P.S. Did those pictures we took that time with Wil-  
liam & Jimmie ever come out? I keep forgetting to  
ask.

Dear Lucile:

This is just a little "thank  
you" note. The bracelet is just dear and  
thank you very much. I am so sorry  
you couldn't come to the exercises. My  
but I am glad it is all over with. I

still don't know what  
I am going to do next fall.  
Next Monday I am going to  
start working at Bullock's  
again.

Have you seen the  
picture "America"? If not,  
did you get any student  
tickets before school let out?  
I was just thinking that it  
would be nice if you, Tony,  
and I could go to see it  
some Saturday afternoon.

Please have Antoinette  
call me after you get home  
and let me know.

Love to you from me,  
Ruth.

Dear Lucille,  
Thank you so much for that lovely  
hunkchief & letter. You don't know  
how good it seems to here from home.  
Nowdy is a perfectly beautiful  
place with its snow covered  
mountains & fjords everywhere.  
We are having a wonderful trip.  
This is part of the Island of the  
Lofoten we are staying at for a  
few days. It is very artistic  
do you think? I hope you will  
write a letter soon  
Lots of love Pauline
