It would appear from the logging census data that Levi Smith came to Lorraine between 1810 and 1820 and that he and Levi Sr. left the town between 1835 and 40.

Need 1870, 80, 90 school census to better analyze family & check possible move to Ellichazy, Brownsville.

Land records so far do not show any purchases or sales in Lorraine. May inquire at Town Hall for irregularity in records.
