOR GROSS MISCONDUCT SUCH AS FIGHTING OR DRUNKENESS WHICH DID HAPPEN. JOHN

P.S. It is me, and I have to say that Lois Jorgenson opened the flood gate of memories for a lot of us. One last thought. I have a picture hanging in our TV room of an old AT&T freight caboose which was given to us by John's uncle who was an old Santa Fe employee. Well so much for a little note about 1317 Grove Ave., Burlingame, California! B

Dear Merrill,

I was delighted to get your e-mail, but please call me "Eleanor". How interesting that your Mother's name is Eleanor, too. I and my cousin were both named Eleanor in memory of our Irish-born mutual maternal grandmother, who's name was Nora. Both my mother and her sister wanted their daughter's named after their Mother, but didn't care for the name Nora, so both she and I were both called Eleanor instead.

I'm glad you appreciated the Burlingame memorabilia I sent you thru Lois Miller. She told me you were interested in the wonderful city of Burlingame, so I thought you were a logical recipient of that material that I had collected over the years. I felt that, when I was gone, my adult children would just throw it out, so I was glad to have it in the hands of someone who cared about Burlingame.

I have yet to hear from Lisa Burrows in response to the letter I wrote her about the history of the house at 1317, but Lois told me that you said Lisa not only works, but has a young child. I can readily understand her not having much spare time.

I'd love to have any pictures of 1317 that you take. The Burrows are certainly ambitious in that they are dealing with the chimney. My mailing address is 6123 - 13th Street, Huntington Beach CA 92648-4039.

Best regards,
 Eleanor Evans Borkenhagen

Dear Mrs. Borkenhagen,

Thank you so much for your email – I have been working on a lengthy letter to you since Mrs. Miller called last month. It is not quite finished but now that April 15th is merely a memory (thank goodness!), completing your letter is at the top of my list! I just wanted to let you know I was thrilled to receive your email and extremely embarrassed at the same time. Please forgive my bad manners in taking so long to thank you for the wonderful memorabilia you sent to me.

Perhaps Lisa Burrows already sent you some recent pictures of your first home but I have a few that I would love to send to you and Mrs. Miller. I wanted to take a few more shots of their front yard to send with the others because it has changed significantly since Mrs. Miller came to visit. I think Mrs. Miller will be quite pleased to see that the white picket fence is gone!

Lisa emailed me the other day and told me they were planning on doing some major landscaping very soon. Just this week, their chimney was dismantled and a new one is under construction. Once the landscaping project is done, I will take more "after" pictures to send along.

Once again, thank you for writing – you really made my day!

Best regards,
 Merrill

P.S. My mother's name is Eleanor too and I had to laugh when I saw the "E" at the end of your P.S. My father has been calling my mother "E" for the last 50+ years!

Hi Merrill,

I'm Eleanor Evans Borkehagen, who grew up at 1317 Grove at the same time Lois Jorgenson Miller was growing up at 1316. Lois told me how nice you were, when she came to visit you and you showed her the many changes you have made at 1316. She was very impressed with all that you had done.

I want to thank you for giving my address to Lisa and Ed Burrows. They wrote me a nice note inquiring about the history of the house my parents built in 1927 at 1317, when they were expecting me. I wrote back and told them as much as I could about the place and invited them to inquire further, if they wanted to know more.

If you or the Burrows care to contact me via e-mail, I'll be happy to respond.

Very truly yours,

Eleanor

P.S. It really tickled me, when Lois said you told her that the side door to 1317, which was the one we always used,

now houses a water heater, but that the doorbell is still there and it still works!! E.

February 26, 2005

Dear Lisa and Ed,

I was absolutely delighted to get your letter today concerning the house at 1317 Grove Avenue. My father and mother, Wm. Hall and Frances Evans, contracted with Edmund J. Hargrave to have the house built in Mar. 1927, as they were anticipating my birth in August of that year. They had been married 4 years and lived in San Francisco. He was a freight clerk with the Atchison, Topeka and Santa Fe Railroad and she was a school teacher. They secured a loan with the Veterans Welfare Board, as my father had been drafted and served in the Quartermaster Corps of the U.S. Army during WWI. The house was deliberately built with a high roof in anticipation of adding bedrooms with dormer windows on a second floor.

My brother, Wm. Hall Evans, Jr., was born in Feb. 1929 and then in Oct. 1930 my father died of cancer. My mother had not taught since her marriage, but my father's death necessitated her return to teaching. Then we needed a "housekeeper" to live with us, care for my brother and me and help with housework including cooking. The housekeeper had the "breakfast room"- the one at the front of the house with an arch to the kitchen. Drapes on the arch provided some privacy for her. My mother, brother and I used the original bedroom, but eventually he had a cot in the dining room. Over the next 10 years I can remember 4 housekeepers by name, but there might have been more. One was wonderful, two were mediocre and one was awful. She stole some of my mother's silverware and linens.

When WWII started, housekeepers were hard to come by, as there were many job opportunities as a result of the war. By then I was a teenager and was expected to help around the house, so it was decided by my mother that we really didn't need a housekeeper anymore. My brother and I both attended San Mateo Junior College and then went on to 4 year colleges. He graduated from Santa Clara and I graduated from UC Davis. When we finished college, our best employment opportunities were in southern California, which left my mother alone in the house until her death in 1966. Reluctantly, but of necessity, the house was sold at that time. It is my understanding that it has changed hands several times since then.

If you have any further questions, just let me know.

Hi Again!

I just got off the phone with Merrill Lauritano, and she was full of info. Lisa, in your house, is very busy with a small child and a job, but she will talk to her this week and get some information to you. Evidently the pictures I sent have been all around the neighborhood, and people are putting bits and pieces together as they try to find out about previous owners of the homes they live in now. The house next door to you added a third story last summer, and your back steps on the side of your house now houses the water heater. Interestingly enough, the doorbell is still there and it still works!!!! Merrill is rather unorganized, but she promised me she would get things together this week and get in touch with you. Her e-mail is MAKomai@com cast.net. May I send her you e-mail address? Lois

But it will be Sept. 22 before planners meet again to thrash out an ordinance amendment, and not until October at the earliest that a hearing date could be set for such a change. Six days a week, Frank Olivier loads
his Camp Trails backpack with dolls,
clubs and rubber balls, mounts his six-
foot unicycle and pedals off to work.
The trip, partly by bus, takes him
from his neat, quiet home in the
Berkeley Hills to the hurry-burry of
Pier 39 in San Francisco.
There Olivier, a professional juggler
at 19, attracts a crowd and within
minutes is working his specialty, talk-
ing and laughing while he performs.
"When it does get going, when the
audience is really with you, and you
get comfortable enough to have fun,
there's really nothing like it," he says.
"It's a feeling you can't get anywhere
else."
Olivier, who also works with a
circus and has performed on television,
is part of a new generation who find
juggling a highly enjoyable, rewarding
way to make a living.
Each Sunday, starting at around
noon, 40 to 50 of them gather on the
now adjoining Golden Gate Parks

EVANS

This old Welsh family name was derived from the baptismal name Evan and many branches of the family can be found throughout the British Isles.

One of the first of the family bearing this name to come to our shores was John Evans of Radnorshire, Wales. He arrived in 1695 and settled in Montgomery County, Pennsylvania. Several branches of the family were established in the colonies and many places bearing this name indicates the high regard in which they were held.

Countless direct descendants of this distinguished family can be found throughout our land, many of whom are prominent in the political, social and economic affairs of our nation.

THE EVANS FAMILY AND ITS COAT OF ARMS

MOTTO: "Pro Patria"
(For my country)

ARMS: Argent, a chevron between three boats' heads coupé sable.

CREST: On a ducal coronet or, a boar's head fesseways coupé sable.

The beginning of this very old Welsh family appears to be lost in antiquity, but there is no question that the name is derived from the baptismal name, Evan, which is an equivalent of John. The Flemish name Evens suggests that this family originated on the continent. However, many branches of the Evans family were well established in various parts of Wales, England, and Northern Ireland long before the discovery of America.

This shield marking is believed to have been borne by the founder of the Fourth Royal Tribe of Wales, the renowned chieftan, Ethelystan Glodryld, Prince of Furleys, who, according to legend, traced his ancestry to one of the knights of King Arthur's Round Table. The crest is stated to have been added by the branch of the family which settled in and about Flintshire.

Apparently, the American progenitor of the family was John Evans, a native of Radnorshire, Wales, who came to America in 1695, and settled in Montgomery County, Pa. He brought with him his two sons, one of whom was married. Many branches of the family were soon established in colonial America, and many places bearing the Evans name indicate the high regard in which many members of this old, distinguished family have been held.

Today, it is estimated that there are more than five hundred thousand direct descendants of this family, and they are to be found in every state in the Union. They are well represented in all parts, sciences and professions, and as the world of science, letters and marriage, they are allied to many of the noblest, and most distinguished families in America, and J.M. Seaver, in his extensive work, "Evans Family Records", 1929, states that this family is ranked among the "forty nine best families" in the country.

Michael was diagnosed with a cancer of the adrenal gland. A slow-moving deadly cancer, it comes with no symptoms until the end stage... stage IV. "Stage IV adrenal cortical carcinoma." The oncologist rolled the words off his tongue as smoothly as a marble rolls off satin. It took me six months to be able to say the name, and I usually choked on each word.

Michael was doomed the moment the diagnosis was made, and because of this cancer's rarity, he was "one in a million." There was no known cure.

My own diagnosis came two years before Michael's. The name was easier to say, but just as likely to stick in the throat. Strep A necrotizing fasciitis, more commonly known as "the flesh-eating bacteria," had waged microscopic war on my body. But I held onto my life.

From the beginning of my illness, Michael was with me fighting as hard as I was to keep me alive. And it was he, my loving, devoted husband, who had to make the heart-wrenching decision to keep me alive by sacrificing my limbs. He was at the hospital every day and night. He kept me company, made me laugh, and dried my tears. He became my courage, my cheerleader, my caregiver. Now, it was my turn to fill that role.

I placed my fake feet on the floor and rose from our bed. Subject: YOUR FATHER.

ELEANOR,

WHEN YOU STATED THAT YOUR FATHER WORKED FOR THE SANTA FE RAILROAD, IT REALLY STRUCK A NERVE.

THIS SOUNDS BORING, BUT I GREW UP IN TOPEKA KANSAS WHICH WERE THE GENERAL OFFICES OF THE A.T. & S.F.

TOPEKA WAS A TOWN OF ABOUT 60,000 WHOSE ECONOMY WAS BASED ON THE RAILROAD AND STATE EMPLOYEES AS IT WAS THE CAPITOL.

WHEN WE WERE IN HIGH SCHOOL, THE NUNS (SISTERS OF CHARITY) GAVE YOU A LETTER OF RECOMMENDATION TO GET A JOB IN THE GENERAL OFFICES. OUR HIGH SCHOOL CURRICULUM WAS BASED ON TYPING AND SHOTHAND AND MINOR MATH. I TOOK ALGEBRA-BUT NEVER TOOK MUCH INTEREST IN IT. ACTUALLY IT HURT ME LATER ON IN LIFE THROUGH THE SERVICE AND COLLEGE. I WORKED AT THE SANTA FE IN 1942 AND 1943 UNTIL I WENT INTO THE SERVICE. IT WAS THE FIRST TIME I HAD ANY MONEY AND COULD NOT BE HAPPIER. IT WAS ALSO QUITE A SOCIAL DEAL FOR THE KIDS OUR AGE AND MANY MARRIAGES RESULTED.

TOPEKA WAS A MASON TOWN AND ALL THE GOOD JOBS WERE TAKEN BY THEIR SONS AT THAT TIME. CATHOLICS WERE ASSIGNED TO THE CAR ACCOUNTING DEPT WHICH WAS LARGELY A MANUAL OPERATION. THE CAR ACCOUNTING DEPT OCCUPIED THE 6TH FLOOR WHICH WAS A MASS OF LEDGERS AND WORK SHEETS. I BELIEVE THERE WERE APPROXIMATELY ONE HUNDRED LEDGERS WHICH WERE MAINLY KEPT BY WOMEN WITH GOOD PENMANSHIP. THE 6TH FLOOR WAS KNOWN AS "THE FISH EATER'S FLOOR."

TODAY, IT IS ALL COMPUTERS AND THE A.T. & S.F. WAS PURCHASED BY THE BURLINGTON NORTHERN.

THE SALARIES WERE REASONABLE. FOR ANY MARRIED COUPLE WITH A SMALL FAMILY AND A SOBER LIFE STYLE. SOME OF THE CATHOLICS HAD A PROBLEM WITH THIS WHICH CAUSED FRICTION. SANTA FE EVEN HAD IT'S OWN HOSPITAL WITH A HIGH FATALITY RATE.

BY THE TIME THE EMPLOYEES EARNED RETIREMENT, THEY DIDN'T LAST LONG AFTER THAT.

TOPEKA WAS A GREAT TOWN FOR CHILDREN TO GROW UP WITH NO MINORITY OR GANG PROBLEMS. BROWN VS BOARD OF EDUCATION ORIGINATED THERE AS KANSAS WAS A BORDER STATE IN THE CIVIL WAR.

REALLY, THERE WERE NO BLACK PROBLEMS AS IN THE SOUTH BUT THERE WAS A CLEAR LINE OF DEMARCATION.

AFTER THE WAR, I WORKED IN THE SUMMER FOR THE SANTA FE AND USED THEIR FREE PASSES TO GO BACK FROM L.A. WHEN I WAS ATTENDING LOYOLA. ALL IN ALL, I HAVE NO REGRETS WITH THE SANTA FE BUT THIOSE EASY DAYS ARE GONE FOREVER, I'M AFRAID. NOBODY WAS FIRED EXCEPT FOR GROSS MISCONDUCT SUCH AS FIGHTING OR DRUNKENESS WHICH DID HAPPEN. JOHN

P.S. It is me, and I have to say that Lois Jorgenson opened the flood gate of memories for a lot of us. One last thought. I have a picture hanging in our TV room of an old AT&T freight caboos which was given to us by John's uncle who was an old Santa Fe employee. Well so much for a little note about 1317 Grove Ave., Burlingame, California! B

Dear Merrill,

I was delighted to get your e-mail, but please call me "Eleanor". How interesting that your Mother's name is Eleanor, too. I and my cousin were both named Eleanor in memory of our Irish-born mutual maternal grandmother, who's name was Nora. Both my mother and her sister wanted their daughter's named after their Mother, but didn't care for the name Nora, so both she and I were both called Eleanor instead.

I'm glad you appreciated the Burlingame memorabilia I sent you thru Lois Miller. She told me you were interested in the wonderful city of Burlingame, so I thought you were a logical recipient of that material that I had collected over the years. I felt that, when I was gone, my adult children would just throw it out, so I was glad to have it in the hands of someone who cared about Burlingame.

I have yet to hear from Lisa Burrows in response to the letter I wrote her about the history of the house at 1317, but Lois told me that you said Lisa not only works, but has a young child. I can readily understand her not having much spare time.

I'd love to have any pictures of 1317 that you take. The Burrows are certainly ambitious in that they are dealing with the chimney. My mailing address is 6123 - 13th Street, Huntington Beach CA 92648-4039.

Best regards,
 Eleanor Evans Borkehagen

Dear Mrs. Borkehagen.

Thank you so much for your email – I have been working on a lengthy letter to you since Mrs. Miller called last month. It is not quite finished but now that April 15th is merely a memory (thank goodness!), completing your letter is at the top of my list! I just wanted to let you know I was thrilled to receive your email and extremely embarrassed at the same time. Please forgive my bad manners in taking so long to thank you for the wonderful memorabilia you sent to me.

Perhaps Lisa Burrows already sent you some recent pictures of your first home but I have a few that I would love to send to you and Mrs. Miller. I wanted to take a few more shots of their front yard to send with the others because it has changed significantly since Mrs. Miller came to visit. I think Mrs. Miller will be quite pleased to see that the white picket fence is gone!

Lisa emailed me the other day and told me they were planning on doing some major landscaping very soon. Just this week, their chimney was dismantled and a new one is under construction. Once the landscaping project is done, I will take more "after" pictures to send along.

Once again, thank you for writing – you really made my day!

Best regards,
 Merrill

P.S. My mother's name is Eleanor too and I had to laugh when I saw the "E" at the end of your P.S. My father has been calling my mother "E" for the last 50+ years!

Hi Merrill,

I'm Eleanor Evans Borkenhagen, who grew up at 1317 Grove at the same time Lois Jorgenson Miller was growing up at 1316. Lois told me how nice you were, when she came to visit you and you showed her the many changes you have made at 1316. She was very impressed with all that you had done.

I want to thank you for giving my address to Lisa and Ed Burrows. They wrote me a nice note inquiring about the history of the house my parents built in 1927 at 1317, when they were expecting me. I wrote back and told them as much as I could about the place and invited them to inquire further, if they wanted to know more.

If you or the Burrows care to contact me via e-mail, I'll be happy to respond.

Very truly yours,
Eleanor

P.S. It really tickled me, when Lois said you told her that the side door to 1317, which was the one we always used, now houses a water heater, but that the doorbell is still there and it still works!! E.

February 26, 2005

Dear Lisa and Ed,

I was absolutely delighted to get your letter today concerning the house at 1317 Grove Avenue. My father and mother, Wm. Hall and Frances Evans, contracted with Edmund J. Hargrave to have the house built in Mar. 1927, as they were anticipating my birth in August of that year. They had been married 4 years and lived in San Francisco. He was a freight clerk with the Atchison, Topeka and Santa Fe Railroad and she was a school teacher. They secured a loan with the Veterans Welfare Board, as my father had been drafted and served in the Quartermaster Corps of the U.S. Army during WWI. The house was deliberately built with a high roof in anticipation of adding bedrooms with dormer windows on a second floor.

My brother, Wm. Hall Evans, Jr., was born in Feb. 1929 and then in Oct. 1930 my father died of cancer. My mother had not taught since her marriage, but my father's death necessitated her return to teaching. Then we needed a "housekeeper" to live with us, care for my brother and me and help with housework including cooking. The housekeeper had the "breakfast room"- the one at the front of the house with an arch to the kitchen. Drapes on the arch provided some privacy for her. My mother, brother and I used the original bedroom, but eventually he had a cot in the dining room. Over the next 10 years I can remember 4 housekeepers by name, but there might have been more. One was wonderful, two were mediocre and one was awful. She stole some of my mother's silverware and linens.

When WWII started, housekeepers were hard to come by, as there were many job opportunities as a result of the war. By then I was a teenager and was expected to help around the house, so it was decided by my mother that we really didn't need a housekeeper anymore. My brother and I both attended San Mateo Junior College and then went on to 4 year colleges. He graduated from Santa Clara and I graduated from UC Davis. When we finished college, our best employment opportunities were in southern California, which left my mother alone in the house until her death in 1966. Reluctantly, but of necessity, the house was sold at that time. It is my understanding that it has changed hands several times since then.

If you have any further questions, just let me know.

Hi Again!

I just got off the phone with Merrill Lauritano, and she was full of info. Lisa, in your house, is very busy with a small child and a job, but she will talk to her this week and get some information to you. Evidently the pictures I sent have been all around the neighborhood, and people are putting bits and pieces together as they try to find out about previous owners of the homes they live in now. The house next door to you added a third story last summer, and your back steps on the side of your house now houses the water heater. Interestingly enough, the doorbell is still there and it still works!!!! Merrill is rather unorganized, but she promised me she would get things together this week and get in touch with you. Her e-mail is MAKomai@com cast.net. May I send her your e-mail address? Lois
