Subject: RE: Thomas F. Gallagher

HI there! Thank you so much for taking the time to write to me. I just read the last message you sent me for the first time now, so I apologize for not responding when you sent that. In the first email you sent it said John F Gallagher was married to Elizabeth Baker, my great grandmother. But it was Thomas Gallagher correct? He died when my grandma was so young that she never really knew that much about him. I don't even know if she knew about his other children, she never mentioned it to anyone in my family before and everyone was shocked when I found out all this information on ancestry.com. The only picture I have of him is the size of my thumbnail from a locket my grandmother gave me when I was young. Do you have any family pictures? Thank you again so much for taking the time to fill me in on our family mystery!

Elizabeth
