Bible Records
Shinn-Reed-Green of Columbus, New Jersey

*Contributed by The Genealogical Society of Pennsylvania**

Like many societies, the Genealogical Society of Pennsylvania (GSP) collects Bible records from its members. Each contribution is in an individual folder labeled by surname. For many folders, volunteers have transcribed the records and created an every-name index. A surname list for the collection is provided at www.libertynet.org/gspa/SurnameIndex.htm. Many of the GSP Bible-record holdings have been published in the *Pennsylvania Genealogical Magazine*, which continues to publish items from the collection. The records span the seventeenth, eighteenth, and nineteenth centuries, and may include unexpected items such as information about immigration, births of African Americans, and newspaper clippings placed in the Bible for safekeeping. Some of the records are in German.

Members have contributed records from beyond the boundaries of Pennsylvania, as demonstrated by the following.
