## FORWARD

Over the past several years I have compiled a great deal of material on the history of the Finnell Family in America. One of the most valuable and important parts of that collection is the number of Family Bible records that contain vital records for Family members. Many of these records are available nowhere else and the original copies of several have been lost or destroyed. The records contained on the following pages, in many cases, have never been published before. Many of the Bible records have been annotated to identify family connections and provide more information to the reader. The value of these becomes apparent as you realize that only one person can own the original and many times they are hard to impossible to locate.much less use.

The second part of this volume contains the transcripts of six Finnell Family Cemeteries. Almost all of these are now abandoned or have not been used for many years. Though some are small the records of who's buried here is important and valuable. The older stones many contain data not available elsewhere for these family members. Again the entries are annotated to further identify these individuals we can and provide additional information.

This sort of collections would not be possible with out the support and cooperation of a number of Genealogical Societies, Friends and Finnell Family members. The many individuals who supplied information, copies or visited and transcribed several Family cemeteries are thanked for their interest in preserving this part of the Finnell Family heritage. My personal and special thanks goes out to each and every one of them.

I hope you will find these pages of interest and enjoyable. Any comments or additions are welcomed and should be directed to the Editor. New and additional Bible Records and Cemetery Transcripts are always welcomed. I hope that a second Volume can be produced some time in the future with more Finnell Family records.

Read and enjoy this records as part of our Finnell Family Tree

 Holy Bible published by Jasper Harding & Sons, Philadelphia, PA 1859

The Bible was given by my Great Grandmother, Penelopy Williamson FINNELL, to her Daughter Rebecca Jane FINNELL Lucas. Her son Thompson Nimrod FINNELL, was my Grandfather. Before the death of Edward Lucas, Jr, the last of his family, he gave the Bible to his cousin Corinne FINNELL Crumbough, and asked her to keep it. I inherited the Bible upon Corinne Crumbaugh's death 8 Dec 1944.
