

## Sutton/Warren/Stokes Research Objectives

The following is a statement of the overall objectives of researching the Sutton, Warren, and Stokes families.

- Identify as many of Catherine Sutton's siblings as possible; get birth, marriage, death dates, names of spouses. Get spouse birth and death dates, if possible, and names of parents, if available. Further spouse ancestry of no interest unless otherwise connected to our family.
- Identify as many of Catherine Sutton's nieces and nephews as possible; get birth, marriage, death dates, names of spouses. Get spouse birth and death dates, if possible, and names of parents, if available. Further spouse ancestry of no interest unless otherwise connected to our family. Moderate interest in descendants of nieces and nephews, but not enough to make a project of it.
- Trace the Ancestry of Levi W. Sutton from Concord, Lewis Co., Kentucky ca. 1829 to New Jersey ca. 1807. No clues; dead end.
- Trace the ancestry of Daniel Warren from Canton Twp, Stark Co., Ohio in 1820 to ??? No clues; dead end.
- Trace the ancestry of Matilda Stokes from Canton Twp., Stark Co., Ohio to Delaware. Lemuil Stokes, age 45+, was in Pike Twp., Stark Co., Ohio in 1820 census and also was in Misplillion Hundred, Kent Co., Delaware in 1790[?]. He may be her father.
- Try to find connections between New York Warrens and Daniel Warren's family, possibly George W. and John H. D. Warren.

The following is a summary as of this date of the research yet to be performed on the family of Levi W. and Catherine (Warren) Sutton and of her parents, Daniel Warren and Matilda Stokes.

- Try to locate Sarah (Warren) Austin Shoop/Jacob Beck marriage 1 Jan 1852 (where?) in L. Hawkes' notes.
- Look for Lydia (Warren) Fox Young(s) death record (last found Hillsdale, 1880).
- Look for Lydia (Warren) Fox Young(s) remarriage after 1880. May explain lack of death record.
- Look for Matilda Warren's death record after 1870. Age 88 in 1870 census is about 10 years too high if this is Daniel Warren's wife.
- Look for Leonard and/or Grace Warren after 1874. (Haven't checked Hillsdale 1880 census yet.)
- Look for Leonard Warren death record.
- Look for Grace Warren death record. (Will say whether widow or married at death. May give parents and birthdate.)

- Look for Leonard Warren land records, especially "estate of" records.
- Look for Eli Bunker before and after 1862 marriage to Catherine Sutton. Have his military record. There is no pension application.
- Look for Bunker child buried in Hillsdale; died 7 June 1864 at Detroit. Bunker given leave to take child to Hillsdale for burial.
- Look for death or divorce of William Sutton of Quincy Village after 1860. Wife Catherine Sutton could be one who married Eli Bunker.
- Look for Ezeriah and Lydia Ann (Sutton) Parmelee after their marriage. Lydia went by the name "Ann."
- Try to find Ida Parmelee, when born, who she married, and when she died.
- Try to resolve George Warren/May Sutton marriage. Either death, divorce, or annulment before 1878 or a George and May living together in 1880. Look for another May Sutton of correct age for marriage record.
- Try to find Clarence Porter/May Sutton marriage ca. 1778.

TITLE

Marriage records, 1810-1929.

PUBLICATION INFORMATION

Salt Lake City : Filmed by the Genealogical Society of Utah, 1971.

FORMAT

52 microfilm reels ; 35 mm.

NOTES

Microfilm of original records in the Cuyahoga County Courthouse,  
Cleveland, Ohio.

CONTENTS

The general index is by volume then first letter of surname and then  
first letter of given name. The index for volumes 37, 47, 57, 67, 87, 98,  
103, 118 and 136 are in the bans index and not in the regular index.  
The individual volume indexes are to groom only thru v. 18 and then  
to both brides and grooms after that.

Volumes 1-18 are basically marriage reports only. Beginning with volume  
19 it includes license and report. Dates are mixed before volume 50  
but beginning with 50 are arranged basically by date of issuance of  
license. Bans are included in all volumes before volume 22 but  
beginning with that volume are marked as bans and are generally found  
at the end of the volume. Beginning with volume 37 the bans are  
found in separate volumes. These bans are marriages that are  
performed on the basis of bans and are not the bans themselves.  
Beginning with volume 48 a different form is used which provides more  
information.

Dear Mr. Porter,

Thank you for your correspondence of December 21, 1994. It was forwarded to us by the Stark County Probate Court as we have the early courthouse records in our collection.

The indices to the Stark County probate and will records don't show a Lemuel STOKES or a Daniel WARREN. Neither do the Stark County Cemetery Records 1809-1900. I also checked the book Ohio Wills & Estates to 1850: An Index by Carol W. Bell. Again, there was no Lemuel STOKES. There was one Daniel WARREN in Licking Co. whose will was probated in 1844. You might contact the Licking Co. Probate Court to see if this is the one you want.

Enclosed is a copy of the marriage record you requested for Daniel WARREN and Matilda STOKES. Also enclosed is a photocopy requisition form for the record. Please sign the form, and return it to me with a check made out to the library for the proper amount.

I hope this will help you. If I can be of any future assistance, please let me know.

Sincerely,

*Lauren K. Landis*
