I did! I did! I was traveling in Scandinavia and Russia when I read it. My apologies for not replying sooner. I could read email but not send while overseas. I leave this coming Sunday for 10 days in Salt Lake. I'm taking a class in Irish Land Research. So when I get back from that I would love to compare notes.

Thanks for following up with me.

Hi Terry,

My maternal grandfather [Nicholas]& his brother [John] were born in McHenry County:

John E. Murray, Born 1867, Harvard,

Died 1925, Hartford CT & Nicholas C. Murray, Born 7Dec1870, Harvard, Died 7Apr1900, Cranston RI.

They were the sons of Dennis Murray, born in 1843 in County Waterford, Ireland, died 1920 in CT & Elizabeth J. Conner, born in 1844 in County Queen, Ireland, died 1906 in CT.

A letter from Craig Pfannkuche, dated 22 March, 2000, tells me that among the remaining records of St. Patrick's Church shows a "Thomas McGuire baptized on 21 Dec 1867 and the sponsors were named Dennis and Elizabeth Murray."

LDS Film #1598021, "Early records of St. John the Baptist Catholic Church, Johnsburg, McHenry County, Illinois, Vol. I 1852-1868, Vol. II 1869-1882 & Vol. III 1883-1909", shows the following:

Dennis Murray & Sarah Welch, witnesses at the baptism of George McBride, born 5 Oct 1870, baptized 6 Nov 1870, son of Frank McBride & Ellen McGirk.

Dennis Murray & Margaret Ryan, witnesses at the baptism of Mary Litchfield. born 28 Oct 1869, baptized 19 Dec 1869, daughter of John Litchfield & Bridget Flarerty.

Dennis Murray & Catherine "Kate" Slevin were witnesses at the baptism of Mary 10 Oct 1867, daughter of Edward Ryan & Ann Slevin.

Dennis Murray & Catherine Slevin were witnesses at the baptism William, born 25Aug 1860, baptised 9 Sept 1860, son of William & Elizabeth McGrain.

Happy hunting,

Subject: Re: San Francisco-1905!--GREAT STUFF!!!

Dear Paul,

Glad to hear that you liked the 1905 SF pictures that I forwarded to you, but then I knew you would like them. I have seen lots of '06 photos, but never seen any '05 before.

To answer your questions about our mutual ancestors, I can tell you the following:

Our mutual grandmother, Nora Gallagher Murray Collins was born in Co. Galway, Ireland, 7 Jan 1871 and died in SF 17 Oct. 1919. The 1880 U.S. Census shows her and her brother Thomas living in Hartford CT with their uncle Thomas O. Gallagher. The 1893 Hartford CT city directory shows her working at Brown, Thomson & Co. Dry Goods. The Hartford Marriage Records for Hartford 1885-1896, shows her marrying on 28 Jun 1892 Nicholas C. Murray, newspaper reporter (born 7 Dec 1870 in Harvard, IL-died 7 Jun 1900 in the State Workhouse in Cranston RI). The 1900 U.S. Census, which was taken 5 days after his death, shows Nora as a widow with daughters Mary P. (Pauline to us) age 6 & Frances E. age 3. According to Eleanor Roche Mullinger, Nora supported her girls until 1907 by taking in boarders, she and the girls then came west to marry a friend of the family-your grandfather-John W. Collins. He was born in Attleboro MA 7-Oct-1876 & died in SF 6 Mar 1938 (I was 11 when he died, so I remember him well and he was a dear man!) They married on 9 Sept 1907 in SF, but they both were staying with mutual friend George Hogan at 1413 - 9th St. in Alameda. John's occupation was given as silversmith and his parents were Michael Collins & Margaret Lalley, both born in Ireland.

The 1910 U.S. Census shows John and Nora at 2863 - 22nd St. with Mary P. & Frances E. as 15 & 13 + Margaret L. 1 9/12 & John as 5/12. John W.'s occupation is shown as "silversmith polisher in a store". Eleanor M. wrote me that it was Shreve's Jewelers.

On 19 Jan 1913 Margaret died. She was 4 yrs. 6 mos. 13 days old. She died of "tubercular peritonitis" at UCSF, according to her death certificate. EM wrote that "Nora was never the same after that." I can understand why.

The 1920 U.S. Census, since Nora died the year before, shows John W., John J., Claire C. + Pauline & Dick Roche, who married the year before, + Frances E., as a teacher.

Pauline was trying to help out, but after Eleanor was born 28 Apr 1920 it was too much and they moved out. John W. got his sister Teresa to come from MA to keep house for them.

NORA JOSEPHINE GALLAGHER MURRAY COLLINS

Nora Gallagher was born in County Galway, Ireland on Jan. 7, 1871. When she was 4 years old her Mother died. Her brother John (THOMAS?) and sister Clara, who were already in the USA, went from Connecticut to Galway "to rescue her from a wicked stepmother". Clara waited until Nora was raised before entering the convent as Sister Mary Alicantara. Nora attended a Young Ladies Seminary. Have no info on how she met Nicolas Murray, who was born in Harvard, Il, 7 Dec. 1870, but is reported to have had relatives in CT. They were married June 28, 1893 at St. Patrick's Church, Hartford CT by Rev. James J. Egan. They visited Cottage City MA on their honeymoon. [24 Mar 1995 letter from Eleanor Mullinger] They had 2 daughters, Mary Pauline, born 30 April 1894, died 1954, and Frances, born 9 Oct 1896, died 9 Feb 1966, both at 171 Garden St., Pawtucket, RI. Nicolas died of pleuro-pneumonia & exhaustion in a State Workhouse in Cranston, RI, April 7, 1900. He is buried at St. Mary Parish Cemetery, Rt. 12, Lisbon CT 06351

Letter from Eleanor Mullinger dated 27 May 1977, "All I ever heard about Nora's birthplace is that it was Galway-I don't know if it were in the city or surrounding area." "Nora ran a boarding house to support herself and our mothers."

Letter from Eleanor Mullinger 19 April 1989-" know little more than you do. Nora was only 4 years old when her brother John and sister Clara came from Connecticut to Galway to rescue her from a cruel stepmother. Clara waited until Nora was raised before entering the convent-Sr. Mary Alcantara-I can remember my Mother writing to Sr. M. A. She lived to be very old. Nora attended a Young Ladies Seminary and don't know where she met Nicholas although he did have relatives in CT. He was indeed born in Il. Clara McLaughlin said he had a drinking problem."

Undated letter from Eleanor Mullinger-"Nora Gallagher was born in 1870 (I think) one year before Ireland started keeping good records. She came to the States when she was about 4 years old, after her brother John and her sister Clara (much older and already in CT) heard tales of abuse by a new step mother." "Your memory of John Collins being a doorman at the Palace are correct, his real work was as a silversmith, but during the depression he lost his job at Shreve's and was unemployed for 5 years. He worked in the WPA and whatever he could get until this job as doorman came up and he was glad to get it."

Nora met John W. Collins thru a mutual friend, George Hogan. In 1907 Nora, Pauline and Frances came west to Alameda, where Nora married John. George Hogan was best man. Housing was not available in

THIS RECORD FOUND UNDER

1. Connecticut, Hartford, Hartford - Vital records

March 24, 1997 (Joan's 32nd!, Brian's next!!)

(Where have all those years gone, I know, how about you)

Dear Eleanor,

It's a "Spring Fever Day", I am not in the mood to get anything done, so will attempt to write you.

Enjoyed your St. Pat's Card, and esp. the news Hall's getting married!. How nice, she is a pleasant person, how lucky he is. Men, they just don't stay single very long, and it's obvious to me because there's nothing worth getting involved with out there. Just have to keep looking. I remember my Mother saying one day, maybe you should just hang out at the mortuaries! She was so smart, but had I done that, would she have approved?

Will you be coming up to the wedding? Hope so, you can stay w/me.

Celebrated Joan's birthday last evening, had fun and excitement viewing the eclipse and the comet all at the same time!

How is Anne coming along? Accidents sure seem to take their toll.

Taking care of Florence's affairs have really taken a lot of my time. Now, her water heater is leaking, so another morning off to take care of that! With all of this experience, I finally got myself into a Trust, that also took a lot of time, but it is worth it, getting all the paperwork in place.

Paul related a recent experience wherein he was in a repair shop, picking up Dad's old electric lawn mower, when the serviceman asked for his name, and of course, told him, the man standing next to him did a double take, stating his name was Judge, Joseph. Upon comparing notes, Joe is recently from Boston, the eldest of eight. His sister moved to Sonoma County first, her name, Rose (who decided to take her grandmother's family name for her middle, Gallagher!) So Eleanor, Paul intends to write you with what he knows and maybe you can help find our ancestor connection. He is primarily wondering who our great grandfather was, his name I think was John (?) I have to check again w/him. Maybe some day, Paul will get into genealogy.

Enclosing a copy of a photo of Hall and Jennifer's Boss' Mother, Jean. Do you remember that when I met Hall & Family day after Thanksgiving, Bill asked me if I knew anything of his Dad's high school days, dates, etc., and Hall responded he dated a cute little redhead from Hillsbough, and I mentioned Jean. Well Jean found the picture and here is a copy. Small World. I have to mail Bill a copy. Also an article re the trees along El Camino.

Have a nice Easter, I am doing a Brunch for mostly the Stone Family. I also have a friend staying w/me for ten days, so will be busy more so for a while.

Love to all

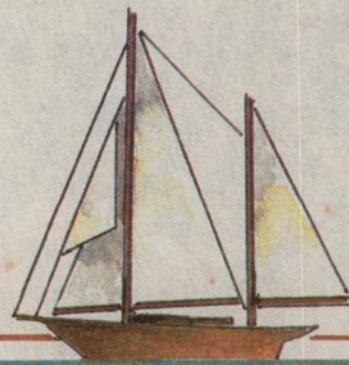

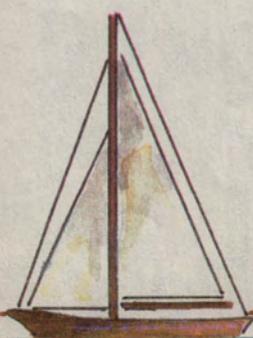

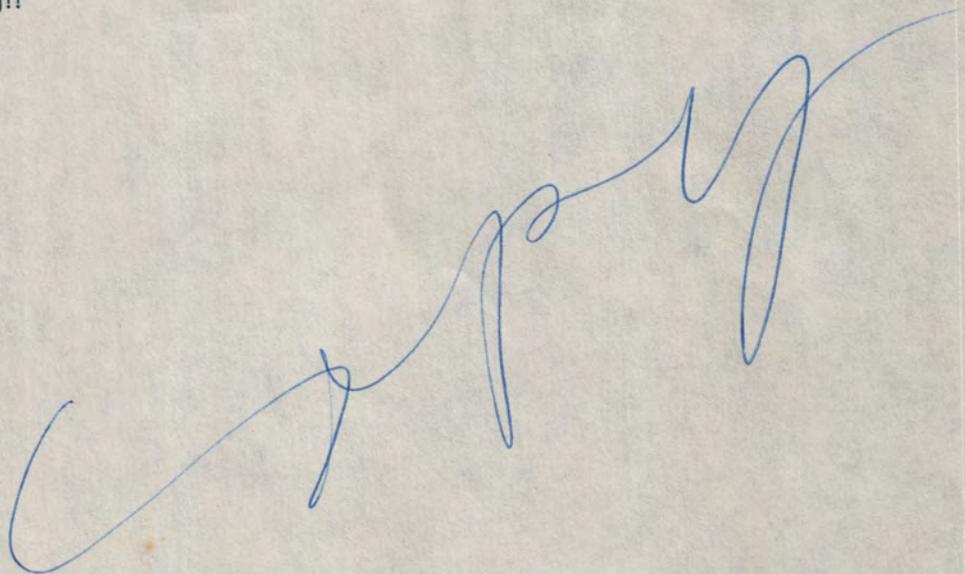

June 17, 1997

Dear Olivia and Hall,

I have little to offer in the way of guidance to locate a birth record for our Grandmother Nora Gallagher and/or her family. The only information I am sure of is that she was born 7 Jan 1871. Her parents were John Gallagher and Nora O'Rourke. Eleanor Roche Mullinger is certain of Galway, but doesn't know "if it was in the city or surrounding area." Also according to Eleanor M., Nora came to USA to live with her older brother and sister at age 4 (1875 ?) to "escape from a wicked stepmother." That would mean there might be a death record for Nora O'Rourke Gallagher in the 1871-1875 time period.

I'm afraid it is like looking for a needle in a haystack, but at least it is Irish hay! As you can see from the enclosed poem, I don't think they want to be found!

Happy hunting!!

December 27th

Dear Eleanor,

Enjoyed your Christmas message immensely. Thank Anne & Tony for eating all the noodles - the pot holder is encased in our Beaver Dam trailer & blends in well with my clay Tepoztlan bus ornament on the sink - two of my favorite places. Was really sad to hear of Mr. Gomez's death. Wish I still had the book "God & Mr. Gomez". Also loved the article on B.F. - as always. One piece of mail we received. I didn't care for! Hall sent a card & said his coming to Hurricane this year. I'd just die! This place is like the wrong side of Tobacco Road - at least I won't have to worry about Mary Alice seeing it.

We are going to the New Year's Eve bash with Paul in his spout coat - and that's pushing him - mainly it's the mandatory tie that does it. I checked & they'll let him ~~win~~, but a lot of men will be

meaning type.

1871

None Balthasar was born in 1870 (I think) on

your before I think I might keeping and good

records. He came to the State when she was about

4 years old, after her mother John & sister Clara

(much older & already in Leicester) heard take of her

about by a new city market.

Your memory of John Wm. Colton being

a dear at the balance over account. His head

worked and a little more, but during the depression

he lost his job at there & was unemployed for

5 years. He worked in WPA & what he could get

until this job as dear came up & he was glad

to get it.

Do you think you are learning out well.

of our industrial your factory if you have three

active children around quite a lot.

My mother Bank in doing very well now. In

fact, his back to normal & the rest of the family

is soon out. They still intend to move, but,

although things have been working in their business

again, they still have not received their final

papers.

It is always good to hear from you. His

and love to have & the family. Much love,

Dear Eleanor,

Many thanks for all your letters, clippings, documents etc. You have been so constant! I didn't let you know when I fell & broke my hip - I was just too discouraged. I'd been getting along so well & this was quite a setback.

I loved seeing the marriage certificate & my Mother's signature. You're right - she must have been proud.

So glad you are recovering from your surgery - and Ann also. Hope this is the end of it for you.

I remember the name Gertrude Gassler - I have the impression

she was your Mother's god mother - although I could be wrong on that.

Heard from Claire Marie & she told me of her Collins visit. I had no idea that Marilyn was a manic-depressive - she was a

very normal child. We
along with Johnny & Robert for about
3 weeks when the twins were born. It
was a wild time - I'll tell you.

(Just dropped the stationery box, pen etc.
An orderly picked it all up.)

My hip is pinned - feels as if I
had a bucket of bolts in there. I
can't put any weight on my foot
until Nov. 10th - then I should
improve rapidly. So - I'm back in
my old room in the Rehab center.

Hope you & Lane & all the
family have a period of great
good health.

Much love & many thanks
for your care & concern.

April 19, 1989

Dear Eleanor,

By now I owe you two letters! Thanks so much for the St. Pats Day card & all the clippings. I usually send the Irish ones on to Alice since we made our wonderful trip. ^{Yes,} we went to Galway. The night we were there the winning hurling team returned home from Dublin. The whole town went crazy - hurling is the most popular sport in Ireland. Gallagher is a common name in Galway - just as Roche is in Limerick & Cork. As for the family history you wrote of - I know little more than you do. Noaa was only 4 years old when he

1875

raised in Georgia & flitted
in & out of S.F. all the
years of their lives. Frank
was still alive when my mother
died but didn't live too
many years after that. He thought
our mothers were the most
beautiful girls in S.F. at the time
of World War I. I don't really
know the cause of young Margaret's
death - always suspected stomach
cancer, but I don't know. John
Collis's sister Theresa came to
care for the family - she was a
pill! Claire knows nothing
about family roots - wish we,
especially me, had paid more
attention to such things. Here
in Utah I have a unique

brother John & sister Clara
came from Connecticut to Galena
to rescue her from a cruel
step-mother. Clara waited until
Nora was raised before entering
the convent - Sr. Mary Alcantara
I can remember my mother
writing to Sr. M. G. - she lived to be
very old. Nora attended a young
ladies Seminary - don't know where
she met Nicolas although he
did have relatives in Connecticut.
He was indeed born in Illinois.
Clara Mac Laughlin said he had
a drinking problem. George Hagen
was an old & valued friend of
Mary's even before the move to
Alameda. Tek came on the scene
later ~~and~~ in fact George really
wanted to marry my mother. The
Murray (G. Frank etc.) were

opportunity to study genealogy
records - of I'm not so lazy!
Maybe someday!

Have fun with your
grand children - wish we
were closer to you. Jimmy
is a gymnast & Sarah a
pianist. Sarah (age 6) will
be in a recital next month.

I'm leading 44 Senior Citizens
to S.F. in May. Paul won't come -
he thinks it will be a disaster!
I won't have time for personal
visits but hope to at least
meet Alice for lunch since
she lives right in the city.

Love to Jane & the family.

Much love,

Eleanor

in the city or surrounding area.
You've certainly found out a lot!
I would have sworn her brother's
name was John - not Thomas. By
the way, Nara was boarding
home to support herself & our
mother's, yes I did know my
mother's name was Mary Pauline.

Your grandchildren are darling.
Thanks for the picture.

Love all your clippings - especially
enjoyed the one about Mesquite -
much of the info was accurate, it even
mentioned Beaver Dam Half Resort where
we are. Also was pleased to see
the "engagement picture" poor quality
as nat. Hope you can get to the med-
ding. You & C.M. would have a great
time (and could tell us all about it!) Hope
Dane improves. All is well here. Love

Senior Dam is now prefix 520 -
rather than 602.

Dear Eleanor,

Thanks so much for my St. Pats Day card - we really celebrated - went to three parties. The last party was at the Oasis Casino in Mesquite & included a room in the hotel - it was a super time.

You really are working hard on genealogy. I don't know where Nora & Nicolas were married, but suspect Connecticut, because her brother John lived there. I know they visited Cottage City, Mass. on their honeymoon, because I have a little souvenir they bought there. John had 4 girls, but I can't remember the 4th one's name & I have no addresses since Clara died. Her Jack lived in Manila,

but he must be retired by
his wife, Charlotte, talked of retiring
Lake Chapala in Mexico, but I don't know if
they did.

The Jack Smith column was sad - it's
as if a friend were going through all
that trauma.

I'm feeling very nostalgic to-day be-
cause I've just written "regrets" to Claire
Marie for Joan's wedding. I'd really love
to go but have to face the fact that
Paul & I have a limited range now. We're
not even going to Joan's graduation in
June. Paul can't do the traffic anymore -
after all, he will be 80 in June. Still news
around this desert area though.

Are you going - I hope so.

Thanks again for your note & card.
Watched the Chieftain's last Saturday on
TV - with James Galway, whom I love!

Much love, Eleanor M.

Between 1848 and 1864 all of the land of Ireland was surveyed for the purpose of establishing the level of rates (local tax) to be paid by each landowner or leaseholder. *Griffiths Valuation Survey* lists each land or householder in the country giving the townland and description of the property (e.g. Land, house and land, or house, out offices/out buildings, and land). It also lists the landlord and the annual valuation. Because of the shortage of other records this is a very important substitute census, although it obviously does not cover all inhabitants of an area. It is particularly important in emigrant family research as it was carried out during a period when much emigration occurred, and thus it can form a useful link between the information available about the local origins of an emigrant ancestor and the Irish records. The names occurring in both *Griffith's Valuation survey* and the *Tithe Applotment Survey* books have been indexed for each county in the surname index compiled by the National Library of Ireland. Microfilmed copies of the survey are available in several libraries.

Dear Mss Borkenhagen

Thank you for your call to our centre and our apologies for the delay in getting back to you, as we have been unusually busy these past few months.

Further to your query we have some information which should be of much interest to you. We have a church baptism record for a daughter, Bridget, born to a John & Honor Gallagher (nee Rourke) in 1863. We also have a church baptism record for a daughter, Bridget, born to a Thomas & Clare Gallagher (nee Kelly) in 1828.

We believe that these are possibly the ancestors you referred to in your research application. As you will see from the enclosed map there are few O' Rourke families in Galway, and this is the only Gallagher / Rourke union we can find. In the 1828 baptism record the mother is registered as Clare Kelly, this is possibly the Clorinda Kelly you referred to. We have found no record for a Clorinda in our records, and the name Clare is quite unusual for the time, which leads us to presume a linkage.

The information on the dispersion of family names is taken from the 1855 Griffiths Valuation survey taken in Galway in that year. This was part of a nationwide survey conducted from 1848-64, which details all land and house-holders and a brief description of the holding together with its rateable valuation. Given the dearth of records for the period it serves as a very important and comprehensive body of information.

Copies of the Griffiths Valuation records from the relevant townlands, pertaining to the above families are available, together with a detailed townland map with some areas highlighted.

RE: Jewett City Cemeteries

Dear Sir:

I am attempting to locate the burial site of my maternal grandfather Nicholas C. Murray. He died in Cranston, Rhode Island, April 7, 1900, but his death record shows he was buried in Jewett City.

As a member of the Orange County Genealogical Society, I have access to what is generally considered to be a good genealogical collection, but have not been able to locate a cemetery in Jewett City. Is there or was there a cemetery in Jewett City in 1900? I am enclosing a stamped, self-addressed envelope in hopes you can answer my question.

Any information you might have on this matter would be greatly appreciated.

Gratefully yours,

Dear Members,

I am writing to inquire about the Jewett City Cemetery. The Rhode Island State Archives has a death record of my maternal grandfather, who died in Rhode Island, but is shown as being buried in your city. His name was Nicholas C. Murray. He died April 7, 1900.

As a member of the Orange County California Genealogy Society, I have access to what is generally considered to be a good genealogy library, but could not locate this cemetery. I am also wondering why he was buried in a place other than where he died, unless it was a family plot of some sort. If that is the case, then who was he buried with?

Any information you might have on this matter would be greatly appreciated.

With sincere appreciation,

Eleanor Evans Borkenhagen

C is the Vermillion

Names are given alphabetically in each township, surname in capitals, followed by the age category of the oldest person and then the page on the film. Said number is the heavy black number in the upper left or right corner.

A question mark indicated some doubt as to my reading of the name. Dashes indicate letters I could not read though not the total amount of letters. An asterik indicates the oldest person was a woman, and two asteriks indicate a man as the oldest, though a woman's name appears. Other symbols used are explained as they appear.

The body of the census was typed with a Prestige 10 printwheel and the index with a Courier 10. An open format was used for ease in reading since so many of my fellow genealogists are no longer very young and undoubtedly wear glasses.

The user is encouraged to first look for the usual spelling of a name, then consider phonetic spellings. The handwriting of the time was quite ornate so capital letters were often easily confused as: L, S, T; H, K, R.

I have tried to read as accurately as possible and so record. If any user finds an error, as I am certain there are some, and will furnish proper proof of the correct name to either the LaSalle County Genealogy Guild at Box 534, Ottawa, IL 61350 or to me at the address below we will be most grateful.

Good hunting!

1855 State Census

INTRODUCTION AND EXPLANATION

My personal connection to LaSalle County is found in two time periods: 1851-1855 and 1954 to the present.

In the first, my maternal grandfather, Darwin Hinkley Holcomb, was born 16 May 1852, probably in Earl Township, to Harry and Tryphena (Lawless) Holcomb: their seventh and last child. By 1855 the family was either in the town of Ottawa or already in Delaware County, Iowa. We are not certain of the time of their move.

On page 69 in this publication appears Darwin Hinkley of Adams Township, who was the doctor attendant at the birth.

In the second period, my husband and I moved to the town of Mendota in 1954, and, in 1958 began our family of four. Not being gifted mathematically I have no idea of the odds involved in my returning to the area of my maternal grandfather's birth.

During the summer of 1986 while researching for another family I found there was no listing available, at least locally, of those on the 1855 state census. I arranged to borrow the film from the LaSalle County Historical Society Museum at Utica, Illinois.

Those familiar with census records know that five years before in 1850 the seventh federal census was made, giving, at long last, the names of all in a household, specific age and place of birth. However, in this 1855 census, which was done only in the rural sections, we find only one name, presumably the head of the household, then all ages given in categories with a slash mark. Males appear first, then females.

It was my decision to only give the age of the oldest person in the household who may not have been the person names.

The roll contains Kankakee, Kendall and Knox counties first with LaSalle County finishing the roll. We can feel most fortunate that there was no damage to our part. Kendall is almost totally unreadable.

There are two pages of maps included in this publication. One shows the regular arrangement of the townships in the county. The other shows the order in which they appear on the roll. It is not

Dear Father,

I am writing to inquire about my maternal grandfather, Nicholas C. Murray. I know from my Mother's birth certificate that he was born in Harvard, McHenry County, Illinois. I know from his death record that he died April 7, 1900, in Rhode Island at age 30. That would suggest that he was born December 7, 1870(?). The McHenry County Clerk has written me that her office birth records start in 1877, but I hoped your parish records might have some knowledge of the family before that year. The McHenry County Genealogical Society has no record of the family, but in response to my inquiry informed me that your parish was in existence in 1870 and could have a birth record. The death record shows both his parents being from Ireland, but gives no names.

As a member of the Orange County California Genealogical Society, I have access to what is generally considered to be a good genealogy collection, but have failed to locate any of my Murray ancestors. As a member of Ss. Simon and Jude Parish in Huntington Beach, I appreciate the work of the Church and am including a donation.

Any information you might have on this matter would be greatly appreciated.

With sincere appreciation,

May 10, 1995

Dear Mrs. Borkenhagen,

After checking our records three times, I am sorry to inform you that I was unable to find any information on Nicholas Murray in our baptismal records, which date back to 1869.

Perhaps you might contact St. Patrick Church in Hartland, which is the oldest church in the Diocese and a, so called "neighbor" of Harvard. Their address is: 15012 St. Patrick Rd., Woodstock, IL 60098

Good luck in your search!

Sincerely,

McHenry IL 60050-7557

Dear Mrs Bauer,

My maternal grandfather, Nicholas C. Murray, born about 1869, and his brother James E. Murray, born about 1867, were both born in Harvard, Illinois. They were the sons of Dennis Murray and Eliza J. Conner Murray, who were both natives of Ireland. The McHenry County Clerk has written me that her office birth records start in 1877. Since they were probably Catholics, I wrote the Church of St. Joseph in Harvard. They had no baptismal record of either Nicholas or John, but suggested I write St. Patrick Church in Hartland, which is the oldest church in the Diocese. I wrote St. Patrick Church twice, once including a donation. It was 6 months before my donation check was cashed and I did not receive any response.

My request to you is: could you go to St. Patrick Church and examine their baptismal records for Nicholas and John? If you are able to do that, could you tell me how much you would charge for this service. I am enclosing a stamped self-addressed for your reply.

Very truly yours

Eleanor, I've haven't performed research in McHenry county for others, for about 15 years. Did you get my name from the society?

I'm sorry you had such a poor response from St. Patrick's, but it is a very small church and may not have a full time secretary, thus the lack of response, etc.

If memory serves me correctly, St. Patrick's church records burned and they don't have anything before the time of that fire which I think was in the 1920s or I may have that mixed up with another church. (I'm not at home to look any of that up -- I'm not too far from you, out in the Palm Springs area for the winter.)

Have you sent in a query for the MCIGS quarterly? There are some researchers who are quite knowledgeable about St. Patrick's Irish families. Perhaps they would have information of interest to you.

Craig Pfannkuche may still be doing research in the county. You can contact him at cphist@ais.net

Sincerely,

Phyllis J. Bauer

Mr. Richard F. Meagher, Exec. Manager
Archdiocese of Hartford
Catholic Cemeteries Assn.
700 Middletown Ave.
North Haven CT 06473

Dear Mr. Meagher:

Can you help me locate the burial site of my grandfather Nicholas C. Murray? He was born in Harvard, Illinois, 7 Dec 1870 and died in the state workhouse in Cranston RI on 7 Apr 1900. His death record shows him buried at Jewett City CT. The Jewett City Town Clerk has no record of a burial in Jewett City. The Office of Catholic Cemeteries, Diocese of Providence, has no record of him buried in any of the Diocesan Cemeteries in operation at that time.

Nicholas C. Murray of Pawtucket R.I. and my grandmother Nora J. Gallagher of Hartford were married by James. J. Egan at St. Patricks Church, Hartford, on 28 June 1893. For that reason I thought perhaps he was buried in one of your Archdiocesan Cemeteries. Any information you and provide on him would be greatly appreciated. I am enclosing a SASE and am willing to pay any charges for your work.

Very truly yours,

Dear Mrs. Baldino,

Thank you for your letter of November 19, 1997, informing me that your records do not indicate that my maternal grandfather Nicholas C. Murray was buried in Saint Ann Cemetery in 1900. Would it be possible for you to search your records for his burial in the other cemeteries on your letterhead? He died April 7, 1900, in the State Workhouse in the Town of Cranston according to the Rhode Island State Archives. That record shows him buried in the Jewett City, but the Jewett City Town Clerk has no record of his burial there.

To further identify him he was born in Harvard, McHenry County, Illinois, on 7 December 1896; his occupation was newspaper reporter and his parents were both born in Ireland. His spouse, my grandmother, was Nora Gallagher Murray and they resided in Pawtucket at the time of his death. Any information you can give me will be gratefully appreciated.

Most Reverend Sir:

I am attempting to locate the burial site of my maternal grandfather Nicholas C. Murray. He died in Cranston, Rhode Island, April 7, 1900, but his death record shows he was buried in Jewett City.

As a member of the Orange County Genealogical Society, I have access to what is generally considered to be a good genealogical collection, but have not been able to locate a cemetery in Jewett City. As a member of Ss. Simon and Jude Parish in Huntington Beach, I appreciate the work of the Church and am including a donation, as well as a stamped, self-addressed envelope.

Any information you might have on this matter would be greatly appreciated.

Faithfully yours,

Dear Eleanor,

Your letter dated September 9, 1997, to the McHenry County Illinois Genealogical Society was forward on to me.

In regards to your inquiry of the Murray family in McHenry County my great-grandfather John Murray was born in Rahainy, West Meath, Ireland and came to LaSalle County Illinois in 1850. His Son Michael Murray moved to McHenry County in 1903. As far as I know he did not have other relatives in McHenry County before he came.

Sincerely yours

Dear Mrs. Borkenhagen:

This is to reply to your letter of September 9, 1997 to our McHenry County Illinois Genealogical Society (MCIIGS) asking that we find a McHenry County, Illinois "MURRAY" researcher. We announced your request at our recent open meeting and searched our "Surname List" to see who that MURRAY researcher might be. I believe that we were able to figure out who that person is. I sent your letter on to her. I hope that you will be hearing from her in the next couple of weeks.

Laurie Turner tells me to say "Thank you very much!" for that mass of obituaries which you sent.

Once again, I hope that you will be hearing from your fellow MURRAY researcher.

Sincerely,

Craig Pfannkuche,

Dear MCIGS Member who is researching MURRAY:

When I first contacted the MCIGS in the Spring of 1995 seeking information on my maternal grandfather, Nicholas C. Murray, who was born in Harvard, McHenry County, Illinois, December 7, 1870(?) I received a very helpful letter from Corresponding Secretary Tricia Schiedler. She made several suggestions as to avenues I could explore and mentioned ~~in~~ that there was member researching MURRAY.

Because I live within a 1 hour driving distance of the National Archives-Pacific Southwest Region in Laguna Niguel, I was able to view the microfilm of the 1880 Census for McHenry County. In Vol. 36, E.D. 144, Sheet 28, Line 14, I found a family headed by Patrick MURRAY, a 44 year old white male. His wife was 36 year old Anna and the children were Anna (13), John (11), Nicholson (11), Agnes (9), Patrick (8), James (7), Frances (4), Henry (2), Sylvester (1). IS this the MURRAY line you are working on? I'm wondering about 11 year old Nicholson with an 11 year old brother John. Of course they could be born 9-11 months apart or could be twins. The name "Nicholson" seems out of "sync" with the more basic names of the other children. Could it be that Nicholson is in fact my grandfather Nicholas? He died in Rhode Island in 1900 at the age of 30, so the age is close.

Any information you can give me about the MURRAYS in McHenry County would be appreciated.

Very truly yours,

(Mrs.) Eleanor Evans Borkenhagen

Dear Ms. Schiedler:

When I initially wrote the MCIGS in the Spring of 1995 seeking information on my maternal grandfather, Nicholas C. MURRAY, who was born in Harvard, Illinois, December 7, 1870(?), I received a helpful response from you (see enclosed). As a result of your letter I became a member of MCIGS and I wrote St. Joseph Catholic Church, who referred me to Saint Patrick Church in Woodstock. I wrote to them twice in 1995, both times including a donation, but have received no response.

Also in your letter, you mentioned that one of your MCIGS members is researching a MURRAY family. Would it be too much to ask for you to pass the enclosed letter and SASE along to that person? I would greatly appreciate it.

In addition, as a result of reading a request in the August 1996 Connection for printed material with an Illinois, especially McHenry County, reference I have submitted over 200 obituaries from the Los Angeles Times and the Orange County Register. (see June 1997 Connection)

Dear Mrs. Borkenhagen:

Please forgive the delay in responding to your March 18, 1995, letter. It was sent to our former address in McHenry and not forwarded until today. Please note our correct address above.

I'm afraid that based on the information you provided, we can't be very helpful at this time. I checked with one of our members who is researching a MURRAY family from Hartland Township but she was unable to help. Also, I checked the 1870 census for Harvard Village and Chemung Township (you probably have done this also) but saw no MURRAYS that would be likely parents for your Nicholas.

You might try contacting St. Joseph Catholic Church, 206 E. Front, Harvard, IL 60033. They were in existence in 1870 and could have a birth record for Nicholas C. MURRAY.

Enclosed is a list of genealogists in our area in case you want to hire a professional researcher. You should contact them directly regarding their fees and services. Also enclosed is a list of our current publications and a membership brochure. We hope you will consider becoming a member of our group.

Sincerely yours,

Dear Members,

I am writing to inquire about my maternal grandfather, Nicholas C. Murray. I know from my mother's birth certificate that he was born in Harvard, McHenry County, Illinois. I know from his death record that he died April 7, 1900, in Rhode Island at age 30. That would suggest he was born December 7, 1870(?). The McHenry County Clerk has informed me that her office birth records start in 1877, but I hoped someone in you society might have some knowledge of the family before that year. The death record shows both his parents being from Ireland, but gives no names.

As a member of the Orange County California Genealogy Society, I have access to what is generally considered to be a good genealogy collection, but I have failed to locate any of my Murray ancestors.

Any Information you might have on this matter would be greatly appreciated.

With sincere appreciation,

MURRAY

The progenitor of this ancient Scottish clan is considered to be Freskin, a nobleman of the old race of Moray, from which the Murray name was derived. Most Irish families are originally of Scottish extraction, particularly the Murrays of Ulster.

The Murrays of Scotland were known for their intense loyalty to the Stewart Kings even after their downfall in the Rebellions of '15 and '45.

The Murrays of Ireland are noted for their distinguished services to the church, both as laymen and clerics.

Today, persons bearing this old family name can be found in all parts of our land and are well represented in the arts and professions as well as in the world of business.

Early Settler Certificate Program

The McHenry County Illinois Genealogical Society's Early Settler Certificate Program was initiated in March, 1985. A certificate is issued to anyone who can prove that a direct-line ancestor settled in McHenry County between 1834 and 1880. Anyone may apply. An applicant does not need to be a resident of McHenry County or a member of the Society. All descendants of early McHenry County settlers are welcome to participate in this program.

If you have an ancestor who qualifies for an Early Settler Certificate, request an application form and instructions from MCIGS, P.O. Box 184, Crystal Lake, IL 60039-0184. Please include a long SASE with your request.

There is an alphabetical list of the names of settlers for whom certificates have been issues. This list includes the year settled in the county, town/township of settlement, and spouse. This list comprises the names of early settlers from approved certificates for March 1985 through March 1999.

You may request a photocopy of the original application by sending \$1.00 per settler and an SASE along with your request to MCIGS at the address above.

The following alphabetical list is arranged with the name of settler, date settled, town/Township; of settlement, and Spouse. If the name is listed more than once it indicates more than one person has received a certificate under that settler's name. It represents those early settlers that have been approved for descendant certificates from March 1985, through 2004.

Dear Eleanor,

Thank you for your interest in the Early Settlers Program. I have reviewed your application and I need just a bit more information.

1. I see from the birth record of Frances Murray that her father was born in Harvard, IL and from his marriage record I calculated he would have been born 1869-1870. I don't know where you got the information on his birth as 7 Dec 1870 but I can use 1870 on the certificate based on his age at his marriage in 1893.
2. This should be an easy one for you. I need proof that Eleanor Evans is Eleanor Borkenhagen. Would you be able to send me a copy of a marriage document? You can email it to me at claudia.conroy@mcigs.org or mail it to MCIGS Early Settlers, PO Box 184, Crystal Lake, IL 60039-0184.

Again, thank you for your interest in this program. It's fun to have the certificate. I have mine framed in my computer room.

The State Division of Vital Records has informed me that birth and death records, if a record exists, prior to 1916 should be on file with the county clerk of th county in which the event took place.

Therefore I am writing to request a full certified copy of the birth record of my grandfather for genealogical purposes. I am enclosing a personal check for \$15.00 and a stamped self-addressed envelope.

NAME: Nicholas c. Murray

PLACE: Harvard, McHenry County, Illinois

DATE OF BIRTH: December 7, 1870(?)

Dear Ms. Borkenhagen:

I wish to advise that this office has records of birth occurring in McHenry County dating back to the year 1877 and records of deaths occurring in the county back to the year 1878. However, the records of births and deaths are very incomplete prior to the year 1916. Marriage records for McHenry County marriages are on record from the year 1837. Please note that all births, deaths and marriages must have occurred in this county to be of record in this office.

There is a search fee of \$7.00 each for any one of the above stated records and the fee entitles you to a certified copy if on record.

If requesting a birth record, please provide us with the full name of the person at birth, place and date of birth and the names of the parents. If requesting a copy of a death record, please provide the name of the decedent and the date of death or the approximate date thereof. If requesting a copy of a marriage record please provide the gentleman's name and the ladies name, if known, and the approximate date of the marriage.

Sincerely,

Katherine C. Schultz
County Clerk

Enclosed Ck. # 2028 - \$15.00

To recognize the rich heritage and individuality of her offspring, Illinois has introduced this personalized, legal birth certificate.

When the commemorative document was designed, Illinois was prominent in the artist's mind. The handcrafted border incorporates the state flower—the violet—and the leaf of our state tree—the white oak—into the Prairie-style stained glass motif of Frank Lloyd Wright, whose architecture graces the state.

To enhance the lasting value of the certificate, the birth information is entered in calligraphy on heirloom quality paper. It is a beautiful document that can be passed from generation to generation... a keepsake to mark the beginning of a new life, to remember a special birthdate, or celebrate a notable occasion.

The price is \$40.00. Governor James R. Thompson and the Illinois General Assembly have directed that the proceeds will be equally divided between the Illinois Child Abuse Prevention Fund and the Illinois Coalition Against Domestic Violence.

Your contribution for this birth certificate could give a human being a more meaningful life. It is also a keepsake that you and your family will cherish for years to come.
