He had just come out of a well which he with others was sinking on the farm of Nathan Edson on the Oberlin Road, when Edson took hold of him to engage him in a friendly struggle, the result of it was that Martin fell into the well 20 feet deep killing him almost instantly.....

this same year (1810) the families of Joseph Quigley .....were added.....Ralph Lyon and family, then consisting of his wife and two children, came to Black River from Beaver County, Pa. in the Fall of 1810. He located about 2 miles west of the river on the Lake shore, on the farm now owned by Alanson Gillmore, lot 20. After a short stay here, he removed to Beaver Creek, purchasing the farm now occupied by H. Kolb. This he afterwards sold and he then removed to the mouth of the Black River where he died at the home of his son in law, Nathan Edson, in January 1832. His wife died a few months afterward. Their family consisted of 6 children, all now dead. A son John was born in the Spring of 1812 and was the first white child born in the territory comprised within the present limits of Black River. A daughter Catherine married the well-known Capt. William Jones of Lorain.

(History of Fulton County, Ohio)

Settlers came in ever increasing numbers during the 40's and the western part of Lucas County had become so populous that it was felt by the inhabitants of that section that they might demand of the State more central and accessible facilities for judicial government..... About 1843 the "men of the west", the western part of Lucas, began to agitate the question of a new county (per Miss Marie A. Hibbard of Spring Hill) The county seat was then at Maumee City, where there seems to have been the fear, apparently well founded, that if Lucas County should be divided, the county seat would be removed to Toledo..... The State Legislature on 2-28-1850 set off and effected a new county, to be known by the name of Fulton..... parts of the Counties of Lucas, Henry and Williams..... First Court held at the home of Robert A. Howard in Pike Twp. Much regarding the important happenings of 1850 are recorded in "A short history of Fulton County, Ohio", written by James S. Riddle, who was one of the active pioneer county officials. The county seat had been located at Ottokree.... when it became certain the railroad would not pass through Ottokree, the place as a county seat was doomed. It was later removed to Wauseon 1871. The Court house with all records burned July 15, 1864.

There are no official records of Royalton Twp earlier than 1862. It was formerly in Lucas County. ~~There~~ There are 2 cemeteries - Jordan and Lyons. The present limits of Pike Twp. were until 1833 north of the Fulton line, under the territory of Michigan. The county seat was at Adrian.

(From Los Angeles Times of June 15, 1907)

.....  
"Brooding over the fear that he might lose the home he had worked so hard to secure, was said to have been the motive which prompted Frank T. Edson of No. 200 East 53rd Street, to end his struggle for existence Tuesday night by first slaying his wife and then committing suicide.....A mortgage on his home, which it is said would have been foreclosed within the next two weeks, his inability to pay off the mortgage and his fear that his wife and mother would be compelled to support him, caused Edson to become melancholy..... He was a cripple and according to the statement of the neighbors, seemed terrified with the idea that his family would be called upon to take care of him ..... Edson's history was one of mistakes. He came to Los Angeles 15 years ago from Oskaloosa, Iowa. He brought his parents with him and also his mother-in-law. These elderly people are now left without means of support. ~~At~~ On his arrival in Los Angeles, Edson began to speculate in a small way, in the hope of increasing his savings. He was unfortunate. His money ran low and he engaged in railroad work. In an accident he lost his left leg. That was several years ago and his last cent was used in paying the hospital bills .....A last letter, written to the Coroner, names his sister-in-law and an uncle, who are said to have held the mortgage on the house, as the causes of the unfortunate man's troubles....."

(American Genealogist - Vol 27/28 p 106) Edson-Story-Maynard. By Mrs. Charles D. Townsend of West Hartford, Conn.

"One sometimes finds important records in unexpected sources. The following documents were filed 22 May 1845 with the Norwich Probate District, now deposited in the Conn. State Library. They reveal the birthplace, residence and date of death of Caleb Edson; his Rev. service with points of enlistment and discharge; name of his wife with dates of marriage and of her death; name of his stepson; and married name of his only child, a daughter, and her approximate age. Mrs. Hannah Maynard of Norwich, Conn. presented a statement in her own handwriting that she was a daughter of Caleb Edson, who was born Bridgewater Mass. and served in the Rev. for 3 years; that he died when she was about 13 and that her mother remained a widow and died in July of 1840.....Caleb came in the Fall of 1790 and worked for Mr. Bromley for 6 to 12 months, married the widowed mother of Ebenezer Story in 1791....."

From " The Tribune "

26 August 1895

(this is a very long writeup , will only copy Gene. Info,)

James L. Edson of the firm of Edson, Moore and Co., died at the home of his cousin Wayne DeForest, 492 Brush St., at 12:40 yesterday morning. The cause of death was general failure due to a stroke.

He was born in Batavia, N. Y. 31 July 1834, the eldest of five children. His father was a farmer but at the age of 16 years, the year following his fathers death, the young man entered the employ of Charles M. Rich a leading merchant of Akron N. Y. After 4 years there Edson went to Buffalo N. Y. to work for Whitcome and Co. He remained there about one year, comming to Detroit in 1855.

Mr Edson married in August 1857 to Miss Julia A. Collins. Beside the two daughters who are still living he was father of Mrs E.T.Adams now deceased.

(In an article about the funeral from a clipping dated 28 Aug, 1895 a daughter Mrs. Frank Smith is mentioned as " being too ill to attend the services " . The funeral was conducted by Father Ernest Van Dyke, a life long friend of Mr Edson, at the church of SS Peter and Paul. Burial was in Mt. Elliot Cemetary.)

## (History of Chautauqua Co - Downs - continued) p 126 - Sinclairville

For the Centennial History of Chautauqua County, published in 1904, Obed Edson, Chautauqua's foremost historian, now passed to eternal rest, prepared a history of Charlotte, his own "home town", the scene of the activities of his father, Judge John M. Edson and of his father's setp-father, Major Samuel Sinclair .....

In the Fall of 1810, Mr. Sinclair cut a road from Fredonia to Sinclairville, the first opened into the central part of the County. October 22, 1810, Obed and John M. Edson arrived .....

p 130. In the Summer of 1810, in addition to clearing land, Major Sinclair built the first Saw Mill in the Central or Eastern part of the County.....He had previously brought his family to Canadaway and October 22 he arrived with his family, Samuel, David, Joseph, Nancy and Sally, his second wife Fanny and her children, Obed, John M. and Fanny Edson and 5 wagonloads of goods.....

The first scattering families had located from  $\frac{3}{4}$  of a mile to 3 miles distant but the nearest settlements were that on the Pickett Breck,  $\frac{1}{4}$  miles northwest and that at Charlotte Center, 3 miles northeast. The last named was begun by R. W. Seaver, Ba rney Edson and William Devine. They came from Oneida County in the Spring of 1809, Devine and wife at Seaver's request. Edson went to Batavia in May and booked the land but did not return. Robert W. Seaver was born Worcester County, Mass. 2-3-1762.....until 1816, his wife Anna Edson Seaver, was the only doctor in the vicinity..... He died 7-31-1806 aged 75 years.

Dear Laura,

Well today is the first of fall I suppose - it has looked like it for two weeks.

I mailed you the papers yesterday but forgot to put in Rays story about 4 brothers 2 of whom came to Michigan those two are well accounted for but there doesn't seem to be any record of the others or their families. Guess they just dropped out of contact completely. All there is here is an old account book which belonged to Irving or Otis or maybe both of them. The family Bible only starts with

this branch also. Alfred Vincent has it.

Well we went to Niagara Falls over last week end for our vacation this time. Thru Canada and back through Penna., N. Y. & Ohio. Of course we stopped at all the chisaa Co. Brought home some knick-knacks. Dorothy & Mrs. went and drove our car. We would never have made in by Sun. night if Ray had drove.

We were lucky to see the Falls on a beautiful sunny day. They were lovely from the Canadian side - the sun making rainbows of the mist. I'll never forget it. We also were interested in the Canadian country and tobacco

fields where they were harvesting and curing it now. And so very many grape vineyards there also. We really did enjoy it even if I couldn't walk much.

The fast trip sort of got my head thro'. I'm still sort of woozy. I doubt if when I get to Calif. I'll be able to walk at all, I'll be so dizzy. Alice Vincent was like that when she went there on the train and all the time she was there. Gosh I hope the doctor can do something about that. I never was like that before but then we never hurried so either.

I finished making grape jelly this morning which I didn't get done before I left

and then made an apple pie.  
From snow apples. How would  
you like a few when we pick  
the good ones? They are swell  
this year. The trees are on Ralph's  
place now you know.

I am working on the Xmas  
list but dont know about  
the others. I can send you  
a short list now if it would  
help. Of course I will need  
material for cool summer  
dresses for that trip we talk of.

Thanks a lot for the birthday  
gift - I love it - you know me.  
I fared very well - cards etc.  
Ray got me a hand vac to use  
on my once stuffed furniture.  
I'll really have the vacuum  
cleaner salesman on the run now.

"We" no more than got home  
and had to start going to funerals.  
One Mon. and one yesterday. I  
was almost too tired to do it.

Wasnt that ship fire at Toronto  
terrible. A number of people from  
Flint were on it + lots from Detroit.  
It sort of spoiled our trip when  
we heard of it.

Well I must get my mending done  
so I can fix my new dress. I bought  
a black silk faille suit dress which  
I wore last week end and a green  
utility dress. This I have to shorten  
the waist of.

So- I'll say good bye now. This  
is rapidly getting to be a newspaper.  
Write soon.

With love from Florence

Dear Miss Esseltine:

Thank you very much for your letter and the check for \$9.00. The data contained in my last letter did represent six hours, as does the enclosed data.

There was no date of death given for George D. Edson buried in Glenwood Cemetery, Flint, Genesee County.

I sincerely hope that you will find something worthwhile in this data. It can be very discouraging to have so many records checked and find nothing of real importance. I have gone over your list and find that all of the records have been checked with the exception of the following:

Antrim County V.R.  
Kalamazoo County V.R.  
Lapeer County V.R.  
Oakland County 1845 Census  
St. Clair County V.R.  
Remaining volumes of Wayne County Land Transfers  
Michigan Genealogical Records Committee  
4 Vols. Old Bible and other pioneer records  
8 Vols. Bible Records and other geneal. notes  
2 Vols. Pioneer experiences  
Michigan Pioneer Hist. Coll.  
40 Vols. (2 vol. index)

I hope to be able to finish these in one more trip because apparently most of them have indexes which makes searching much more rapid. May be the genealogical and pioneer records will reveal some real information. Hope so.

Sincerely,

*Maxine Layton*

1 June, 1953.

Dear Miss Esseltine,

Thank you for the data you sent. I got several items from this.

I was interested to learn that Leonard had named his son, Jehiel, after his wife's father. Both Leonard and Jehiel are buried in an old cemetery in Machias, N.Y. So the SAR were looking in the wrong place.

I suspect Leonard had several other children I don't know of.

Some of the dates and ages in the Darwin Cemetery records are wrong. Joseph Edson died in 1846, not 1816. He wasn't born till 1831 - or 1833, if the age 11 ~~months~~ years is right. And Samuel Edson's wife, Sally, might have been 33 or 43 years old at death in 1841, not 23. She married in 1825! And Samuel was born in 1800.

I was interested in the ad of Eda Edson. Can you obtain her address? I suspect, however, she is Jewish. Again, many thanks for your interest and help.

Sincerely,

C. A. Edson.

Dear Col. Edson:

As I probably have mentioned, I have been following the trail of our Abirum Edson through the various census years, in an effort to trace the movements of the family. I have had quite a time to locate them in 1840 but have finally succeeded, I think. A check of the 1840 census of Summit County, Ohio, shows the following Edsons:

Town of Copley	p 246	ABIRAN EDSON	1 M 40 to 50
			1 M 10 to 15
			1 F 50 to 60
			1 F 10 to 15
Boston Twp	p 338	BIGER EDSON	1 M 40 to 50
			1 F 40 to 50
			1 F under 5
			1 F 5 to 10
			1 F 15 to 20
Stove Twp	p 356	ALEX <sup>r</sup> EDSON	1 M 30 to 40
			1 M 10 to 15
			1 M 5 to 10
			1 F 30 to 40
			1 F under 5
			1 F 5 to 10
			1 F 10 to 15

Abirum's age would be wrong here but that is common in census records and it seems more than likely this is our Abirum but who were the others? Can you identify them for me? "Biger" might be the same generation as Abirum but none of his brothers names could be garbled as much as that, could they? Alexander sounds like a younger generation.

Abirum Jr. was in Medina County in 1840. Alexander could have been another son of Abirum Sr. as far as age goes, unless you can identify him as belonging to somebody else.

I have not been able to find where the family lived at the date of Abirum's death, as yet. Fulton County is hopeless, as all the records were burned in 1864, including old newspapers. But somehow I feel they moved somewhere else soon after 1850. It is just possible that he died at Lura's home, since she had the date in her bible and did not have the dates of the others. For several reasons, this does not seem too likely but I have not found Lura in 1850 so its just possible. I'm going to do some hunting in the 1860 census when I get to Washington again this Fall, so see if I can solve that question.

Will appreciate your conclusions on the above census records.

Sincerely

June 28, 1955

Dear Col. Edson:

Here are a few more notes from the census records. Our genealogical department at the library has been in such a mess lately that I have been working on the census again. Its not likely to be much better for quite a while, I'm afraid. They have moved us to another room and closed off the stacks so we don't have access to them any more, which is very unsatisfactory after being used to helping ourselves for so long. Then our present location is very drafty and uncomfortable besides being half a block further to walk. Everybody is very dissatisfied with the set-up but of course they don't care about that. The Audio-Visual Department isn't what it was either - they have combined it with the picture room and have a couple of colored gals that chatter all the time (which doesn't help in concentration) and an old battle ax that tells everybody she doesn't have time to wait on them and it isn't her job anyhow, etc. etc. So searching isn't the same pleasant task it used to be but I still get in 2 or 3 evenings a week for a couple of hours each.

Right now we have a transit strike on so the library isn't as crowded as usual but ordinarily the Mormons monopolise it about 3 nights a week. Guess they are busier than usual with their genealogy, since they have built a wonderful big new temple here which is to be opened this Fall, so probably they want to qualify for that if possible.

The following is a list of the States I have checked: (the entire state)

- 1850            Maine - Massachusetts - Vermont - New Hampshire - Connecticut -  
Rhode Island - New York - Pennsylvania - New Jersey - Michigan -  
Ohio - Wisconsin - Indiana - Iowa - Illinois - Minnesota -  
Virginia - North Carolina - South Carolina - Tennessee - Missouri -  
Mississippi - Oregon - West Virginia.
- 1860            Kansas Territory - Nebraska Territory (this includes Dakota  
Territory and what is now Colorado).
- 1830            Missouri (1 reel)

There aren't many left of the 1850 census and I will probably get around to them in time. If you have any special problems in any of the remaining states, let me know and I'll do that one first.

Expect to go East again the last of September, visiting Boston and Washington. Boston will be mostly for sightseeing, tho I do expect to spend a day or so at the Historical Library. Washington will be strictly for searching - mostly at the archives. Will probably get in one day at the D.A.R. library. Will leave here either the 19th or 26th of September and be gone 3 weeks.

Here's another Edson you can add to your collection: Brian Ross Edson, son of Harold and Dolores (Aldrich) Edson, born May 2, 1955.

Sincerely

October 24, 1955

Dear Col. Edson:

Just back from 3 weeks vacation in the East and find your letter of the 18th. Thanks. I have heard of Mrs. Monroe before but at the moment I can't think where. Seems to me she either contacted the family once or is a connection by marriage or something. It will come to me in time.

Her data, of course, is the same as ours as far as it goes. If she has anything else or any contacts that might be helpful, I would be interested in contacting her.

I can add a little more to the picture now. I had assumed that because Henry was with Arving in the 1850 census and not in the 1860 that he died in between but in Washington I ran across him quite by accident, in the 1860 census. Seems that instead of dying, he just took himself a wife and took off on his own! I also located Alpheda, in the 1860 and 1870 census. I had thought she probably married again after 1850 and that perhaps Lucy had gone to live with her but again I was wrong. Apparently she worked for somebody else all her life as housekeeper. And in the same area where Arving originally lived and close to where they live now! I have written the family to see what they can find out. They may know some of the Hurd descendants. I couldn't find Henry in the 1870 census so he evidently moved somewhere else, nor did I find Lucy or the Ferry children, but my time was very limited and I didn't get nearly as much done as I would have liked, tho I did accomplish quite a bit. Will list below the Edson data I collected.

I have another "vital statistic" for you. Florence Fowler Edson, wife of Ray Edson, died September 9, 1955, in the hospital at Ann Arbor, Michigan. She had been ailing quite a while with asthma but her passing was rather unexpected and sudden. She had gone into the Ann Arbor hospital for examination to try to determine the cause of her trouble. Apparently the asthma had affected her heart more than anyone realized.

p 864. Charles Austin Edson (with photo). Charles A. Edson, a prosperous farmer, public spirited citizen and son of the Revolution, was born Sept. 23 1847 in eastern Canada on the Vermont line. He is one of the fortunate few who are able to trace their ancestry back to the body of American citizens who came over in the Mayflower in 1620. Alexander Edson, the gr grandfather of C. A. was in the Rev. War and his grandfathers on both sides, Alexander Edson and Timothy Wyman, were in the War of 1812. After the War of 1812, Alexander Edson settled on the Vermont-Canada line, where they lived the remainder of their days. The parents of C. A. were Truman and Amanda Edson, who were natives of Maine and never left their native country. They were parents of 3 children who are still living: C.A., Mrs. Mary Dexter of Portsmouth NH and Mrs. Eliza Boynton of Tacoma, Wash. C. A. Edson

left the parental home when he was 18 years of age, came west and located near Juliet, Ill in Will County. He stayed in Ill. until after his marriage in 1870 and came to Sac County 1885 when he bought 320 acres of his present farm in Eureka Twp, for which he paid \$37.50 per acre..... Mr. Edson m. 9-11-1870 Elizabeth Barr, a native of Ireland. Mrs. Edson ~~was~~ her parents when she was an infant and came to this country from the north of Ireland when 14 years of age, with her sister and 3 brothers. Mr. and Mrs. Edson are the parents of 4 children: John T, who now ~~manages~~ manages the Lakeside farm at Storm Lake and was for many years a banker at Schaller, Sac County; Willis C., an attorney in Storm Lake, Iowa; Mrs. Margaret Mandeville of Brookings County, S.D.; and ~~was~~ Emma, who is still at home.....(here follows his political and local career)

From Bio. History of Crawford, Ida and Sac Counties, Iowa - published 1893 by Lewis Pub. Co. p 504. S. L. Edson. a farmer of Wall Lake Twp., Sac County, was b. Genesee County NY 3-23-1837, son of Lucius, also a native of NY and of Irish ancestry. The mother of our subject, nee Emily Wheadon, was b. in that state. They were parents of 3 children: Walter Scott, who served in the 35 Mo Inf. during the late war and now resides in Gentry County, Mo; Orpha, wife of Henry Boots of Iowa; Samuel L., our subject. The parents moved to DeKalb County, Ill. at an early day and the mother died at Sycamore, that county, at the age of 60 yrs. The father died Allegan, Michigan at the age of 66. A farmer ~~was~~ and Republican and member of the Baptist Church. S. L. Edson, our subject, enlisted in the late war in 1861 in Co. L 8 Ill. Cav. under General Farmsworth and took part in the battles of Antietam and Gettysburg. He was wounded and assigned to the invalid corps and kept on detached duty until his discharge, after which he returned to Ill. 2 years later he went to Allegan, Michigan, and 2 yrs afterwards to Anamosa, Iowa, and in 1878 came to Sac County. Spent the first 7 years of his residence here in Jackson Twp; then came to Wall Lake Twp. Since his residence in this county he has bought and improved 5 farms. m. near Syracuse NY 1864 Miss Augusta Bicknell, who was b. Fulton, Oswego County NY, a dau of Ira and Nancy Watson Bicknell, the latter of Scotch Irish ancestry. The mother died when Mr. Edson was a child and the father died Cincinnati Ohio 1890 aged 70 yrs. They reared a family of 4 children: Augusta - Adelbert - Henry - Lida, deceased. Our subject and his wife have had 4 children: Emma, wife of D. S. McGilvia of Wall Lake Twp - Roy - Lida, formerly a successful teacher in this county, died at the age of 18 years - and Ettie, deceased at the age of 3 mos. Dear Miss Essetine,  
Many thanks indeed for checking the Edson probates for me. As a matter of fact I did get several items from there, tho I didn't "break" any of my major problems. One item puzzles me. C. B. (Charles

Bloomfield) Edson and Mary Drayton were the parents of Peter Edson, the news columnist in Washington, who would have been about 2 yrs old when his father died. Why didn't she name him as an heir? Also, when I saw Peter some years ago, he didn't mention any brother, George. And if the latter was 10 years old, he would have been born about 4 years before Charles and Mary married and when Charles was about 18 yrs old. Possibly he was a son by a previous marriage of Mary, and was adopted by Charles. Or possibly one or both were illegitimate if Charles lived in Los Angeles, why did Mary live in Indiana? But Charles died there.

Of course tho an address might be of no value now for correspondence, it might identify someone of that name living

in a quiet community - or at least give a clue.

Again, many thanks for your help.

Sincerely,

P. H. Edson.

Dear Miss Esseltine,  
Many thanks indeed for the data  
you sent. I got a great many items from  
these.

I thank you, also, for the lists from the  
telephone books. Two thirds of those from Detroit  
were either new names, or present address of  
names previously removed when Edsonians were returned.  
Several of those from Washington were also new.

We have had previous intimations that an Abram Edson  
was in Dr. King's land, but I do not recall having had a  
definite statement previously that a specific Abram and  
a specific wife were the parents, and tied up with a previously  
recorded child of that couple. I do, however, want to  
learn the specific authority for the statement given.

I thank you for reporting Florence Fowler Edson's  
death.

I was interested in the information about Henry Edson.  
Mary Ann Babcock, daughter of George, born Dec. 29, 1827,

Switzford, Vt., died Aug. 2, 1916, Springfield, Mass. Her husband was Henry Edson. I wonder whether this might not be the brother of Arving. Possibly some of the family could throw light on that. Possibly data might be available in Springfield.

I'm glad if you had a helpful trip. Of course there never is time enough to do nearly all one wants.

Sincerely,

C. A. Edson

Dear Miss Esseltine,

Thank you for your letter of Nov. 30, and accompanying notes. Those two Maine lines you listed are two of my "pet" puzzles. I've spent a lot of time, and considerable time on them - a Calvin Edson, and a Bezaleel Edson. I don't know who the Edson Adams family are.

No, all I have on Mary Ann Babcock, dau. of George, is that she was born Dec. 29, 1827, Guilford, Vt., and died Aug. 2, 1916, Springfield, Mass., and was the wife of Henry Edson. I have not identified him. Possibly she was a second wife of a Henry Edson (also unidentified), born about 1815, Wrensen, Mass., died Apr. 13, 1900, Springfield, Mass. He married Maria Morse Nov., 1838, Willington, Conn., who died Nov. 3, 1881, Stafford, Conn.

Of course there were a number who went West for a while, didn't like it, and returned. That was true of my grandfather. I have nothing, however, to place Mary Ann in

P.S. I have nothing further on Alvin. As you say, there comes a time when one accepts a combination of indications as indicating a relationship, even though positive proof is lacking. And sometimes these assumptions are later proved incorrect! That is part of the game!

No, I don't believe I had the 1880 record of Alfreda. My record on her and her family are very sketchy. She was born about 1822, Pheasant, and married Truman W. Ferry June 10, 1838, in Geauga Co., Ohio. I do not have her death, or any data for him. I am confused as to her children's names. I have three children - Caroline Ferry, born about 1839, and, surprisingly, Truman Edson, born about 1849, and Senora Edson, born about 1845. Is that an error? Or was Edson a middle name for the two younger children? Or was she divorced, and assume her maiden name? I have nothing further, except that Truman Edson (or Ferry?) married Amanda \_\_\_\_\_, and had a daughter, Jennie O., born about 1860, Rainier, Minn. That would indicate Truman must have married at about 16 yrs. Jennie O. Edson married William M. Welch, Jan. 19, 1884, Lowell, Mass. Or was this Truman Edson not the son of Alfreda?

Can you clear me up on this, or give further data on Alfred's family? Jennie was born in Minn. in 1860, and married in Mass. in 1884.

Sincerely,  
P. A. Edson.

Dear Laura -

Just a note. First tho, I got the literature on my copper yesterday. It answers most of my questions. Am more interested than ever now!

At last - here is what I've found on the Hurds - and Bancrofts.

John Wm. Hurd - born Vienna Twp. Gen. Cty  
4-8-1858. Married 1-1-1884 to Lesc Jane  
Robinson. John was the son of Nelson  
and Sarah Hurd.

Nelson - born Pike, Gen. Cty. N. Y. 2-20-1818.

Married Sarah Maria Harrison. Died  
Vienna Twp. Gen. Cty. Mich. 5-9-1880.  
Buried at Pine Run, Mich.

Nelson's father was Russell Hurd - one of  
4 boys. One named Hiram. Nelson had  
7 children. Paternal great-grandfather  
of Nelson was Robert Linn Hurd. Came  
to Mich. 1850. Died before Civil War at 93.

John Hurd had 2 children:

Mercer C - 5-9-1885

Thurston L - 8-24-1892

## Bancroft:

Darwin Bancroft - born Lebanon Twp.  
Clinton Cty. 2-28-1845. Father, Palmer  
Bancroft of Cayuga Cty. N.Y. Died 1887  
at 69 yrs.

Palmer's wife - Annanada Acoback.

Darwin's wife - Desiah Irwin.

Had 3 children:

Jesse

Murdow.

Don't think any of this is what  
you're looking for but it's what we had.

Dear Miss Esseltine,

Many thanks indeed for the several items you sent me recently. I have just been able to get to checking them. I really was surprised at the considerable amount of new material I found. The item of Louis Edson, in the Grange Co. History enabled me to tie in two different unidentified lines I had. The material on Henry Edson, in the Alameda Co. History was new to me. So was the item in the obituary of Charles Edson, and some other details were new. I am writing to various people as follows re: some of these.

Again, many thanks for your help.

Dear Miss Esseltine,

I noticed from a D.A.R. listing that you are looking for an Edson in Michigan. I go to Detroit once in a while to the Burton Collection at the Public Library - and if you will send me more information on your Edson I will be glad to see what I can find.

I also notice that you have the 1850 Census - would you please see if you can find an Elisha J. Stoddard and his wife Lucania Marsh in Gouverneur, St Lawrence Co., New York in 1850. I would like to know their children's names. The family moved to Illinois in 1857.

I am also interested in finding Sara Almeda Senter in the same locality she would have been 8 years old in 1850 - but I do not know her parents names. She married my grand father Albert Marsh Stoddard in Pottsdam, St Lawrence Co, N.Y. in 1859.

Hoping to hear from you soon and that we might help each other with our problems I am

Yours sincerely,

Dear Miss Esseltine,  
I was interested to receive your letter of the 27<sup>th</sup>, and to have the marriage record of Henry Edson and Mary Ward. I did not have this. Thank you. The birth and death records of Lapeer Co. also available?

Certainly there would be a likelihood that the Henry Edson who married Mary Ward was related to Arving Edson. But if he was the brother of Arving, we have the latter's date of birth wrong. If he was born in 1824, he hardly would have married in 1837. But the 1810 and 1820 Census records of Lunenburg Vt., and <sup>the 1830 census of</sup> Coventry, Vt. would indicate several children, some of whose names we do not have, and some of whom could have been born before 1820.

Mary Ann Babcock, daughter of George, who married Henry Edson was born Dec. 29, 1827, Guilford, Vt. She died Aug. 2, 1916, Springfield, Mass. I do not have any indication she went west. Apparently this Henry Edson was born 1815 or '16.

There was a Henry Edson, born in Penn., about 1812,

a shoemaker, who lived in Fairview, Oxford Twp., Licking Co., Ohio. In 1850 Eleanor, born about 1827, lived with him, but I have an indication she may have been his sister, not his wife. He could, possibly, have moved to Ohio from Michigan, but certainly was not with Dwing in 1850.

I do not know who either of these Henry Edsons was.

Abiram Edson, Jr., was, I believe the Abiram who married Arzelia Zemple in Lunenburg, W. Va., Feb. 7, 1839, his oldest child, I believe, was born Jan. 9, 1834, so he could not have been the father of Henry. In fact he was born somewhere 1804-1810. I wonder if he was the Abiram Edson who died Apr. 24, 1869, and where he was buried.

What we know of the names of the wives of the Henry Edsons, their residences, and their dates of birth do not seem to jibe, so I am inclined to think that they are different people. However, we certainly do not have the answers yet. I will be much interested to learn what further you learn.

Sincerely,  
C. A. Edson.

Dear Miss Esseltine,  
Of course you may be correct. Any good theory is worth exploring.

However, you reported Henry Edson marrying Mary Ward May 6, 1837. Their ages would have made them born about 1811 and 1814 respectively. Even if not correct, Henry could hardly have been born in 1830, and been a son of Abiram, Jr. In fact, he could hardly have been the son <sup>Henry</sup> of Abiram, Sr., who was born, I believe, about 1824.

To be sure, Philo L. born June 20, 1845 was listed as the 9<sup>th</sup> child of Abiram, Jr., and I have only 7 preceding names, so there is evidently one missing. However, Abiram was ~~to~~ married Feb. 7, 1830, and Charles D. was born Jan. 9, 1831, so if Charles had an older brother Angelia must have been well along when she married! Or Charles could have had a twin, but I have no indication of that. Other children came along pretty rapidly, except that there apparently was about 3 years between Angelia (b. ab. 1832) and Clarissa (b. ab. 1835), and between Dianthe (b. ab. 1841) and William (b. ab. 1844). I would suspect the missing child came in one of these - more likely the earlier one - and died in infancy, thus not appearing in the census.

Other Henry Edsons who married Marys in that period I checked over in my last letter. So I'd be inclined to believe that the one you are checking was the son of Abiram Sr. The ages would fit, and the place. But Mary's name I do not know. Conceivably she also could have been a Ward, but that would be a strange coincidence. Henry would have been a brother of Arving, and not much older. That would seem to me to be a much greater probability than that he was a nephew.

That of course still leaves undefined the Henry Edson who married Mary Ward. Possibly he was a son we do not know of of Jonah, Jr., or of Dean Edson, brothers of Abiram Sr. Or conceivably he could have been one of the other Henrys I mentioned in my previous letter.

But I'd guess the Henry Edson who married Mary, and whom you are seeking was the son of Abiram, Sr. The only birth dates I have of the children of Abiram, Jr., are the two I mentioned.

I'll be interested to hear what further you learn.

Sincerely,

P. A. Edson.

Dear Miss Esseltine

I am afraid I can't be of much help to you on St. Lawrence Co., N.Y. The County Seat is Canton. Possibly there is a County Historian, at the Court House, who could help you, or tell you who could.

Vital Records were generally not kept in New York until the 1880's, so it is doubtful if you could find any back of that period. Church records sometimes are helpful. There are County Histories which just might happen to carry an item you wanted. Cemetery records might help.

I have not had occasion to have any work done in St. Lawrence Co. The only item I have there is that Hiram Aaron Edson married Elvira Gilmore, born in Potsdam Feb. 4, 1821.

Possibly the library at Canton, or at Ogdensburg, the largest town in the County might have something. The nearest person I have had do any work is

Mrs. Junie Stanton, 129 Haley Street, Watertown, N.Y. She is 60 miles from Canton, but possibly might know

someone there who would do some work. Or possibly the  
Surrogate might have a will that would help. And he might  
be able to suggest who might do some research. Or the  
County Clerk or Town Clerk might. Vital records in New  
York are kept by the Town Clerks.

No, I don't have any Stoddard or Senter in New York,  
a very few in Illinois or elsewhere.

Sorry I can't be of more help.

Sincerely,

C. A. Edson.

Dear Miss Esseltine

Here are a few Ferrys I have found on my journey - Even if they dont fit in I thought you might like to know about them.

I spent a week in Indiana and have been in Fulton and surrounding counties of Illinois for a week and will be here at least another week.

I was so sorry I did not get to Benton again before I left Michigan. I had contracted to do some typing even before I gave up my job and it took longer than I expected. Also we came almost losing my daughter in law and baby grandson so that took lots of time. If I find any thing at

the Genealogical Library in Salt Lake City I shall forward it to you. They tell me this Library is one of the best in the U.S.

I have found the Senter you looked for in Fulton Co Ill in the 1870 census. He was Roswell Senter. I have not read the 1850 or 1860 Census yet. Am anxious to find out just how early he came to Ill.

Good luck to you on your Genealogical trip I sure have had success so far on mine

Dear Col. Edson:

I don't believe I ever answered your letter of January 19! I ran across it the other day in the accumulation on my desk and can't recall that I did answer it so will do so now. I may be slow but I get there eventually!

First, I imagine the Edson Reunion is over and done with by this time. I expect to be in Montpelier October 6 and 7 but will spend most of that time in searching records. I don't of course know how much I will find of interest and maybe I'm not allowing enough time for it but hope to get all the Ascelstines and perhaps a few others, in the two days. I don't think there will be too much there. Anyhow, thank you for the invitation to the Reunion. I would enjoy meeting you and perhaps it will happen some day. I have been saying that my next trip to New England will be either in the early Summer or in the Winter. There are things I would like to do there that I've been missing out on because they weren't being done after Labor Day!

I expect to spend 14 days in Boston, during which I will get to Salem, Concord (N.H.), Worcester, New Bedford and perhaps a few other places with records. Will also have a day or so in Hartford. So all in all, I expect to find out a little more than I know now.

I hope to identify the Lydia Johnson who married Abiram Edson, for one thing. I thought I had her identified as the daughter of Isaac Johnson and Mary Messer but now I'm told that Lydia married John Howe, so I'm still looking. Of course I'm handicapped by not knowing her age but I still hope to get a clue of some sort.

I'm taking a flock of notes on special problems various people are "stuck" on and I may come up with something. I'm not going to do a lot of work on these outside interests but if I have the data along, I might come up with something. One never knows where one might run across a clue in this business.

I imagine you have this, from the Windham County, Conn. history (p 122):  
Ebenezer Johnson married Mary Edson b. 1767

Will let you know when I get back, if I get anything of interest.

Sincerely

Yes, the Edson reunion at our summer home in Brookfield, Vt. was the last Sunday in July.

At Montpelier, you will have direct access to the card index file of vital records at the state capital. The facilities are quite inadequate, but the people are cooperative. The Concord, N.H. State Historical Society has delightful facilities for work, and they are highly cooperative. The New England Historic Genealogical Society, in Boston, is a much more satisfactory place to work than is the Public Library. If you join the Society, they will let you have direct access to the stacks. Otherwise, they will bring out piles of books for you to screen, with very little delay. They have one very valuable and unique index file. For a given name (family), it shows, by geographical breakdown, what books have anything on that family, in that locality, and for what bracket of time, and the name of the head of the immediate line involved. The page reference is given. When all other leads failed, I have some times found someone I sought, by using that file.

If you are driving, and go through New York State, you will probably use the Throughway. We are only 15 minutes from exit 35. We would be happy to have you drop in if you can. As my wife is troubled with arthritis, we cannot invite you to stay with us.

Yes, I had the marriage of Mary Edson and Ebenezer Johnson.

Thank you for the list of telephone addresses. I got one new one from this.

Sincerely,

C. A. Edson.

Dear Miss Esseltine:

Thank you for your letter of 27 December, and for the accompanying notes. As you surmised, I did have the majority of these, but nevertheless I did get several items from them, including a number of ages, and I tied in one unidentified line. And there are three addresses that are new to me, and I am writing to those concerned.

Whenever you get any more data, I will be glad to have them.

If you are in Montpelier next summer, why not time it to take in the Edson Reunion, at my summer home, at Brookfield, Vt.? That is only about 16 miles away. We would be very glad to meet you, and I believe you would enjoy it.

Sincerely,

*C. A. Edson*

Can anyone tell me the parentage of Arving Edson, born in Massachusetts (probably around Bridgewater) possibly about 1830? He later lived for a time in Vermont and removed to Lapeer, Michigan 1856. He died 1864. He married in Vermont, Philena Wetherby, of English descent. They had four children, George, Lydia, Elizabeth and Ara. Philena Wetherby Edson married 2nd Otis Edson. Was this Otis a brother of Arving? Would appreciate any information as to ancestry of these people.

I don't believe we are going to be able to tell you whether we'll hit S.T. Saturday or Sunday for we can't see we are well on our way.

I think our tomatoes will be at their best right while we are gone. I'm hoping some of them get ripe in time to pack in for themselves. The cat fruit for lunch when we travel and find we feel better doing it.

Well, I've told Dad we are coming, and he doesn't even seem to mind. He had so much more interesting things to occupy his mind back, he's even doing a good job repairing his family.

Oh yes, I almost forgot. Right after I wrote to you last I took a drive over to Super & found for the information you've been wanting for so long.

Right away they told me that practically all records burned in the fire in 1880. They did have 3 books which I did look over along with one I found at the library. They are mostly other species in the mammals records I found these things. I don't believe any of them are of value to you except one. You were wondering if the mammals were a fact,

and apparently it was: Nathaniel Sord,  
age 66 married Alfhreda Ferris (sp?) age  
42 on July 3, 1860. John O. Bancroft to  
Huldah Richmond, April 22, 1847. Silas J.  
Bancroft to Celsey Ann Miller, Jan. 6, 1853.  
B. S. Bancroft to Mercy <sup>(Manwaring)</sup> Manwaring, Aug. 5,  
1854. (Found this last name spelled two  
different ways. In the Lapeer County  
History it showed these last folk and  
quite a bit about them. The book  
ended in about 1864-1867 something  
like that. They claim they have no  
other records, they all burned. I went  
to the Court House, the County Clerk,  
and the Library. I didn't go to the  
newspaper, should I have? I'm  
afraid this isn't very much help. Is  
there any more I could do? If you'd  
tell me exactly I'll be glad to try.

Our back yard is beautiful now.  
Our grass has filled in with all the rain,  
and the flowers are blooming all over  
the place. We have our back fence up  
and stained. Have a bit of shrubbery  
to put around the house yet. Don't want  
much and want the kind that needs  
a min. of trimming.

Guess I'll stop here and get to  
work. Will let you know about  
the exact route from Mendocino  
probably in the next letter.

Suffocated by carbon monoxide gas in the living room of their home at 5031 Bangor St., Mr. and Mrs. Albert O. Edson, 58 and 71 years of age respectively, were found dead last night by neighbors. Police Surgeons said there was no question but that the couple died as they were taking an afternoon siesta by a glowing gas fire.....

A property owner of some means, Mrs. Edson left a will, officers said, eliminating her husband, who was a pensioned war veteran, and made the John Brown School sole beneficiary. They had been married 11 years.

She is survived by her husband, her daughters, Leona of Mt. Shasta and Mrs. Gladys Slicker Meyer of Weed, her sons, Wendell E. and Melvin G. of Mt. Shasta and a sister Mrs. Carrie Breareiliff of Red Bluff.

Dear Miss Essletine,

RE: Abram Edson, Snr.

I have your letter of Jan. 24th. & thank you for the nice sentiments expressed. Also for the check for \$3.00. It is always my concern that work coming in to me, goes out just as soon as I can get it done, for I do appreciate that my friends want to get on with things, just as I do. There are many workers these days, who are pensioned, & so they do this kind of work, or try to, as a hobby, but I am afraid not seriously.

I looked at Summit Co., Ohio 1840 for Abram Edson & before I go on to Crawford Co. Pa. I wish you would inspect this Abiran Edson I found in Copley, Looks suspiciously like your Abram, but you will know. If it is, would you like me to look at Copley 1850.

There were two other Edsons in the Co., & just in case they are related I entered them.

Sincerely

*Helen Shuffie*

✓ p 408 - A. W. Edson. Albertus W. Edson, a Clairvoyant Physician, having his home and office at 519 Cedar Street, North, in the City of Lansing, Ingham County, was born Royalton Township, ~~Genesee County~~ Cayuga County, Ohio 10-28-1816. He is a son of John Brooks and Marilla (Eastman) Edson. His father in his early days was a blacksmith and later became a salesman for a large marble works at Cleveland. He came to Lansing in 1868 and kept a hotel in North Lansing, but afterwards removed to Williamston, where he retired from active work for the rest of his days. He had two children, our subject and a daughter, by his third wife, who was born six weeks after his death, which sad event took place on Christmas day 1880..... Our subject was married June 23, 1870 to Catherine Gens of this city, daughter of George Gens, who had lived here since 1853. Mr. (book says Mr. but think it should be Mrs.) Edson was born 2-16-1850 in Wurtemberg, Germany and came to this country in early childhood. She lost her mother April 5, 1859, leaving this daughter the eldest of 7 children. After that, she was away from home most of the time. She lived with Justin Watson until she was 15 years old, after which she came to Lansing .....

p 816 - James Tobias. Happy is the man who has lived a long life that has been characterized by uprightness ..... and whose high mental and moral standing is gratefully recognized by his fellowman. Such a man is James Tobias and this Album would fail of its purpose of recording lives that have been useful and worthy of note were it to omit mention of his successful career. Ingham County proudly claims him as one of her best and most enterprising citizens and he is the fortunate owner of 200 acres on section 26, Lansing Township. By a proper rotation of crops the land has been brought to a high degree of cultivation, while various buildings have been erected such as best subserve the processes of agriculture.

The parents of Mr. Tobias were Julius and Laura Tobias, natives of the State of Ohio. Their son James was born in Medina County, that State, October 25, 1832 and at the early age of 3 years he was orphaned by the death of his mother. At the death of his mother he was given to Mrs. Simon Van Osdall, who was always devoted and kind to him .....

(article) goes on with history but apparently ~~no connection~~ not our Tobias

Edson Notes

(History of Medina County - Continued)

Our subject at the age of 8 years went on the Sea and engaged with his uncle George Hatch as a cabin boy, remaining with him about 3 years. In 1811 he went on board an American Man-of-War, the Constellation, and sailed in the waters of the Mediterranean. After the breaking out of the War, he was placed in the Naval School and after 4 years close application graduated as midshipman; then went on the Brig Enterprise under Capt. Allen; then the Brig Philander; afterwards sailed on the Brig Amelia, which was his sea service.

January 15, 1825 he was married to Sallie Nelson b. in Southwich 12-22-1801, dau of Luther and Sallie Hall Nelson. 3 years after his marriage, he came West to Cuyahoga County, where he purchased 108 acres of land. In 1841 he located on the place he now owns and ~~which~~ has since remained. His wife died 2-6-1870, leaving 3 children;

Maria, of Williams County, wife of Josiah Austin

Celista A., now Mrs. H. W. White of this twp.

Phoebe J., now Mrs. Frank Mantz

Mr. Edson first purchased 60 acres; afterwards added 30 more. The land was formerly owned by Iram Packard.

He married (2nd) 4-8-1872 Mrs. Rebecca Austin b. Wallingford, New Haven Co., Conn. 1806. She died 1876, leaving no children.

On 12-8-1878, he married Mrs. Mary Ann Randall b. New Haven 3-18-1814, a sister of his 2nd wife. She was a daughter of William and Jane (Cameron) Reed. William was a son of Martin Reed, who came over with LaFayette and fought under him during the Rev. The father of Jam Cameron was Daniel, a Highland Scotchman, and when a cadet was pressed by the British in the Rev. and upon his first opportunity escaped from them and came to the States still wearing his Kilt and Hose.

Mr. Edson is a man of remarkable memory; has been a great reader and has always been a liberal patron of literature; has always borne the part of an honest and worthy member of the commonwealth and is held in high esteem by all who know him. 7-1050

(Lake and Geauga County, Ohio, marriages 1817-1825)

Gauga County was one of the first counties of the Western Reserve to be settled. Early in the 18th Century, hundreds of pioneers from Mass., Vt., Conn and other eastern States, made their way to Geauga. The records at Chardon, the County Seat, appear to have been burned many years ago. Some one published the marriage records in old newspapers, however, and thus these have been preserved.

The present Lake County was all included in Geauga until 1846, except Willoughby, which was taken from Cuyahoga County.

(History of Fulton County, Ohio)

Settlers came in ever increasing numbers during the 40's and the western part of Lucas County had become so populous that it was felt by the inhabitants of that section that they might demand of the State more central and accessible facilities for judicial government..... About 1843 the "men of the west", the western part of Lucas, began to agitate the question of a new county (per Miss Marie A. Hibbard of Spring Hill) The county seat was then at Maumee City, where there seems to have been the fear, apparently well founded, that if Lucas County should be divided, the county seat would be removed to Toledo..... The State Legislature on 2-28-1850 set off and effected a new county, to be known by the name of Fulton..... parts of the Counties of Lucas, Henry and Williams..... First Court held at the home of Robert A. Howard in Pike Twp. Much regarding the important happenings of 1850 are recorded in "A short history of Fulton County, Ohio", written by James S. Riddle, who was one of the active pioneer county officials. The county seat had been located at Ottokree.... when it became certain the railroad would not pass through Ottokree, the place as a county seat was doomed. It was later removed to Wauseon 1871. The Court house with all records burned July 15, 1864.

There are no official records of Royalton Twp earlier than 1862. It was formerly in Lucas County. ~~There~~ There are 2 cemeteries - Jordan and Lyons. The present limits of Pike Twp. were until 1833 north of the Fulton line, under the territory of Michigan. The county seat was at Adrian.

## Edson

(p 1066 - Vermont Gazetteer)

Every house has its skeleton and Randolph (Vermont) astonished the medical world with two "living skeletons" in the brothers Calvin and Alexander Edson - the most remarkable cases of physical shrinkage on record. "Aleck" long survived his brother and is better remembered by the writer. When dressed up in his black silk tights, he looked for all the world like some goblin damned from "Night's Plutonian Shore". He was ever present like some spectre to the boys of the village who would delight occasionally to set him up as president of the lyceum, the better to enjoy sepulchral dignity, spectral illusions and spiritual manifestations. One of these youthful orators - now a clergyman not far south of Springfield, conceived the idea of immortalizing him still more by writing and printing his biography. Aleck saw his name on the pamphlet in big letters but the inside, teeming with strange and romantic adventures, caused him to fall into the biggest kind of a Wouter Van Twiller doubt about his identity, but not being of the earth fleshy, he finally concluded he must be a spirit or some demon harmless and took to exhibiting himself about the country and telling fortunes, in which business he died, like his brother Calvin years before.

Bessie Dixon Edson and brother of E. W. and E. B. Edson, Mrs. H. C. Eddy and Mrs.

Daggett Scrapbook - Vol 2 (with photo)

Elihalet Benjamin Edson b. Dixon Ill 1833 foremost citizen, died at 9 o'clock this  
morning at Gazella after an illness of several months from heart trouble. For over two  
months he had realized that ~~there~~ there was no hope for his ultimate recovery. The  
funeral will be held in Gazella 2 P.M. Thursday. E. B. Edson was a native of Illinois  
and aged 67 years. He came to California in 1856 and Siskiyou County had been his  
home for half a century. Here he amassed a fortune in farming and stock dealing,  
being associated a good part of the time with E. M. Foulke. They were brothers in law,  
Mrs. Foulke being Mr. Edson's sister. Mr. Edson served one term as State Railroad  
Commissioner from this district and had twice aspired to the Republican nomination for  
Governor. At the time the last State Convention was in session, his friends thought he  
was near the end and he laid aside all political ambition. At the time of his death  
he was a Trustee of the Chico Normal School. Mrs. Edson, wife of the pioneer, died last  
June. L. M. Foulke, his life long business partner, passed away in July.
