Hello Marcie,

Sorry to take so long to reply & tell you how marvelous your format of the Gazin Family is. I'm just using the LDS program Personal Ancestral File (PAF) for what I have done so far. I can add few things to what you have:

Evangeline Gazin had 3 other marriages:

Roy Bowers, Kendrick Bivens & Allen Schrode

Mae was born 21 Feb 1927 & died 4 Feb 2010; she

married Arthur Roland Chase

James married Lucille Barisich

David was born 18 Feb 1930 & married Eleanor Evans

As to old pictures I have the following:

Evangeline in 1912 in Stevens Seminary Annual

Evangeline & Charles & 6 children, April 1934

Evangeline & 6 children, shortly after Charles's death

20 Sept 1936

Evangeline & 6 children as adults

St. Pius X Catholic Cemetery, Glencoe MN, Gazin

Plot, all grave markers

I'd be happy to share any of the above pictures that interest you. However, I don't have a scanner, so I'd need to mail you the copies of what you would like to have.

Happy hunting,

Eleanor Evans Borkenhagen

Hello Eleanor,

Thank you for sharing the info you have on the Gazin Family. I sent you a portion of my tree from ancestry that I have as the ancestors of your husband, you can copy or print it if you would like. Page 18 is the information I have for your husband's family and I didn't include the records or stories to it takes forever to load and print. If you want more info on the Gazin's or if you have problems viewing the book let me know. Do you have any pictures of your husband's family? I like to add faces to the names but old pictures are hard to come by.

I have 1 more question and then I promise I will quit bugging you. I was wondering if your husband ever met his cousin Exerine Adeline Gazin she married Alfred Celeston Dupere. She was the daughter of Mary Crevier and John Francis Gazin. I am trying to help another family member find their son and her grandfather he was born Henry C Dupere but he changed his last name to Andres I heard to pursue an acting career.

Thank you as soon as I get them I'll will scan them in and send you the updated book and some additional information that I have.

On Roy, thankyou I was able to confirm his marriage to cousins Julia and Evangline, he married Julia in 23 Feb 1909 she died in 1945. I found Roy listed at age 16 as a border John Sullivan's home which was another relative of Evangline and Julia. Roy Bowers niece contacted me, she has been researching Roy and I wondered if it would be ok with you if I gave her your email address; she really would like to know anything your husband could share with her about Roy.

I have much info on the Gazin and Crevier families; I do know of the book and we tried to find a copy of it, my sister in law asked a relative in MN to see if the could locate it there but she has not found it yet. I do have pictures and some stories about Dr Mary Augustine Gazin and her work in MN but I have not located any pictures of her husband Francis Firmin Gazin. Their son John Francis Gazin was your husbands great uncle, married Mary Crevier they had a total of 10 children, 3 died very young, their daughter Exerine Adeline Gazin born 1886 and died 1913 when her son Henry was only 7. I haven't had much luck finding Henry after he married under the Andres name, he never legally changed his name from Dupere. Henry ran out on his wife shortly after his son was born and I have been trying to help his grand daughter figure out where he went during those years. I have pictures of my great grand mother Mary Crevier but like his father I have none of John Francis Gazin.

Thank you again for all your help on filling in Evangline's portion of the tree and again if you need any help researching or information just let me know I am pretty good at finding info.

Please Keep in touch!
 Marcie

Hello Marcie,

Yesterday I mailed you copies of the pictures I have that you expressed an interest in and a few other items. Never mind about you paying the cost of copies and postage, It isn't very much and I am glad to be able contribute a bit to the wonderful work you have done on the Gazins.

Now I will try and answer your questions:

Yes, you have the correct date and place for Evangeline.

Evangeline married Kendrick Bivens in Las Vegas, Nevada, 14 Oct 1951 and filed for an annulment effective 26 April 1952 on the grounds that "he said he was a widower when he was actually divorced." I asked Dave about that and he said "He was a no good guy."

Yes, the Roy F. Bowers you have in your tree is the same one who married Evangeline. He was born 6 Dec 1882 in Iowa & died 20 Mar 1951 in Orange CA.

He is buried in Westminster Cemetery here in Orange County. Evangeline never tended to getting a grave marker for him and, when Dave was contacted by the cemetery about that, he paid for a marker for him. He had fond memories of Roy Bowers & that he was distantly related to Evangeline. Dave thinks Roy married Evangeline in 1947 or 1948.

As to Exerine Adeline Gazin, I asked Dave if that name or Alfred Celeston Dupere, Mary Crevier, John Francis

3/3/2013

Gazin or Henry C. Dupere rang any bells for him. Unfortunately it was "no" on all of them. I see John Francis Gazin (1855-1906)+ Marie Crevier (as Creier)(1859-1952) and Exerine (as Everine)Adeline Gazin 1885, as your mother's sister, on the compilation Charles Lewis Gazin did. [I sent you a copy.]

On another topic: are you aware of the book "Doctor Regina" by Ann Christine Schaefer, published in 1978 by P&A Quill Press, Inc., 3022 N. Bartlett, Milwaukee, WI 53211? Ann Gazin Schaefer (1895-1981) is Evangeline's sister. "Doctor Regina" is Mary Agustine Regina Violet (1829 in Geux-Les-Dombelin, France)-1901, She was married to Francis Fermin Gazin (1812 in Lagarde, France-1895 in Colorado Springs CO. Lewis Mathis Gazin (1857, Ashford WI-1924, Hutchinson MN) is their son.

I think that answers your questions along with some other miscellaneous information, which you may or may not have. It is a pleasure to be in touch with you about the Gazins and you have done a wonderful job with them. If you have any other questions, I am glad to try and answer them.

Happy hunting,
Eleanor

Hi Eleanor

<!--[if !supportEmptyParas]--> <!--[endif]-->

If you don't mind me asking did you and David have any children? My husband Rick and I will be married 20 years in May this is a second marriage for both of us. Rick and his first wife had a son; sad to say he died in 2007 after a bout of what he thought was the flu but it turned out he was diabetic and didn't know it. I had 2 daughters with my first husband, my youngest daughter died in 2008 she became ill after giving birth; she had 4 children 3 boys and 1 girl. Her oldest son Jake and her daughter Lacie live with me but her other 2 sons live with their father. My oldest daughter has 3 children her oldest Josh is now 21, her daughters are not 20 and 11. My husband and I had no children together; spending time with my grand kids was enough for us.

Well that about wraps it up about my family; I think I am going to hit the bed early tonight. These winter days are dragging and I just can't wait for spring.

<!--[if !supportEmptyParas]--> <!--[endif]-->

Have a good night

Good morning Marcie,

It is o.k. if you give Roy Bowers niece our email address. Dave's vision is such that he can't read the computer screen, due to macular degeneration, but I'll ask him what ever she wants to know and pass it along to her & you.

As to the book "Doctor Regina", the one time I met Aunt Anna, when she was visiting Evangeline & Aunt Martha in Santa Ana, she was complaining that she couldn't get rid of all the copies she paid to have printed & they were in boxes in her attic. You can tell from your records that she died in 1981. However, her daughter Eunice is the most likely place that the remainder would be, if they still exist. We met Eunice, when she came to Friday Harbor WA for Evangline's 100th birthday gathering in October 1991. We lost touch with her several years ago, but the address I have for her is 2620 East Capitol Drive, Shorewood WI 53211-2138.

I'll stay in touch,
 Eleanor

Good evening Eleanor,

I am so sorry for you and your husband; dementia is so hard on everyone. I hope you have your families help because I know first hand how especially difficult it can be on a spouse or a care giver. I am so surprised to find that there are so many talented people in our family lines; I don't have a lick of talent!

I started my career in my parent's retail shoe business, my father was realtor and later in life he went to work at the bank as mortgage officer. When they neared retirement I bought the stores and turned them into Marcie's Dancewear and then opened 2 more stores. When I divorced I sold the businesses but kept the commercial buildings, I don't know what I was thinking then but I shouldn't have sold them.

I went to work for JC Penney as a Sales Manager for almost 24 years until the new CEO Ron Johnson rode in on Steve Job's coat tails and set out to redesign the stores. He wanted the JCP stores to be more appealing to the younger crowd, so pretty much anyone over 35 was on the chopping block. You don't have to be a rocket scientist to sell apple products and it is much different to be successful in a big box store. Anyone in management over 55 years old was the first to go, because us old folks didn't have the right image for the new JCP. I guess if I do have a talent it would be that I can see through people trying to sell me snake oils. Many people that I worked with say I am clairvoyant because I have always had a knack for predicting the direction of the business and I still get messages telling me they should have listened to me.

I lost my job in 2011, I knew for 2 years it was coming so I cleaned out all personal stuff from my office. I had hoped to work until retirement but it came at a good time for my family. I was the caregiver for my mother for the past 10 years and her health was on the decline at the time I lost my job. She needed to be home more, I usually worked 10 to 12 hour days and I would have been difficult to care for at home and she wanted to be able to die at home. I lost her March 26 2012 at age 86, it was so hard because she was such a strong woman and a loving mother with a sharp mind to the end but her body failed. I believe everything happens for a reason and I am happy that I was able to be home with her in her final days. Well, that's enough with the depressing stuff.

Mary Violet Gazin is my great grandmother too, Lucy Ellen Gazin was my grandmother, I have had contact with Fran but she had limited information. I have found a lot of incorrect information in family trees plus many researcher errors. My brother has visited our great uncle Robert Gazin and family in Oklahoma plus he had contacted churches, historical societies, and many family members. Little by little we are piecing together our history; my grandmother Lucy was pretty secretive because she had my father out of wed lock and the man we thought was our grandfather wasn't. Lots of crazy stories in that family! I have seen the Biggins and Belfry web site but it didnt have anything new I find most info searching history and records on the web in states where my relatives lived. I am going to send you the family records that we have with updated dates, marriages, divorces, adoptions, etc. Were you able to open the pictures I sent back to you?

Talk again soon

Good morning again Marcie,

3/9/2013

We have been so busy sending Gazin info back & forth, I forgot to tell you about two other people I met in 2009 thru the internet, who are also Gazin folk.

One is Fran Mittelstet, who indicated that Mary Violet Gazin [Dr. Regina] is her maternal great-great grandmother. She knows Charles Lewis Gazin as Cousin Lewis. She teaches fashion design at a career college and watercolor for fun. She lives in Tennessee.

Fran put me in touch with another Gazin Hunter: David Belfrey Biggins. His maternal great grandmother was Rosalie Catherine Gazin, who married Lt. John J. Southard. He e-mailed me 7 vintage pictures, which seem to be the same ones you sent. He lives in Virginia. When you have time, check out his website:

Biggins Konnections.

Happy hunting,

Eleanor

Eleanor,

I am so happy to be able to share those with you. Working on the family tree is a fun hobby, my oldest brother Joe has helped me a lot in tracing our roots. I find much information on the net by putting in the person name with the year they were born and if I know it I will add the state. I also type in a person surname+biographical or check state history sites they all have genealogy search engines or do a google book search and put in the surname + family history and instead of reading all the books I use the search the book option and put in a surname this will search the entire book and that way I will find information in the book that pertains to our family. I am pretty good at guessing who married who and I am happy to say it usually pays off. I used the guest books from my grandparents funerals I found many leads on relatives and searching those names helped me connect the dots.

I wished now I had paid more attention to my grandparents stories; both sets of grandparents lived with us for many years until they passed. Being a teenager at the time I am sad to say I never really asked questions about family history too busy I guess. As I went through their old letters, bibles, and back of pictures, etc., I am a little ashamed that I didn't take the time because their lives were so interesting. That is why I am trying to record as many things as I can about our family before it fades away. So many people died young from disease, etc. many graves have moved or can't be found so when I find a forgotten child or person it somehow feels good to add their name to their proper family. I have traced family backed to the late 1500's but most of my interest is what the families did after coming to America I love to add stories, pictures or anything I can find on a person. I plan to release portions of the older ancestors after making sure that the information is correct in hopes people will add to their story.

Oh as for Eunice I believe she has past away, she was born in 1922 and I haven't had any luck in finding her children either mostly because I have been a little busy this month. So if your son wouldn't mind I would love to be able to read his book and I would be happy to return it afterwards. I know I have more things on your husbands family I think I stored them on a disk so I'll try to get them to you ASAP.

Have a wonderful day I am sure the weather where you are beats our Michigan weather everyday; I woke up to snow again. I love our seasons but after a while the winter wears on me, my husband would like to move somewhere warm. But after hearing about killer bees, fire ants, snakes, spiders, earthquakes, fire, floods, hurricanes, mud slides, tornados, and snow storms in the other parts of the country I am thinking I like Michigan more and more.

Stay Well
 Marcie

Hi Marcie,

Those newspaper articles and obituaries are wonderful! I printed them and will read them to Dave. You must have worked a long time for a lot of years to come up with all you have.

Thank you,
 Eleanor

I sent you an invite to Rosaile Gazin's Family tree which has pages of Roy and his first wife. I looked at some of the pages that I have done and I didn't see one just on Roy, but some pages I have moved into other books. I will send you the story form that I am working on hopefully later today that you might like to add to the other items I sent.

If you would like to add anything to the books that I sent you it is very easy for me to do. Just send me any info or pictures you that you would like to add and I would be more than happy to include them. I can add photo album and document pages to the book at anytime. I add new stuff to my tree almost daily and when I add something to your portion I will send you the updated pages. If you have anything to add maybe you could have someone that can scan items and forward them to me via email it saves postage.

If you would like, I would be more than happy to include your family info pages too.

I want to say Thank You again for the book my to grand daughters ages 10 and 11 enjoy hearing about family history, it gives them bragging rights in school to be able to talk about the interesting people in our family.

I have traced my mothers side back to the May Flower and beyond. Her family history got me started researching, it had so much history tied to many of the founding fathers of this county. Presidents John Q Adams, William H Harrison, the Bush's, and the Kennedy's to name a few. Her side is full of influential and famous people like James Dean, Marion Robert Morrison or better known as John Wayne and the list goes on and on. I had no idea and thankfully they kept good records and many cousins had been doing research for years.

My father's side the Gazin's and Crevier's are mostly french Canadians and Metis Indian which are recognized Aboriginal peoples in Canada, while it has many successful and interesting people and stories to offer many are so tragic I can't even imagine living then. I often tell people one thing that I am forever grateful for is that as I research my family I haven't (at least so far, knock on wood) uncovered any family members that were famous for crimes or murders. I hope I didn't bore you! I was trying to put off getting my projects of the day but unfortunately the laundry won't do its self, I guess it is time to get busy.

Have a great day
Marcie

MARRIED.

Gazin-Borkenhagen. In Glencoe, on Aug. 5, 1914, at the residence of the bride's parents, by Rev. T. O'Brien, Miss Evangeline Gazin of Glencoe to Mr. Charles Borkenhagen of Hutchinson.

The Enterprise gives further details as follows and bestows upon the young couple encomiums which are heartily endorsed by the Leader as they will be by a wide circle of admiring friends in Hutchinson and elsewhere:

The nuptials were solemnized in the presence of immediate relatives. The young couple was unattended. Rev. T. O'Brien of Hutchinson officiated. The bride wore her traveling suit of imported white Bedford cord with lace waist. The newly wedded couple boarded the train immediately after the ceremony for a trip to Duluth, Superior and various points on the Great Lakes.

A host of friends extend hearty congratulations to this worthy young couple. The bride is the daughter of Mr. and Mrs. L. M. Gazin and is a Graduate of Stevens Seminary. She is an affable and accomplished young woman.

The groom is Mr. Charles Borkenhagen of Hutchinson, a member of The Square Clothing Co. and recently elected secretary and treasurer of that firm. He is one of Hutchinson's progressive and energetic young business men.

The Leader joins in extending congratulations.

Christina Gazin Buried Wednesday

FORMER GLENCOE WOMAN
PASSED AWAY IN LOS AN-
GELES LAST FRIDAY

Funeral services for the late Mrs. Christine Gazin, former Glencoe woman who passed away at Los Angeles, Cal., on Friday, Feb. 24th, were held from St. George's Church in this city

Wednesday morning at 9 o'clock. Fr. P. C. Moloney officiated at the last rites.

Mrs. Christine Gazin, nee Bauer, was born near Nenno, Fondu Lac County, Wis., on March 14, 1854.

On February 7, 1878, she was married to L. M. Gazin and came to McLeod County to make her home with her husband. At Glencoe Mr. Gazin served as County Auditor during the years 1883 to 1886. Retiring from public office they removed to a farm 3½ miles south-west of Glencoe where they resided ten years.

They then removed to the farm now occupied by G. C. Miley where they remained until 1920 when they moved to Hutchinson to establish their residence. Mr. Gazin passed away in 1924.

At the time of her death Mrs. Gazin was making her home with her daughter, Lois M. Gazin, in Los Angeles. Death was caused by diabetes.

At her bedside when death overtook here were Chas. Gazin and family of Los Angeles, Mr. and Mrs. Henry Gazin of Houston, Texas, Samuel Gazin and family and Lois M. Gazin of Los Angeles. Samuel Gazin and Lois M. Gazin accompanied the body to Glencoe where burial was made.

Mrs. Gazin is survived by six children, namely Charles, Samuel and Lois M. of Los Angeles, Henry of Houston, Texas, Evangeline Borkenhagen of Hutchinson and Anna Schaefer of Quincy, Ill. Two sisters, Mrs. Kate Albrecht of Voncouver, Wash., and Mrs. Francis Bauer of Milwaukee, Wis., also survive.

Mrs. Gazin leaves many friends in this community and in California who had learned to appreciate her fine Christian character and who esteemed her as a loving wife and mother. The Republic join this host of friends in extending condolences to the bereaved children.

We take pleasure in announcing the marriage of Mr. Louis Gazin, one of Glencoe's rising young men, to Miss Christine Bauers, of Nenno, Wis. The knot was tied by Rev. Frank Wermick in the Church of Saints Paul and Peter, at Nenno, on the 7th inst. May their pathway through life be strewn with brightest flowers.

CITIZENS, now is your time to secure bargains. For the next thirty days Mr.

DEATH OF MRS. CHRISTINE GAZIN

Mother of Mrs. Charles Borkenhagen
Passed Away in California—
Burial in Glencoe.

The death of Mrs. Christine Gazin, mother of Mrs. Charles Borkenhagen, occurred at the home of her daughter, Miss Lois Gazin, at Los Angeles, California, February 28, 1930, at 3 o'clock in the afternoon, following a serious illness of several months. The cause of her death was diabetes.

Funeral services were held in Glencoe, Wednesday morning at Saint George's Catholic church, by the Rev. Father P. J. Maloney.

Mrs. Gazin (Christine Bauer) was born in Fond du Lac county, Wisconsin, March 14, 1854. She would have attained the age of 76 years had she lived until March 14 of this year. She with her husband and children, lived at Glencoe a great part of their married life, moving to Hutchinson where they lived for several years before Mr. Gazin's death in 1924. Since her husband's death Mrs. Gazin had lived with her children. For a number of months she lived with her son-in-law and daughter, Mr. and Mrs. Charles Borkenhagen, in Hutchinson. Last fall she went to Los Angeles to live with her daughter at whose home she died. At her bedside were Lois Gazin and Mr. and Mrs. Samuel Gazin and family of Los Angeles, and Mr. and Mrs. Henry Gazin of Houston, Texas. Samuel Gazin and Miss Lois Gazin accompanied the body to Glencoe.

Besides the children mentioned above, she is also survived by Charles of Los Angeles, California; Mrs. Anna Schaefer of Quincy, Illinois; and two sisters, Mrs. Francis Bauer of Milwaukee, Wisconsin; and Mrs. Kate Albrecht of Vancouver, Washington.

DEATH OF MRS. GAZINE

A Pioneer of McLeod County Passes
Away to the Great
Beyond.

Augustine

Died, at the home of her son, Louis Gazine, in the township of Glencoe, on Monday, October 7, at the age of 72 years, Mrs. Augustine Gazine. The immediate cause of death was dropsy, with which disease, together with other ailments, the late deceased had been a constant sufferer for more than a year next prior to her death. The funeral services conducted by Rev. J. J. Conry, were held at St. George's Catholic church on Wednesday forenoon, and the remains were laid to rest in the east side cemetery. The out of town attendants at the funeral were Mr. and Mrs. L. W. Southard, Minneapolis; Charles Barris, Waverly; and Mrs. Francis Rassott and children, Alfred and Mamie, of Howard Lake. Four sons and one daughter, and four brothers and three sisters, besides a great number of more distant relatives are left to mourn the loss and cherish the memory of the departed. Of the children, John resides at Winsted, Mrs. Rosalie Southard in Glencoe, Joseph at Oklahoma, William at Colorado Springs, and Louis, with whom the late deceased made her home during her last illness, resides in Glencoe township. The brothers and sisters are widely scattered. Mrs. Francis Rassott, Mrs. Mary Barris and Julo Violet reside in Wright county, August Violet and Mrs. Adell Goulet in McLeod coun-

ty, Joseph Violet in Kansas and Frank Violet in Milwaukee. Mrs. Augustine Gazine was born in France, July 15th, 1829. She accompanied her parents to America and settled in New York at the age of 13 years, and resided there until her intermarriage with Francis P. Gazine, which occurred in 1844. From New York the family first removed to Wisconsin where they lived until they removed to, and settled on a farm in the township of Winsted, McLeod county, in 1864. Mrs. Gazine left the farm and located in Glencoe 23 years ago. Francis P. Gazine, the husband, died four or five years ago at Colorado Springs where he had gone years before to make his home with his son William. The subject of this sketch had given much time and attention in her earlier years to the study of medicine, and for many years prior to her removal to Glencoe, and afterwards until overtaken by disease and the infirmities incident to old age, she had an extensive medical practice, and was uniformly successful, especially in the treatment of diseases peculiar to this climate with which she became familiar by long experience. Many of the older settlers in and about Glencoe and throughout the northern part of the county who had been the subjects of her professional care and treatment in early days, when doctors were not so plentiful as now, will realize in the death of Mrs. Gazine the loss of a very dear and valued friend. The Enterprise extends sympathies to the surviving relatives and friends.

THE GAZIN FAMILY

Nicholas Joseph Violet (1803-1883) married Marie Sophie Lorraine on November 7, 1828, and they became the parents of Joe, Marie, August, Frances Juel and Mary.

Nicholas and Marie celebrated their Golden Wedding anniversary in Glencoe in 1878 with over 200 guests attending the dinner and dance.

Their daughter, Mary Violet, became the wife of Francis Fermin Gazin on April 9, 1845. They became the parents of John, Joseph, Rosalie, Charles, Will and Louis Gazin. After rearing her family, Mary studied medicine and received her diploma (sheepskin) in 1868 from the University of Philadelphia. Soon after establishing a practice in McLeod County, Mary made medical history by performing a Caesarean Section on a young mother.

Louis, son of Frances and Mary Gazin, was born January 29, 1857 and married Christine Bauer who was born March 14, 1854. Louis was elected McLeod County Auditor November 7, 1882 and served from 1883 to 1886. He also served as Assessor for one year. Children born to Louis and Christine Gazin were:

Charles E., born November 6, 1878, married Jane Nicklaus on June 2, 1903. Their children are Lewis, Viola and Dorothy. Dr. Lewis Gazin became Curator of Vertebrate Paleontology at the Smithsonian Institution. Viola married Malcolm Heinmiller and Dorothy became Mrs. Larry Cantin.

Henry, born March 3, 1880 married Nell Gill October 18, 1905. They had no children.

Lois Martha was born August 6, 1886 and died November 11, 1975.

Evangeline was born October 28, 1891. She married Charles Borkenhagen (1890-1936). Their children are George, June, James, Mae, David and Duane.

Anna Christine, a teacher and author of the novel "Dr. Regina", was born December 7, 1895 and became the wife of Fred W. Schaefer who was born April 16, 1895 and died July 10, 1970. Their children are Eunice and Lewis Arnold Schaefer. Eunice, born October 26, 1922 married John Stinchfield and their children are Paul, born February 11, 1955 and Ann, born March 26, 1956. Lewis Arnold, better known as Arnold, married Lucille Swoboda and they became the parents of Lloyd, born in 1957, Larry in 1958 and Lorraine in 1962.

While in France, Dr. Lewis Gazin traced the family tree to the year 1600 and learned a Gazin chateau was the meeting place for the Fourth Crusade, and that distinction is represented in the Gazin coat of arms. Dr. Gazin is listed in "Who's Who in America" and "Who's Who in the World".

December 31, 2000

Dear George,

It was good talking with you today and I am glad things are going better for you. I certainly enjoyed our chat. I talked to June the other day and Jimmy last night and hope to talk to Mae tonight

As for us, we are finishing up our 2nd year of caring for Ann's son Bryan, who was 2 on Nov. 11. He is a charming, good natured child, but he gave up taking naps 6 months ago! As a result, there is almost no break from when Tony brings him down at 7:30 until 2:30 when Ann gets home. Eleanor takes care of him the most, but on Wed. mornings I do my share so she can go to the LDS Family History Center and work on her family's genealogy. In addition Eric's 3 kids, who are 13, 12 and 10 now, come here after school, until Eric picks them up. We help them with their homework after Ann picks up Bryan. He can go to preschool with Ann and be in her class when he is potty trained. I think it is going to be difficult to pull this off as he actually lives in 2 houses. I'm not sure he knows who his mother is as he calls Eleanor "Ma", but he calls me "Grandpa", loud and clear.

I told you about the problem with my neck surgery, but actually, it hasn't been too bad a year compared with last year, when I had so many medical problems. I still have arrhythmia and my macular degeneration is getting worse, but slowly. I have had to give up night "gigs", but do play with several groups in the daytime, arrange music on my computer and electronic keyboard and have 3 students, who come to the house for lessons on string bass.

Eric finally got decent break employment wise. He has been trying for years to get on with the HB water dept. and finally made it this year. He rides his bike a short distance to the yard where he picks up a city truck and drives around reading and repairing water meters. He loves being outside and wears shorts all year round. For the first time ever he has all the benefits most people take for granted- medical and dental insurance, sick leave, paid vacation, etc.

Brian is still an electronic technician at the local JC (Orange Coast College). His place is close enough that he can walk to work. He has had 2 AA's for sometime and lots of units. After teaching "Computer

Installation and Repair" for one semester after the instructor dropped dead, he decided he likes teaching. So he enrolled in an accelerated class at Chapman U. to get a B.A. He will probably teach at the college level when he gets his BA.

Ann is in her 11th year of teaching 12 two year olds on first separation from their parents and is very good at it. She opens the school at 6:30 so she can get off early in the afternoon. Tony, Bryan and Eleanor went to the school's Christmas program. I couldn't go because it was the night after my neck surgery. Bryan fell asleep as soon as it started, but it never ceases to amaze us how Ann can get the little ones up on stage and all doing the same thing all at once.

Once little Bryan goes to preschool with Ann, we'll have more time to stay in touch with old time friends and family, we hope. The house and yard has really gone to pot these 2 years, but we feel fortunate to be a part of his early years. We had a lot to do with the other 3 and, as I said, they come here after school, so I am still in touch with them. Of course Sean will be in high school next year and I expect that will be the point at which we see little of them.

Hope 2001 is a happy new year for you both!

Dear Brother Dave;

Thanks loads for the most recent phone call. The visit was great! - It was nice to hear that you are coming up to the area soon. - If I can be of help with lodging, directions, etc, let me know. OK!

Inclosed, is the packet of the information I promised you.

The Bazin genealogy is as best I can do. I have also the present generation of the Myron & Henry Bazin family (not inclosed). The Bazin list was obtained through Dorothy (Bazin) Canton, (the sister of Charles Lewis Bazin) while visiting him in Canada. Factual!

Upon reviewing the "Roots Cards" you returned to me, I have now "gotten" a little confused. - Can you firm-up or confirm: Charles Augustus Borkenhagen August >?

1st name? - Augusta Barbara Evangelina Bazin
Evangelina Barbara Augusta Bazin.
Also, the 1st name of our Grandfather?

I have written to three of Dad's half-brother's families. Roy Bork - (Lyonswood, WA.) of Just E. + Herb Bork - (Drumell Iowa) of Fred & Lois (Bork), (Bill, RT 2, Box 22 Ada Minn 56510) of Richard. None - None have knowledge of our (their) Grandfather (1st name, or to whom he was married on his 1st marriage. (Chart inclosed) - I inclosed "Lois Diles" letter! Our brother thinks, maybe, he might, kinda have an idea. Jim don't know either! - Where did you get your info. of "RICHARD"? If I knew exactly where he was buried I could find out! Born in Germany some where!

I have inclosed some genealogy on a Martin & Harvey Bork - their letters indicate that we may be their relatives? They are "their" unknowns that could have been our grandpa! No Record! They are Lutheran - Our Dad was Lutheran! Does anyone know where Dad was born? (Birth records show parents names!) Mom can't remember. - Per Mom, Grandpa was buried in Leona, Minn w/a small white grave stone (not a slab marker). She thinks the graveyard was moved close to town or? "too long ago" I thank her! You will notice in the Directory

that the names are listed by Zip Code.
 Most of the concentration is in Wisconsin!
 (a Lutheran State) - as per Martin Bork -
 (he was the source to acquire the Baptism
 Record from St. Johns Lutheran Church) also
 Martin is Exec. for the Lutheran magazine
 "Concordia". Also, he has noted relatives
 in my "Master Copy" Bork Registry - ^{his} Your
 Registry of Borks! is the same as mine,
 but NOT ALL MARKED UP LIKE MINE!
 I ain't got no computer! Ah, but Roy H.
 Bork, of Lynnwood WA, has a computer.
 (our cousin). He is a retired Electronics Teacher.
 Now he is the "Weather Taker" for his area.
 (reported by TV & radio daily) Something to do!

Oh, the names "herein" are listed in your
 Registry. - (Cpt Louis Hill.)

Harvey Bork (Martin's cousin - see chart)
 has a Borkerwhagen Reunion in
 Plymouth, Wisc once a year. All are
 "Invited!!!!" (In July) (2 wks ago 100+ attd.)
 That would be a great gathering!
 Call all by their first name, cause
 all have the same last name, yes!
 I'll bet a doughnut to a dollar that
 I could create a lot of genealogy there!
 Someone in the clan either has had a
 good memory, or kept records. - It just
 takes one person! - 2-3-4 To match it up!

Dorothy Cantor was the answer to the Bazin family - I am sure there is a similar Bordenhagen! - Once I can truly establish Grandpa's 1ST name, - his 1ST spouse (better) - I'll be able to do much more! - I haven't tried the "Mormans" in Salt Lake City yet. - - So far, I've been kept busy just writing to you, the rest of our family, the unknown Borks (cousins) and a few of my personal friends. - Yes! - 3+ letters per week is about all I can handle at present. - No Computer, No Typewriter, (No lessons), No shorthand, No secretary, No pen (Too slippery). Alas, I still have my "International Computerized" graphite writing instrument. (with instant erase and correct capabilities) HAH, HA. - Alas, 'Se La Ve' - it has no memory - No recall!!! -

I am in hopes & prayer you are all having a Beautiful & Wonderful Day!
God Bless you Always !!

Brother Peter

P.S. Hope to see you soon -

Dear Sir:

First of all, let me thank you for purchasing your memorial thru our representative, El Donna Harbarth.

This is to advise you that your memorial has been delivered to the cemetery, however, complete installation will not be made until shortly after Memorial Day.

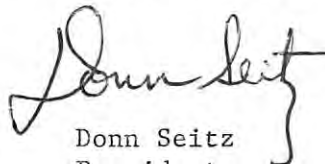

Because of the shortness between this late spring and Memorial Day and with the wettest spring in years, we find it virtually impossible to install your memorial complete. Most cemeteries have been too wet and restricted us to later deliveries.

We realize the great importance of Memorial Day for our customers and felt an explanation is appropriate.

Please be assured this work will be taken care of as soon as possible, and your understanding in this matter will be appreciated.

Yours truly,

Mrs. Borkenhagen was the granddaughter of Mary R. Glazin (Dr. Regina) 1829-1901, who was the first woman doctor in the Minnesota-Wisconsin territories. A very unusual pioneer legacy. Being an early pioneer in her own right, widowed at age 46 with six children, she moved in 1937 to southern California where she resided with her family until 1980. She moved to Washington State to enjoy the northwest and family.

Mother was buried with Dad on Aug 28th 1992 at about 3:15 PM

Father Jim Devorak of St. Pius X Catholic Church of Glencoe officiated the short gravesite service.

Mr. David Borkenhagen

I guess I told Peter that I

would let you know when I received
your check. Sorry I took so

long. It's been busy here.

I sent the order in after

Peter left to speed it up

a little. I told him I'd send

a photo when it is here. I don't

make any promises as to how soon

that will be, they are swamped again.

That's good then you know they do a good
job, or no one would order from them.

Best wishes to all,

Dear Sir,

Mr. Ray Schretz gave me the letter that you sent to him regarding a leaning grave stone. I have taken over Ray's business with Winona Monument Co. in as much as Ray has retired. The man from Winona was here and I showed him what had to be done. He said he could do the job for you but not until next spring as he was too pressed for time now. Winter is coming and it gets down to 15° in the morning.

He said it would cost about \$100⁰⁰ to raise the monument and put a new base under it. This would also extend a few inches around the monument to make it easy to mow the grass around it. If you want me to take care of it, next spring please let me know. I would pay this man when the work is complete and then I would send you a bill and you could send me

a check. Please advise me either way if you want it done or not so I can give the order to this man so he knows that he will have to do the job when he comes in spring.

Thank you.

My dear Morning Prayer

Each day + Spirit is taking me
closer to the end of my time
on this earth. From now on I
will be thinking about the way
God has planned everything
for me. I will be very happy
to accept any suffering I
can endure to help others.
For my whole life of wrong doing,
I hope my spirit will live for
ever in my children and their
children - on down thru the
time God wills it.

I pray that you all will make
good use of the precious time
you have in your short life
on this earth. I will always be
with you in Spirit, where ever you
are, as God plans it.

Dear God I am so very thankful
that I had the privilege to
be given six precious lives to
love, to care for, and to teach
them to love you & one another.

My spirit helps me to think
about my will to help others and
apply the Golden Rule.

I hope and pray that my children
will always love each other.

Please always keep in touch
& help one another, that is my
life long prayer and wish for
you all. God bless you always
and keep you.

All my love always

The undersigned hereby further authorizes the funeral home to dispose of said devices except as otherwise noted above in "special instructions".

I have read the disclosure information on the reverse of this form and understand the cremation process.

I understand that because of the nature of the cremation process, any valuable material remaining with the body, including dental gold, will be destroyed or will not be recoverable. CREMATION DISCLOSURE FORM

As required by Washington State Law, human remains must either be embalmed or refrigerated within 24 hours of receipt by a funeral director or crematory. At Evans Funeral Chapel there is a charge for either service and your statement of goods and services reflects the appropriate charge as selected by you. In general, any cremation delayed beyond 24 hours will be charged refrigeration charges.

Cremation is a process through which human remains are reduced to elemental bone fragments (approximately 6 to 9 pounds of fragments remain after cremation) through a process of subjecting the body to intense heat and flame at a temperature in excess of 1600 to 1800 degrees Fahrenheit. Any casket or cremation container in which the human remains are encased is consumed in the cremation process.

Certain portions of the casket may not be combustible as, handles, hinges, latches, nails, screws, etc. These materials are removed from the cremation chamber or the cremated remains by visual selection, magnetic selection or a combination of both.

Upon completion of the cremation process, all recoverable cremated remains will be swept from the cremation chamber, together with any non-combustible materials which accompanied the body. Remains thus recovered will be cleaned of foreign materials such as casket parts, prosthesis and similar materials.

Prosthesis and other foreign elements recovered from cremated remains will be disposed of in such a manner as the crematory may deem advisable, unless otherwise directed.

Unless otherwise requested, the cremated remains will then be processed to fragments of less than 5 millimeters in diameter. (WAC 98-340-060). Processing is accomplished by a mechanical grinding and crushing procedure.

Following processing, all recoverable cremated remains will be placed in a temporary container or in the urn ordered by you. Should the volume of cremated remains be such as to exceed the capacity of the container to be used, any additional cremated remains will be placed in a separate container. Evans Funeral Chapel assumes no responsibility for the storage of cremated remains held over 60 days unless arrangements have been made by the family for storage. Cremated remains for which no disposition instructions have been received or financial arrangements not completed for are subject to the provisions of Washington Administrative Code 98-40-080 which authorizes the disposition of unclaimed cremated remains in a common burial site.

The State of Washington does not require that cremated remains be placed in a cemetery or other permanent disposition site if the cremated remains have been ground up into fragments of five (5) millimeters or less. (RCW 68.04.110 and WAC 98-40-060) However, this does not mean that cremated remains can be scattered or otherwise disposed of upon public domain, or upon the private property of another person without permission. (Public domain is any land owned by Federal, State, County or Municipal Governments and includes forest, lakes, streams and salt Water areas).

If you do decide to scatter cremated remains on your private property, we recommend that it be done by a friend rather than a family member. This is because cremated remains are not ashes. They are recognizable bone fragments and the scattering of them may be an unpleasant emotional task for someone of close relationship.

Retention of cremated remains is permitted in Washington State. However, should you move to another state with the cremated remains in your possession, you will be subject to the laws of that state, which may prohibit such possession. Serious consideration should be given against retaining the cremated remains, since their disposition will become your heir's problem at your demise.

The recommended method of disposition is placement of the cremated remains in an endowed care cemetery/columbarium. The cost is nominal and the placement is permanent. It also affords the surviving family an opportunity to visit the site as the years go by, to remember and reflect.

If we can answer any other question, please don't hesitate to ask.

THANK YOU FOR TRAVELING WITH SUNSHINE

The Time Is Now

*If you are ever going to love me,
Love me now, while I can know
The sweet and tender feelings
Which from true affection flow.
Love me now
While I am living.
Do not wait until I'm gone
And then have it chiseled in marble,
Sweet words on ice-cold stone.
If you have tender thoughts of me,
Please tell me now.
If you wait until I am sleeping,
Never to awaken,
There will be death between us,
And I won't hear you then.
So, if you love me, even a little bit,
Let me know it while I am living
So I can treasure it.*

January 15, 1982

Dear Folks,

It is time for another progress report as a lot has happened with Mom this past week. Brother Dave has been very faithful about keeping the family informed. We want to express our thanks to him and to Eleanor.

Mom underwent the biopsy surgery on Wednesday, January 6th. She went into the operating room about 9:30 A.M. We were able to see her after she returned to her own room from the recovery room. She was groggy, of course, and later on said she didn't remember anything of that day. She spent Thursday in her room with the tubes attached to the various parts of her body. She said that she felt no pain at all and she was in good spirits. Dr. Vom Lehn thought it was o.k. for us to return to Friday Harbor so we took the ferry home from Anacortes.

Friday morning when I called to see how she was, I was told that she had just had an angina attack and that she was being moved into the Intensive Care Unit. We took the next ferry and arrived at the hospital about 3:30 P.M. Her condition was stable when we got there and she was weak but resting without pain. She had been given a nitro table at the onset so she didn't suffer as much pain or as long as during her December attack. We stayed at a motel in Anacortes Friday and Saturday nights.

She remained in Intensive Care until Monday, January 11th when she returned to her room and the catheter was removed. (She was elated that there was no pain to it). The Urologist told us that she could return to Friday Harbor on Tuesday. Before leaving the hospital, Dr. Cornelius discussed the situation with us while Mom was present. He said that the biopsys showed cancer through the vagina area and into her bladder. He removed the tip of the uthera (the bladder outlet). He mentioned four alternatives: (1) surgery, (2) radiation, (3) chemotherapy, (4) do nothing as long as she has no pain. He recommended the fourth alternative in view of her age and her heart condition. If she develops pain, he recommends spot radiation treatments.

Mother returned with us on the ferry and we took her to the Islands Convalescent Center where her private room was all ready for her. The room has a private toilet, wash basin and large closet. The large window faces west. We set up her card table with all of her painting supplies. She has a writing desk in addition to the dresser. Her SONY "music box" is next to her bed. She is very popular with the people there and she loves the nurses. They, of course, know her from her previous stay. Her address is: The Islands' Convalescent Center, 660 Spring Street, Friday Harbor, Wa. 98250.

She was in good spirits when we were there yesterday. However, she is quite weak and cannot stand alone. She can move around with a walker but we have urged her to ring for assistance when she moves around. We shall do everything possible to see that she is comfortable and that she has everything she wants.

Love,
Noble and June

Slow Me Down Lord.

Slow me down, ease the pounding of my heart
Steady my hurried pace with the vision of
the eternal reach of time.

Give me avoid the confusion of the days
the calmness of the everlasting hills, Break
the tension of of my nerves and muscles
with the soothing music of the singing
streams that live in my memory. Help me
to know the magical restorative sleep.

Teach me the art of taking minute vac-
cations of slowing down, to look at a
flower, to chat with a friend, to pet
a dog, or to read a few lines from a
good book. Slow me down Lord, and
inspire me to send my roots deep
into the soil of life's enduring values,
that I may grow toward the stars
of my greater destiny.

Evangeline.

DEAR READERS: Many people wrote to let me know that the author of the poem, "Slow Me Down, Lord," is Wilferd Peterson of Grand Rapids, Mich. I'm happy to give him the credit he deserves.

Taiwan pulls billions from U.S. banks

Reuters

Taipei, Taiwan

Taiwan, holder of one of the world's largest foreign exchange reserves, has pulled billions of dollars out of U.S. commercial banks, which it fears could fail in an economic recession prolonged by a Persian Gulf war.

Samuel Shieh, governor of Taiwan's Central Bank, said Monday that Taiwan had moved most of its U.S. dollar holdings to the U.S. Federal Reserve and to banks in Europe, Japan and Australia.

"The shift is mainly to protect our reserves as we face more risks by depositing our money in U.S. banks," he said.

Taiwan's "economic miracle," built on exports to the United States, has generated foreign exchange reserves of about \$73 billion, competing with Japan's as the largest in the world.

Taipei keeps about \$60 billion in

various currency holdings, mostly U.S. dollars. The rest is in securities, including certificates of deposit and treasury bills.

Bank officials said about \$35 billion — 58 percent of the currency reserves — has been moved out of U.S. commercial banks since late last year. About \$20 billion was placed in the Federal Reserve, with the rest going to European, Japanese and Australian banks, the officials said. A smaller amount of money also was deposited in overseas branches of Taiwanese banks.

Economists and bankers said the bank's redistribution of Taiwan's export earnings reflected growing fears over the security of the U.S. financial system.

"They (the Central Bank) are concerned about the entire American banking system," said Norman Yin, chairman of the banking department at National Chengchih University. "They have got to diversify."

Here's something of interest
from an "URGENT FLASH ALERT" recently mailed to subscribers of
Dan Rosenthal's SILVER & GOLD REPORT...

THE BANKS -- EXPECT PANDEMONIUM. The banks are deteriorating faster than anyone is willing to talk about. Part of the reason is simply that the FDIC is concealing how bad it is. The Bank of New England, for instance, went belly-up on a \$450 million 4th quarter loss. Yet, the FDIC immediately announced the rescue would cost \$2,300 million. So they must have known the Bank of New England was dead -- gone, kaput -- the quarter before. It was \$1.7 billion in the hole, driven under largely by real estate failures. But they tried to keep it alive because they don't have enough funds to pay off insured depositors at all the "living dead" banks.

FDIC -- A TRIAL BALLOON. In Rhode Island, depositors -- "insured" depositors -- are going to be cut off from their savings for 5 years. The state-government is issuing scrip -- non-interest bearing and non-redeemable for 5 years. No one is talking about this, but I warn you, this is a trial balloon for the FDIC!

A strong middle class in America (75% or so) there is no power on earth that can take it over. But what do we do? Rocky knows this. DESTROY the Middle Class of America. Look around you -- IT ALL points to THIS -- The Bush WAR -- & what it costs. We've had it -- but the Rockies' incl. Bush & head of CFR, KISSINGER, will FAIL -- KEEP A GOOD THOUGHT -- Love Geo & E.

Dear Dave and El,

A lot has happened the past week with Mom so we want to bring you up to date.

Last Monday, November 16, she got up feeling very weak and couldn't get her breath so we rushed her to the doctor's office about 9:00 A.M. She was given the usual tests including an EKG and was put on intravenous feeding. She suffered two heart failures while in the doctor's office but responded to the treatment.

Dr. Smith recommended that she be transferred by air to Island Hospital in Anacortes as soon as she stabilized. She left on a Medi-Vac plane about 1:00 P.M. and Noble and I took the 1:30 ferry so we would have our car in Anacortes. Dr. Smith arranged everything with Dr. Vom Lehn who was waiting for her when she arrived at the hospital.

Mother recovered quickly Monday afternoon. We were pleased with the hospital. It is a 50 bed facility with most of the doctor's offices in the same building. They seemed to have plenty of nurses and helpers so the care was excellent. The following day Mom was as perky as usual and she had a big time with the staff. Noble and I stayed in a motel near the hospital.

The last test was made Wednesday morning by a Urologist, Dr. Cornelius, who examined her bladder under a local anesthetic and removed a small growth.

Dr. Vom Lehn recommended that Mother enter the Islands Convelescent Center in Friday Harbor where she could receive 24 hour care. A nurse called and made all of the necessary arrangements. She told us it has the highest rating in the State of Washington. When Dr. Vom Lehn told Mom that it was his recommendation that she enter the Convelescent Center, he had to tell her three times as she wouldn't listen to him. He explained that she was going to need help 24 hours a day. She finally accepted his recommendation. We brought her home in our car all snuggled up in down jackets and car robes and went directly to the Center where they had a bed ready for her. She was very tired so we left for home.

Thursday, she said she didn't know why she was there as she could take care of herself! We explained that they have all the equipment handy if she should have trouble and so on. She has volunteers and nurses in and out of her room all the time. We see her every day and Tom and Pam drop on often.

The Urologist phoned me Friday night to report that he found a cancer in the bladder and he recommended a biopsy in four to six weeks when she is stronger. He will have to use a general anesthetic so it will have to be done in the hospital in Anacortes. We won't know whether or not the cancer is malignant until then. As of now, Mom doesn't know that he found a cancer. We think Dr. Smith should be the one to tell her if she asks point-blank.

Mom does know that Dr. Vom Lehn wants to see her again in Anacortes in four to six weeks and that we plan to go back to the mainland by ferry. In the meantime, Dr. Smith is checking her once a week and is immediately available if she is needed.

Today, she didn't look very good and said she had been in bed all day as she was tired. She loves to read the mail we bring her each day and she reads the paper thoroughly. We have ordered a SONY WALKMAN II which is a small battery-operated stereo cassette player with earphones, the kind joggers use. She loves music, especially Pavarotti, so we bought two tapes which include his greatest hits. She is not interested in the radio and watches very little TV. However, the highlight of the day is reading her mail.

If you should want to contact the Center for information, the phone number is:

206/378-2117
Islands Convelescent Center
Friday Harbor, Wa. 98250

If you want to send her mail here, we go to see her every day and will take it to her.

Tomorrow, the clerk from the County Elections Board will go to the Center to register Mom for voting. That will automatically make her a Washington resident.

We hope all of this meets with your approval and of the rest of the family. We are trying to do the right thing. We shall keep you advised of her progress.

Our love,

Jane and Noble

Dear David,

We received your letter and I apologize for being so late in answer.

Grandma has been a most gracious house guest and always wants to help wherever she can. The slight burden of having someone extra stay with us is always overwhelmed by the delight I see her have with my kids.

I thank you for your generous offer to repay us but please put it back in her account. She offered to pay also and I believe I did take some food money.

Hope all is fine with you and your family. Hello to them all.

See you ~
Cari & Cal

My Dear Folks of "Keith & Kim"

It is difficult for me to write, as I am out of practice, but this beautiful elegant paper is sure an inducement, and you should see the stacks of cards, letters and pictures & newspaper clippings, all waiting acknowledgment.

Well time is of essence. Some days I don't get time to rest or sneeze. The people of Friday Harbor built & own this facility and they are sure proud of it. There is no want of attention, & much of the help is volunteer so no problems.

Yesterday Sandy Craig & Army were here in town & Noble & June arranged a visit so Sandy & I had a couple hours in private area at 555 Harrison Ave. Sandy looks wonderful and is in the pink of health. The children are most full grown. Craig is employed in construction work with the county I think. Army is still in H.C.

Thanksgiving late afternoon Noble & June picked me up here & we went out to Tom's place out in the woods. We had a very fine turkey dinner with all the trimmings & fine hot apple & pumpkin pies & were served a la whipped cream.

Those present were Jamie, Nigel, Craig, Army, Tom & Pam.

Noble, June & I arranged no no emergency situations arise. All works out beautifully.

Sandy wants me to come stay a few days with her & Craig & Army. I will do so after I recover from my present inconvenience. At present I am not in any pain - just waiting for next weeks physical tests. Noble & June will take me, via ferry, over to Conover's Island Hospital. I had been there about 10 days for exam, diagnosis, & preliminary treatments, after next weeks diagnosis I will know whether I will be here for my next 90th B. Day.

To do some doodling I did a little water color work. But none that I am proud of. Yesterday while I was with Sandy in seclusion in the Starr house, Noble & Jim came in & brought me a latest Walkman Sony. It sure is beautiful & small enough to put in my purse or pocket. I have a T.V. in my room but my room mate isn't too particular about the selections of programs. And I have the exquisite advantage of manufacturing my own hearing aid! Along with my new Sony I have 8 of Pavarotti's greatest hits, in German, mostly Ave Maria (Schubert) Funicula Funicula are my favorites so far. I never tire of his singing. I am very thankful and happy to have this Sony.

Recently I have received letters & cards from Ernie Stinchfield - Minnie Henschler and members of her family, Carrie & Cori and Carla. These in addition to letters and cards from my own children, who have written several times. This letter is the first one written in days or weeks I hope to answer all some day somehow.

My appetite has been very good and I have gained 5 pounds in the past 9 days. I now weigh 126 lbs.

Noble went salmon fishing out in his boat today. It really was too cold. Ice was out about 4 hours and the salmon were not biting at all.

I hope this finds everyone well and busy getting ready for Christmas. Please do not send me any gifts as I don't need anything at present. My room here is getting a bit close quarters.

All my love to you every one.

Please pray that I will soon be well again.
Lots of love & prayers

The Stars
