Dear Snipes Relative:

Are you interested in family history? Would you enjoy meeting new cousins? Would you like to learn more about your roots? If so, you have something in common with members of Snipes Family of America, Inc.

The Snipes Family of America, Inc. was organized as a non-profit organization in 1979 to coordinate the efforts of individuals doing genealogical research on the Snipes and allied families. The organization's purpose is to assemble information, promote sharing of information, and eventually publish a book on Snipes family history. Fortunately, a great deal of history has been compiled in the past by such researchers as Dr. James J. Snipes of Lincoln, Nebraska, and energetic researchers have continued updating this research for future generations.

Three annual meetings of the officers of SFA, Inc. have been held in Durham, North Carolina. A list of about 2,000 people in this country with the name Snipes, or with an interest in the Snipes Family, has been assembled. The officers voted to send this letter to each of you, inviting you to join our efforts.

Funds collected from membership dues and other donations will be used:

- to defray costs of mailings to members and potential members;
- to establish a newsletter fund;
- to copy and eventually publish information;
- to selectively assist in funding of major research projects.

Benefits of membership include:

- the opportunity to give and receive genealogical information without charge;
- a membership certificate and list of names and addresses of other members throughout the U.S.
- advance notice of any published Snipes family materials.

Of course, the organization's ability to set and accomplish goals is conditioned, to some extent, upon response to this letter.

Inquiries about your ancestors may accompany your membership application. Please make requests specific and include a self-addressed, stamped envelope with enough information to make an answer possible.

We certainly hope you will join. The more of you that get involved, the more successful we will be in creating a legacy of Snipes history

for future generations. Whether or not you join, it would be helpful for us if you:

1. Send in names and addresses of folks you think might be interested in joining.
2. Complete the enclosed forms and family data sheets for as much of the Snipes-related part of your family as you can.

Please send your data sheets, application forms, and if joining, your check and any request for information to our archivist:

Mr. Earl A. Truett  
Post Office Box 323  
Oxford, Mississippi 38655

Remember, member requests for genealogical information and guidance should include a stamped, self-addressed, stamped envelope and what pertinent information you have. Our archivist will draw on the assistance of others of us who may be directly related to you to help answer your questions and find your roots.

Sincerely,

*Robert T. Snipes*

Robert T. Snipes,  
President

INSTRUCTIONS FOR FILLING OUT ENCLOSED FAMILY DATA SHEET

1. If you are married, fill out sheet with your name as husband or wife;
2. Fill out a sheet inserting your parents as husband and wife;
3. If you can, fill out another sheet giving the same information using your Snipes-related grandparents as husband and wife.
4. Send us as much information as you have using additional sheets.
