County, Ohio, and settled on land near the present site of High Hill.

This was in 1823, and of course the farm had not yet been carved out of the wilderness; but the strong arm of the father, aided by the lad **HUGH**, who was then thirteen years of age, and younger members of the family, soon subdued the forest and here the cabin was erected, here the fields were cleared and cultivated, here toil and hardship were endured and here the way was prepared for the subsequent comfortable and beautiful home.

**MR. LYONS** died many years ago, leaving a wife, seven sons and two daughters. The former survived her husband many years and died at a good old age a few years since. The two daughters and three of the sons have also gone to their rest.

The farm above mentioned is now the very pleasant home of **MR. HUGH LYONS** and a much younger brother, **JOSEPH**, and here on Thursday, September 6th, was celebrated the 78th anniversary of the birth of the former. A large company of friends and neighbors assembled, and to say that the occasion was a delightful one, would hardly be doing the case justice. Large as was the crowd the supply of cake, chicken and other luxuries and substantials was, to say the very least, proportionate. Excellent music was rendered by the High Hill Cornet band, and several appropriate songs were sung by the young people, while **MISS AMANDA IMLAY** presided at the piano. Short addresses appropriate to the occasion were delivered by **DR. LEWIS MARSHALL** of Museville, **MESSRS JOHN STEWART**, of Morgan county, and **A.L. PEIRCE** of Zanesville, and **B.A. WARNE** and **WM MCINTIRE. ESQ.** By the side of **MR. LYONS** were

seated three other pioneer citizens of the neighborhood. Of these **MR. GEORGE MARSHALL** the youngest, and just six years younger than **MR. LYONS**, his anniversary occurring on the same day. **MR. MARSHALL** was born in Muskingum county, has never resided elsewhere, and has never been out of the county for a period of six months at a time. He has always been a man of great energy and industry, and has succeeded well in life.

**MR. WILLIAM WILSON** was born in Washington county, PA., May 20th, 1811. He came with his parents to Muskingum county in 1818, and now lives on the land which his father received from the Government, and the first farm which he [the father] ever owned. **MR. WILSON**, also, by industry and good business habits, has acquired a comfortable home and ample means for himself and family.

**MR. JAMES SERIGHT** was born in Ireland, in 1811, came with his parents to America when twelve years of age, has been industrious, energetic, perserving, and as a result of these qualities is now in old age, in the enjoyment of ample means, and is apparently as happy and full of life as in early manhood.

These four old pioneers all excellent citizens of Meigs township, live but a short distance from each other, have toiled many years side by side.

Special mention should be made of **MESSRS. ANDREW** and **JOSEPH LYONS** and their estimable wives, for the very cordial and hospitable manner in which they entertained the company.
