The Cromberg Cemetery was founded in September, 1885, when Annie Mary Langhorst, daughter of Gerard Langhorst, was laid to rest in a beautiful spot on her father's property on top of the hill overlooking Cromberg. It continued to grow, as one by one, the Pioneers found a place of rest there. When Mrs. Langhorst sold the property, two acres were reserved and ~~deded~~ deeded to the District for the Cemetery. (Ref: Minnie Langhorst Church.)

This listing was prepared in March, 1968 by Mrs. Ruth Haddick, Secretary-Director of the Cromberg Cemetery District. Other Directors are Roy C. Stouky and Robert M. Mason.
