Your desire to exchange information on the KILGORE family has been noted by the Sep/Oct 1988 Issue of The Genealogical Helper. I am presently working on my husband's (Stanley C. Feil) line with the Kilgore surname and would be happy to exchange information that may be mutually helpful.

Enclosed is Stan's Pedigree Chart and FSG for Thomas and Mathew Kilgore. I don't have any info on the other surnames that you listed in your query. Most of the Kilgores that I have are in the northern states, and I have never been able to tie them into their "southern" cousins. So if any of these ancestors appear in your records, I will appreciate any additional information you would like to exchange with me.

It is my sincere hope we can be of help to each other by exchanging information on this family. My SASE is enclosed for your reply, which I hope will be soon.

Sincerely,

*Carlene Marek*  
Carlene Marek
