STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS
Office of the Secretary of State

James R. Langevin, Secretary of State

February 6, 1999

Dear Ms. Borkenhagen,

Thank you for your interest in the Rhode Island State Archives.

As a courtesy to researchers who cannot visit the Archives, brief searches may be requested for historical information or genealogical data for two (2) individuals in our indexed records. Archives staff members can only perform limited research. There is a 15¢ per page charge for all photocopies.

In order to answer your request as quickly as possible, we find it expedient to respond as follows:

Enclosed is the information we have found.

Amount due for 4 copies is \$0.60.
Please make checks payable to: "Office of the Secretary of State."

pd 2/13/99
ck #3789

All requests for vital records must be made on a Vital Records Order Form (copy enclosed). Please refer to the Guidelines when placing a vital records request.

No information appears in our records.

We recommend you contact one of the related historical records keeping agencies included on the appended list.

Again, thank you for your interest in the Rhode Island State Archives and best of luck in your research.

Sincerely,

Kenneth S. Carlson, Reference Archivist

Washington, D.C.: National Archives and Records Administration, 1910. T624, 1,178 rolls.

Description:

This database is an index to the head of households enumerated in the 1910 United States Federal Census, the Thirteenth Census of the United States. In addition, each indexed name is linked to actual images of the 1910 Federal Census. The information recorded in the census includes: name, relationship to head of family, age at last birthday, sex, color or race, whether single, married, widowed, or divorced, birthplace, birthplace of father and mother, and more.

 Original data: United States of America, Bureau of the Census, *Twelfth Census of the United States: 1900*. Washington, D.C.: National Archives and Records Administration, 1900. T623. 1854 rolls.

Description:

This database is an index to individuals enumerated in the 1900 United States Federal Census, the Twelfth Census of the United States. Census takers recorded many details including each person's name, address, relationship to the head of household, color or race, sex, month and year of birth, age at last birthday, marital status, number of years married, the total number of children born of the mother, the number of those children living, birthplace, birthplace of father and mother, if the individual was foreign born, the year of immigration and the number of years in the United States, the citizenship status of foreign-born individuals over age twenty-one, occupation, and more. Additionally, the names of those listed on the population schedule are linked to actual images of the 1900 Federal Census.
