I own a copy of the Preble County history book published in 1992. I found something of interest to you: Rebecca Phillips Brubaker was the first white female child born in Preble Co. She was born in a log cabin behind the farm house owned by Elbert Brubaker on Brubaker Road in Gratis Township. She was born on April 27, 1805, to Catharine (1761 to Dec. 12, 1840) and Hezekiah Phillips (1756-June 4, 1811).

Rebecca's father, Hezekiah Phillips, was a Rev. War. veteran. He and his wife Catharine are two of six persons buried in the private family cemetery on Elbert Brubaker's farm. The land was bought by Hezekiah in 1808 from the U.S. Land Office at Cincinnati. The cemetery is just west of the north entrance of the Gratis Fairview Cemetery.

Rebecca married Jonas Brubaker (born May 5, 1803). They had five children. Their son, Peter Brubaker (June 27, 1828-Feb. 4, 1846), is buried in the private family cemetery along with his grandparents, Hezekiah and Catharine Phillips.

Rebecca died on March 21, 1894, and her husband Jonas died on June 9, 1889. they are both buried in the Fairview Cemetery, Gratis.

There are quite a few names in the index under the name of McGriff and Little. What are the first names of the family members you are researching? There were no listings for any Cassidy family members, but there were a few under Cassity. Let me know and I will try to help.

Obituary

Dr. Charles W. Mackey was a County health officer and practicing physician in Portland, Indiana for 44 years. His health had been failing since he returned from a hunting trip in the Maine Woods, with a local party in October, 1926. Dr. Mackey made the trip for 35 years or more years. this year being the first time that he had not been with the party of hunters during that time.

The deceased remained in the active practice of his profession despite the fact that his condition was such that he should have stayed home. He finally had to give up and take to his bed a week or more ago. At first the nature of his illness was not known and the specialists were called into consultation and diagnosed his case as cancer of the liver. While it was known his that his condition was Serosis his death came as a shock to the community, coming as it did, so soon after he closed his office and took to his bed.

Dr. Mackey engaged in the practice of medicine in Portland, Indiana in June, 1883, and since that time had established a good practice and had gained the confidence and respect of the entire community. The deceased was a native of Pennville, Jay County, Indiana.

Charles W. Mackey was reared to manhood in Preble County, Ohio. His father was a teacher. Dr. Mackey also followed that avocation to defray the expenses of his education. He began the study of medicine in 1878 under the preceptorship of Dr. William Saylor, with whom he remained for three years, and March 1881, he graduated at Ohio Medical College at Cincinnati, Ohio. He resumed teaching after he graduated, which he followed for about two years, when he located at Portland, Indiana and engaged in the practice of medicine in 1883. Dr. Mackey was a member of the State and County medical societies and was secretary of the Delaware District Medical Society. He was also secretary at one time -of the Portland Lecture Association, which he organized in 1886.

For many years was superintendent of the Sunday school of the Methodist church.

Was a member of the Masonic, Odd Fellows, and the K. of P. lodges. And affiliated with the Modern Woodsmen of America.

Born of humble parents, and smarting under the sting of poverty and adversity, he early in youth developed an ambition to be a useful and

After Alice's death in 1886 and with the money to be inherited by My from her grandfather Elias Mackey, he came back to Jefferson Township, Preble County, Ohio, by spring wagon with three young children; namely Bertha Emerson, her sister Edith Emerson and half sister May Dawson(daughter of Lewis and Edith Dawson). It is uncertain as to the time they left Sand Springs, Alabama, but the Quick Claim deed or the claim release paper was signed by Wm Lewis Dawson for his daughter May Dawson on the 4, March, 1889 for Section 10, Twp. 9 (Jefferson Twp.) Deed Volume 93- page 373 - Preble County, Ohio. One Hundred and two dollars and fifty-two cents paid by Joshua Mackey, Exec. of Abbington, Indiana.

Bertha and her sister Edith were left orphans. Bertha was 11 years old and Edith was 9 years old. In 1887-9 their Step-father Wm. Lewis Dawson along with their half-sister May Dawson came to Jefferson Township, Preble County, Ohio, where These two girls were left with their Bachler Uncles(Mackey) as both their great-grandparent Mackey's and their grandmother Bailey were all deceased. The step-father collected the money for his daughter, who was an heir of her Great, grandfather Elias Mackey, the transaction was in 1889.

They came from Ardmore, Limestone County, Alabama, by way of spring wagon. After the girls were dropped off Wm. Lewis Dawson and daughter May

went on to settle in Chase County, Kansas.

Grandma, Bertha , stated that her Uncles would not permit her to attend school on a regular basis, as she had to work to make her way. Although her mother and an Uncle Lewis Mackey were school teachers. Sometime around her teen years her Aunt Phebe and Uncle John Mackey took her under their wing. As they had lost all their children to early deaths. One died in his 20's. They deeded their home in Eldorado, Preble County, Ohio to Bertha and her husband Charles C. Henderson.

They lived in the East end of town, by the railroad tracks.

Bertha was a hard worker. She read and self taught herself to the world of learning. During the depression she took in washings and ironings, to help put food on the table. This is after they moved to Middleton, Ohio in 1928.

Grandma Henderson always tried to instill in all her grandchildren to get a high school education, and to graduate.

They always tried to go to Kansas to see her half sister May every year or so.

Their daughter Ruth and her husband George took them there in 1924. In latter years the boys took her to see May.

Notes for CHARLES CLAYTON HENDERSON:

[Christina Mackey.Ged.FTW]

Charles and his son-in - law George Geeting built barns and houses around Darke and Preble County, Ohio.

During the depression they moved to Middletown, Ohio, in 1928, as both of the boys could get work at the Rolling Mills, in Middletown.

Charles built at least seven or eight houses on Wilbraham Road, near the Airport, in the North- East side of Middletown. These houses all had a basement in them. and an upstairs. along with a bedroom, bath, kitchen, dinning room and living room in each one of them. The basements were dug by horse and by hand. Charles always had two basements done at once. And it took a year or so for him to build the houses. Which the boys helped him, whenever they could.

Mostly done most of the work himself. He did all the cupboards and woodwork himself. He was a wonderful builder, and took great pride in his homes. Sometimes he had a hard time finding a buyer, due to the depression, then he would have to live in them until he could get them sold.

His father and Uncles were also Coopers, (or builders- carpenters) as they were called in the early days.

Charles was always reading the stars. And giving his grandchildren an understanding of the stars and the heavens.
