The Family Group Sheet Format dialog box

Begin each person on a new page — Select this check box if you want each individual's information to begin on a new page. Otherwise, make sure that the check box is not selected.

Special Note about LDS format for Family Group Sheets

You can display your Family Group Sheet in LDS layout. To toggle the LDS mode on or off:

- From the File menu, select Preferences, then from the submenu select Labels and LDS Options.
- Select (or deselect) the LDS check box.

Note: Many Family Group Sheet options are unavailable when LDS mode is selected.

A Note about Special Sections — If you choose to include Special Sections for Info and Lineage Facts, Addresses, Medical Notes, Marriage Facts or Marriage Notes, these will appear on separate pages for each individual, following the first, or Standard Page. In addition, if you also select the Notes check box in the Standard Page options, they will appear on both the first page, and again on the individual(s) separate page(s).
