FOREWORD

Welcome to Volume 1 of the WADE WORLD. This series will continue as long as there is interest from you, the readers. With your help this series could open the door to many of our problems. Please share your family information, thereby preserving it for all time. Bible Records are a one-of-a-kind record, necessitating sharing among "cousins."

If you know others who have WADE ancestry (all spellings), please let them know about us. If you wish to share your ancestors with us, please send in your lineage and any records you wish to share. No purchases are necessary to submit your information, and all WADE related queries are free.

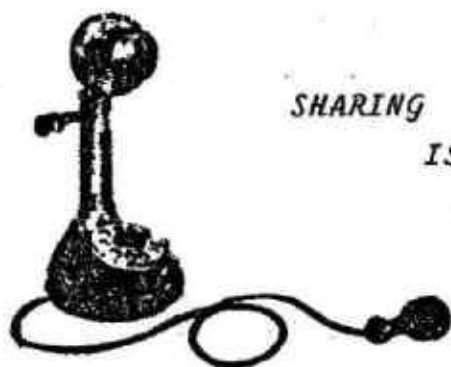

I look forward to hearing your comments and publishing the information you have accumulated through your years of diligent research. Together, maybe we'll be able to piece together most of the puzzle.

This space will also be used for connecting branches, so if you connect with another branch, let me know, and we can all share in your good fortune!

Good luck with your researching!!

Dale

Preserving Our Lineages

The following section is very important to all researchers with the same surname in common. Here is a chance to connect to a branch that has already been published. If you have not yet sent in yours, it is to your advantage to do so as soon as possible.

These lineages are published as they are received and if errors occur intransferring the material to these publications, i.e., typographical errors or omissions, please let me know. The editor does not take responsibility for errors in the research.

Submitted branches may be added to or corrected in future volumes. Do not wait until your research is "done" before submitting your information. Many things may happen that would make it impossible for you to have your lineage published and it is important that we preserve our research data for our future generations.

You may submit your lineages in the format that follows or you may submit this information on family group sheets. It is not how you submit it, but that you DO submit it.

If you contact others that connect to your branch, please let me know so that we can merge the two or more branches. If possible, please cite your sources, and be detailed as to places so that others may research in depth, too.

For those of you who have published a Wade genealogy, what better place to have it reviewed than in a publication dealing exclusively with the Wade surname!! Send a complimentary copy, stating price, postage/handling, and ordering address. It will be reviewed (more than once) in future issues of Wade World. If there are

possible connections with submitted Wade branches, reference will be made. If you know of anyone who has a book on Wades (any spelling), let them know about Wade World, for allowing others interested in the same surname to be informed.

Thank you for your words of encouragement and support. Without them, these publications would not be possible. I also want to thank all of you who have contributed information for these books. It is a big help and adds a diversification for all of us in our research. When submitting information for publication please remember to send a copy of the cover page (and date of publication) so that I can give proper credit where credit is due.

Since the last issue, I have already made my annual trip to Salt Lake City, and I have shared some of my findings with you in this volume. We have such a wonderful time! If any of you get an opportunity to go, don't pass it up!

Our Washington State Genealogical Society had its second conference 31 May - 2 June and it was so exciting! Carol Wilsey Bell from Ohio, Milton Rubincam from PA, Timothy Field Beard, formerly of the New York Public Library, and Lloyd DeWitt Bockstruck from the Dallas Public Library were here. If you ever get an opportunity to hear them speak, DO SO! The conference also allowed me the opportunity to meet June Zamjohn from Fircrest, WA. (June is researching the Wade/Slusher line.) I enjoyed that and I hope that I have a chance to meet more of you, and get acquainted.

HAVE ANY OF YOU MADE ANY CONNECTIONS?? If so, PLEASE, OH, PLEASE, let me know! That's what these books are all about. I enjoy hearing from you and an SASE will guarantee a reply.

If any of you have attended or will attend a Wade reunion, write a short report about it and the people who attended and I will be happy to print it in future volumes. Also, anytime you find a birth, death, anniversary, or marriage, etc. about a Wade in your local newspaper, cut them out and save them in an envelope, and after a while, send them to me. These are current events that need to be preserved for the future.

GOOD LUCK WITH YOUR RESEARCH AND KEEP IN TOUCH!

Dale

Mrs. Sarah A. Cox Wade, age 80 years, 3 months and 23 days, departed this life on Nov. 15, 1898. She was born in Floyd (Montgomery) County, Virginia on July 22, 1818, a daughter of (Vol 2, No. 2, Pg. 20) Matthew Cox (b. 5-4-1786; d. 1860) and Mary Bishop (B 1791; d 1880). She was the widow of the late Carter Wade. She had been in very feeble health for several years, and required

(cont . . .

the constant attention from her children, who have lovingly and faithfully discharged this duty to their mother. She has lived an active christian life and now has her reward, and is free from suffering and pain. She leaves four children, and two brothers, namely Dr. A. B. Cox and Cloyd Cox, and a host of friends, therefore sorrow not at her departure, our loss is her gain. Her burial service was conducted by the writer at the home of Mr. & Mrs. McNeil. Rev. Dr. Cox, Rev. Temples and Rev. Reed assisting. It was an occasion to be remembered to the end of life's journey as we said the last words above her sleeping form and contemplated the joy she was receiving from her masters hand, we buried her by the side of her husband in the cemetery at her old home where the angels will watch the precious dust until it shall wake at the call of the master, then we shall see her again in the vigor of youth and clothed in white, rejoicing.

# Preserving Our Lineages

The following section is very important to all researchers with the same surname in common. Here is a chance to connect to a branch that has already been published. If you have not yet sent in yours, it is to your advantage to do so as soon as possible.

These lineages are published as they are received and if errors occur in transferring the material to these publications, i.e., typographical errors or omissions, please let me know. The editor does not take responsibility for errors in the research.

Submitted branches may be added to or corrected in future volumes. Do not wait until your research is "done" before submitting your information. Many things may happen that would make it impossible for you to have your lineage published and it is important that we preserve our research data for our future generations.

You may submit your lineages in the format that follows or you may submit this information on family group sheets. It is not how you submit it, but that you DO submit it.

If you contact others that connect to your branch, please let me know so that we can merge the two or more branches. If possible, please cite your sources, and be detailed as to places so that others may research in depth, too.
