"SCHUYLKILL ROOTS"
Researchers

("SCHUYLKILL ROOTS", Researchers) is a team composed of the following individuals:

Jean A. DELLOCK
104 N. Broad Mountain Ave.
Frackville, Penna. 17931
SPECIALTY: Court and Census Records

Phillip A. RICE
433 Biddle St.
Gordon, Penna. 17936
SPECIALTY: Church and Cemetery Records

It is our goal to collect, abstract, compile, present and publish records obtained from Church, Cemetery, Court, and other Depositories, which would be useful to the Genealogist and Historian. Although our work is centered mostly in Schuylkill County, we will at times, present information from adjoining counties.

At intervals, we will also be presenting records that have been compiled by: Dr. Glenn P. SCHWALM, a noted researcher and authority on early German Records. These will be presented with his full permission.

Our list of records is constantly growing, and may be ordered from the publisher, or from either of the compilers listed above. Please write for our current list of publications and prices.

Thank You,
"SCHUYLKILL ROOTS", Researchers

1790 and 1810

by the

Rev. Johannes Heinrich Helffrich

Rev. Johannes Heinrich Helffrich, was one of the fathers of the Reformed Church movement in America. He was born in Moszbach, near Frankfort-on-the-Main, Germany, October 22, 1739.

After completing his studies in the University of Heidelberg, he was duly ordained on September 22, 1761, and ten years later, he came to America. He landed at New York on January 14, 1772, and settled in what is now Weisenburg Township, Lehigh County, Pennsylvania, of that same year. Between that time and the year of his death in 1810, he served the congregations at: Heidelberg, Weisenberg, Lowhill, Delongs, Kutztown, Longswamp, Salisburg, Lynntown, Upper Milford, Ziegel's and Trexlertown.

Rev. Helffrich died on December 5, 1810, having a stroke of apoplexy, as he was mounting his horse.

The accompanying records were compiled from miscellaneous books and papers belonging to the deceased, and now in the possession of his descendants.
