Dear Fred;

I finally got the information you sent me into the computer and was able to check your references. I really appreciate ^{the time} you sending me your information, thanks. I am enclosing a set of print outs for your use , please advise me if you think I missed something important.

I was able figure out most of the references on the sheets and have only one question about the material you sent me. On the 2nd page you have;

Sarah Sophia Awalt born 10 Sept 1844 from page 25 of the records of the Dutch Reform/Presb. church (I checked my records)

You also have a Maria Eliz. being born on 23 Aug 1844 of the same parents??

I cannot find the entry on the above records and the births are too close together?

I think you may have found this entry from another source?

As for the question of Martin Zinck , I forgot what I wrote you about this family??

I have a question about how Clara Awalt came to live with the widow of Martin Zinck and new husband William Baker at such a young age?? Could this be what I wrote about?

I recently sent a disc to the South Shore Genealogy Society, so you can always get my records from them if you wish. I will keep in touch.

Cheers;

Ron Zinck

Dear Ron,

I am glad to hear that you was able to get into the computer all the information I sent you. Thank you for sending me a computer print-out of the Jantzy and beginning of Awalt line. They sure look good and neat too.

You asked about the births of two daughters of Jacob Awalt - Sophia Rasmus, both b. 1844. Sarah Sophia b. 10 Sep, 1844 is correct. Mary Eliza b. 23 Aug, 1849 is what I have on my copy of sheet I sent to you. You might look at it again.

As for the question of Martin Zinck, there may be some confusion here as to which Martin Zinck I was referring to. On July 10th I sent you an FGR sheet on Martin Zinck m. 1754, Anna Eliza Wentzell. This is the one that I was wondering if you had any more information on. I am re-enclosing an FGR sheet on he/she.

Sincerely,
Fred R. Jantzy

It appears we may have 2 lines in common?!

Fred R. Lantz
R.F.D. #1, Box 392
West Bath, Me 04530
July 10, 1994

Dear Ron Zink,

I received your query letter on the Eisenhauer and Awalt families of Nova Scotia. I was very glad to hear from you. I am not a researcher of the Eisenhower family. Perhaps you mistakenly used me instead of #50 - Elsie Theresen. I know she is a Eisenhower researcher and she has quite extensive information.

On the Awalt (Cwald) family I am attempting to document all the lines. Thank you for enclosing the Descendancy Chart on your line. It follows what information I have. I am enclosing Family Group Record sheets on Jacob Awalt and his son Charles Benjamin Awalt. You have him as Benjamin Charles Awalt. At his baptism it was Charles Benjamin Awalt so I left it that way.

Do you have more to add to these sheets? I would be glad to receive that information. Also, next time I would like to read FGR sheets on the children of Charles Benjamin Awalt.

Do you have Jacob Awalt's ancestors? If needed I could send you those sheets.

I am also sending a sheet on Martin Zink that is a branch of my Wentzell line. Do you have this family? Could you fill it in and send back to me.

Hope to hear from you soon.
P.S. Thank you for the envelop and postage money.

Sincerely,
Fred R. Lantz

Dear Fred:

It was great to receive your letter and notes thanks alot!! I went over them and added some of the new information to my files I have some questions which I have marked in pencil or in my notes on the family group records. It also seems we may have the Lantz line in common ;it turns out that the parents of the Bremner /Eisenhaurer connection that I wrote you about is a Bremner/Lantz Please have a look for the Lantz in your files and see if there is a connection??

My main problems with the Awalts are the deaths of Charles Benjamin and wills ect. The odd thing about my great grand mother Clara was that she was either adopt out (informally??) or sent out to work as a domestic servant the home of William Baker in Dover, Halifax County at a young age. I have speculated that there must have been reason such as illness or death of the mother and so on but I have not found any proof.

Have you looked at the land records for the Awalts line and the probate records ?? Have you had any contact with David Hopper (I enclose a letter from him). I sent him my information including any corrections I could find in his notes. I have not heard from him but I hope to be able to continue to correspond about the lines we have shared.

My main question about your family group sheets concerns the births and church records for the families/ what sources are you using?? I know that your dates seem correct ! I also wondered about the 2 entries that I have not heard about Charles Freeman and Barbara Jane ?? Sources ?? I have limited access to sources through the local LDS and the Canadian National Archives; How do you gain access in the US??

I will close for now and I hope to hear from you again. Are computerized or do you have access to a computer ? I use the PAF from the LDS church if you want to swap discs.

Sincerely Yours;

Ron Zinck

HI FRED;

How are things on the east coast ? Did you have your normal spectacular fall?

I wanted to drop you a quick line about the Zinck question you sent to me. It turns out that that name should be Linck !! The transcription of the Anglican records from which I assume you got the name was incorrect. I looked up the name in E Clark-Wright which I enclose for your info. He also appears on other lists.

I hope this gives a new lead. See ya later.
