A HISTORY OF THE FAMILY

BLOMQUIST — LENANDER

WHO LIVED AND THRIVED IN THE SOUTHERN PART
OF SWEDEN, THE COUNTY OF SKANE. IN 1878 THE
BROTHERS BLOMQUIST BROUGHT THEIR BRIDES, THE
SISTERS LENANDER, TO THE UNITED STATES OF
AMERICA AND SO THIS HISTORY STARTED.

BLOM (QUIST)

COAT OF ARMS - From General Armorial
By Reitstap

On a barry of five or and gules, five lozenge argent on gules bars three and two.

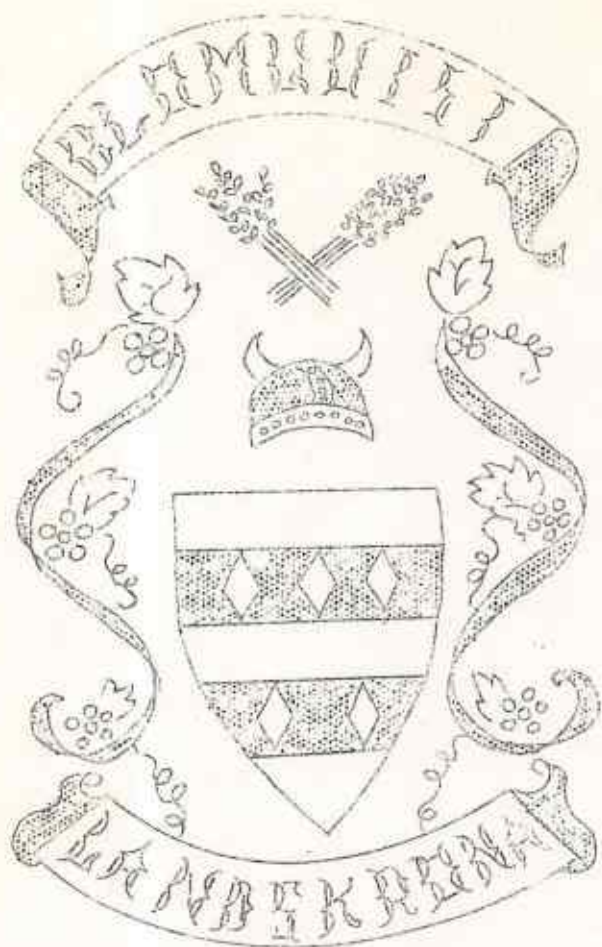

(On bars of five gold and red, five diamonds silver on red bars three and two)

CREST - (not official)

A viking helmet for the Swedish ancestry with the farmers wheat sheaves, blossoms and twigs for the Blomquist name.

The Coat of Arms was given the family Blom in Sweden during the Viking period. This Blom family was not necessarily our ancestors.

The Blomquist family lived near Landskrona, a seacoast city in the county of Skane, Sweden, across the channel from Copenhagen, Denmark.

LENANDER

COAT OF ARMS -

Gules a saltair argent, within a border or.

(Red a cross silver, within a border gold.)

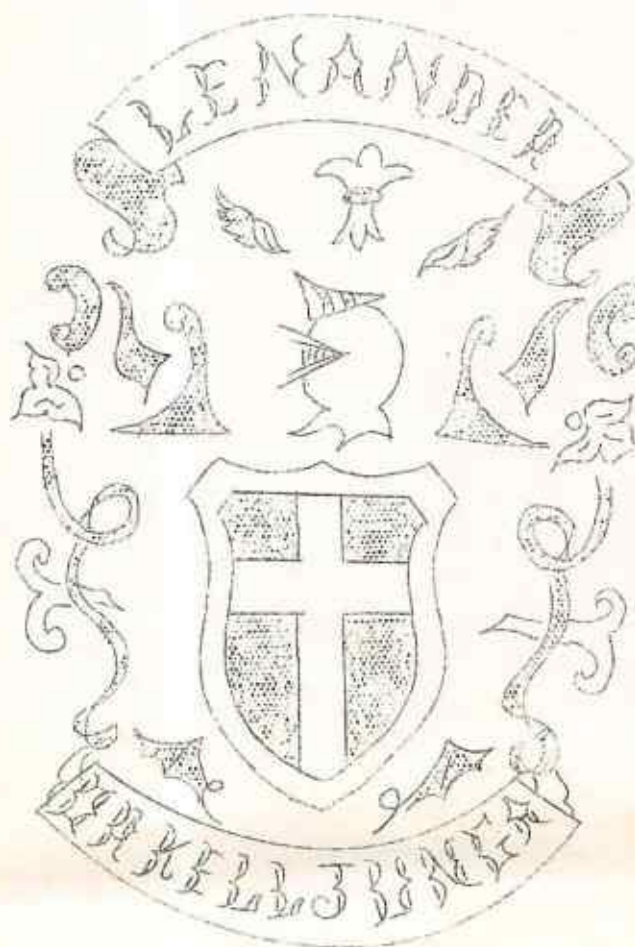

CREST -

A fleur-de-lis between col cuped the dexter gules and argent and the sinister vert and or.

(A fleur-de-lis between flying wings the right red and silver and the left green and gold.)

We do not know the color or meaning of the helmet except that any man in war could use it in a crest.

The Lenander family came from Orkelljunga a small city inland and a little north of Landskrona, but still in the County Skane.

CLIMBING THE
B L O M Q U I S T - L E N A N D E R
FAMILY TREE

In a Swedish bible given to James at the New York immigration office and preserved by his grandson Harold, is this statement:

"Belongs to James Andersson Blomquist
Born 24 October 1848 in Landskrona, Sweden
This 16 June 1878."

And so in June of the year 1878 James Blomquist and his bride Petronella Lenander landed in New York, went on to California and made their first home in the beautiful Salinas Valley.

This was James' second trip across the ocean to America for he and his brother Andrew came earlier and established a cattle ranch for Andrew in the Santa Lucia Mountains South of Monterey Bay. When James came back the second time with Petronella they also brought her sister, Mathilda, who later became Andrew's wife.

This is a record of our blue-blooded ancestors and a grandmother who remembers visiting at the castle. (We did find a manor house at Gunnarstorp). After asking a good many questions we found out that Blomquist means blossoms and twigs. A century ago many Swedes took names that had something to do with their work. Blomquist could have meant they were florists or maybe farmers so many kin chose these vocations in California. Before this time the children added son or dotter to their fathers' first name which is the reason for Swedish names ending in "son".

When the Lenander sisters both in Sweden and America were alive they corresponded frequently and kept up with the families. But since the last died in 1949 there has been no letters and no one knew if we had relatives in Sweden until Harold and Jerry Blomquist and Margaret and Bob Henry went to the old country in 1970 and found Margareta and Willie Gustafsson and Bertil and Gun Olofsson still living in the area of Orkelljunga.

Now you will want to know about these people and places so we will discuss each family group separately and hope that you will get to know them all and understand all we've written

LENANDER HISTORY

We have had a lot of fun tracing back five generations of the Lenander family. The two sisters, Petronella and Mathilda, who came to The United States of America, left four sisters and two brothers in Sweden. They were Beata, Carolina, Asserina, Johanna, Nils and Anton.

The Lenander family starts with Petronella's great-great-grandfather Kronallansman Hans Davidsson, who was an inspector and sheriff's officer in Orkelljunga and other parishes in the district of Norra Asbo. Hans Davidsson married Margareta Damgard and lived in Hoor in 1733 where their son Petter was born. Kronallansman Petter was also a Sheriff's officer

Note - - It should be explained that all underlined names are direct ancestors of Petronella Lenander or James Blomquist.

but lost this job on March 23, 1784. He and Heddevig Olander were married on May 24, 1768 in Norra Vram.

The Norra Vram Registration Book had the records of Petter and Heddevig's marriage and also named their six children.

Hans Olaus born March 24, 1769 died April 1, 1769 in Ravenstorp
Margareta Kristina born Feb. 19, 1770 in Faringstofta
Nils born April 22, 1779 in Orkelljunga or Almhult
Scharlotta born 1784 in Orkelljunga
Johanna Dorothea born July 30, 1787 in Sonnarslov
Jacob Fredrik born 1790 in Orkelljunga

Peter must have moved a number of times as their children were born in many different towns. Nils the third child was married to Ana Bertelina von Wouwern. Below is another Norra Vram record:

"Nils, son of Commissary Petter Lenander and Heddevig Olander was born April 15, 1779 at Almhult and baptised at home April 17. Mrs. Ana Sophia Koping, wife of a teacher in Orkelljunga, held Nils during baptism. Witnesses: Mr. Perpetual Curate (a minister) Stare, Parish clerk David Brandt in Orkelljunga. The Clerk Gustaf Hiellm in Almhult, Mademoisell Gustafve (Regei?) and Miss Lena Kjollerstrom at Larka."

"At the Catechetical meeting of 1790 they (Petter and Family) are not living at Almhult itself, although still in Ostra Spang. At Almhult now is living a lieutenant Ljungfelt and Honorable Mrs. Maija Ros and three children. So did Right Honorable Mr. Baron Lieven, Mrs. Machilin, son Jacob and Miss Marianne. Even though Petter lived there we cannot be sure he owned Almhult. At the 1801 meeting Commissary Lenander is said to be housed there."

Color-Sargeant Nils Henrik Lenander was in the Swedish Army when he used this title. He and Ana had four sons, all born in Orkelljunga, but they lived on a farm called Backatorp near Fagerhult.

Johan born July 9, 1805
Jonas Henrik born Oct. 15, 1807 died Oct. 22, 1807
Fredrik born Oct. 30, 1808
Peter born May 15, 1811

The last child of Nils and Anna named Peter Wilhelm, who was born near Fagerhult in 1811, is Petronella's father. (Note the single "t" in this name as compared to the double "TT" in his grandfather's name, Petter). Peter was baptised in Backatorp and those present were Pehr von Wouwern of Fagerhult, Sven Magnusson of Selleras, and their wives, Johanna Jonasdoter and Johanna Nilsdotter in Selleras. Also in the Catechetical meeting at Fagerhult of 1812 was the name Backatorp, Jordstagan No. 1. which is probably a family farm.

Peter married Nilla Persdotter, daughter of Per Tufvesson. Look for the Tufvesson family history enclosed. Peter and his wife, Nilla, had eight children. All were born in Orkelljunga, including Petronella with whom we start this study of our family history.

Carolina born Nov. 8, 1840
Asserina born Sept. 19, 1842
Nils born July 12, 1844
Petronella born July 26, 1847
Beata born Oct. 20, 1849
Johanna born Feb. 24, 1852
Anton born Dec. 24, 1854
Mathilda born May 29, 1858

COMMENT: At one time Hans Davidsson and his son Petter Lenander were both Kronallansman. It defines a man who worked for the Crown or Government in a certain District called a parish in Sweden. No certain type of job was defined. We think the name Lenander came as a title for this particular type of work. Each occupation in Sweden carried a title which the man used as his last name.

From the birth registration book of Orkelljunga in 1846 and 1848 it says "born to Crofter Peter Lenander and his 34 year old wife, Nilla Persdotter on July 26, 1847 and baptised Nov. 31, Petronella. The Crofter Nils Person of Ostra Ringarp, Elina Christiansdotter were present. Witnesses are: Farm-man Jons Christiansson of Orkelljunga and maid, Ingrid Christiansdotter of Spang."

Peter Lenander and Nilla Persdotter were married April, 1840 in Aslunga. After their marriage they moved to V. Spang, near Orkelljunga where their children were born. In 1857 they lived in Bjuv and in 1860 the family moved to Malmo. Petronella lived with Ola Svenson in Harbachshult during the year 1852 then all of the family moved permanantly to Orkelljunga in 1862.

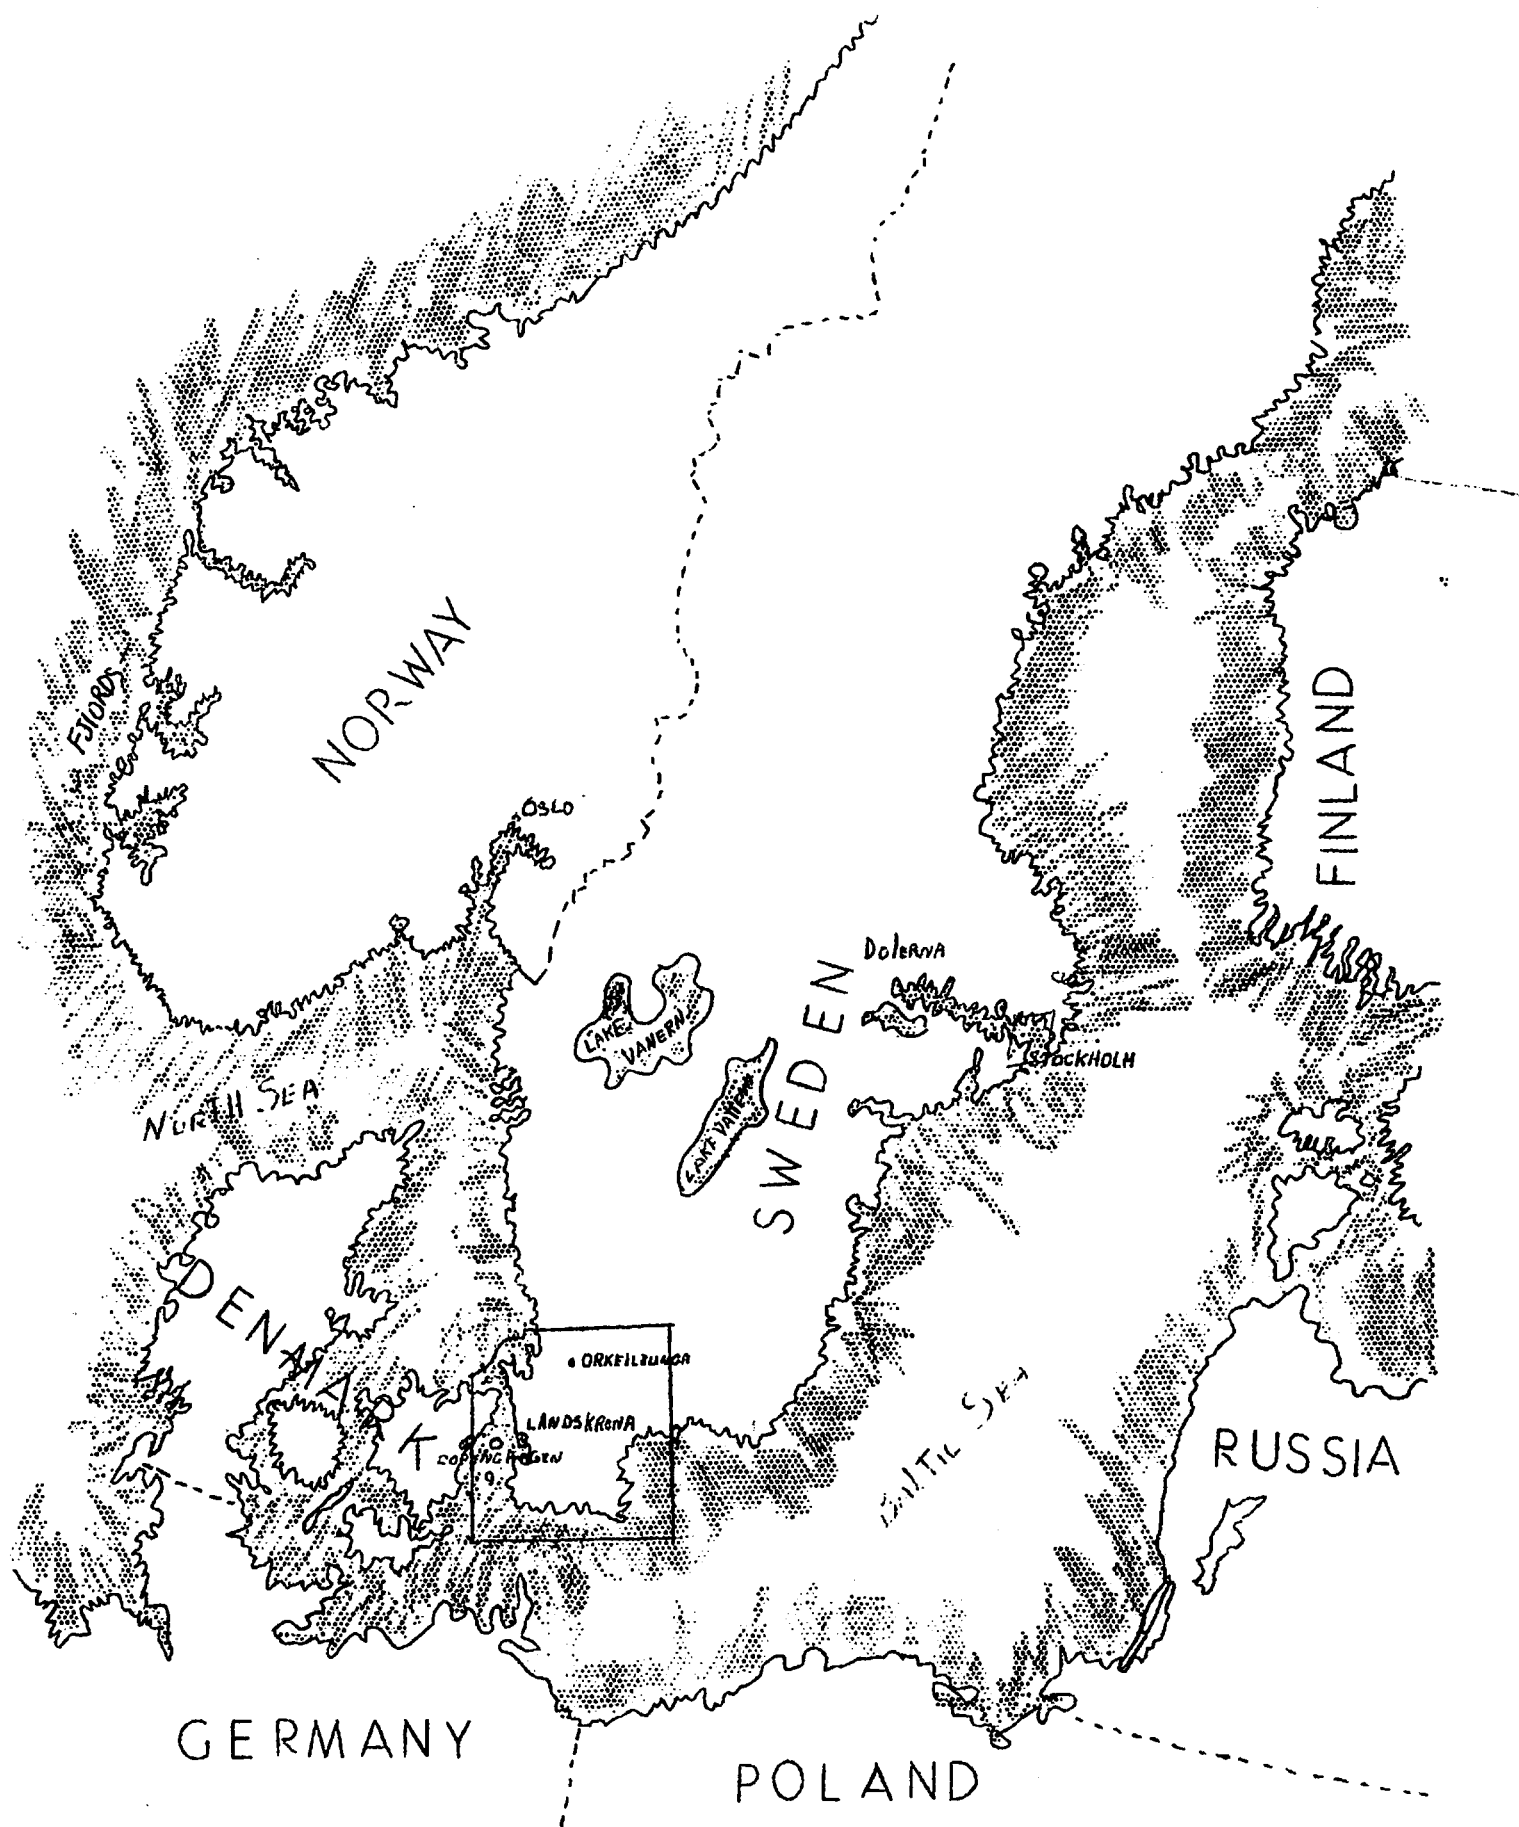

COMMENT: A croft is a small field near a tenant house. The crofter lives there and farms this same field. The land is rented from a Lord or royalty usually.

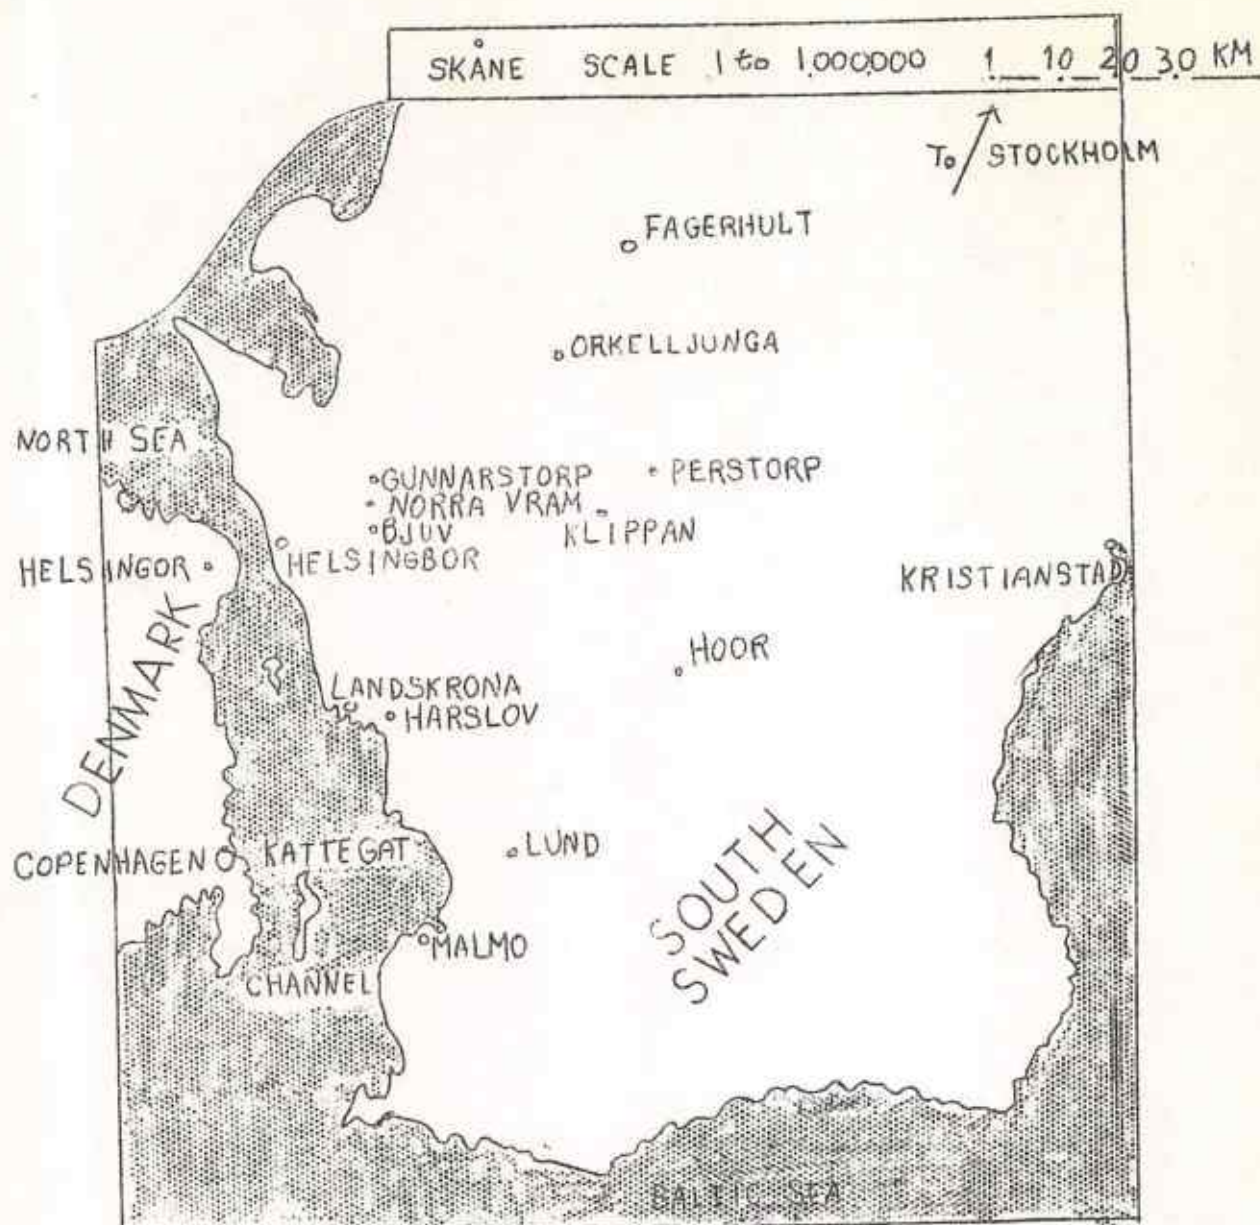

Johan Lenander, brother of Peter Lenander, was born in Orkelljunga June 9, 1805 baptised on June 6, 1806 and died in Malmo March 1, 1885.

Johan married Fredrika Lovisa Moller on March 23, 1844 in Malmo. Fredrika was born in Malmo June 12, 1807 and died in Malmo March 28, 1871. Fredrika is the daughter of Henrik Moller and K. A. ? Their son Johan Henrik (Rossini?) was born in Malmo July 28, 1845. He was a lector at the University of Lund. He married Brita Charlotta Richter in 1876. Brita was born April 2, 1852. They had three children.

Fredrik Wilhelm Tarras born Feb. 10, 1877
Elisabet Fredrika Charlotta born May 17, 1878
Johan Georg Henrik born Oct. 24, 1882.

Below is a map of Sweden and on the next page is an enlarged section where all your ancestors lived.

This an enlargement of the small squared section of the previous map. Hakanssons lived in Gunnarstorp; the Blomquists came from Harslov and Landskrona. Petter was born in Hoor and the Lenanders lived in Orkelljunga. Willie and Margareta Gustafsson now live in Bjuv and Bertil and Gun Olafsson live in Perstorp. In the sixteen hundreds this land was governed by Denmark.

Carl Olafsson, Father of Margareta and son of Beata, at the age of 88 recently died in Orkelljunga. It was at this church that the Henry's and Blomquist's first discovered that we still have relatives in Sweden. We visited Carl, Margareta's family, Bertil's family and finally took pictures of Petronella's birthplace.

Asserina Lenander married and went to France to live. She died at the birth of her first baby, Carl William. Baby Carl was sent back to Peter and Nilla Lenander, his grandparents, to raise, and for this reason took Lenander as his last name. The Lenanders in California are the only descendants to keep the old name.

Hans von Wouvern, sometimes spelled von Wowern, known to us as Petronella's great-great grandfather, was born around 1697 and was an Inspector and Innkeeper in Fagerhult, Sweden.

All our ancestors came from the southern end of Sweden across the Kattegat Channel from Denmark. In the 1600's this was Denmark, too, until the Swedish came from the north, fought the Danes and claimed the land for their Swedish King.

Hans married Katarina Stare in Kvidinge, April 21, 1727. 5 children.

Johan Jacob born October 26, 1727
Ana Bartolina born January 21, 1729
(Ana married Inkeeper Wittstrom in Wittsjo)
Matta Marie born September 20, 1733 in Fagerhult
Jonas Nicolaus born December 6, 1734
Jancka Elisabet born September 27, 1738 died October 6, 1745

Jonas Nicolaus von Wouvern was born in 1734 in Fagerhult. He was the fourth child of Hans and Katarina who had moved from Kvidinge to Fagerhult. Jonas was married twice, first to Inger Ingamansdotter who died in 1769 at age 38. They had four children:

Carl born December 7, 1761
Hans born September 29, 1763
Hedvig born April 29, 1765
Catarina born March 5, 1767

Jonas and second wife Sissa Persdotter, had eleven children.

Ingrī born Nov. 23, 1770

Johanna born Sep. 1, 1772 died early

Ana born Dec. 9, 1774

Johanna born Dec. 21, 1776

Johannes born Jan. 23, 1779 (some history included on this brother)

Petronella born May 2, 1781

Elsa Magdalena born June 8, 1783

Susanna born April 5, 1786

Pehr born Oct. 20, 1788

John Jacob born Dec. 3, 1791

Lovisa born Sep. 1, 1794 died Oct. 19, 1799

Ana born in 1774 was their third child. From the birth registration book of Fagerhult we quote; "Ana born Dec. 9 and baptised Dec 11, 1779. Father Jonas von Wouwern and mother Sissa Persdotter. Witnesses; Elias Christiansson, Jaringsholm; Bengt Haljasson, Fagerhult; his wife Kristin Andersdotter, Fagerhult; and the maid Heddevig Johansdotter, Fagerhult." Ana married Nils Lenander, Petronella's father's father. This brings the Lenander and the von Wouwern families together. Jonas's fifth child, a boy named Johannes, must have been a very ambitious and intelligent person. By 1839 when he was 60 yrs. old he owned No. 1 $\frac{5}{6}$ Mtl near Fagerhult, No. 1 $\frac{7}{8}$ Mtl. near Bjornholm and No. 1 $\frac{3}{4}$ Mtl. near Hialt. COMMENT: A mantle is the amount of votes each man held according to how many units of land he owned. His wife held the same amount. The working men had very little voice in government because he had only a fraction of a Mantle.

Johannes, brother of Ana, was a good farmer as we said and had 8 farm-men and six maids in 1838. By the year 1841 he had nine farm-men and nine maids and two hussars.

Definition of Hussar; Of every 20 families one young man went into a government light armed cavalry unit. On Johannes' farm there must have been 40 families, either working men or renters, for him to have had two hussars listed.

Johannes and his wife, Maria Avery, had four children.

These records are kept in the Lund Arkives and we quote a phrase from the records, "Using brandy instruments according to proof of stamping," as proof these records are true as to age and place. The writing and sometimes the age of the document makes it hard to read.

COMMENT: The next page is a family tree progressively showing parents of the ancestors through each family. We start with any child of James and Petronella Blomquist.

The great grandparents of Petronella are Tufve Nilsson and Karina Tufvesdotter of Wastra Spang, Orkelljunga. Their son Per Tufvesson born in Wastra Spang on Jan. 11, 1767 married Kjerstena Nilsson.

At the Catechetical meeting. Orkelljunga 1820-24 in Wastra Spang: Per and his wife Kjersti, (nickname) had five children.

Catrina born Jan. 14, 1799
Bengta born Nov. 11, 1801
Nils born July 30, 1806
Thyre born May 30, 1808
Nilla born July 28, 1814

From the birth registration book at Orkelljunga: "Born 1814 July 28 a girl named Nilla in Wastra Spang. Inse: Christen Ingelsson, his wife Nills Froedsdotter of Wastra Spang. Witnesses: Crofter Christen Persson, Farm-man Bengt Ingelsson. The two maids Thyre Ingelsdotter and Thyre (Grords)dotter, all of them at Wastra Spang."

*per - this word in Swedish indicates that this farmer owned his own property and was free to use it any way he wanted. Many other farmers at this time were working for a rich farmer or nobleman and then rented the land.

* inse - means present.

HAKANSSON FAMILY AT GUNNARSTORP

Ola Hakansson wife (a) Elna Knutsdotter -----two children
(b) Kristina Svensdotter 1. Knut Olander
(c) Ingabor Malm 2. Iars Olander
1. Heddevig Olander

Vrams Gunnarstorp is a very special manorial estate near the town of Bjuv. We believe this is the manor house Petronella visited as a child. We know that Ola Hakansson and his first wife Elna Knutsdotter lived in one of the three apartment houses in the back of the manor house.

Besides the manor house there were three apartment houses and many single homes, and several large barns. Ola Hakansson was the baliff here. (baliff means overseer of manor house and estate) Ola and his first wife had two boys, Knut and Lars. At the time of his second marriage to Kirstina Svensdotter, Ola presented the following writing established between he and his two sons, Knut and Lars. In this piece of writing Ola Hakansson agrees to pay his two sons 50 Riksdalar each when they become of age. (Riksdalar was the Swedish currency at that time.) The paper was signed at Vrams Gunnarstorp, May 25, 1743 by Ola Hakansson. Witnesses: Nils A. H. Knutsson and Jons S. H. Nilsson.

From the Norra Vrams birth registration book 1751. "Ingabör- Malm of Rafnstorp, maid in the home of Bailiff Ola Hakansson and Kirstina Svensdotter in Rafnstorp, had a child born April 10, 1751 and christened April 14-named Heddevig Olander." According to the christening registration book Heddevig was given the surname Olander as that was the name of her two half-brothers, Knut and Lars Olander. Ola Hakansson and his wife Kirstina Svensdotter claimed Heddevig Olander as a daughter in the Baptism registration book of Norra Vram. Witnesses: Ola Parsson from Jutahuset and Bengt Andersson from Gronta.

Heddevig Married Petter Lenander in 1768.

BLOM(QUIST) FAMILY

Anders Blom wife Kjersti Andersdotter

Anna

Anders wife Margareta Lenander

Jons Andersson wife Petronella Lenander

Johanna

Peter

Anders Blom is listed as a soldier in the birth records of his children. He was born March 15, 1822 in Jygelsjö, near Harslov, Sweden, and married August 18, 1845 in Harslov. Below is the translation of the Household records of Harslov.

"Soldier - Anders Andersson Blom from #6 Harslov and unmarried (Piga) girl Kjersti Andersdotter from #4 Hilleshog have posted banns to be married. 18 of May.

Blom has received permission from his officers to be married. Her father is dead and her widow mother Johanna Jonsdotter and her only brother, Peter Andersson from #5 Hilleshog give their permission for her to be married. He is 24 and she is 27 at the time of marriage. They were married August 18, 1845."

The household registers are like our census records and are kept by the churches of Sweden. Microfilms of these records are also kept in the Genealogical Library of the Mormon Church in Salt Lake City, Utah.

The records found in Utah list the Harslov birth records this way:

"Anna - July 21, 1843 (Oakta)
mother Kjersti Andersdotter (Piga)
Anders - ~~December~~ 6, 1845
mother Kjersti Andersdotter
father Anders Andersson Blomach, a soldier
Jons Andersson - October 24, 1848
mother Kjersti Andersdotter
father Anders Andersson Blomach, a soldier
Johanna - June 6, 1853
mother Kjersti Andersdotter
father Anders Andersson Blomach, a soldier
Peter - July 25, 1856
mother Kjersti Andersdotter
father Anders Andersson Blomquist, a soldier."

It is not known why Anders Blom changed his name twice after he was married or why the records only show the Blomquist change in 1861-1866 when he used the Blomquist on Peter's birth records as early as 1856. The names and dates correspond to the information we know, so these are our Blomquist ancestors.

Anders Persson wife Johanna Jonsdotter
Peter Andersson
Kjersti Andersdotter husband Anders Blom

The names of the parents of Kjersti is the only information we have on this side of the family tree.

When Jons and Anders Blomquist came to the United States they used the American version of their first names and became James and Andrew.

We believe they came by boat around the horn and landed in Monterey, California and from there Andrew went to Jamesburg and started his cattle ranch. James may have worked with his brother a few years, as they both became naturalized citizens of U.S.A. in 1875. Andrew in July of 1875 and James in September 1875. By 1877 they must have started thinking of marriage for James went back to Sweden and on Jan. 4, 1878 he and Petronella Lenander were married in Orkeljunga, Sweden. On June 16, 1878 they arrived in New York and we believe brought Mathilda Lenander with them. In April of 1880 Andrew and Mathilda were Married in Salinas, California.

James later acquired a piece of farmland near Spence Switch and after his death in April of 1900 his wife Petronella raised the family there.

Now we're through with this part of the book. We hope it was interesting. We want to remind you, each and everyone, that there is a family picnic each May 30th in Bolado Park, near Hollister, California and all members of this big family are welcome. We have a wonderful time and it is also the time to record in our books all the babies, marriages, deaths, and anything interesting to keep this family tree up to date.

We want to thank Margaret and Bob Henry for sharing the first leaf that sprouted on this tree. It was a christmas present from their foreign exchange student, Ralph Mono, who gave them all the facts on the Lenander family up to the birth of Petronella. It was with this start that we researched through the Lund Arkives, Sweden, to look up Petronella's marriage and found this and the records of James' parents so we could add the Blom(quist) family branch to the tree.

Margareta Gustafsson kindly sent us the names, addresses, and dates of the Swede relatives. We hope someday to see some of them at the picnic. Walter Blomquist and Donald Lenander gave us the COAT OF ARMS for these names. We don't know if they belong to an ancestor but it's nice to have them anyway.

Mildred Silacci, Geraldine Blomquist and Margaret Henry have worked several years compiling all this data and putting it into a readable form. Bob Henry printed it and saw that it was available to all. We've had a good many laughs, a few anguished tears, and now a happy heart to know that it is all done.

"If you could see your ancestors
All standing in a row
Would you be proud of them or not
or don't you really know?

Some strange discoveries are made
In climbing family trees
And some of them, you know
Do not partic-ular-ly please.

If you could see your ancestors
All standing in a row
There might be some of them, perhaps,
You wouldn't care to know.

But there's another question which
Requires a different view
If you could see your ancestors
Would they be proud of YOU?"
