Christian and wife G.V. Christian Sister Sarah Park S M A Harrison being present without letter went under the watch care of the church until they could be obtained from their Churches

The following was presented as an abstract of their views as taught in the Bible the word of God
1st We believe that the Holy Bible was written by men divinely inspired and is a perfect treasure of heavenly instruction that it has God for its author salvation for its end, without any mixture of error for matters that it reveals the principals by which God will judg [sic] us and therefore is and shall, remain to the end of the world the true center of Christian union and the supreme standard by which all human conduct creeds and opinion shall be tried

2 We believe ther [sic] is but one True and living God who is Jehova [sic] the maker and ruler of the heavns [sic] and the earth worthy of all possible confidence [illegible] and love revealed under the personal and relative distinctions of the Father Son and Holy Ghost equal in every divine

perfection and executing distinct but harmonious officers in the great work of redemption

3rd We believe that man was created in a state of holiness under the law of his maker but by volentary [sic] transgression fell from that holy and [illegible] state in consequence of which all mankind are siners [sic] not by constraint but by choice being void of that holyness [sic] acquired by the law of God wholly [sic] given to the gratification of the world of satin and of their own sinful [illegible] and therefore under just condemnation without excuse or defence

4th We believe that the salvation of sinners is wholly [sic] of grace through the mediational office of the son of God who took upon himself our nature sin excepted known by his personal obedience and attoned [sic] for our sins by his death having arisen from the dead he is now introned [sic] in heaven and is every way qualified to be a suitable a compassionate and an all sufficient Savior

5th We believe that we are justified only through the righteousness of Jessus [sic] Christ and not in consideration of any works of righteousness on the part of the creature

6th We believe in order that a person may be saved he must be regenerated and born again
