RE: Ruth Conway
SSN: 567-16-4762

Dear Ms. Borkenhagen:

I am enclosing a copy of the original application for a Social Security number for the above named individual, as requested.

Sometimes we can recall a claim file from our program service center or a Federal Records Center. The documents in a claim file may include applications for benefits, military records, marriage records, and birth and death records. Information found in the claim file about living individuals, however, would be deleted. Claim files are ordinarily destroyed within a few years after the death of the last person receiving benefits on a record.

A fee schedule is enclosed if you would like to request a search for a claim file.

Thank you for your payment to cover the cost of searching our records.

Sincerely,

Darrell Blevins
Freedom of Information Officer
