Dear Virginia,

I have spent 10 hours doing an area search. The Research Log shows the towns and film #'s checked. These parish records include all the small villages in the area.

I found some new information, but not as much as I would like to. Everything that looked as though it could be helpful, I wrote out. You will see that the Bernhard family came from Switzerland, and probably the Nies family also. We have no microfilmed records of Kanton Bern. I am sure others came from Switzerland also. The Alsace - Lorraine area was totally devastated after the 30 Year War. Swiss emigrants came to settle it and build villages again.

I followed the Jacob Haas lineage a generation to see if he comes together with your Haas line. At this point it hasn't.

For historical information you would have to write to the civil offices of each town, I am sure they have books. But it would be in French.

I keep the Hirsch problem in mind. The retainer of \$100.00 and left over \$35.00 from your visit here has been worked off. At this point there are \$15.00 to be paid.

I hope Harold can come up with something on the Sommer line. Have fun at your reunion.

Sincerely yours,

  
Trudy Schenk

P.S. I added the new info on the pedigree charts and family group sheets.
