it's good "M7" is scheduled for next time. I still remember what happened with CSI here and hope it will be back in June.

New to CSI title in title. I'm not 100% sure but I think it's from an oath every new medicine doctor have to take. It means "First - do not harm". I don't know if it have something to do with the ep, but I'm almost certain I'm right about translation.

I'm attaching scan of my UV-light source (I call it like that because it's not a flashlight) and because my aluminium suitcase is too big and heavy to scan even a corner without help, I'm sending a pic of Jorja Fox/Sara Sidle carrying similar one.

I will tell you when I do some pics on shirt - maybe even send some scans.

To my CSI related story. Nope, unfortunately my Holly isn't best in singing. I just wanted to give her name after that cute girl from first ep of first season who was killed and of course Holly Cole, whom songs I like very much. And about coming to US - I meant her mom. I know I wrote this in weird way. I wanted to say her mom came to US to be with Holly's dad. They got a lab, and story began.

Wow! Another "Kaminski"? Like said there is plenty of us in the world! (smile).

And I would like to thank You for so kind and warm words about me! I always always share my thoughts and things.

I will end for now too and check links to EC pics!

Enjoy Your day/evening/night (choose right word - smile) and take care, My Friend!!!

Hello to My Best Friend from beyond the Ocean!!!

First of all I want to thank You for EC's pic. It's so neat! I didn't checked those addys from mailing list yet and I was nicely surprised by attachement. I think I can repeat after Caroline Rhea - He's cute! (smile).

Now I can answer for the rest of Your letter.

No need for apology. I recived this msg today and I'm happy geting it! I'm glad you could get some sleep and rest. Lately you were doing a lot of things and sleep is very important.

Oh! I read WAT list posts also. Not all of them yet, but things are interesting. I hope (like girls on list do) Anthony LaPaglia will get Emmy award. He deserves for it! And of course EC on "Matrix Reloaded" premiere. I wish we had here that kind of movie premieres! But we are only small Poland (smile).

Thanks for another tape 'in mail'. You added Caroline Rhea Show? BIG Thank You!!! And that green coat seems to be a symbol or ordeal. Like : You get there, You must try it! Cool!

Ok on 'missing sound' sometimes. I think I can stand that, having EC on screen. (smile).

Thanks You liked my idea about watching and imaging things. Even when I hear exactly what happened, the truth is always different. It's because people notice various things, always forgetting about something else.

Fingerprint Dusting pic is BIG! (smile).

Our often mentioned subject now - words.

I liked "Bugmeister, Part Bee" very much. I can say that we have some words we can play too, but after translating it has no sense. For example 'zamek' it's 'castle' but it means also 'lock' and 'zipper'.

Now I remember 'protractor scene'. They were waiting to see if Michael really lives in the townhouse and Heather was doing her homework. But following Your idea of 'protractor and N&A' having things in common, we can find a lot of coincidences like that. But I like it! Go Fred!

Did I said that everytime i notice 'Crawford' surname somewhere, I think about "Taken" laughing to myself (and people are looking at me why I'm smiling and talking to myself).

Yep! CSI chat is sometimes very crowded place. So I don't mind You not being there. I always enjoyed our talks on UK N&A chat. It's our personal place, since there's no one around, only two of us every Friday.

And last time there was a mess on CSI chat. Everyone were popping in just for a second to ask if someone get killed in season three finale. And some of them were there only to annoy others. So I'm glad we had our N&A chat.

Subject: Reunion Table

Hi Fred,

Your table schedule to Chris looks good. I will bring my computer. Also can you bring a surger as we probably will be allowed only one wall outlet.

Sounds like they will be scarce. I am surprised you haven't heard from Bill.

Maybe you will still hear later. Anyway, Tom will be with us also. He may want to take breaks. I hope he doesn't get bored.

Yes, it will be nice if you could send disks to me to upload onto my computer. I have access to a photocopier to make free copies. If you want to send me handouts, I can make copies for you. Probably 25-35 of each should be enough or whatever you think. Or maybe you have a place to go to that is cheap.

Glad to hear spring is coming your way. It is still quite cool here. We just had two days of rain. It's nice to see the grass so green and thick.

Tom fertilized it just in time before the rains came.

I wrote a message to Diana Lantz stationed on the USS Roosevelt. She told about her experience the last two days. I will forward it to you from my

other mail box. She may enjoy hearing from you if you want to drop
