Dear Madam

I examined the Will of your late husband and find that he gave to you all of his real estate and there is no doubt as to your right to sell and convey it and give as good a title as he could have given at the time of his death. I can not find however that the records of the Court show any Election to take under the Will. I may have overlooked it - You have one year from the time you are served with a Citation in which to appear in Probate Court and make your Election whether to take under the Will or the law. The record does not show any Citation. If none was issued you can appear in Probate Court at any time and elect to take under the Will. If you were notified and did not elect then you can Petition for an order to sell

to house-keeping on the Andre farm, formerly known as the Hurd farm, at lot 24 in the French Grant. He lived there all his life.

His eldest son was Wayne W. born May 14th, 1852. He was married in 1876 to Margaret J. Boren, a native of Iowa county, Iowa. They had four children. He died at the age of thirty-eight years.

The second son of Peter Andre is Orin C. Andre, a physician at Waverly. He was born April 25, 1856. He attended the common schools at Wheelersburg, until 1873, when he became a clerk for M. B. Gilbert & Co. in Portsmouth, at which place he remained a year. Then he began the study of medicine with Dr. A. B. Jones and afterwards with Dr. P. J. Kline. He graduated from the Ohio Medical College, in Cincinnati, in 1877. He first located at Buchanan, Pike county, Ohio, and practiced there one year, and then located in Pikeston where he remained until January, 1894, when he moved to Waverly in Pike county, where he has since been located. He was first married to Mary E. Sargeant, February 5, 1882. She died April 15, 1884. He was married a second time to Miss Martha J. Wessenstein, October 30, 1890. They have three children: Robert G., Harold E., and Peter D. Dr. Andre is a republican, a Royal Arch Mason, and a Knight of Pythias. He is a member of the American Medical Association, of the Ohio State Medical Association, of the Hempstead Memorial Academy of Medicine of Scioto county, of the Pike county Medical Society, and an honorary member of the Ross county Medical Society. He is a student in his profession. He patronizes its literature liberally, and keeps right up with all the modern ideas in it. He is regarded as one of the best informed physicians in Southern Ohio, and amongst the most skillful. He possesses the confidence and respect of all his medical brethren and of the community in which he dwells.

The first daughter of our subject, Ella, is the wife of John T. Wells, a rancher, of Anaheim, California. The second daughter of our subject, Ruth, has been a teacher in the Ironton high school. She has a remarkable career, having first taught at Washington, D. C., taught the languages two years at Wichita, Kansas, and in Ironton three years. The third son of Peter D. Andre was Dan Young, named for the well known minister. He lives in Dixon, Illinois. He married Stella Wilcox, December 26, 1888. He follows the occupation of a photographer. The third daughter, Elonia, is a teacher in the Detroit High School. Her subject is Zoology. She has been engaged there for six years.

Peter D. Andre was a member of the Methodist church all his life. He lived up to it, and was a man noted for his conscience. He was superintendent of the Sunday school near his home for many years. In his political views, he was a whig and a republican. He did not belong to any fraternities. At one time he was township trustee. He was highly regarded by all his neighbors.

Though not an emigrant himself, Mr. Andre embodied in a high degree the emigrant spirit,—that spirit born of ambition, energy, thrift, and high ideals, which inspired the great body of pioneers with a desire to better themselves in every moral and material way. It was this spirit, sustained by an iron will to meet and overcome all obstacles, which raised the average population of this country to the highest plane of any civilization which the world has yet seen. Mr. Andre exemplified these qualities as shown in his model farm, his successful management, his beautiful home, the esteem of his fellow citizens and transmitted them in an unusual degree to a respected and talented family of children.

Frank Appel

was born September 15, 1868. His parents were Theodore and Mary E. (Brant) Appel. His mother was the daughter of Joseph H. Brant of Lucasville. Our subject received a common school education and graduated at the Ohio Wesleyan University in 1894, in the classical course. He began teaching in 1885, in Jefferson township and taught there and in Clay township until 1891, when he was appointed superintendent of the Lucasville schools. He remained there two years, and in September, 1894, went to Wheelersburg, where he was superintendent until 1895. In June, 1899, he went to Pikeston and was superintendent of the Pikeston schools until January 1, 1900, when he was appointed superintendent of the Ludlow, Kentucky, schools and has been there since.

field with him. One night near Chillicothe, on the Scioto river bridge, his engine collided with the hind-end of a freight train, the lights of which had frozen out. His engine plowed through this train and was badly wrecked and he didn't get a scratch. He has always remained at his post ever mindful of the lives behind him. His fastest run was on the main line when he made 110 miles in 1 hour and 30 minutes. He has a remarkable record. His engine has killed two men only. Both of them were walking on the track and one was a deaf mute. He ran over a woman at Wait's station. She was a deaf mute.

He was married February 21, 1862, to Mary E. Clark, in Bigelow chapel, the second marriage which occurred in that church. His children are: William Shackleford, a General Press Agent and Grace C., a music teacher. He moved to Portsmouth in 1856 and has lived there ever since. He resides at 64 west Seventh street and has resided there for thirty-eight years. He is a member of Bigelow chapel and has been since 1868. He voted for Steven A. Douglas for President in 1860, and for Abraham Lincoln, in 1864, and has been a Republican ever since. Mr. W. C. Draper has known him since 1863 and says that he is as reliable as the government and can be depended on with the same certainty.

He is as regular in his habits as his father's old clock which he has owned for thirty-eight years. He is sixteen years older than the road he has worked on since 1853. The road has changed owners five times since that date but Balser was sold with the road-bed and franchises every time. At the age of sixty-five, he is hale and hearty, has a good conscience and good digestion. Each week day he goes to Hamden Junction in the morning and returns in the evening. He is always in his place at church every Sunday. When the Good Angel who is sent to bring mortals to the Better Land, calls for Balser Andres, he will know just where to find him, for he will always be found at the same place, the same hour each day, and doing his duty all the time.

George Brinton McClelland Andre, M. D.,

of South Webster, was born in Powellsville, Ohio, June 18, 1864. His father was Peter Andre and his mother's maiden name was Mary L. Huston. They now live on a farm in Vernon township near Chaffin's Mill.

Dr. Andre's boyhood history is much the same as that of any other boy who was raised on a farm. He was very fond of horses and even now has his roadsters and takes great delight in driving. He attended the common schools and prepared himself to teach. He began teaching in 1885 and taught for seven years. He then attended Miami Medical College from which he was graduated April 1, 1897. Doctor Andre soon after began the practice of medicine in South Webster, where he has since resided. He has built up a lucrative practice and is a promising young physician. He was married to Miss S. A. Gifford, November 7, 1901. Her parents live on their farm in Vernon township. Doctor Andre is and always has been a democrat. He is not a member of any church, but is straightforward, honest and energetic. His many friends will best remember him as a "threshing machine man," having traveled over Pike and Scioto counties several summers with machines from 1888 to 1897. He is very ambitious to succeed and has already won the confidence and esteem of the citizens of Bloom township and has shown rare skill in his profession. He is possessed of a cheerful disposition which he takes with him in the sick room. He is a member of the Western Sun Lodge F. and A. M. No. 91 located at Wheelersburg and of South Webster Lodge, Knights of Pythias No. 724. He has the highest standing for morality and integrity.

Peter Duteil Andre

was born September 24, 1825, in the French Grant. His father was Jacob Andre, who was born July 23, 1797. His father married Jane Duteil, in 1822. She was born May 17, 1804, and a daughter of Francis Charles Duteil, a French emigrant, who drew lot 32 in the French Grant. Peter Andre grew up in the French Grant, and had such an education as the schools of the vicinity afforded. He married Nancy Caroline Tong, February 6, 1854. He went

—Died at his residence, in Wheelersburg, Scioto county, Ohio, Oct. 23, 1883, Frances Andre, in his 78th year. Mr. Andre was born near Powellsville, this county, April 6th, 1806. Was married April 1st, 1830, to Miss Sophia Dutiel, who survives him. After over fifty years of married life, we feel to sympathize with his aged companion in her bereavement. But, "He who sitteth on the throne," and, "doeth as He will in the armies of Heaven, and among the the inhabitants of the earth." Doeth all things well, and when—

The sands of life are run,
The Savior bids us come,
We'll lay our heavy burdens down
And rest—at home.
