News and Notes

Our Society has decided upon a new project in regard to the collecting and preserving of any and all Bible Records.

Please send us photostated copies of your Bible Records with a typed transcription of the family data (you are better at transcribing names and dates familiar to you) and send, also, data regarding the printing of the Bible and notes as to where the family lived at some point in time.

This material will be placed in individual folders in a file in our local library for use of those with an interest in your family's name.

We believe this will provide data in a special place and will be available to more people.

The above material, as all other material, is to be mailed to OUACHITA-CALHOUN Cen. Soc., P. O. Box 2092, Camden, AR. 71701.

New Chairmen for various positions in the editing and publishing of our bulletin are as follows:

In this issue, beginning on page 63, we offer the 1870 U. S. Census of Carroll Township, Ouachita County, Arkansas. We are indebted to Tim Crain, one of our young members and an ardent genealogist, for this effort. It is a big job to copy and transcribe Census records of any length and Tim has done a wonderful piece of work on this.

THANKS VERY MUCH, TIM !!

And - we sincerely thank Mr. and Mrs. Ray Hussey for furnishing us with the pre-printed headings for our various subjects. These help to make our efforts more professional looking, and we do need help there. THANKS!!!

These listings of the marriage records of Ouachita County were begun in the first issue. Because of the destruction of two early courthouses by fire, our records begin here in December 1875. Some of the earliest records are to be found in Hempstead and Union County records, the parent counties of Ouachita.
