SOCIETY NOTES

VENTURA VENTURES...

IN February the "upcountry" genealogical group (Ventura County and Santa Barbara area) was treated to an educated look at the National Archives and Records Services when Miss Carma Coffin of Ventura left nary an archive unturned in a systematic approach to sending for the many available records. True to her profession, Carma taught us what items to request and what results to expect. We all felt that armed with a brand new approach and with the help of her "gift", a five-page reminder, we could clear up any misty record pronto.

You'll find us on every first Thursday in downtown Ventura, at the Senior Activity Center, 420 Santa Clara, between California and Oak, at 7:30 P.M. Grant Sessions, our presiding officer, extends a hearty welcome to all. Our March meet features "Maps", in the capable hands of Jim Martin of Camarillo.

P. S. There's a copy of Carma's brochure on "National Archives Records" in the Library for sharing. It's a good one! — W. G.

HESPERIA HAPPENING...

MEETING on March 24th, Friday, at the home of Rose Douch, 16445 Live Oak Avenue, Hesperia, California, at 7:00 P.M., a Workshop for S.C.G.S. members in the area. Everyone interested in genealogical research is invited to attend.

ON CARD...

IF you have paid your dues for 1967, did you receive your paid-up dues card? If not, drop us a note, because it may have been misdirected, or maybe our office just "goofed". So don't sulk...write!

NEW ABLE LABEL...

IN an all out effort to combat the ever rising costs of running your Society and still give you as much worthwhile material at the same time, the label now includes your membership expiration date after your name. If every member would renew without a reminder, it would save the Society not only valuable office time, but the expense of cutting stencils, running the mimeograph, paper, envelopes, to say nothing of postage. We need to stretch our dollars to make this a bigger and better publication, and your cooperation will be appreciated.

We are always glad to receive your leads on prospective members, so send your list in anytime...no need to wait for a membership renewal sheet. Every new member increases our "buying power"...and the more we have, the better we can serve you.

Which reminds us, we can't know your wants and needs unless you let us know.
