Dear F.R. -

I note your name is associated with that of
VINCENT, Thomas (B, 1760 NH, D 1840) in the
1984 'FAMILY REGISTER INDEX'.

My great grandfather George K. VINCENT (wife Mary M)
(B. circa 1839, D. 10 Oct 1877 (age 38))
is recorded as having a daughter Georgiana
born 8 Dec 1867 in Merrimack County in
New Hampshire. (per IGI)

I wonder if there is any family relationship
between VINCENT, Thomas and VINCENT, George K.

If you have any information that may be helpful
to confirm or deny a relationship I would greatly
appreciate receiving it. If there is a relationship
I would be pleased to supply information I have
compiled on George K.

I am a relatively recent pursuer of my family
roots, and would appreciate any assistance.

I shall be pleased to reimburse you for copying costs;
if there would be other costs please advise me in advance.

Best Regards,

John L Vincent

On October 5, I wrote to you (with sage)

regarding your entry in the Family Register Order
for Vincent, Thomas b 1760 NH.

I had have not had the pleasure of a
response or acknowledgment to my letter.
I know that frequently circumstances prevent
one from obligeing every request, but hopefully
you may be better able to respond at
this time.

My great ~~grand~~ father George K. Vincent was
born ca 1839 in New Hampshire.

At age 11 (1850) he was living with the family of
Clayton Fellows in Chichester, Merrimack Co, NH.

At age 21 (1860) he was living with the Albert
Kongmick family in Concord, Merrimack Co, NH.

Per 1840 census there was a David Vincent in Concord,
NH with a male under 5 in the household. I

don't know if this was George K. Vincent.

My uncle says that George K.'s parents were

Jonathan & Cynthia Vincent. I have nothing on this.
I was impressed by the extensive ~~the~~ records of the

Newton Church regarding your Thomas Vincent line. A
real find!

Please respond as to whether you have any leads
that would help me. Thanks John Vincent

Dear John L. Vincent,

I received your letter quite some time ago and am very glad that you wrote to me. I am sorry for not answering you sooner. I had to put aside my researches/correspondence for awhile but am now "back on track".

As for your George K. Vincent, I looked through all my many notes on Vincents of New Hampshire and could not come up with him. I did not come up with him as a child of any Vincent family and I couldn't find any David Vincent either. I have been to some of the NH Courthouses and looked up probate and deed information but have not been to the Merrimack County one. That I plan to do next as I have some direct ancestors that lived in that area.

There was a Vincent family that lived in Kittery, Me (not far from Newington, NH) and am enclosing two sheets on this Jonathan Vincent. Another thing, I could not find any Jonathan Vincent in the NH lines.

There is no Vincent genealogy compiled as far as I know. I always collect Vincent information from whatever source I can find it (DSB, census, etc). Please send me a family sheet on your George K. Vincent and I will send you any future information I find. Hope to hear from you soon.

Sincerely,
Fred R. Santh

Dear John

I thought I would drop you a line and let you know that I received your latest letter on your Vincent ancestry. Thank you for the print-out on David Vincent and son George R Vincent.

I still plan on going to the Merrimack County Courthouse, New Hampshire and I believe it will be after Labor Day as the traffic around these parts is really heavy this summer with the tourist and all.

I'll write when I have more. I know there must be a connection with my other Vincents somewhere but can not see it yet.

Sincerely

Fred R. Lantz
