

The Proudfoot Marriage Records

By Leslie R. Gray

The Reverend William Proudfoot, born in Scotland in 1788, came to Upper Canada in 1832 as a missionary of the United Associate Synod of the Secession Church of Scotland, a branch of Presbyterianism. For six months he visited a number of areas and by March 1833 he decided to make London his future home. From here he would minister to the Scottish folk in the village of London and in the townships of London, Westminster, Nissouri and a corner of Lobo. Congregations were established in all these settlements before the end of the year under the name of the United Presbyterian Church. As other Scottish ministers became available Proudfoot gave up the outlying churches but continued as minister of the U.P. Church (later First Presbyterian Church) until his death in 1851. He was succeeded by his son, John J. A. Proudfoot (later D.D.) who was minister of First Presbyterian Church London for many years. His first charges after ordination were at St. Marys and Downie Township Presbyterian Churches.

William Proudfoot had a tremendous influence throughout Upper Canada and aided in the establishment of Presbyterian churches, not only in this province, but also in Michigan, Indiana, Wisconsin and elsewhere. He loved writing and became clerk of various presbyteries and synods, where his influence was great. He also kept detailed and intimate diaries of his travels and his day to day work, and carried on an extensive correspondence with his fellow ministers in Canada, Scotland and U.S.A. Fortunately, many of his writings have been preserved by his descendants and are now available for research. His minutes, manuscripts and correspondence are deposited in the Archives of Knox College, Toronto. The correspondence has been indexed by writer and by locality for easy reference. All of these papers have been microfilmed and copies are available at the Ontario Archives, London libraries and elsewhere.

The diaries which give a great deal of information about the members of his church and the conditions of that period, have been edited and published by the London and Middlesex Historical Society, 1915, 1917, 1922 and by the Ontario Historical Society in its Papers and Records Vols. XXVI to XXXII.

Records of genealogical value have been selected for special treatment and copies will be available for ready reference at the London Public Library, and the Library of the University of Western Ontario. It is possible that they will also be microfilmed for use in other places.

We have selected for publication in this volume Rev. William Proudfoot's marriage record for the years 1833 to 1849 and covering the various churches in the London district.

The other items available for research are:

A BLACK FAMILY WITH LANARK COUNTY CONNECTIONS

(From THE STORIED PROVINCE OF QUEBEC; PAST AND PRESENT; Vol. IV; The Dominion Publishing Company, Limited, Toronto, 1931)

CHARLES ROBSON BLACK - In the Profession of accountancy, in which he was long one of the leaders in the City of Montreal, Charles Robson Black held a place of importance in the life of his fellow men, and was held in high in the esteem of those around him.

Mr. Black was born in Dunkild, Perthshire, Scotland, on January 26, 1835, son of the Rev. John and Susan (Adamson) Black. His father was a widely known Congregational divine in Dunkild, Scotland, where he lived and died. Charles Robson Black, the son, of whom this is a record, received a good sound education in his native land, and became a bank clerk while still in his 'teens. He was only seventeen years old when he left his native Scotland and crossed the ocean to Canada. That was in 1852. At once he settled in the Province of Ontario, going to Lanark, where he had a brother, the Rev. R. K. Black. Here he started life in the New World, finding a position with the firm of Caldwell, lumber dealers, at Galt, Ontario, where he served as bookkeeper until 1859. In that year he came to Montreal, Province of Quebec, where he entered the business house of John Dougal, wholesale commission merchants, with which he continued for a period, until finally he became a partner in the business. At length James Dougal, brother of John Dougal, bought an interest in the business, and the name was again changed, this time to Black and Dougal. Later it became Black and Lock, Mr. Lock having become a junior partner. The firm, at that time, went into the wholesale business, dealing in leather and leather goods; and in this field he continued for some years, until finally he went into what was for him an entirely new venture. This enterprise had to do with the settlement and trusteeship of estates, successful from the very outset. His name came to stand high in Montreal, as representative of those sterling characteristics which in any man go to make life worth while. His ability and his honest, honourable dealings were widely recognized, and his life became a thoroughly active and helpful one. He erected a fine home on Pine Avenue, Montreal, where he lived for the rest of his life.

Along with his work in the business and professional life of his city, Mr. Black has long been a leader in civic and social affairs. He was a member of Emanuel Congregational Church, of Montreal, in which he was a devout communicant. When he finally retired from his profession, he was able to devote his life for the remaining years to study. He became the possessor of many facts concerning old Montreal, and delved deeply into the history of the city. And into all his activities of this sort, as into his professional and social affairs, Mr. Black ever put the fullest measure of his energy and enthusiasm, with the result that he came to be highly esteemed and respected in many and varied walks of life.

Charles Robson Black married in Lanark, Ontario, Elizabeth Hall, a native of London, England, who was born in the British capital on November 29, 1838. Her father was a sea captain, and her mother died while she was very young. The daughter, Mrs. Black, then came to Canada, settling in Lanark, Ontario, where her marriage to Mr. Black took place. Later she came to Montreal with her husband, and thereafter made her home until her death on March 25, 1923, at the age of eighty-five years. She was active until the very last, and was a member of the Congregational Church. Noted for her many Christian virtues, she was ever a devoted wife and mother. She was buried in the Mt. Royal Cemetery, in Montreal.

Mr. and Mrs. Black became the parents of twelve children: 1. Susan Adamson, born in Montreal, where she was educated; later she went to New York, where she studied the nursing profession, becoming a professional nurse and so entering a field in which she was for many years successful, practising her chosen profession in New York City and returning later to her home city, Montreal, where she now lives, making her home on Atwater Avenue, Westmount; Miss Black has travelled extensively. 2. Charles James, who lives in Westmount, Quebec. 3. William Allan,

NOTES ON THE NEW FAMILY OF HORTON TOWNSHIP by Mrs. Alma A. Upsdell, 5993 Fleming Street, Vancouver, BC V5P 3G5:

I would like to thank the Ottawa Branch, O.G.S., Aldene and Les Church and Dorothy A. Relyea for the Publication 85-6 RENFREW PUBLIC CEMETERY (THOMSON HILL CEMETERY) (THOMSONVILLE CEMETERY), Renfrew County, Horton Twp., Concession 1, Lot 8. Through the above people I was able to obtain the marriage and baptisms of the NEW family who came to Horton Township in 1832. JAMES NEW listed on Page 7 (Section A) A-81 gave his birthplace as Wanboro, Wiltshire. The records are on microfiche at the Wiltshire Record office in Trowbridge, Wiltshire. The information below is what I found.

JACOB NEW and ANN WHELLER were married 14 October 1812 in Wanborough, Wiltshire. Witness GEORGE THOMS

Baptized 1817 Jan 12 ANNE daughter of JACOB and ANNE NEW Born Nov 14 1816, Abode Wanboro, County of Wiltshire

JOSEPH, son of JACOB and ANN NEW was baptized March 17, 1819, Wanboro, County of Wilts.

YOUNG, son of JACOB and ANN NEW was baptized Oct. 5, 1823, Wanboro, County of Wiltshire

JOHN, son of JACOB and ANN NEW was baptized May 14, 1826, Wanbro, County of Wiltshire

JAMES, son of JACOB and ANN NEW was baptized Jan 11, 1829, Wanbro (Wanborough), Wilts.

WILLIAM, son of JACOB and ANN NEW, was baptized Dec. 4, 1831, Wanbro, County of North Wilts.

JAMES appears to have been born Dec 13, 1828 not 1829 which is on his tombstone, as he was bapt. Jan 11, 1829.

I agree with Bruce Elliott's assumption that MRS. CHARLES MAYHEW of page 35 of 1842 & 1851 CENSUS OF RENFREW COUNTY, C.W. Vol. 1, HORTON, Publication 83-1 was a NEW.

THOMAS NEW must have been baptized elsewhere as he wasn't listed in the Parish of Wanborough, Wiltshire, Baptismal Records.

Should anyone interested wish copies of the marriages or baptisms they can be obtained at Wiltshire County Council, Wiltshire Record Office, County Hall, Trowbridge, Wiltshire, Eng. BA14 8JG. Cost is 22p each for microfiche print plus postage and packing.

Thank you again to all those people who made it possible to find my NEW roots in Wiltshire.

THE STINSONS AND CRAIGS OF NEPEAN includes findings of five years of intensive research; currently condensed to 225 pages. With addition of many old photos and index, contents are projected at 300 pages or more.

Early family history includes traditions discussed regarding ancestry in Ireland and Scotland before that. This history includes many of the "Irish" families located in Nepean Township through the 1800's. By 1842, four Stinsons and three Craig immigrants were located in the Township

and their lines of descent include all Stinsons and most Craigs in the district; all identified and documented.

Some other families located in North Gower, Goulbourn, Huntley, March, Fitzroy, Gloucester and Nepean are also discussed; projected that over 3,000 people are identified. Connection to Wakefield area families are identified.

Cost to be determined depending on quantity of sales; publication to commence early in 1988.

PREFACE

The following has been extracted from the preface of the microfilm containing the Wesleyan Methodist Baptismal Registers. It is with great appreciation that we acknowledge the permission and co-operation given to the Huron County Branch OGS by the United Church Archives, Victoria College Archives, Toronto and in so doing, making this project a valuable resource to those carrying out research. The entire Wesleyan Methodist Baptismal Register is available on microfilm at the United Church Archives, Toronto.

"The General Register

In June 1843, representatives at the Annual Conference of the Wesleyan Methodist Church in Canada resolved that a General Register of births and baptisms be kept at the Conference office in Toronto to ensure the preservation of documents and to afford the baptized and other facilities of reference. ...Ministers were encouraged also to submit past circuit registers for copying into the General Register, but based on the scarcity of early records, it appears that this was seldom accomplished. ...Still, the General Register is not a complete record of births and baptisms for this period.

The General Register contains records of births and baptisms of the Wesleyan Methodist Church in Canada up to 1874, of the Methodist Church of Canada for the period 1874 to 1884, and of the Methodist Church (Canada) up to 1910. ...Each Register entry shows the name of the person baptized, the date of birth and baptism, the names of the parents and their place of residence, the place of baptism and the name of the minister who officiated."

Also we would like to thank our typist, Marie Dignan, who took on the task and completed the typing of all the townships and Dale Dignan for the format. A thank you also to the following people who checked for errors or omissions: Jim Axtmann, Helen Dale, Hannah Miller, Donna Nicholson, Yvonne Porter, Marg Salter, Pat Saundercock, Phyllis Thompson, Reg Thompson, and Debra Virkutis.

Background

The Cavan Census material was transcribed, data entered and proof read by Tina Hansen.

Census data contained in this publication was transcribed from the microfilm reel titled MS 16 of the Municipal Records for Cavan Township available at the Peterborough Public Library.

Family surnames appear in the transcription in the same sequence as which they were recorded on the census return documents. The early census records do not include full details of family member's names and ages.

As with any surname index, a family surname may appear more than once on any of the identified page references and this should be kept in mind when using the index included at the end of the publication.

Copies of this Census transcription by Tina Hansen can be purchased by contacting:

Census of Cavan
Township

District of Newcastle
Canada West

ORANGE COUNTY CALIFORNIA
GENEALOGICAL SOCIETY

Background

The Cavan Census material was transcribed, data entered and proof read by Tina Hansen.

Census data contained in this publication was transcribed from the microfilm reel titled MS 16 of the Municipal Records for Cavan Township available at the Peterborough Public Library.

Family surnames appear in the transcription in the same sequence as which they were recorded on the census return documents. The early census records do not include full details of family member's names and ages.

As with any surname index, a family surname may appear more than once on any of the identified page references and this should be kept in mind when using the index included at the end of the publication.

*The cover photograph is an early settlers dwelling. It is one of the buildings now located at Lang Century Village, Keene, Ontario.
Photograph by Sylvia Best 1998.*
