## EXPLANATION OF ORDER FOR PHOTOCOPIES

Use this form to order photocopies of records of veterans who served in the United States or Confederate armed forces. These records include:

**PENSION APPLICATION FILES** based on United States (not State) service before World War I.

NOTE: Pensions based on military service for the Confederate States of America were authorized by some Southern States but not by the Federal Government until 1959. Inquiries about State pensions should be addressed to the State archives or equivalent agency at the capital of the veteran's State of residence after the war.

**BOUNTY-LAND WARRANT APPLICATION FILES** based on United States (not State) service before 1856.

NOTE: Pension or bounty-land warrant application files usually include an official statement of the veteran's military or naval service, as well as information of a personal or genealogical nature. If we find such a file, we send copies of the documents we feel will be most useful to you.

**MILITARY SERVICE RECORDS** based on service in the United States Army (officers who served before June 30, 1917, enlisted men before October 31, 1912), Navy (officers and enlisted men who served before 1886), Marine Corps (officers and enlisted men who served before 1896), and Confederate armed forces (1861-65). (We cannot provide photocopies of files for veterans whose service terminated less than 75 years ago, however we are usually able to provide certain information from the files.)

NOTE: Military service records rarely contain family information. The record of a man's service in any one organization is entirely separate from the record of his service in any other organization. We are ordinarily unable to accurately establish the identity of men of the same name who served in different organizations. If you know that a man served in more than one organization and you desire copies of his military service record, submit a separate form for the service record in each organization.

DO NOT USE THIS FORM TO REQUEST PHOTOCOPIES OF RECORDS RELATING TO SERVICE IN WORLD WARS I OR II OR SUBSEQUENT SERVICE. WRITE TO: NATIONAL PERSONNEL RECORDS CENTER, GSA, (MILITARY PERSONNEL RECORDS), 9700 PAGE BOULEVARD, ST. LOUIS, MO 63132.

More information about armed service records may be found in our free Genealogical Information Kit.

Send the completed form to the address on the front of the form. When you send more than one form at a time, each order will be handled separately; you may not receive all your replies at the same time.

When we find numerous files that may relate to a veteran, we suggest that you visit the National Archives and examine the various files, or hire a professional researcher to examine the files for you. The Board for Certification of Genealogists, 1307 New Hampshire Avenue NW., Washington, DC 20036, can provide you with the names of persons in the Washington area willing to do research for a fee.
