He died at the home place in 1898 and was buried in the Hamilton Cemetery. His wife now 84 years of age still lives on the farm, which she and her husband settled on when they came to Mo.

M.M. (Marion Madison) McQuerry got his education at public school and in 1888 he began farming near Mt Moriah, Mo. He remained on the same farm 12 years. Then he moved to Bethany Township where he in 1900 bought 159 Acres. He kept this farm until 1918, when he sold out and moved to Bethany. For two years he dealt in the Real Estate business, since that time he conducted a Taxi business in which he was very successful. APPALLING AND DISTRESSING RAILWAY ACCIDENT FRIDAY

Two Members of McQuerry Family Killed at Crossing South of Ridgeway
Boy Aged Four Completely Decapitated--Mother of Boy So Badly Injured
she Died Two Hours Later

One of the most appalling and ghastly accidents ever recorded in this county occurred one and one-half miles south of Ridgeway last Friday afternoon. Mr. and Mrs. M. M. McQuerry, and two children Cally, a bright little boy of four, and Lois, a girl of seven who had been visiting relatives and friends in the vicinity of Mt. Moriah and Modena, were returning to their home about six miles southwest of Bethany, having come through Ridgeway. It was between one and two o'clock in the afternoon, Friday, August 15th, and Mr. McQuerry was driving a team of mules to a spring wagon, and as he approached the railroad crossing about a mile and a half south of Ridgeway, a very dangerous crossing on account of the orchard and hedge between the public road and the railroad, the south-bound passenger train thundered along at a rate of thirty-five miles an hour, and just as the team had cleared the track, the powerful engine crashed into the spring wagon.

The mother and two little ones must have been sitting in the rear seat, as they were either ground beneath the ponderous wheels of the swiftly moving train, or hurled into the air like egg shells. Little Cally, the baby boy, aged four years, suffered a complete decapitation, the head being cut off as smooth as if it had been done with an ax. Besides the head being cut off, the right arm was severed at the shoulder and also cut in twain at the elbow, and the right leg below the knee was ground into a pulp. The little skull was crushed, but the features were not in the least mangled, there being only a slight bruise noticeable on the right temple.

Mrs. McQuerry was not killed outright, but died an hour or so after reaching Bethany. Her injuries were internal, besides both limbs being cut off from which the loss of blood was perhaps sufficient to cause death alone. The little girl Lois, escaped with a badly broken limb, and some minor bruises and is getting along as well as could be expected. It seems that Mr. McQuerry was just past the death line when the locomotive struck them, and he was thrown out of harms way, receiving only some slight bruises, besides being severly jarred and for the time being stunned.

After the horrible accident, the train stopped and the passengers assisted in putting the dead and wounded in the baggage car and they were brought to Bethany, where medical attendance which had been telephoned for and was waiting at the depot to do everything possible for the wounded, but in spite of their skill, Mrs. McQuerry soon passed into the great beyond, to again hold her baby boy in her loving mother arms.

We will not attempt to describe the sight, as we viewed mother and little son in the Prentiss undertaking rooms, both cold in death and only a few hours before so full of life and vigor, but we will say, we sincerely hope it will never again be our lot in life to look upon a scene like that was. But after an all nights labor the undertaker and wife, prepared the bodies for public view in accordance with the wishes of the sorrowing husband and father and by six o'clock the next morning the transformation was truly wonderful. The little baby boy lay as if asleep, attired in a pretty black velvet burial suit, the little body resting under a beautiful canopy of spotless white lace, while the _____ mother was resting near as if to watch her darling boy.

Sunday morning the funeral cortege slowly wended it's way to the eastward and during the early afternoon the mortal remains of mother and son were tenderly laid to rest in Hamilton cemetery, in Mercer county, the childhood home of both, Mr. and Mrs. McQuerry. The sad occasion was witnessed by one of the largest funeral gatherings ever held in this part of the state. In death, as in life, Mother and baby boy sleep together, both being buried in one grave.

The mother who was so suddenly removed from the family circle was 44 years of age, Three or four other children, mostly grown, and the desolate and bewildered companion and father have the most profound and sincere sympathy of all the people of this entire community, in this the hour of their terrible sorrow.

The crossing where the terrible and shocking accident happened is a very dangerous place, several other accidents having taken place there in the past. It is the same crossing where Mr. and Mrs. Hallock, were so badly injured a year or two ago, while crossing in an auto. For the sake of human life, the obstruction to vision along the railroad at that point should be immediately removed.

CORONER'S INQUEST

A coroner's inquest was held at the court house Monday afternoon to determine how the little McQuerry boy came to his death. The jury decided that he was killed by a Burlington passenger train on the 25th day of August, 1911.

IN MEMORIAM

Mrs. Martha McQuerry

Martha Jane Miller was born October 31, 1867. and died August 25, 1911 in Bethany, Mo., aged 43 years, 9 months, and 24 days.

Was married to M.M. McQuerry in Mercer County Mo., Nov. 22, 1885. To this union seven children were born, as follows: Nettie McQuerry, Neva, wife of B. W. Garton, of Hutchinson, Kan., James, Charlie, Harley, Lois and Cally McQuerry.

Mrs. McQuerry was a member of the Baptist church and lived a consistent christian, practicing her religion in her daily life. She was a noble, woman, pure in heart, a loving wife and an ideal mother. Of a happy disposition she readily made friends and was loved by all; especially will she be missed by the young people for they loved her for her sweet ways and graces of character, and her untimely death is sincerely mourned by them. She was noted for her kind-hearted, neighborly ways, and was honored and respected by all who knew her best.

LITTLE CALLY

Cally, youngest child of M.M. and Martha Jane McQuerry was born near Bethany, Mo., July 24, 1907, and died Friday, August 25, 1911, at the age of four years, 1 month and 1 day.

For four bright sunny years had Cally not only been the joy and comfort of the home, but his sweet childish presence brought a wealth of sunshine and happiness into the lives of the entire neighborhood. The baby in the home, in a family of several children, he was petted and loved, the pride of each one. He was the constant companion of Lois, the older sister, who as yet has not been informed that both her Mama and baby brother have gone from her forever.

The untimely death of one so young is indeed sad, but above it comes the comforting thought that the gentle child did not realize the pain, that he is now spared earth's cares and sorrows and his memory will form another cord to draw his loved ones to the brighter home beyond.

THE FUNERAL

The funeral party left Bethany Sunday morning for the Hamilton Church in Mercer county. It was in this neighborhood near the church that both Mr. and Mrs. McQuerry were reared; and there, as in their Harrison county home, their friends are legion.

The funeral sermon was preached Sunday afternoon by Rev. Harper, assisted by Rev. Dodson. At least one thousand people were present; a sympathetic congregation, who by tears and every act in their power tried to lighten the sorrow of the afflicted family.

The grave had been lined in white, festooned with black and white draperies, and in the one grave were buried the bodies of mother and child; two lives so suddenly snatched from loved ones and who only a few hours before were in the bloom of health, with the promise of long life and happiness.

TO MCQUERRY FUNERALS

Among those from out-of-town called here to the sad death of Mrs. M.M. McQuerry and little son were Mrs. Boyce Garton, a daughter of Mrs. McQuerry, of Hutchinson, Kan., Mrs. Frona Place, a sister of Mrs. McQuerry of Gallatin, Mrs. Emma Clark of Kansas City and Mrs. M. C. Poindexter of St. Joseph, the two latter being sisters of Mr. McQuerry.

DEATH CAME UNHERALDED

Cally McQuerry Killed by Train His Mother Dies From Injuries

We have this week to chronicle the saddest accident that has happened in this county since the Clipper started, nearly six years ago; an accident that has brought great sorrow to one family, depriving them of wife and mother and the baby of the home.

M.M. McQuerry, who lives about three miles southwest of Bethany with his wife, daughter Lois, seven years old, and little son Cally, four years old, were returning from a visit with the Wm. Goodwin family near Mt. Moriah. They were driving a mule team, hitched to a spring wagon. Mr. McQuerry and Lois were seated in the front, and Mrs. McQuerry and the baby boy in the back seat. When passing the Harding crossing near the Neff farm, $1\frac{1}{2}$ miles southwest of Ridgeway, the wagon was struck by the engine of the southbound passenger train. Mr. McQuerry and Lois escaped death by being thrown from the wagon, but Mrs. McQuerry and the little boy were hit by the engine and their bodies carried several feet on the pilot. The little boy was instantly killed; his arm was cut off and his head severed from the body, and he was terribly mangled. Mrs. McQuerry's body was also terribly bruised and mangled, and one limb was cut off. Little Lois suffered a broken limb, and she was badly bruised. Mr. McQuerry was unconscious for several minutes but suffered no broken bones.

The engineer applied the emergency brake and reversed the engine, made the stop in six car lengths. Friends assisted the trainmen in caring for the dead body of the child. Mrs. McQuerry was placed on a cot, and with her husband and the injured child, were brought to Bethany, where doctors were summoned and every attention given the suffering ones, but Mrs. McQuerry lived only about two hours: her death occurred at the Rudy hotel, north of the depot.

The two bodies were taken to Prentiss undertaking parlors, where they were prepared for burial, and were kept there until the funeral party, with the two hearses, started on the sad journey Sunday morning.

The little girl is being cared for by friends at the Rudy hotel, but on account of her nervous condition, the doctors have not yet allowed her to be informed of the death of her mother and brother. She seems to be doing nicely, and hopes are entertained of her recovery.

We often read of such accidents; glance over the head-lines and

think no more about them. But when they come so near home, and our friends are victims, how much harder it seems. Only those who witnessed the accident can know of the feelings of that husband and father; in the presence of death, his wife dying and with the injured child. Not many could have been so brave as was he, though crushed with grief, and suffering from nervous shock from which he will probably never recover. Seeing the bodies carried from the train as tenderly as could be under the circumstances by the trainmen is a scene we can never forget.

Coroner A. C. Bonser held an inquest Monday afternoon, in regard to the death of Cally McQuerry. J. C. Henry, of Blythedale; Olin W. Hughes, the engineer on the train the day of the accident, also J. F. Hickman of Ridgeway, were examined, and the verdict of the jury was that the boy came to his death by being run over by a train.

M.M'QUERRY SUICIDES

Takes Life by Hanging as Family Attends Church

Despondency Over Stroke Suffered Six Weeks Before Believed to
Have Been Cause.

M.M. McQuerry, 63 years old, retired farmer and for several years, a driver of a service car here, committed suicide by hanging late Sunday forenoon at his home at the corner of Oakland avenue and North Twenty-fifth street. Despondency over the condition of his health is believed to have been the cause. He left no note that has been found.

Mr. McQuerry lived with his son-in-law and daughter, Mr. and Mrs. Ed Norton, in a fine residence that he built only a few years ago. He was a widower, his wife having lost her life 15 years ago when a vehicle in which the family were riding was struck by a passenger train at a crossing south of Ridgeway.

About six weeks ago he suffered a slight stroke of paralysis and was slow in making a recovery. His right side was affected. Remaining close at home since that time, he had spent much of his leisure hours across the street east, at a filling station operated by Warren Bolar. During the three or four days next preceeding his death it had been noticed he seemed morose, and while he would talk if spoken to, he spent long periods of time in silent thought.

Sunday forenoon, Mr. and Mrs. Norton left the McQuerry home to attend Sunday school and preaching services at the Methodist church. Some time after 10:00 o'clock, Warren Bolar saw him going from his house to the barn, a short distance north of the residence. At the same time, James Thomas drove by from the north and called a greeting to McQuerry just as he was entering the barn, receiving a response. Thomas said this was at 10:30 o'clock. This was when he last was seen alive.

Services at the Methodist church were late in closing Sunday, and Mr. and Mrs. Norton did not reach home until about 12:20 o'clock. Failing to see her father about the house, and knowing his late habit of spending much of his time at the filling station, she called Bolar to know whether he had been there. When she found he had not, she became alarmed, and Norton and Bolar commenced a search of the premises.

At that time the fear was that Mr. McQuerry had had a second

stroke, although Mrs. Norton said that she, also, had noticed her father had been acting queerly for several days.

Norton and Bolar entered the barn and had looked about the ground floor, when Norton climbed part way up a ladder leading to the loft and saw the body of his father-in-law hanging from a rope that was suspended from a rafter at the west end of the building. It was at once apparent he was dead, and Dr. E. F. Harding, coroner, was notified.

Circumstances showed that Mr. McQuerry had entered the loft of the barn and had climbed to the top of a row of stacked bales of straw, carrying with him a strong rope that had been used to tether a cow. A ladder had been set up against the bales, which were four or five deep. Although somewhat enfeebled from the effects of the recent stroke, he had been able to drag one bale up to place it on top of the others, so that he would stand higher. The rope had first been fastened to a rafter in a corner of the barn, then passed by another rafter before being tied with a double hitch to a third, in front of the straw bales. With a noose made in the end of the rope, and it slipped about his neck. Mr. McQuerry had stepped from his position into space. Death, it was said by physicians who examined the body, had come through strangulation. The body was out about two feet from the sides of the straw bales from which he had stepped to his death.

Bolar said he had not even considered the possibility that Mr. McQuerry could climb the ladder into the loft, in his then physical condition.

His pockets did not contain any notes to members of the family, and a search made of his room did not reveal that any had been left there.

Short funeral services were held here from the home at 10:00 o'clock this forenoon. This afternoon the body will be taken to the Hamilton church, east of Mt. Moriah, where services will be conducted by the Rev. W. O. Dotson. Burial will be at the Hamilton cemetery.

OBITUARY

Marion Madison McQuerry was born in Hancock county, Ind., December 2, 1863, and departed this life at his home in Bethany, Mo., May 8, 1927, aged 63 years, 5 months and 7 days.

He was of a family of six boys and six girls, seven of whom survive him: John William of Hamlin, Kas., who was unable to attend the funeral; Jacob H. and James A., of Modena, Mo.; Callie Winfield, Spickard, Mo.; Mrs. Mary Crow, Napier, Mo.; Mrs. Emma Clark, Kansas City, and Mrs. Jane Johnson, Vinita, Okla. The latter was not able to be at the funeral.

Mr. McQuerry came to Mercer county, Mo., with his parents when about two years of age and moved to Harrison county about thirty-eight years ago. He lived on a farm until about fourteen years ago, when he came to Bethany and engaged in the business of taxi driver.

He was at one time a member of the I. O. O. F. and had his church membership at the Hamilton church near Mt. Moriah, joining the Baptist church there about twenty-five years ago.

Mr. McQuerry was married in April, 1885, to Martha Jane Miller, who was killed in a railroad accident in August, 1911. Since that time he had lived with and had been cared for by his daughter Nettie.

The children of his marriage are Mrs. Ed Norton, Bethany; Mrs. V. A. Cabrall, Los Alamontis, Cal.; James M., Blythedale, Mo.; Charles, Omaha, Neb.; Harley, Bethany, and Mrs. Lois Neely, Chicago, Ill. Callie Wayne, the baby of the family, was killed with his mother at the age of four years.

The funeral was conducted at the home by Rev. W. O. Dotson. Interment was at the Hamilton cemetery. "There is no death; what seems so is transition

From this life of mortal breath to the life elysian
Whose portal we call death."

M. M. McQuerry, 63, Is Dead, a Suicide

Body of Taxi Driver Found Hanging in Barn About Noon Sunday

While his daughter and her husband were attending Mother's day services at the Methodist Episcopal church, M. M. McQuerry, 63 years old, a Bethany taxi driver, took his own life Sunday morning. His body was found shortly after 12 o'clock hanging by a rope in the upper part of a barn at the rear of his Oakland avenue home.

Mrs. Nettie Norton, the daughter, and her husband, Ed Norton, who make their home with Mr. McQuerry, started to Sunday school about 10 o'clock. They left him sitting in the living room of the home, reading a newspaper.

On their return from church about noon, they failed to find him in the house, and supposed he was at the Sinclair filling station across the street, operated by Warren Bolar. Mr. Bolar, however, said he had not been there, but remembered seeing Mr. McQuerry about the barn.

Because Mr. McQuerry had been ill with paralysis for several weeks, they were alarmed at his disappearance, thinking he might have suffered another stroke. Mr. Bolar accompanied Mr. and Mrs. Norton to the barn. Not finding him in the lower part, Mr. Bolar climbed a ladder and found the body. The rope had been tied to rafters above and Mr. McQuerry had jumped from a stack of baled straw at the side of the loft, the body swinging clear of the stack.

He had been dead about an hour when found. Dr. F. H. Broyles, who lives next door, came and helped cut the body down. Dr. E. F. Harding, coroner, was called and made a brief investigation. No note was found. Dr. Harding said Mr. McQuerry's neck was not broken, death being caused by strangulation.

Ill health is thought to have prompted the suicide. Some weeks ago he suffered a light stroke of paralysis and had been confined to his home most of the time since, although he was recovering. Having lived an active life, it is believed by some that his sudden illness and confinement caused him to brood over his condition. Worry over financial matters also may have played a part, as he was caught in one of the bank failures. His mind had not seemed to be affected by the paralytic stroke.

After the body was found, it was removed to the S. M. Haas undertaking parlors to be prepared for burial. Later it was taken to the home.

Marion Madison McQuerry was born in Indiana December 2, 1863, a son of Carry and Priscilla (Mingle) McQuerry.

Short funeral services will be held at the home at 10 o'clock this morning, conducted by Rev. W. O. Dotson. At 1:30 this afternoon another service will be held at the Hamilton church, southeast of Mt. Moriah, in his old home neighborhood, where a number of relatives now live. Burial will be in Hamilton cemetery.

Mrs. Mary A. Sims

Obituary

Funeral services were held Thursday, Nov. 20 for Mrs. Mary A. Sims, from the Brule Congregational Church at 2:30 p. m. She had died on Monday, Nov. 27, at the Perkins County Community Hospital, two months.

The Rev. E. Arthur Winkler officiated at the services. Music was furnished by Mrs. Clifford Kuskie and Mr. Elmer Cole, who sang, "Oh, Master, Let Me Walk With Thee," and "Abide With Me," accompanied by Mrs. Avon Larson, organist.

Casket bearers were all grandsons: William Engel, Harold Engel, Fred Engel, Gerald Engel, John Dunwoody and James Peters.

Interment was in the Brule cemetery with the Draucker Funeral Home in charge of arrangements.

Mary Amelia Sims was born to Henry and Amelia Freitag Breder, in Lemgo, Germany, on Sept. 7, 1874. She came to the United States with her family when she was 12. The family first settled at Paxton, and moved the following year to Madrid, where they were among the very early homesteaders.

She attended the Trinity Church school and was confirmed in Trinity Lutheran Church north of Grant on March 30, 1890. She was married to John Wesley Sims Sept. 28, 1892, in Ogallala at the home of Mr. and Mrs. Edwin M. Searle Jr., sister of Mrs. Sims.

Nine children were born to this union. Four of them, two sons, Fred and Gus, and two infant daughters, preceded their mother in death.

Mr. and Mrs. Sims made their first home eight miles north and two miles east of Madrid, where Mr. Sims took out a homestead. They lived on this homestead for three years. In the late 90's when the drouth came, they moved to Kansas to try to make a better livelihood, but the water there was so bad they moved back to South Bend, Nebr., where Mr. Sims went to work on the railroad.

The family then moved to Ogallala, where Mr. Sims worked seven years as foreman on the Searle Ranch, before moving to Brule.

Mrs. Sims joined the Congregational Church of Brule when the family moved to that community, and remained a member until her death. She was an active member in the Brule Womans Fellowship as long as her health and age permitted.

Mr. and Mrs. Sims celebrated their 50th wedding anniversary on Sept. 28, 1942, and had been married almost 58 years at the time of Mr. Sims death in 1950. Since that time she made her home with

HARLIE WARD McQUERRY

Harlie Ward McQuerry, son of Marion Madison and Martha Jane (Miller) McQuerry, was born August 13, 1895 on a farm south of Mt. Moriah, Harrison County, Missouri. He departed this life on February 9, 1985 at Crestview nursing home, Bethany, Missouri at the age of 89 years, 5 months and 26 days. Harlie was the fifth of seven children. His boyhood days were spent on the farm helping his father. He attended country school at Wooderson south of Mt. Moriah and Mitchelville south of Bethany.

Early in life Harlie worked as a farm hand. He met his wife to be Ruth R. Utterback and was united in marriage on April 3, 1916.

To Harlie and Ruth six children were born. Marjorie who died in infancy; George who gave his life for his country in World War Two; Wilma, Eagleville, Mo., Everet, Ridgeway, Mo., Lois, Columbia, Mo. and Vernon, Overland Park, Kansas. Harlie continued his profession of farming until the year of 1943 when he began working for the Burlington Railroad. He pursued railroading until his retirement in the year of 1960.

Harlie's father was very proud of his son's ability in foot racing, often entering him in contests on the streets of Bethany where foot racing was quite a sport in those days. Harlie remained agile throughout his life running races with his children and grandchildren. At the age of eighty plus he could still turn backward somersaults for his great grandchildren.

He was a member of the United Methodist church of Ridgeway.

Preceding Harlie in death besides his two children was his beloved wife Ruth, his parents; brothers, Jim, Charlie and Calley; sisters, Nettie Norton, Geneva Gillis and Lois Berry, two grandsons, Johnny and Danny McQuerry and one great grandson, Ricky Campbell.

Those who mourn his passing include his children, Wilma Slaughter and husband, Ronald, Evert and wife, Lois, Lois Provin and husband Jack, Vernon and wife Patty, fourteen grandchildren, eighteen great grandchildren and two great, great grandsons, other relatives and friends.

We will all dearly miss Harlie's warm personality and witty sense of humor.

Services were held at the Methodist church in Ridgeway at 1:00 o'clock Tuesday afternoon February 9, the Rev. Cesar Paniamogan officiating.

Julie Gibson accompanied Don Milligan while he sang "When The Roll is Called Up Younder" and "That Silver Haired Daddy of Mine." Casketbearers were grandsons Jason and Stephen McQuerry, Mike and Marty Provin, great grandsons, Kirk Emig and Greg Hale. Burial was at Cedar Hill cemetery at Blythedale, Mo., with the Provin Slaughter mortuary in charge.

Spence (DD-512) was laid down on 18 May 1942 by the Bath Iron Works, Bath, Maine; launched on 27 October 1942; sponsored by Mrs. Eben Learned; and commissioned on 8 January 1943, Lt. Comdr. H. J. Armstrong in command.

Spence conducted her shakedown cruise out of Guantanamo Bay from 8 to 28 February. She then served as an escort in the Atlantic and Caribbean and had convoy duty in the Casablanca area in April. She was routed to the west coast and, on 25 July, got underway from San Francisco for Pearl Harbor.

Spence sortied with TG 58.4, the fast carriers, on 6 June, to attack the Mariana Islands. As aircraft struck the islands, the destroyer moved in and bombarded enemy positions on Guam and Saipan. The planes attacked Iwo Jima on the 16th and then returned to pound the Marianas. Spence participated in the "Marianas Turkey Shoot" during the Battle of the Philippine Sea on 19 and 20 June. On 23 and 24 June, aircraft bombed targets on Guam, Saipan, and Tinian. The destroyer conducted shore bombardment against Rota, Saipan, and Guam from 26 June through the end of the month setting fuel tanks afire and sinking two sampans on the 27th.

Spence replenished at Eniwetok in July and, on 4 August, sailed for the California coast via Pearl Harbor and arrived at San Francisco on 18 August. She was drydocked all of September and, on 5 October, sailed for Pearl Harbor and the Marshalls. She arrived at Eniwetok on 31 October and was ordered to Ulithi in early November where she was assigned to TG 38.1, the Support Unit for the fast carriers of TF 38. She screened the carriers in Philippine waters as they launched attacks against Luzon during November and the first part of December.

On 17 December, Spence prepared to refuel and pumped out all of the salt water ballast from her tanks; but rough seas caused the fueling operation to be canceled. The next day, the weather worsened and the storm turned into a major typhoon. As the ships wallowed in canyon-like troughs of brine, Spence's electrical equipment got wet from great quantities of sea water taken on board. After a 72 degree roll to port, all of the lights went out and the pumps stopped. The rudder jammed; and, after a deep roll to port about 1100, Spence capsized and sank. Only 24 of her complement survived. Hull (DD-350) and Monaghan (DD-354) were also sunk in the typhoon. Spence was struck from the Navy list on 19 January 1945. Spence received eight battle stars for World War II service.

BIOGRAPHY

Joan Rae McQuerry was born on November 30, 1942 in Blythedale, MO to Nellie June Estep and George Pershing McQuerry. She passed away in San Diego, CA at the home of her daughter Kellie on February 16, 2010.

Her father was killed in World War II on December 18, 1944 and her mother married Clarence Shain in May 1946. The family moved to Yakima, WA in 1947 where Joan started school but the family returned to Missouri in the winter of 1949. Joan attended several different schools but was an excellent student and enjoyed sports. In her senior year, the family moved to Denver, CO but Joan wanted to complete high school in Missouri so she remained and stayed with her grandparents in Ridgeway. At Ridgeway High School she made many friends, played basketball, worked on the yearbook, and was voted Homecoming Queen, Best Figure and Peppiest.

After graduating high school in 1961, Joan attended Platt Business College in St. Joseph, MO and graduated with a certificate in Business Skills. She worked in St. Joseph until she married Scott Sittner a few years later and had daughter Teresa in March of 1964. She divorced Scott Sittner in 1966 and later began working in marketing at Folgers Coffee in Kansas City, MO. She earned a top salary for female workers at the time. It was at Folgers that she met and married Larry Huse in the spring of 1972. Daughter Kellie was born in July of 1973 and the family moved out to San Diego in 1975 to be near Larry's family. In the late 1970's, Joan began taking classes toward her Bachelor's Degree at San Diego State, but after divorcing Larry in 1979, left school to work full time.

During all of the 1980's and until 1993, Joan worked full time as an Office Manager/Bookkeeper at various construction companies, a position she enjoyed due to the laid back office attire (she hated wearing business clothes) and casual environment. In the spring of 1993, with the construction industry in a recession, the company Joan was working for closed its doors.

In the summer of 1993, at age 50, Joan returned to Missouri. In

1994, she moved to Springfield and in 1995 bought a home in Bruner, a small town outside of Springfield. The home was on a large lot that provided ample room for gardening, which was her passion. In early 1997, she began working for the State of Missouri at the Department of Drug and Alcohol Abuse. She returned to school at Columbia College to complete her Bachelor's Degree and graduated in July of 2000. About a year after graduation, she temporarily moved to Carrolton, MO to work as a social worker in a boys home but returned to Springfield about nine months later to begin working for Taney County with foster kids. Until her re-diagnosis of cancer in late 2007, Joan worked as a social worker in various capacities, from foster kids, to nursing home patrons to working as a youth career counselor, the position she was in when she left work permanently to focus on her health. She loved working with all age groups and enjoyed helping as much as she could. While working at a Christian County nursing home, she was voted "Favorite Employee" by the patrons due to her level of care. Joan enjoyed several vacations in the last 20 years, namely her trip to England/Scotland in June of 2000 where she visited the Isle of Ulva, the origin of the Clan MacQuarrie. She also got to partake in "afternoon tea", a ritual which she loved. In the fall of 2006, she and daughter Kellie took a walking tour of central Vermont which consisted of walking from inn to inn through forests of trees with their fall colors. One of Kellie's main memories of her mom on that trip was how much ice cream Joan ate.

Finally, Joan loved spending time with her grandkids. It was important to her to be a part of their lives in any which way she could.

She is survived by her children; Kellie and Teresa; mother, June Shain; brother; Doug; 2 sisters, Virginia Lea and Kay; and six grandchildren: Morgan, Kellie, Storm, Shadoe, Kianna and Jesse. Funeral Services will be 2:00 p.m. Saturday, February 27 at Roberson Funeral Home, Bethany, MO. Burial in the Hamilton Cemetery, Princeton, MO. There is no scheduled family visitation. Friends may call at the funeral home after 9:00 a.m. Saturday. Online condolences may be left at www.robersonfuneralhome.com.
