I'm off to Salt Lake City on the 17th of October so if any of you have specific things for me to look up either email me or write really soon. I know this is short notice but my life is always like this.

My grandson is getting to come home this weekend for the 1st time since he left for the Air Force. He's a little homesick and we miss him. He only has 4 days for Columbus Day and has to spend most of 2 of them traveling so we won't have time to bore him.

Love	<p>Do any of the Love researchers have a Christopher Love in their family line? Christopher was possibly in NC and TN before arriving in NE Georgia before the 1830 census. Christopher was born 1770-1780 and died before the 1840 census of Habersham Co., GA. His wife (assumed) Rhoda ??? b. 1790-1800 and died after the 1840 census. Love	<p>My GGGGMother was Emeline Love, she was a slave of Robert Love, brother of General Thomas Love who was a state senator in NC and who later moved to TN. In Roberts will he mentions Emeline and her son also the fact that she has a half brother name Prince. I have not been able to find any of Prince's descendants. There is also a connection with some of the slaves owned by Gen. T. Love as well. The Grandson of Emeline told me that some of his Grand mothers siblings moved to TN. This particular Uncle of mine was born in 1886 and did not die until 1980 so I knew him very well. I also have a recorded conversation with him in my possession. I am also trying to find out if there were any slaves named Fannie owned by any of the Loves as well. Emeline's mother was named Fannie. Love Sadler Rogers Brown Gaston Wright	<p>I am begging again for help. I have not managed to tie my John to any of the known South Carolina LOVEs. Don Collins just called to my attention that "English Bill" LOVE had a daughter who married a SADLER. William SADLER witnessed the will of my John LOVE who died in 1799 in Chester Co, SC. Clayton ROGERS was an administrator of my John LOVE's will. Clayton ROGERS was a witness to the will of the John LOVE who died in 1802. Both Johns (d.1799 and d. 1802) were very closely allied with the BROWNS, and GASTONS, as was Benjamin LOVE who died in 1799 in Chester. John Royal LOVE, son of my John (d.1799) sold in 1808 to his brother, Samuel, land which had been granted in 1753 to William LOVE by the Governor of North Carolina. I cannot find anything to account for how John Royal came by this property. My Mary LOVE daughter of John (d.1799) m. Samuel WRIGHT. Samuel's presumed brother who died in 1808, named as his executors, Robert LOVE of York District. I could go on and on with these sorts of entanglements all of which - when followed - have brought me right back to where I was initially which is NOWHERE! Will some of you who have ties to the SADLERs, ROGERS, BROWNS or other of these allied lines have a look through your records for my John?</p> <p>Mildred Wright "Mickey" Fournier, PO Box 1967, Lake City, FL 32056, MFournier@atlantic.net, MFournier@asc-usi.com</p>

The John Loves of Chester County, SC

The John LOVE who married Elizabeth (we think ROYALL) died in 1799 in Chester leaving sons John Royal, William and Samuel and daughters Mary WRIGHT (wife of Samuel and my ancestor), Elizabeth, Margaret and Jean. The latter three daughters were still unmarried when John died. I posted his will on the Chester County Archives page if anyone is curious. His son John Royal died intestate in 1832 leaving widow Rachel (maiden name unknown) and son Milton Royal LOVE. I have several good reasons to believe that the John of the 1702 (1802?) will and the wife named Martha may have been related but he was neither of the above. Somebody wrote - in pencil - beside his name in the Chester County will index "John Royal" and lots of other folks believed it. Not so!

Searching for Henry Love

My mother was Louise May Love , born in Charlotte, NC September 10, 1908 , I believe. She was married to my father, John Moten Freeman, and she died in 1975.

Her father (my grandfather) Henry Love was born in Union County and the date of birth was probably 20 to 25 years earlier, 1888 to 1883, perhaps. He had a son, Tommy (or Thomas?) of Charlotte, who was a woodcarver/craftsman, a builder of handcarved mantles, I believe. Another brother died very young of a heart attack. He was a City of Charlotte worker and died after shoveling snow all day.

Henry was married 4 times. The first wife's name was Julia, I believe. (She would have been my grandmother). She passed away and he remarried and I do not remember the name of the 2nd wife. She also passed away and the 3rd wife, I remember well , Maggie Stutts, as I was a youngster growing up. Maggie had sons Arthur and Bobby, stepbrothers to me. Henry and Maggie lived in Monroe, NC, then (late 40's early 50's?) and he operated a grocery store, Love Grocery, and had several rental houses in back of the property. After Maggie passed away, Henry's health declined and he later married Katy ? of Danville, VA. He passed away at about age 67 or 68 I believe, in Monroe and was buried nearby but I don't remember for sure, but around Indian Trail, I think.

Sorry to ramble on, but maybe someone can help me fill in a lot of blanks. In my Freeman family genealogy, we have developed a lot of information over the past 20 years and now it is time to learn about my mother's side, Henry Love and his family.

Love - Campbell Marriage Is Disclosed

Announcement was made today of the marriage of Mrs. Sarah Belle Campbell, daughter of Mrs. Jennie Van De Vort, of 870 West Sixth street, Pomona, to Edward C. Love, son of Mr and Mrs. W. C. Love, of 301 North Vine avenue.

They were united in marriage Saturday morning (9 Nov), at 11 o'clock at Las Vegas by the Rev. C. H. Sloan, Baptist minister, who read the service in his home.

The bride was attired in a dark traveling suit with a gardenia corsage providing a contrasting color note. The couple were unattended.

After a trip by way of Boulder dam, Mr. and Mrs. Love returned to make their home at 252 East Fourth street, Pomona. Mrs. Love has been connected with the Associated Telephone Company in the Pomona office for several years and Mr. Love is with the men's department of P.E. Ostran company.

Dear family:

I want to thank you all for you patience. I'm not only getting older but also slower I guess.

I had a great time in Tennessee, Georgia and North Carolina in November. Got to see some beautiful country. Can't imagine why any of my ancestors left.

While I was in Shelby, NC, I found the graves of James Love (my GGGreat-grandfather's brother) and his family. Found dates I didn't have before and that two of his sons died in battle. One in the Civil War and the other in the Mexican War. I have never corresponded with anyone from this branch of the family.

I looked in Georgia for my GGGGreat Grandmother's grave but never found the right cemetery or she doesn't have a marker. Could be either one. However, I found everyone very friendly and helpful. In two different cities I found help from the Fire Department. They know where all the cemeteries are and in one case they zeroxed a map of the cemeteries for me.

I'm heading for Virginia for my next trip, which will be in June.

Please do not send any subscription payments until I have caught up with everything.

Love Hines Kennedy ca 1780-1800	Looking for a connection between the HINES family of the area that is now Washington DC and the LOVE family of the same area. Christina Hines m Matthew Kennedy in the Georgetown area. In a quote from a history of Tuscarawas Co., Ohio. "Matthew KENNEDY, on emigrating to this country, settled near Georgetown, now taken in the city of Washington DC, and there kept a hotel for a number of years." Others have written that Hines also kept a hotel in what is now DC. Maybe Matthew worked for his father-in-law. I need to know the siblings of Christina HINES. The story of the Kennedy-Hines relationship sound very like the story of my LOVE ancestor who came to the colonies from Ireland "at the commencement of the Revolution", settled near "Washington City" and m a woman who spoke mostly German. "Grandfather Love" served in the Rev. for 7 years. It sounds like his wife could have been a Hines. The Kennedys and the Loves later lived near each other in Harrison Co., OH. The Great Grandchildren of "Grandfather Love" later m into the Kennedy family in Ohio. It was not unusual for families to move across the country and settle where they already had friends or family, so the relationship could have gone back to the days in Georgetown. Anyone see a connection here? Sharon Laizure Hofer, 2932 Greenbriar Dr., Ontario, CA 91761

Robert B. Whitesides (deceased) was another of the many representative citizens of Pope County, Ark., whose native soil was the Palmetto State, his birth occurring in York County in 1828, and was the son of Maj. Whitesides, a native of Ireland. The father was reared in his native country and remained there until about fifty years of age, when he emigrated to America. He settled in South Carolina, and there his death occurred many years ago. Robert B. Whitesides came to Pope County, Ark., in 1856, and there married the widow of William W. Williamson. She was the mother of two children by her first husband, William D. and Sallie N., and five children by Mr. Whitesides: Robert Lee, Edward B., Martha E., Lucy Ann [p.268] and Walter D., all of whom are now living with their mother with the exception of Robert, who is in Texas. Mr. Whitesides was a farmer by occupation and followed this until his death which occurred on the farm where his widow resides, in 1886. He was for many years intimately associated with the county's interests, and in his death the county keenly felt the loss of one of its best citizens, a man who had taken part in its development and witnessed its growth for many years. He was the owner of 700 acres of land, 250 acres under cultivation, lying on the north side of Arkansas River, seven miles below Dardanelle. In 1863 Mr. Whitesides enlisted in the Confederate Army, and served until cessation of hostilities. Since the death of her husband Mrs. Whitesides rents her land mostly, but lives at home and cultivates a portion of it herself. She and one daughter are members of the Old School Presbyterian Church. She was the daughter of Darling Love of Pope County, but who was a native of North Carolina. The latter came to Pope County fifty-two years ago, bought land here and reared a family of eight children, three of whom were killed in the Confederate Army. Two brothers of Mrs. Whitesides, Ransom D. and Calvin M. Love, live near Russellville, where the former is engaged in the hardware business, and the latter is a farmer and preacher. A sister, Madrid, married Squire R. O. Morton, and is now living near Potts' Station. The remainder of the children are deceased.

Cemeteries in Love County Oklahoma, Compiled by Bill Hamm

Use this list to read about the cemetery where an individual is buried. The numbers correspond to the numbers in the Cemetery #s List.

01. AARON PICKENS is a single stone located on the Thurman Vinson homeplace in Enville, OK. It is an abandoned cemetery and they say that at one time there were at least 25 graves in this one. Thurman said he heard that Aaron was killed by a black man over a card game. The cemetery is located in 3E, 6S, Section 22. Difficult to find.
02. ARK is a black cemetery, abandoned and extremely hard to find. Many unmarked graves and ones with only field stones. The cemetery is located in 2E, 7S, Section 1.
03. ARNOLDVILLE is another abandoned cemetery and very overgrown with thick trees and underbrush. At one time, in the 1880's, Arnoldville was a good size community, but closed its Post Office in 1889 and disappeared. The cemetery is large and in terrible condition. The cemetery is located in 1E, 7S, Section 35. It is just northeast of the airplane runway of McGehee's restaurant.
04. BELLEVILLE-BOURLAND is the cemetery for the community of Belleville. The cemetery is located in 3W, 7S, Section 29.
05. BURNEY-GAINES is another abandoned cemetery. It is a half mile east of the present Burneyville cemetery and sits atop a hill just south of the Noble Foundation road. Many of the people who first settled in this area are buried here. The cemetery is located in 1W, 7S, Section 35.
06. BURNEYVILLE is the cemetery for the city of Burneyville. The cemetery is located in 1W, 7S, Section 34.
07. COYLE-PIKE is a little private cemetery a mile and 1/2 northwest of the old Pike schoolhouse. The post office of Pike was closed in 1933. The cemetery is well taken of with a 2" pipe around it to keep the cattle out. The cemetery is located in 1W, 7S, Section 6.
08. CROW is in the northwest part of the county. Have no idea where the name came from as there is no one buried here by that name and no community near by that name. It is located in 3W, 6S, Section 28.
09. DIBRELL is a cemetery south of Leon about two miles. From a previous survey it is said that the Dibrell cemetery was started before the Civil War by Ike Cloud. It is located just west of the Cloud Trail near where the trail crossed the Red River. Ike was killed during the Civil War and his wife died a short time later. After their deaths, the Cloud Ranch was taken over by Mrs. Cloud's brothers, Jim Bill and Joe Dibrell. The cemetery that Ike Cloud started then became known as the Dibrell Cemetery. They say that at one time there were at least a 100 graves in this cemetery, now it is almost completely gone. It is located in 2W, 8S, Section 19.
10. BROWN SPRINGS OR DRIPPING SPRINGS OR REFUGE SPRINGS is an abandoned cemetery located on a hill in the southern part of Love County just north of the Red River. Old timers say that this cemetery was started by outlaws who liked the area because of advantage of high ground. This was a refuge from the Texas Rangers and

was also in Indian Territory. They say several outlaws are buried here. It is very run down and many of the stones have disappeared. It is located in 2E, 9S, Section 31.

11. DUNBAR is a black cemetery 2 miles north of Burneyville on Hwy 32. It is located in 1W, 7S, Section 23.

12. EASTMAN is a small cemetery for the community of Eastman. It is located in 1W, 6S, Section 35.

13. ENVILLE PLEASANT OAK is a small cemetery for the Enville community area. It is located in 3E, 7S, Section 3.

14. ANGLIN OR FALCONHEAD is a small inactive cemetery on the Falconhead Resort property. Before the developers bought the property it was on private land and the cemetery was called Anglin, named after some of the people buried there. It is located in 1W, 7S, Section 21.

15. GORDON is an abandoned cemetery on private property owned by the Noble Foundation. It is about a 1/2 mile directly west of the Acox Ranch and one has to walk to reach the cemetery. It is located in 1E, 6S, Section 17.

16. GRAVEYARD BLUFF is a cemetery on an island in Lake Texoma. It is abandoned and in poor condition. This is the cemetery where Edmund Pickens is supposed to be buried, the man that Pickens County is named after. The cemetery is only accessible by boat. It is located in 3E, 7S, Section 10.

17. GREENVILLE is the cemetery for the community of the Greenville area. It is located in 2E, 6S, Section 20.

18. EDWARDS is an abandoned cemetery on the east side of Scenic Hwy 77S and difficult to see from the Hwy. There are only two stones in the cemetery. It is located in 2E, 6S, Section 22.

19. JIMTOWN is the cemetery for the community of Jimtown. It is located in 3W, 8S, Section 13.

20. LAKEVIEW is the cemetery for the city of Marietta and is the largest cemetery in Love County. It is located in 2E, 7S, Section 22.

21. LEGATE is on Legate road in the far northeast part of Love County. It is located in 3E, 6S, Section 5.

22. LEON is the cemetery for the community of Leon. There is a story about how this cemetery was first started. A man by the name of P. B. Arthur came upon a wagon, a man a short distance from it was digging a hole. Not knowing what was happening, Mr. Arthur hid behind a tree and watched. When it became clear that the man was digging a grave, he came out and helped him. The family was passing through the country, when the man's wife died and he had stopped to bury her. This was in 1883 and her name was Rachel Brumley. It is located in 2W, 8S, Section 5.

23. LOVE is an abandoned cemetery on the banks of the Red River. It is very overgrown and very difficult to find. Many of the people of the Love family, of which this County is named after, are buried here; including Judge Overton Love known as Sobe Love. It is located in 3E, 8S, Section 9.

24. DECHERDS OR MAHOTA OR ADDINGTON BEND was at one time a very large cemetery. It also is an abandoned cemetery on private property and difficult to move about because of the undergrowth. It is located in 2E, 8S, Section 27.

25. MORGAN REST is a small family cemetery on private property. It is very well kept and is located in 2W, 6S, Section 11.

26. LOVE (OIL SPRINGS) is a small abandoned cemetery in the Hickory Creek Wildlife Management Area. It is just on the south side of Love Cemetery road in 2E, 6S, Section 35.

27. OLD JIMTOWN was the original cemetery for Jimtown and was located on a bluff that began to erode. The citizens then moved the cemetery to its present location in about 1915. There are still two stones in the old cemetery and probably many others not marked. It is 1/2 mile north of the present Jimtown cemetery. It is located in 2W, 8S, Section 12.

28. OLD THACKERVILLE is another large abandoned cemetery and is on private property. It was started back in the 1870's, and is one of the oldest cemeteries in Love County. Thackerville was one of the stations where the cattle and drivers from the Old Chisum Trail stopped over to rest. Many of the Thackers that the town was named after are buried here. It is located in 1E, 8S, Section 23.

29. ORR is the cemetery for the community of Orr. It is located in 3W, 6S, on Section lines 8 and 17.

30. OSWALT is the cemetery for the community of Oswalt. The post office closed in 1949, but the cemetery is still well taken care of. It is located in 1W, 6S, Section 18.

31. BURCH is a lone tombstone on the property of the Colston family. No one has any idea where the marker should be placed, but it was found on his property and one can assume that it belongs in that immediate area. It was sitting on the front porch when I visited the area. It is located in 2E, 7 S, Section 19.

32. PARKER is a small family cemetery on private property. It is located in 1W, 7S, Section 24.

33. TOWNSEND cemetery only so named because it is on the Townsend property. Why this cemetery is here is unknown. It is possibly an area used by Burneyville at one time. It is abandoned and overgrown and difficult to find, and is sitting on the bank of a creek. It is 3/4 of a mile directly east of the Townsend home site. It is located in

1W, 7S, Section 35.

34. PIKE is another little abandoned cemetery. It is 9/10 of a mile south of the old Pike School and 300 yards east sitting on top of a little hill. Very overgrown and difficult to find as all of the stones are down. It is located in 1W, 7S, Section 17.

MCBRIDE is a lone grave on top of a little hill on the old McBride farm. It is surrounded by an iron pipe fence and the owner of the property takes care of the grave. It is located in 1W, 7S, Section 31.

36. RAN is a black cemetery in the northeast part of the county. It has not been abandoned but needs a lot of work to clear out the underbrush. It is located in 3E, 6S, Section 20.

37. PRAIRIE VIEW is a black cemetery used by and taken care of by the city of Marietta. It is just south of the Lakeview cemetery. It is located in 2E, 7S, Section 32.

38. REID-CROSS is a cemetery just 200 yards south of the Love cemetery at Oil Springs. Why these cemeteries were not combined is anybody's guess. Both the Reid people and the Cross people in this cemetery are enclosed in two separate areas. It is located in 2E, 6S, Section 35.

39. RUBOTTOM is the cemetery for the city of Rubottom and is in the western part of the county. It is located in 3W, 7S, Section 24.

40. SIMON is a fairly large cemetery used by the area around the community of Simon. It is located in 2W, 6S, Section 22.

41. WRIGHT cemetery has two stones right on the fence line next to the road just north of Old Enville. At one time these stones were in the pasture about 50 feet from the fence, but someone moved them up against the fence. It is located in 3E, 6S, Section 28.

42. MT ZION is the cemetery for the city of Thackerville. It is located in 1E, 9S, Section 3.

43. COURTNEY is an abandoned cemetery that was once used by the people of the community around Courtney. It is located in 7S, 3W, Section 23.

44. NEW HOPE is a new cemetery that belongs to the New Hope Baptist Church. It is located in 2E, 8S, Section 31.
