Above list compiled by Kevin Byrne, Colonsay, PA61 7YP, to 29 June 1996

A copy of this list, together with one for Oransay, has been lodged with The Scottish Genealogy Society and also with the County Archivist, Argyll & Bute

EVERY GENEALOGIST CAN RELATE TO THESE ...

- Undocumented genealogy is mythology.
- My ancestors must have been in a "Witness Protection Program".
 - My family tree must have been used for firewood!
- Whoever said "Seek and ye shall find" was not a genealogist
 - Am I the only person up my tree? -- Seems like it!
 - I'm not stuck ... I'm ancestrally challenged.
 - Why are there so many gnarled limbs on my family tree?
 - I'm stuck in my family tree ... and I can't get down!
- My husband has started calling cemeteries "Ancestor Farms".
 - To a genealogist EVERYTHING is relative!

Members of the Royal Agricultural Society of Prince Edward Island 1846

by William Glen CG(C) and Elizabeth Glen CG(C)

The following list was found on Page 2, Column 4 of *The Islander*, dated January 8, 1847. From the names on the list with which we are familiar, we suggest that the Society was for the more well off members of the Island's society! For more information on the Society see the article entitled "The Agricultural Societies of Prince Edward Island" by Elinor Vass in *The Island Magazine*, Number 7 (Fall-Winter 1979)
