Dear Friend Eleanor,

Spent some time at LAPL yesterday. A project for Steve Riddle required a look in the Illinois 1870 Census Index. While I was standing there looking at the index, I had a curious thought. What if Dennis Murray and family were living with Conor relatives in McHenry Co. and the Census taker failed to write down the change in surname, listing everyone in the household as a Conor? I took a quick look at the John Conors and there was one, age 40 - born in Ireland, in McHenry Co. I didn't get him written down and there may be others. On one of your visits to the H.B. Library maybe you should take a more thorough look at the **Conors, O'Conors, etc. CONNER** in the **Illinois 1870 Index** (living in McHenry and surrounding counties).

Your friend,
Linda

Wow such a nice note!..Thank you Eleanor. I'm so glad to know that Dave was able to make it to Bones West. I have often thought about that group and remember how wonderful it was to rehearse with them. My eldest Daughter's name is Ashlynn and she is 4 1/2 years old and the younger one is Amelia and she is 18 months old. I'm glad to hear that Dave was able to sell his basses. I knew it wouldn't take that long. I miss seeing all the folks at Bones West. Arlene is a real sweetheart and remember how much fun we would always have playing together....Wow we have known each other for so many years now...my how time flies.....
Thanks for the note.

Love,
Matt

Subject: Your darling daughters

Dear Matt, We were delighted to get the picture of your daughters. They are darling, but then you knew that. Could you tell us their names and ages, so I can add that to the back of the pictures?

After 3 years flat on his back, Dave decided that he would like to go to Bones West yesterday. He hasn't driven in all that time and I have offered repeatedly to take him, understanding that after 17 years of going every Sat. how important it has been to him. The reason he wanted to go was because Bob McChesney was giving a clinic and he had played with him and SlideFX in Las Vegas. As you would expect, the guys were delighted/surprised to see him. Charlie LaRue has had a stroke, but he was there in his wheelchair and delightful as ever. Arlene German was appalled to learn that he has disposed of all his music stuff and his last bass was sold recently after being on consignment at Stein on Vein and World of Strings. I mentioned to Arlene about you getting the Groves Encyclopedia, among other things, and she was delighted to have news of you having a second daughter buying a home and playing with a church group. She said so many nice things about you that it would make you blush.

It was such a positive experience for Dave going to Bones West, I hope he will want to go again. With love to you and all your family, Dave & Eleanor

SECOND DRAFT

April 3, 2001

Mr. Cyril E. Murray
424 Phlox Place
Barbarton OH 44203-4222

Dear Mr. Murray,

Nicholas C. Murray was my mother's father. He died April 7, 1900, in Rhode Island, when my mother Frances Murray was 4 years old, as a result, I knew little about him and his family. Nicholas's widow, Nora Gallagher, went west with her two daughters to San Francisco, where she married John W. Collins and had 3 more children.

I began research on this Murray family after my retirement and have learned the names and some information about Nicholas' parents and siblings. Nicholas and his older brother, John E., were born in Harvard, McHenry County, Illinois, to Dennis Murray and Eliza Conner Murray. The other children: William H., Sarah, Dennis F. and Martin J., whom I believe is your father, were born in New York. I would be interesting in knowing where your father was born in New York, when he died and where he is buried. I'd also like to know where your mother, Clara E., was born and where she died and is buried. Did your parents meet and marry in Connecticut, Rhode Island or Ohio?

The only Murray I ever actually met was George "Frank" Murray, who's connection to the family was never clear to me. I remember that he served with the American Red Cross and was in Japan following the 1923 earthquake. I am also under the impression that he was from Georgia, but know nothing of his family there. One of my cousins remembers him dying in the 1950's at the Veterans Hospital in Los Angeles, but I can not locate

any record of that. Do you know anything about relatives living in Georgia?

I often wonder why Dennis and Eliza went to Illinois and then back to New York. Do you remember any of your father's REMINISCENCES about his family and relatives? I think your father may have been named in honor of a Martin Murray who was residing in Pawtucket, Rhode Island, in 1880 and that he was probably your father's uncle.

I realize I am asking an awful lot of questions and I don't want to trouble you, but I am just interested in learning about my mother's ancestors. I am happy to share what I have learned with you. The genealogy of my family is something I would like to pass on to my children.

Curious what took Martin to Ohio
from Ct., R.I. wait

Did his family stay in touch with
the relatives in Ct & RI?

Does he remember any family
stories

Happy to share what I have learned
