

until his defeat, when they were stationed on the railroad in guard and patrol duty until March, when the command was ordered to proceed to connect with the army in Virginia, and they were on their route thither at Jonesboro when Lee surrendered. As soon as this intelligence reached them, orders were issued for a return and they went to Nashville, where they were ordered to New Orleans. In June they started for Texas, landing at Indianola, and went thence to Green Lake, where the men were seriously poisoned by the water. They next made a long and painful march to San Antonio, where they were mustered out Nov. 24th and returned to Madison for final discharge.

Mr. Gatz returned to Little Prairie and in 1874 removed to Palmyra, where he has since been a resident. In 1869 he was married to Mary, daughter of John Chuckenbergh, a native of Germany and a resident of East Troy. Her parents are farmers and are living at Eagle. Mr. and Mrs. Gatz are the parents of seven children, named Emma, Frank, Bertha, Mary, John, Louisa and Edward.

JOHN T. DAVISON, Platteville, Wis., Deputy Sheriff of Grant county, member of G. A. R. Post No. 66, was born at La Fayette, Tippecanoe Co., Ind., June 3, 1830. His father, Jacob Davison, was born in Yorkshire, England, and came to America in youth. He settled in Chillicothe, Ohio, where he married Susan Oldes, a native of Germany, who came to America in childhood with her parents. The senior Davison lived some years in the Buckeye State, removed to Indiana and himself and wife died at La Fayette. Only two of 18 children reared by them are living, the sister of Mr. Davison being Mrs. Lucinda Gregory of Platteville. His only brother was a

captain in the 118th Illinois Infantry and returned on sick leave to his home, dying 24 hours after arrival. Mr. Davison was in boyhood when his parents died, he being next to the youngest child in order of birth. As was the custom in those days, he was bound to a Mr. Cleaver and was, soon after, placed with a Mr. Perkins, with whom he remained several years. He was then bound to a man named Matthews, with whom he lived four years after which he went to work as a mason and cooper, alternating these employments in winter and summer. Feb. 24, 1849, he first made acquaintance with Platteville, where he operated at his trades. He is also a miner and prospector, having employed laborers in mining for 35 years.

In August, 1864, he enlisted in company B, 43d Wisconsin Infantry, being made Sergeant of his company and was mustered at Milwaukee. The regiment was sent South and assigned to the 4th Army Corps, expecting to make the march to the sea with Sherman, but the plan was frustrated by Hood, Johnsonville, Tenn., the base of supplies for Union troops, being menaced by the rebel chief. The regiment was detailed for the defense, and was subjected to continuous shelling by the rebels for 48 hours. Hood withdrew (after his troops had destroyed the Union gunboats and stores at Johnsonville) to Nashville, whither the 43d Wisconsin followed about the last of November, 1864. The march was an exceptionally hard one, being through almost unbroken wilderness. About the first of January, the regiment went to Dechard, Tenn., and several companies, including Company B, engaged in guarding railroads, in patrol duty, protecting citizens and fighting guerrillas. In June they returned to Nashville to be discharged and Mr. Davison received his release from military obligations at Milwaukee in July, 1865. He re-

turned to Platteville, in enfeebled health, chronic diarrhea having set in about the time of his discharge. (He was the only man of his regiment who was able to do duty every day of his period of service.) He has never wholly recovered from the disease, and, in 1887, had the misfortune to lose his left eye while at work on the city hall in Platteville, and at the same time he broke his left arm. He has acted as Constable 17 years and is serving the fifth year as Deputy Sheriff. He is still engaged in mining for lead, which he has found a profitable investment.

He was married at Platteville, June 29, 1851, to Emeline, daughter of John and Elizabeth (McFall) Angestine. Her parents were natives of Ohio. Mr. and Mrs. Davison have had 12 children, two of whom died in infancy. The survivors are named Susan, David, Jacob, William, Edith, John, Cassie, Fannie, Vye and Stella. Mr. Davison is a member of the A. O. U. W., and is one of the highly respected citizens of Platteville; he is still active and in full vigor of life, showing no signs of encroaching age.

HARLES W. GULLIFORD, grocer at Reedsburg, Wis., a member of G. A. R. Post No. 18, was born June 22, 1842, in Girard, Erie Co., Pennsylvania, whence his parents, Daniel and Melissa (Johnson) Gulliford, removed to Sauk Co., Wis., locating on Sauk Prairie, seven miles south of Baraboo, in 1846, two years before Wisconsin was a State and at a time when the reign of first things prevailed. Eight years later the family removed to Westfield in the same county, where the father still lives on a farm, aged more than 78 years; the mother died there Feb. 28, 1877, aged a few days more than 61 years. Of their nine children five are deceased; the survivors,

## SMVGS PRESIDENT'S MESSAGE

I am sitting here at the computer attempting to put some thoughts together and sort of introduce some of you "new folk" to me. This is not my first time around as president of the organization that is so near and dear to the hearts of us "old timers".

I joined back in 1977 or thereabouts. I was secretary first. After all, if you join an organization dedicated to a particular interest of yours, you need to give it your support and dedication. Way back then everything was pen and typewriters and phone calls (no computers or e-mail). We worked hard together; worked well with the wonderful genealogist at the Santa Maria Public Library; and had our library in the First United Methodist Church in downtown Santa Maria.

Between then and now we have had the library in a smoked filled room at Airport Auto - climbed up steps to that room on steps that no city/county inspector ever signed over as O.K. Small wonder we didn't break our necks or die from the fumes coming from the paint shop. Then we packed the books up and stored them. Many of you were with us then, and some of you have never seen the library that is all OURS. That will change - we had some insurance issues to overcome before we could move back into First United Methodist Church again.

What does all of this have to do with all of you and me? This is our Society!! Only we can make it all come together so it works. Nancy has carried the load of President, Vice President and did most of the programs. We appreciate her hard work but I plan on only doing the President's job. I need the help of each and every one of you. And we will be helping each other. In earlier years we operated on the "Buddy system" which means that every new member will be assigned to an old timer who will introduce you to Genealogy in Santa Maria and help get the new member feeling comfortable on their own. Probably the first couple of meetings will be introducing all of us to our "new" library digs.

I, and the rest of the board members look forward to serving you and encouraging each of you in your quest for family history and records. Please, in return we ask that you say "YES" when asked to take a job.

We will have many opportunities to get acquainted. Let's get started - NOW.

Best wishes and good researching!!! *Bonnie Hawkins*
