To be able to work in Germany, a man must first get a
Certificate showing three years of actual training and
part time school classes in his particular trade.
To better himself he can work and go to a higher school.
When he graduates, he becomes MEISTER which is similiar
to a Master of Arts in ~~the~~ a United States College. He can
now operate his own business. He can still continue
his education and become an OBERMEISTER which is higher
than an M. A. but not as high as PhD.

Only civil marriages performed by the Justice of Peace
in Court House are recognized as legal.
Religious Ceremonies follow the civil, but are optional.
